Report of Independent Auditors

To the Administrator of the Attorneys' Liability Assurance Society Ltd., A Risk Retention Group, 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Attorneys' Liability Assurance Society Ltd., A Risk Retention Group, 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its

form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Attorneys' Liability Assurance Society Ltd., A Risk Retention Group, 401(k) Savings Plan

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1 — DESCRIPTION OF THE PLAN

The following description of the Attorneys' Liability Assurance Society Ltd., A Risk Retention Group, 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan of Attorneys' Liability Assurance Society Ltd., A Risk Retention Group ("Company", "Plan Sponsor" or "Plan Administrator") was adopted as of December 1, 1987. The Plan is a tax qualified defined contribution plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The purpose of the Plan is to enable eligible employees to save for retirement. In addition to retirement benefits, the plan provides certain benefits in the event of death, disability, or other termination of employment. The Plan is for the exclusive benefit of eligible employees and their beneficiaries.

Plan Administration

The Company, as the Plan Administrator, is responsible for providing employees and their beneficiaries with information regarding their rights and benefits under the Plan. The Plan Administrator has responsibility for selecting and overseeing the Plan investments and determining the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance companies. Fidelity Management Trust Company ("Fidelity") is the Plan's trustee.

Plan Participation

All employees of the Company are eligible to participate after three months of service, except: (i) employees who reside in Puerto Rico; (ii) covered by a collective bargaining agreement, unless the agreement requires you to be included under the Plan; (iii) leased employees; (iv) non-resident alien with no US source income; (v) employees who are not a citizen or resident of the US; (vi) individuals who are signatories to a contract, letter of agreement, or other document that acknowledges their status as an independent contractor; (vii) non-common law employees; or (viii) individuals where the Company does not withhold income taxes, file Form W-2 or remit Social Security tax on the individual's behalf, even if the individual is later adjudicated to be a common law employee.

Contributions

Participants may elect to make before-tax, Roth 401(k) or after-tax contributions up to 75% of eligible compensation, as defined, subject to Internal Revenue Service ("IRS") limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants can roll over into the Plan a portion or all of an eligible rollover distribution received from a qualified retirement plan.

The Company makes a matching contribution up to a maximum of 125% of a participant's contribution, not to exceed 6% of the participant's eligible compensation ("Company's Matching Contribution"). In addition, the Company makes a nonelective contribution ("Company's Nonelective Contribution") to each eligible employee account, currently equal to 4% of eligible pay, regardless of the employee's contribution election. Contributions to the Plan are subject to certain limits imposed by the IRS and the Plan terms.

Participant Accounts

The Plan's recordkeeper maintains an account in the name of each participant to which each participant's contributions, Company's Matching Contributions, Company's Nonelective Contributions and allocations of Plan net earnings and losses, if any, are recorded. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Investment Options

The Plan currently offers various investment options for participants to direct their investments. Participants may allocate their contributions and Company's contributions among the various investment options at their discretion.

Vesting

Participant contributions are fully and immediately vested. The Company's matching contributions and the Company's nonelective contributions are fully vested after five years of credited service.

Withdrawals

Upon reaching age 59 ½, a participant may elect to withdraw all or a portion of their entire vested Plan account while still employed by the Company. Participants may apply for hardship withdrawals to satisfy specific and heavy financial needs once they have exhausted all other assets reasonably available to them. The minimum hardship withdrawal is \$500.

Payment of Benefits

Should a participant become disabled or terminated from employment, the portion of their Plan account upon which they are vested will be available for distribution as soon as administratively possible after the participant's retirement date, the date they became disabled or their termination date. Upon reaching normal retirement age (age 65), a participant may elect to withdraw all or a portion of their entire vested Plan account while still employed by the Company or delay distributions until their retirement date. Required minimum distributions will begin in April of the calendar year following the later of the year in which the participant attains the required minimum distribution age or the year following retirement or termination of employment. Terminated participants must begin taking minimum distributions in April of the year following the year they turn age 72. Beneficiaries must receive the participant's entire vested account balance no later than the December 31 of the calendar year containing the 10th anniversary of the participant's death, unless the beneficiary is an "eligible designated beneficiary". An "eligible designated beneficiary" is (a) surviving spouse, (b) minor child, (c) disabled, (d) a chronically ill individual, or (e) an individual who is not more than 10 years younger than the participant.

