Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Henry & Horne 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 13, 2023 (in liquidation) and May 31, 2022 (ongoing), and the related statements of changes in net assets available for benefits for the period and year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period and year ended March 13, 2023 (in liquidation) and May 31, 2022 (ongoing), stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Henry & Horne 401(k) Profit Sharing Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discuss in Note 1 to the financial statements, the Plan Administrative Committee approved a plan of liquidation on November 30, 2022, and management determined liquidation is imminent. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Plan Administrative Committee
Henry & Horne 401(k) Profit Sharing Plan

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Henry & Horne 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

HENRY & HORNE 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
MARCH 13, 2023 (IN LIQUIDATION) AND MAY 31, 2022 (ONGOING)

NOTE 1 DESCRIPTION OF PLAN

The following description of Henry & Horne 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally effective June 1, 1989, that covers essentially all employees of Henry & Horne, LLP (the Company). The Plan has been amended and restated throughout the years to comply with tax legislation and most recently amended June 1, 2022. The Plan excluded nonresident aliens and employees covered by a collective bargaining agreement. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Termination of the Plan

In November 2022, Plan management decided to terminate the Plan effective November 30, 2022 and it was determined that liquidation was imminent. As of that date, all future contributions to the Plan were ceased and all active participants became fully vested in any unvested balances held in the Plan. Plan management distributed all assets of the Plan by March 13, 2023.

Eligibility

Prior to termination, employees were eligible to participate in the salary reduction arrangement in the Plan after completion of one month of service. Employees were eligible to participate in the Company matching and profit-sharing arrangements in the Plan after completion of one year of service.

Contributions

Prior to termination, the Plan included a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage of their compensation, as defined by the Plan, deferred as pre-tax 401(k) or Roth contributions (Roth contributions effective June 1, 2022). The Plan provided for an automatic enrollment at 3% of compensation to be made for all eligible employees effective June 1, 2021. The Plan had an auto increase feature in which the rate will increase by 1% each plan year up to a maximum of 10%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company could, prior to termination, at its discretion, elect to make a matching contribution or profit-sharing contribution to the Plan for those employees who have completed one year of service, as defined by the Plan. There were no matching contributions for the period ended March 13, 2023 or for the year ended May 31, 2022. For the year ended May 31, 2022, the profit-sharing contribution was 3% of eligible compensation for employees, and 9% of eligible compensation for partners totaling \$659,134. There was no profit-sharing contribution for the period ended March 13, 2023.

NOTES TO FINANCIAL STATEMENTS
MARCH 13, 2023 (IN LIQUIDATION) AND MAY 31, 2022 (ONGOING)**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

Prior to termination, participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, an allocation of the Company's profit-sharing contribution, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Prior to termination, participants were immediately vested in their contributions plus actual earnings thereon. Vesting in the Company matching and profit-sharing contribution portion of their accounts, plus actual earnings thereon, is based on years of credited service. A participant is 100% vested after six years of credited service. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability. Upon termination of the Plan on November 30, 2022, all participants became 100% vested in their entire account.

Notes Receivable from Participants

Prior to termination, participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes were secured by the balance in the participant's account and bore interest at a rate of prime plus 1%. Principal and interest was paid ratably through payroll deductions.

Benefit Payments

Upon termination of service, death, disability, or retirement, a participant could elect to receive the value of the vested interest in his or her account in the form of a lump-sum distribution. The Plan allowed for in-service distributions if a participant reached age 59½ and hardship distributions subject to Plan provisions. If a participant terminated employment and the participant's account balance did not exceed \$1,000, the Plan administrator would authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account was between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

Prior to termination, forfeited nonvested accounts were used to reduce administrative expenses or to reduce future Company contributions. Forfeited nonvested accounts as of March 13, 2023 and May 31, 2022 totaled \$-0- and \$9,919, respectively. There were approximately \$18,000 and \$30,000 of forfeitures used to reduce company contributions and pay administrative expenses for the period ended March 13, 2023 and year ended May 31, 2022, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As a result of Plan termination effective November 30, 2022, the Plan Administrative Committee determined liquidation of the Plan was imminent. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements.

Under liquidation basis of accounting, assets are stated at their estimate net realized cash value and liabilities are stated at their anticipated settlement amounts. As the Plan's assets were previously reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value), the application of liquidation basis did not have a material impact on the Plan's financial statements.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**HENRY & HORNE 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
MARCH 13, 2023 (IN LIQUIDATION) AND MAY 31, 2022 (ONGOING)**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make note repayments and the Plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net depreciation of fair value of investment presented in the accompanying statements of changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through August 22, 2023, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Empower Annuity Insurance Company of America and Empower Trust Company, LLC (formerly known as Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, respectively), the custodian and insurance company of the Plan, have supplied the Plan administrator with a certification as to the completeness and accuracy of all investment and notes receivable information reflected on the accompanying statements of net assets available for benefits as of March 13, 2023 (in liquidation) and May 31, 2022 (ongoing) and the statements of changes in net assets available for benefits for the period and year then ended.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

HENRY & HORNE 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
MARCH 13, 2023 (IN LIQUIDATION) AND MAY 31, 2022 (ONGOING)

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at March 13, 2023 (in liquidation) and May 31, 2022 (ongoing).

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 13 and May 31:

		(In Liquidation)			
		2023			
		Level 1	Level 2	Level 3	Total
Mutual Funds		\$ -	\$ -	\$ -	\$ -
		(Ongoing)			
		2022			
		Level 1	Level 2	Level 3	Total
Mutual Funds		\$ 29,594,872	\$ -	\$ -	\$ 29,594,872

NOTE 5 GROUP ANNUITY CONTRACTS WITH INSURANCE COMPANY

In 2020, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Great-West Life & Annuity Insurance Company (Great-West). Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a semi-annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date except under certain conditions specified in the contract.

The contract above meets the fully benefit-responsive investment contract criteria and, therefore, are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. As a result of Plan termination, the contract was terminated with no impact o contract value.

NOTES TO FINANCIAL STATEMENTS
MARCH 13, 2023 (IN LIQUIDATION) AND MAY 31, 2022 (ONGOING)

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (formerly known as Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, respectively). Empower is the custodian and insurance company as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter received from the IRS on the volume submitter Plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore not subject to tax under current income tax law. The volume submitter Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
