INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the A.M.A. Nantucket, Inc. 401(k) Plan

Opinion

We have audited the accompanying financial statements of A.M.A. Nantucket, Inc. 401(k) Employee Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of A.M.A. Nantucket, Inc. 401(k) Employee Benefit Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of A.M.A. Nantucket, Inc. 401(k) Employee Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about A.M.A. Nantucket, Inc. 401(k) Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the A.M.A. Nantucket, Inc. 401(k) Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about A.M.A. Nantucket, Inc. 401(k) Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Part IV, Line 4i Schedule of Assets (Held At End of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

Supplemental Schedules Required by ERISA (continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

A.M.A. NANTUCKET, INC. 401(K) EMPLOYEE BENEFIT PLAN

Notes to Financial Statements

For the years ended December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN:

The following description of the A.M.A. Nantucket, Inc. ("Company") 401(k) Employee Benefit Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a profit sharing plan, covering all full-time employees once they have completed ninety (90) days of employment and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor ("Company") is responsible for oversight of the Plan.

Contributions

Each year, participants may contribute up to the IRS maximum limit of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and group annuity contract as investment options for participants. The Plan includes auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with default deferral rate set at 2% of eligible compensation. Contributions are automatically invested in a designated balance fund until changed by the participant. The Company's discretionary matching contribution is equal to a uniform percentage of each participant's deferred compensation and determined each year. For the years ended December 31, 2022 and 2021, the Company's matching contributions is equal to 50 percent, up to 6 percent of each participant's compensation. The Company may, in its sole discretion, make a non-elective contributions to the Plan on participants behalf. Such non-elective contributions are allocated to each eligible participant in the ratio that each participant's Plan compensation bear to the Plan compensation of all eligible participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching and/or non-elective contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participant

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The notes are secured by the balance in the Participant's account and bear interest at rates ranging from 3.25% to 7%, which are commensurate with local prevailing rates, as determined quarterly by the Plan administrator. All notes have a definite repayment period which provides for payments to be made not less frequently than quarterly, and for the loan to be amortized on a level basis over a reasonable period of time, not to exceed five (5) years. Notes used to acquire a principal residence may be repaid over a reasonable period of time that may be longer than five (5) years. Principal and interest may be paid ratably through weekly payroll deductions.

Notes to Financial Statements

For the years ended December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN (continued):

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. The vesting schedule for the Company's contribution portion is as follows:

<u>Years of Vesting Service</u>	<u>Percentage</u>
Less than 1	0%
1 year but less than 2	20%
2 years but less than 3	40%
3 years but less than 4	60%
4 years but less than 5	80%
5 or more years	100%

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$65 and \$65, respectively. These accounts will be used to reduce future employer contributions. Also, in 2022 and 2021, employer contributions were reduced by \$2,276 and \$10,502, respectively, from forfeited nonvested accounts.

NOTE B-SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Investments held by defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan does not have any fully benefit-responsive investment contracts in its investment portfolio for the years ended December 31, 2022 and 2021.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

A.M.A. NANTUCKET, INC. 401(K) EMPLOYEE BENEFIT PLAN

Notes to Financial Statements

For the years ended December 31, 2022 and 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Notes Receivable from Participant

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account when incurred. As of December 31, 2022, and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies. See *Note E* for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year .

Expenses

Certain expenses of the Plan are paid directly by the Company and are excluded from this financial statements. Fees related to investment services and administration of distributions, notes receivables and domestic related orders are charged directly to the participant's account. All fees are included in administrative expenses on the statements of changes in net assets available for benefits .

Payment of Benefits

Benefits are recorded when paid.

NOTE C - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.

NOTE D - TAX STATUS:

The Plan adopted a profit sharing plan with CODA sponsored by the Angell Pension Group, Inc., the Third Party Administrator. That Plan obtained its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service determined that the Plan and related trust, as then designated, are in compliance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

A.M.A. NANTUCKET, INC. 401(K) EMPLOYEE BENEFIT PLAN

Notes to Financial Statements

For the years ended December 31, 2022 and 2021

NOTE D - TAX STATUS (continued):

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE E - FAIR VALUE MEASUREMENTS:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2022 and 2021.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

The fair value for fixed annuity options are reported daily based on a valuation method described in the annuity contract, as calculated by the annuity provider. The valuation method is using pricing models based on credit quality, time to maturity, stated interest rates, and market rate assumptions.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Fair Value Measurements at the End of the Reporting Period Using:			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,885,519	\$ -	\$ -	\$ 9,885,519
Group annuity contract	-	591,236	-	591,236
Total assets at fair value	<u>\$ 9,885,519</u>	<u>\$ 591,236</u>	<u>\$ -</u>	<u>\$ 10,476,755</u>

A.M.A. NANTUCKET, INC. 401(K) EMPLOYEE BENEFIT PLAN
Notes to Financial Statements
For the years ended December 31, 2022 and 2021

NOTE E - FAIR VALUE MEASUREMENTS (continued):

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Fair Value Measurements at the End of the Reporting Period Using:			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,932,332	\$ -	\$ -	\$ 11,932,332
Group annuity contract	-	346,981	-	346,981
Total assets at fair value	<u>\$ 11,932,332</u>	<u>\$ 346,981</u>	<u>\$ -</u>	<u>\$ 12,279,313</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2022 and 2021, there were no transfers of investments into or out of Level 3.

NOTE F - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risk such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE G - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS:

Certain Plan investments are annuity contracts managed by Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America is the Trustee and record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Massachusetts Mutual Life is the investment advisor for the Plan, therefore, transactions between the Plan and Massachusetts Mutual Life qualify as party-in-interest transactions. Fees paid by the Plan for record-keeping and investment management services amounted to \$63,242 and \$66,241 in 2022 and 2021, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE H - EVALUATION OF SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through July 20, 2023 which is the date the financial statements were available to be issued.
