INDEPENDENT AUDITOR'S REPORT

To the Trustees
The Lynd Company 401k Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Lynd Company 401k Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Lynd Company 401k Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Lynd Company 401k Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

8000 IH-10 West | Suite 1100 | San Antonio, Texas 78230 | Ph: 210.384.8000 | Fax: 210.384.8011

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Lynd Company 401k Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Lynd Company 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Lynd Company 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i- Schedule of Assets (Held at End of Year) and Schedule H, Line 4a- Schedule of Delinquent Participant Contributions as of an for the year ended December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company and Principal Life Insurance Company, the custodians of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the custodians hold the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodians as of December 31, 2020, that the information provided to the plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

THE LYND COMPANY 401K PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of The Lynd Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of The Lynd Company (the Company or Plan Sponsor) who have three (3) months of service and are age twenty-one (21) or older. Prior to an April 1, 2020 amendment, employees were eligible after six (6) months of service and age twenty-one (21). The Plan is designed to meet the requirements of Internal Revenue Code Section 401(a) and is subject to provisions of the Employment Retirement and Income Security Act of 1974 (ERISA).

Contributions

Discretionary matching contribution amounts may be contributed at the option of the Company's Executive Committee. Nonelective employer contributions are allocated based upon the participant's compensation using a nonintegrated allocation formula. Contributions are subject to certain limitations. For the years ended December 31, 2021 and 2020, no such contributions were made.

Participants may elect to contribute up to 20 percent of eligible compensation, subject to Internal Revenue Code (IRC) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan was amended and restated effective September 6, 2018, to stop the automatic enrollment of eligible employees.

Participant Accounts

Participants direct the investment of their contributions into various investment options offered by the Plan.

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions, if any, and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

THE LYND COMPANY 401K PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are vested immediately in their contributions and actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Company matching and profit sharing contributions have a five-year graded vesting period as follows:

<u>Complete Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms range up to five years or over a reasonable period of time for the purchase of a primary residence, as established by the Plan Administrator at the time of the loan. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined quarterly by the Plan Administrator. Principal and interest are paid through payroll deductions. The participant may only have one loan outstanding at any given time.

Payment of benefits

On termination of service, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. Any balance under \$1,000 is automatically paid out as soon as administratively possible. Hardship withdrawals are also available subject to certain limitations.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The accompanying financial statements are prepared on the accrual basis of accounting.

Payment of benefits

Benefits are recorded when paid.

THE LYND COMPANY 401K PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be recognized to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for disclosure of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, Schedule H, Line 4i- Schedule of Assets (Held at End of Year).

Notes receivable from participants are measured at their unpaid principal balance plus accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess contribution payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. No excess contributions were made for the years ended December 31, 2021 or 2020.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

NOTE 3 – INFORMATION CERTIFIED AND PROVIDED BY THE CUSTODIANS

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the custodians and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodians that the information provided to the Plan Administrator by the custodian (Fidelity Management Trust Company for the first quarter of 2020, and Principal Life Insurance Company for the last three quarters of 2020 and 2021) related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and the supplemental schedule related to the following assets:

	December 31,	
	2021	2020
Investments at fair value:		
Pooled separate accounts	\$ 185,108	\$ 176,623
Interest in common/collective trusts	746,079	561,458
	931,187	738,081
Notes receivable from participants	60,996	19,635
	<u>\$ 992,183</u>	<u>\$ 757,716</u>

The custodian (Principal Life Insurance Company) also certified the completeness and accuracy of \$139,698/of net appreciation in fair value of investments, \$2,027 of interest and dividends related to the aforementioned investments and from notes receivable from participants for the year ended December 31, 2021.

The custodians (Fidelity Management Trust Company for the period of January 1, 2020 to March 31, 2020, and Principal Life Insurance Company for the period of April 1, 2020 to December 31, 2020) also certified the completeness and accuracy of \$47,250 of net appreciation in fair value of investments, \$1,266 of interest and dividends related to the aforementioned investments and from notes receivable from participants for the year ended December 31, 2020.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board's *FASB Accounting Standards Codification* (ASC), Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority

THE LYND COMPANY 401K PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the ASC, Fair Value Measurements and Disclosures, are described below.

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices for the asset or liability that are observable
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, Level 2 inputs must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques that are used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts: Valued at the net asset value by the custodian, as of the close of business and adjusted for dividends, splits, administrative maintenance charges and other items.

Interest in Common/Collective Trusts: Valued at the net asset value (NAV) of units of a collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

THE LYND COMPANY 401K PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market: Valued at the NAV of shares held by the Plan at year-end.

The methods above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
<u>Description</u>				
Pooled separate accounts	\$ -	\$ 185,108	\$ -	\$ 185,108

For the year ended December 31, 2020, there were \$492,323 in transfers between Levels 1 and 2 and no transfers in or out of Level 3.

For the year ended December 31, 2021, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

NOTE 6 – RELATED-PARTY AND PARTY-IN INTEREST TRANSACTIONS

After April 1, 2020, all Plan investments are managed by Principal Life Insurance Company (Principal), while Fidelity Management Trust Company managed the investments prior to that date. Fidelity and Principal are the custodians, as defined by the Plan; therefore, these investments qualify as party-in-interest transactions. Fees paid by the Plan for investment management and other services totaled \$17,934 and \$11,363 for the years ended December 31, 2021 and 2020, respectively.

NOTE 7 – RISK AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	\$ 992,183	\$ 757,716

The following is a reconciliation of the net increase in net assets available for benefits for the years ended December 31, 2021 and 2020, per the financial statements to Form 5500:

	2021	2020

NOTE 9 – TAX STATUS

Effective April 1, 2020, the Plan adopted a nonstandardized form of a prototype plan (Principal). The Plan has received an opinion letter dated March 31, 2014, from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. Although the Plan has been amended since receiving this determination letter, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that the Plan is no longer subject to income tax examination for years ending prior to December 31, 2018.

NOTE 10 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent through October 6, 2022, the date the financial statements were available to be issued.
