## **INDEPENDENT AUDITOR'S REPORT**

To the Fiduciary Committee and participants of the  
Cleveland Group, Inc. and Subsidiaries 401(k) Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the Cleveland Group, Inc. and Subsidiaries 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements (the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

### **Opinion**

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified

investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **Cleveland Group, Inc. and Subsidiaries 401(k) Profit Sharing Plan**

## **Notes to Financial Statements December 31, 2022 and 2021**

---

### **1. Description of Plan**

The following description of the Cleveland Group, Inc. and Subsidiaries 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more detailed description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan covering eligible employees of Cleveland Group, Inc. and its subsidiaries (collectively, the Company). Eligible employees include full-time, non-union employees of the Company. Employees are eligible to enroll in the Plan on their date of hire. Certain part-time employees are eligible to participate in the Plan upon completion of 1,000 hours of service during a Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and restated effective January 1, 2022.

#### **Contributions**

Participants may elect to contribute up to 100% of their eligible compensation subject to a maximum of \$20,500 in 2022, plus an additional \$6,500 catch-up deferral for participants age 50 and older. All eligible employees are automatically enrolled in the Plan at a rate of 3% unless they specifically opt out or change their contribution rate. The contributions will be invested in the T. Rowe Price Retirement Fund with the target date closest to the year in which the participant turns 65 unless elected otherwise. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

At the discretion of the Board of Directors, the Company may make discretionary matching contributions or discretionary profit sharing contributions to the Plan. In 2022, the Company elected to match 25% of the participant's elective deferrals. The Company did not make any discretionary profit sharing contributions during 2022.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, rollovers, the Company's contributions, and earnings or losses on the investments in their account, and is charged with transaction fees for services received by the participant and certain administrative expenses. Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the Plan. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## **401(k) Profit Sharing Plan**

### **Notes to Financial Statements**

#### **December 31, 2022 and 2021**

---

#### **Vesting**

Participants are vested immediately in their contributions plus actual earnings thereon. Participants are 20% vested in Company contributions after the first two years of credited service, then 20% each year thereafter, and are fully vested after six years of credited service. If employment ends due to retirement on or after the normal retirement age of 65, or because of death or disability, participants will be fully vested in their accounts.

#### **Forfeited Accounts**

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$9,985 and \$8,283, respectively. These accounts may be used to pay Plan expenses, allocated to participant accounts pro-rata based on participant contributions, or used to offset the Company's contribution obligation, as defined in the Plan document. During 2022, the Plan used \$8,468 to pay administrative fees related to the Plan. During 2022, no forfeitures were allocated to participant accounts or used to offset the Company's contribution obligation.

#### **Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested balance of their account. A participant may have one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear an interest rate equal to the Prime rate plus 1%. During 2022, loans had fixed rates ranging from 4.25% to 6.50% for the term of the loan, not to exceed 5 years or 15 years if used for the purchase of a residence. Principal and interest are paid through payroll deductions. During 2022, there were no deemed distributions of loans.

#### **Payment of Benefits**

At the time of death, disability, termination of service, or retirement, the participant or their beneficiary may elect to receive a payment of the vested interest in their account in a lump-sum distribution, installment payments, or annuities. The participant's vested account may also be withdrawn for in-service distributions upon reaching age 59½ or for certain hardship situations. Participants are limited to one hardship withdrawal per calendar year and a minimum amount for all hardship withdrawals of \$1,000.

## **401(k) Profit Sharing Plan**

### **Notes to Financial Statements**

#### **December 31, 2022 and 2021**

---

#### **Administrative Expenses**

Transaction fees related to loans and distributions are charged directly to the participant that initiated the transaction. These fees are paid to a service provider, and therefore qualify as party-in-interest transactions. The Plan has an administrative budget account, where the third party administrator deposits revenue sharing payments into the account on a quarterly basis. The balance may be used to pay for fees and expenses associated with services related to the Plan or to pay vendors. For 2022, the third party administrator deposited \$27,624 and the Plan used \$34,695 to pay administrative fees related to the Plan. Deposits to this account are included in net change in fair value of investments on the accompanying statement of changes in net assets available for benefits. Payments from the account are included in administrative expenses when paid. At December 31, 2022 and 2021, the balance in the administrative budget account was \$7,986 and \$14,968, respectively.

