INDEPENDENT AUDITORS' REPORT

To the Plan Trustee
Miracle Hill Ministries, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Miracle Hill Ministries, Inc. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the related statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Miracle Hill Ministries, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Miracle Hill Ministries, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Miracle Hill Ministries, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MIRACLE HILL MINISTRIES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

1) PLAN DESCRIPTION

The following description of Miracle Hill Ministries, Inc. 401(k) Plan (“the Plan”) provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions:

General – The Plan is a single-employer defined contribution plan (profit sharing plan) with a 401(k) arrangement. The Plan was established by Miracle Hill Ministries, Inc. (“MHM” or “the Plan Sponsor”) on October 1, 2002. During 2018, the Plan was amended to include as participating employers in the Plan, certain related entities, including Miracle Hill Enterprises, Inc., BridgeWorks LLC, and Front Office LLC.

Administration – The Plan is sponsored and administered by MHM, which serves without compensation. The Plan administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities. The third-party administrator of the Plan is responsible for testing, vesting determinations, Form 5500 report and administration of distributable events. Fidelity Management Trust Company (“FMTC” or “the Trustee”) serves as trustee and record keeper of the Plan’s assets at December 31, 2022 and 2021.

Participation – The Plan covers all employees of participating employers who have completed one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Participant Eligible Compensation – Participants’ compensation is calculated based on their gross wages, bonuses, overtime, and commissions.

Contributions – Each year, participants may contribute on a pre-tax basis up to the IRS limits of pretax annual compensation, as defined in the Plan. Participants may also contribute on an after-tax basis (“Roth”). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Employers may contribute in the form of matching contributions at the option of the Board of Directors (“the Board”). Contributions are subject to certain limitations.

Participant Accounts – Each participant's account is credited with the participant's contributions and rollover contributions, Plan Sponsor's contributions, and investment earnings. The benefit to which the participant is entitled is the benefit that can be provided by the participant's vested account.

Investment Options – Upon enrollment in the Plan, participants may direct their allocation of basic and matching contributions with FMTC. Participants may select between several investment options as more fully described in the Plan’s literature. Participants may change their investment options at any time.

Vesting – Participants are immediately vested in their voluntary contributions and the Plan Sponsor’s contributions plus actual earnings thereon.

Participant Loans – Participant loans are not permitted by the Plan.

Other – The Plan contains provisions for limitations affecting highly compensated employees and maximum annual additions to participants’ accounts for any plan year.

Excess Contributions Payable – Amounts payable for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions. The Plan did not distribute the 2022 excess prior to March 15, 2023, and is, therefore, liable for a \$63 excise penalty.

MIRACLE HILL MINISTRIES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

1) PLAN DESCRIPTION, Continued

Forfeitures – Participants are immediately vested in their voluntary contributions and the Plan Sponsor’s contributions plus actual earnings thereon. There were no forfeitures for the years ended December 31, 2022 and 2021 .

Payment of benefits – On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant’s vested interest in his or her account. Participants may receive any or all of the vested balance in their pre-tax account to satisfy a heavy and immediate financial hardship.

2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General – The accompanying financial statements have been prepared on the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board (“FASB”), which establishes generally accepted accounting principles (“GAAP”) that are followed in reporting the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits. References to GAAP issued by the FASB in these notes are to the FASB Accounting Standards Codification (“ASC”). The Codification replaced and incorporated (but did not change) accounting guidance previously issued by various accounting sources through specific pronouncements.

Investments – Investments are stated at quoted market values as established on national securities exchanges. Investment transactions are accounted for on the trade date. The cost of units of investment vehicles sold is computed on an average-cost basis. All investments are comprised of contributions deposited therein, plus interest credited to the accounts and transfers from other separate funds, less withdrawals and transfers to other separate funds. Appreciation and depreciation of fair values are included in arriving at the individual account balances at year-end.

Payment of Benefits – Benefits are recorded when paid.

Estimates – The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates. The Plan utilizes investments with various interest rates, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such a change could materially affect the amounts reported in the financial statements.

3) FINANCIAL INFORMATION FURNISHED BY THE AGENT OF THE TRUSTEE

The Plan Sponsor has assigned fiduciary responsibilities to FMTC, who holds the Plan’s assets and executes its transactions. FMTC has prepared the following information with respect to assets, liabilities, and changes in net assets and participants’ equity included in the accompanying financial statements and supplemental schedule and have furnished it to the Plan administrator together with a certificate that such information is complete and accurate. Such certification is required under the methods of compliance with the Department of Labor’s rules and regulations for Reporting and Disclosure under ERISA Section 103(a)(3)(C), as elected by the Plan Sponsor.

5) FAIR VALUE OF INVESTMENTS

The Plan follows the ASC *Fair Value Measurements* guidance. This guidance defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements.

This guidance defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The guidance describes three levels of inputs that may be used to measure fair value. Level 1 inputs represent fair values obtained using quoted prices in active markets. Level 2 inputs represent fair values obtained from observable market data but not from quoted market prices. Level 3 inputs represent unobservable inputs that are supported by little or no market activity and are generally based on the entity's own assumptions.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. At the discretion of FMTC, certain securities may be valued on the basis of market valuations provided by independent pricing services when such prices are believed to reflect the fair value of such securities. Values provided by the pricing services, as well as values determined by the Trustee, are generally determined as follows:

- Securities traded on exchanges are valued at closing market prices. When no trades are reported by the exchanges, they are valued at the most recent bid quotation.
- Securities traded in the over-the-counter market are valued at their last sale or bid price.
- Government and agency obligations are valued based upon bid quotations for identical or similar obligations.
- Certificates of deposit and other short-term money market instruments are generally valued at cost, which approximates fair value.
- The investments of the Fixed Account are generally valued at amortized cost which approximates fair value as long as a substantial portion of its assets are redeemable at par on demand. If adjustments to value the fund's investments at fair value are necessary, such adjustments are charged to income from investment activities.

The following table sets forth, by level within the fair value hierarchy, the Plan's investment assets at fair value, at December 31:

<u>2022</u>				
	<u>Total</u>			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

6) TAX STATUS

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code ("IRC"), and, accordingly, the trust's net investment income is exempt from income taxes.

The Plan Sponsor believes that the Plan continues to qualify and to operate as designated and in compliance with the applicable sections of the IRC.

7) PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan at any time. Upon termination, each member or former member or beneficiary entitled to participate in the Plan shall have a fully vested, nonforfeitable right to the entire amount of his account balance.

8) ADMINISTRATION OF THE PLAN

Certain administrative functions are performed by employees of the Plan Sponsor. No such employee receives compensation from the Plan. Administrative expenses for the custodian's and administrator's fees are shared by the Plan Sponsor and Plan participants.

9) RELATED PARTY TRANSACTIONS

Certain Plan investments at December 31, 2022 and 2021 are shares of mutual funds managed by FMTC. Since FMTC is the Trustee of the Plan at December 31, 2022 and 2021, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services provided by FMTC amounted to \$23,365 and \$24,781 for the years ended December 31, 2022 and 2021, respectively.

10) RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The amount of net assets available for benefits per the financial statements at December 31, 2022 and 2021 agrees to the amount reported on Form 5500.

11) RISKS AND UNCERTAINTIES

Plan participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

12) SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through July 13, 2023, the date the financial statements were available to be issued. There were no such events requiring recording or disclosure for the years ended December 31, 2022 and 2021.
