Independent Auditors' Report

December 31, 2021

To the Board of Trustees
SFO Forecast, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of SFO Forecast, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of SFO Forecast, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report (continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SFO Forecast, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SFO Forecast, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report (continued)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SFO Forecast, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SFO Forecast, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditors' Report (continued)

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held At End of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE A -- Plan description

The following description of the SFO Forecast, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

SFO Forecast, Inc. and its affiliate (the Company) established the Plan effective October 1, 1995 as an employee stock ownership plan (ESOP). The ESOP was amended and restated into the SFO Forecast, Inc. 401(k) Plan (the Plan) effective January 1, 2013. The ESOP funds were transferred to the SFO Forecast, Inc. 401(k) Plan on February 14, 2013. The Plan is administered by the Plan's trustees appointed by the Company's Board of Directors. The Board of Trustees is responsible for oversight of the Plan. Nationwide serves as the custodian.

The Plan is a defined contribution plan. The Plan covers all employees of the Company (SFO and its Affiliate) except union or leased employees and employees who are employed by an affiliated employer which does not adopt the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

In April 2021, the Plan was amended to reinstate as a Safe Harbor 401(k) Plan effective April 15, 2021. The Company now contributes a safe harbor match of 100% of a participant's salary deferrals up to 3%, plus 50% of salary deferrals up to the next 2%. Participants maintained rights to employer safe harbor matching contributions earned prior to the effective date.

Contributions

Participants may make voluntary elective deferral contributions subject to limitations prescribed by the Internal Revenue Code (the Code), as well as rollover contributions from a qualified plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Each year the Company may also contribute to the Plan discretionary amounts as determined by the Board of Directors. Any discretionary profit-sharing amounts will be credited to participants who were employed on the last day of the plan year. The Company made a required safe harbor matching contribution of \$122,133 for the year ended December 31, 2021. During 2021 the Company did not make any discretionary employer contributions.

NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE A -- Plan description (continued)

Participant accounts

Separate accounts are maintained for each participant (an elective deferral contribution, an elective Roth deferral contribution, a discretionary employer profit-sharing contribution account and ESOP account). Each participant's account is credited with the participant's elective contributions, the employer's discretionary contribution, allocation of Plan earnings (less administrative expenses) and forfeitures of the non-vested portion of terminated participants' accounts. Investment direction for each participant's account is provided by the participant.

Vesting

Participants are fully and immediately vested in their elective and rollover contribution accounts together with their allocated Plan earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after three years of credited service.

<u>Participants' Years of Credited Vested Service</u>	<u>Vested Percentage</u>
Less than 3 years	0%
3 years or more	100%

Upon death or disability, participants' accounts become fully vested.

Payment of benefits

Generally, no distributions from the Plan will be made until a participant retires, dies (in which case payment shall be made to his or her designated beneficiary or, if none, to his or her legal representatives), becomes disabled or terminates employment. Payments will be made in a lump sum. The Plan allows for in-service distributions for eligible participants who are 59½. These distributions may be paid in installments.

Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would become one hundred percent (100%) vested in all amounts credited to their accounts. Each participant would be able to make an election as to the method of receiving their benefits.

Forfeitures

At December 31, 2021, there were no forfeitures of terminated, non-vested accounts.

NOTE B -- Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment valuation and income recognition

The Plan's investments are valued at fair value as of the Plan's year-end, taking into consideration investment earnings credited, expenses charged, payments made and changes in the value of the assets held in the funds. Fair value is determined by quoted market prices.

Investment income

Purchases and sales of the funds are recorded on a trade-date basis. Dividend and interest income is recorded on an accrual basis as earned.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of distributions and terminated employees' accounts are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE C -- Investments

The Plan's investments are held in various mutual funds and a fixed contract fund. Participants may direct their contributions to any of the available mutual funds and the fixed contract fund within the Plan's established investment options. The investments as of December 31, 2021 are noted on the supplemental schedule.