## **2. Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting.

#### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

#### **Contributions**

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The Company's discretionary matching contributions are considered payable to the Plan when the related participant's contributions are payable to the Plan and approved by the Board of Directors. The Company's discretionary profit sharing contributions are payable to the Plan after approval by the Board of Directors.

#### **Valuation of Investments and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

# **Cleveland Group, Inc. and Subsidiaries**

## **401(k) Profit Sharing Plan**

### **Notes to Financial Statements**

#### **December 31, 2022 and 2021**

---

Net change in fair value of investments includes interest, dividends, and realized and unrealized gains and losses on those investments. Interest income is recorded when received.

#### **Notes Receivable from Participants**

Notes receivable from participants are carried at their outstanding balance. Interest income is recognized when received. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Notes receivable from participants also qualify as party-in-interest transactions.

#### **Payment of Benefits**

Distributions to participants are recorded when paid.

#### **Subsequent Events**

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through August 1, 2023, which is the date the financial statements were available to be issued.

### **3. Information Certified by the Qualified Institution**

All information regarding investments and notes receivable from participants, including investments held and notes receivable from participants at December 31, 2022 and 2021, the net change in fair value of investments and interest on notes receivable from participants for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by T. Rowe Price Trust Company (T. Rowe Price), the Plan's qualified institution.

### **4. Investments**

Plan investments include mutual funds and a stable value fund managed by T. Rowe Price, a service provider for the Plan. Transactions in these investments qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net change in fair value of investments as they are paid through revenue sharing, rather than a direct payment.

## **401(k) Profit Sharing Plan**

### **Notes to Financial Statements**

#### **December 31, 2022 and 2021**

---

Investments are exposed to various risks, such as market, currency, interest rate, and credit risks. Market risks include U.S. and global events which could impact the value of Plan investments. Such events would include healthcare crises, such as a pandemic, international conflicts, supply chain disruptions, global monetary policy decisions, significant exogenous economic influences, significant cybersecurity attacks, etc. It is at least reasonably possible that changes in their fair value will occur in the near term and that such changes could materially affect participants' account balances.

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – other observable data, including quoted prices for identical assets in inactive markets

Level 3 – unobservable inputs

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Investments in mutual funds are stated at quoted market prices for the identical security in an active market (Level 1) that the Plan has the ability to access.

The Plan invests in a stable value fund held in a common collective trust. The stable value fund invests in fully benefit-responsive guaranteed investment contracts (GICs), which are general obligations of the insurance companies that issue the contracts, as well as synthetic GICs. The stable value fund trades at the net asset value (NAV) which is based on the contract value of the underlying investments (Level 1).

## 401(k) Profit Sharing Plan

### Notes to Financial Statements

#### December 31, 2022 and 2021

---

The stable value fund includes certain redemption restrictions. If the Plan chooses to redeem all or a significant portion of the stable value fund, the issuer may require a 12-month wait period to redeem.

Fair value of the common collective trust is determined by prices published daily by the trust manager, which is the NAV of the common collective trust (Level 1). Net asset value is determined by the fair value of the mutual funds, stocks, and other securities in the common collective trust. Participants can trade the common collective trust daily at the published NAV.

The investments at December 31, 2022 and 2021 are comprised of the following:

|                         | Level 1              |                      |
|-------------------------|----------------------|----------------------|
|                         | 2022                 | 2021                 |
| Mutual funds            | \$ 27,855,455        | \$ 34,149,427        |
| Stable value fund       | 1,867,012            | 1,418,012            |
| Common collective trust | 360,760              | 808,588              |
| <b>Total</b>            | <b>\$ 30,083,227</b> | <b>\$ 36,376,027</b> |

#### 5. Income Tax Status

The Plan uses a prototype plan document prepared by T. Rowe Price Retirement Plan Services, Inc. The Internal Revenue Service has provided an opinion letter dated August 19, 2020 stating that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has not obtained an individual determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

#### 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.