Notes Receivable from Participants

Participants may borrow up to one-half of their non-forfeitable account balances subject to a \$1,000 minimum and up to a maximum equal to the lesser of \$50,000 (less the participants highest outstanding loan balance during the previous 12 months) or 50% of their account balance. The loans have a maximum term of 5 years unless it is for the purchase of a primary residence in which case the loan can have a maximum term of 10 years. The rate of interest on loans remains fixed for the life of the loan. At December 31, 2022, interest rates on notes receivable from participants ranged from 4.25% to 7.25% with maturity dates from 2023 to 2030. Interest rates are updated through the Loan Interest Rate Update Service ("LIR") based upon the prime rate as reported. Each loan is subject to a \$75 set up fee paid by the participant. There is an additional annual maintenance fee of \$25 paid by the participant. The loans are repaid over the term in installments of principal and interest by deduction from pay. A participant also has the right to repay the loan in full, at any time, without penalty.

Forfeitures

The Plan provides that forfeitures of nonvested employer contributions, if any, shall be applied to reduce employer contributions and, thereafter, to pay for plan expenses. Forfeited accounts of \$36,209 were used to offset employer contributions for the year ended December 31, 2022. No forfeitures were used during 2022 to pay Plan expenses.

Revenue Sharing

The Plan earns a fixed percentage from Fidelity on an annual basis. The revenue sharing earned is credited back to the plan participants invested in those funds.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 2 — SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America ("GAAP").

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation (depreciation) includes the Plan's gains and losses on investments sold during the year, and unrealized gains and losses on investments held at the end of the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Initiation and maintenance fees associated with loans are deducted from the individual participant accounts.

Payments of Benefits

Benefits are recorded when paid.

Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the period in which the employee contributions are withheld from payroll.

Plan Fees

Fees related to the administration of investments are included in "Plan Fees," including fees related to investment management of accounts, and investment advisor fees. Audit fees of \$70,000 and investment consulting fees of \$40,000 were paid directly by the Company.

Subsequent Events

The Plan has evaluated subsequent events through August 21, 2023, the date the financial statements were available to be issued, and has determined no material events occurred which require recognition or disclosure in the financial statements.

NOTE 3 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Attorneys' Liability Assurance Society Ltd., A Risk Retention Group, 401(k) Savings Plan

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Level 1, which refers to inputs to the valuation methodology which are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date; Level 2, which refers to inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; Level 3, which refers to inputs to the valuation methodology that are based on prices or valuations that include unobservable measurements, and include situations where there is little, if any, market activity for the asset.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Mutual Funds and Self-Directed Brokerage Accounts

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The Plan's self-directed brokerage option gives participants the choice to invest in mutual funds and various other securities, including stocks, exchange-traded funds and certificates of deposit. The mutual funds and self-directed brokerage accounts held by the Plan are considered to be actively traded and are classified as Level 1.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total

NOTE 4 — INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee, has certified that the following data included in the accompanying financial statements and Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is complete and accurate.

Statements of Net Assets Available for Benefits

	As of December 31,	
	2022	2021
Investments, at fair value	\$ 41,459,286	\$ 52,228,880
Notes receivable from participants	\$ 291,387	\$ 314,075

Statement of Changes in Net Assets Available for Benefits For the Year Ended December 31, 2022

Net appreciation (depreciation) in fair value of investments	\$ (11,666,295)
Dividend and interest income	\$ 1,783,578
Interest income on notes receivable from participants	\$ 15,233

NOTE 5 — RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares in mutual funds managed by Fidelity. Fees paid by Plan participants to Fidelity for investment management services was \$26,863 for the year ended December 31, 2022. Interest income related to notes receivable from participants was \$15,233 for the year ended December 31, 2022. These transactions qualify as party-in-interest transactions permitted under the provisions of ERISA.

Certain administrative functions are performed by officers or employees of the Plan Sponsor who may also be participants in the Plan. These actions qualify as permitted party-in-interest activities. No such officer or employee receives compensation from the Plan. Refer to Note 2 for a description of fees paid by the Plan Sponsor.

NOTE 6 — PLAN TERMINATION

The Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. While the Plan Sponsor has not expressed any intent to terminate the Plan, it is free to do so at any time. In the event the Plan is terminated, all participants become vested, and the distribution of balances will be made based upon the valuation of the participants' accounts.

NOTE 7 — TAX STATUS

The Plan received a determination letter from the Internal Revenue Service ("IRS") dated September 26, 2022, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code and therefore the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualified status. The Plan Administrator believes that Plan is being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes the Plan is qualified and the related trust is exempt from taxation. Accordingly, no provision for income taxes has been reflected in the financial statements of the Plan.

A Risk Retention Group, 401(k) Savings Plan**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there were no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. Tax years prior to 2019 are closed to examination.

NOTE 8 — RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statement of assets available for benefits. Individual participants' accounts bear the risk of loss resulting from fluctuations in investment values.