NOTE C -- Investments (continued)

The following investments represent 5% or more of the Plan's net assets at December 31:

	<u>2021</u>	<u>2020</u>
Vanguard Target Retirement 2015 Fund	\$ 539,642	\$ 515,127
Vanguard Target Retirement 2025 Fund	\$ 198,109	\$ 379,246
Vanguard Target Retirement 2030 Fund	\$ 385,140	\$ 509,970
Vanguard Target Retirement 2035 Fund	\$ 553,830	\$ 415,412
Vanguard Target Retirement 2040 Fund	\$ 521,943	\$ 507,652
Vanguard Target Retirement 2045 Fund	\$ 581,581	\$ 498,868
Vanguard Target Retirement 2050 Fund	\$ 422,239	\$ 343,935
Vanguard Total Stock Market Index Fund Admiral	\$ 693,343	\$ 372,519

During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$563,085.

NOTE D -- Fair value measurements

In accordance with generally accepted accounting principles, the Plan has categorized all investment assets according to the fair value hierarchy as either: Level 1, observable inputs that are derived from quoted prices (unadjusted) for identical assets or liabilities in an active market; Level 2, quoted prices in non-active markets or in active markets for similar assets or liabilities, inputs other than quoted prices that are observable, and inputs that are not directly observable, but are corroborated by observable market data; or Level 3, unobservable inputs, which cannot be corroborated by external market data.

Level 1 fair value measurements

The fair value of mutual funds is based on quoted net asset values of shares held by the Plan at year end. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 fair value measurements

The fixed contract fund is valued at fair value by the custodian by subtracting any market value adjustment from the book value.

SFO FORECAST, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2021

NOTE D -- Fair value measurements (continued)

Level 3 fair value measurements

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The Plan does not hold any Level 3 investment assets.

The following table summarizes the Level 1 and Level 2 investment assets held by the Plan at December 31:

	<u>2021</u>	<u>2020</u>
Level 1: Mutual funds:		
Balanced funds	\$ 3,608,924	\$ 3,512,444
Index funds	944,939	523,809
Growth funds	461,350	270,335
Fixed income funds	<u>64,358</u>	<u>48,871</u>
Total mutual funds	5,079,571	4,355,459
 Level 2: Fixed contract fund	 <u>22,184</u>	 <u>21,911</u>
 Total investments	 <u>\$ 5,101,755</u>	 <u>\$ 4,377,370</u>

NOTE E -- Tax status

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the date of the financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan's administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

SFO FORECAST, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2021

NOTE F -- Risks and uncertainties

The Plan invests in various investment securities. Investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G -- Information prepared and certified by the Plan custodian

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the custodian as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 5,079,571	\$ 4,355,459
Fixed contract fund	\$ 22,184	\$ 21,911
Net appreciation in fair value of investments	\$ 563,085	\$ 599,821

NOTE H -- Related party transaction

Fees to Nationwide for asset management services were \$49,423 and paid by SFO Forecast, Inc. (Plan sponsor) for the year ended December 31, 2021. The fixed contract fund maintained in the Nationwide Fixed Select Option (NFSO) is managed by Nationwide, which is the custodian of the Plan. Transactions in NFSO are considered to be party-in-interest investments.

NOTE I -- Fixed contract fund

The Plan maintains a fixed contract fund with Nationwide. Nationwide maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

The guaranteed investment contract is reported at contract value at December 31, 2021 and 2020 because the contract was fully benefit-responsive for the year then ended. The guaranteed investment contract is presented on the 2021 and 2020 statements of net assets available for benefits at fair value with an adjustment to contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by Nationwide, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at fair market or contract value.

SFO FORECAST, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2021

NOTE I -- Fixed contract fund (continued)

There are no reserves against the fair market or contract values for credit risk of the contract issuer or otherwise. The fair value of the investment contracts at December 31, 2021 and 2020 was \$22,417 and \$22,722, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, and it may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at fair market or contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at fair market or contract value with participants, is probable.

The guaranteed investment contract does not have a maturity date. The average yields based on actual earnings as well as interest rate credited to participants were 1.23% and 1.50% for the years ended December 31, 2021 and 2020, respectively.

NOTE J -- Subsequent events

In February 2022, the Plan amended and restated provisions to merge in Ocean Beach Sportswear, Inc. 401(k) Plan. Ocean Beach Sportswear, Inc. 401(k) Plan is merged into the Plan effective as of February 15, 2022. At the time of the merger, the full name of the Plan is now The Bay Co. 401(k) Plan.

The date to which events occurring after December 31, 2021 have been evaluated for possible adjustments to the financial statements or disclosure is June 30, 2023, which is the date on which the financial statements are available to be issued.
