Independent Auditors' Report

The Administrative Committee of
HG 401(k) Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of HG 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of HG 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

HG 401(k) Plan
Independent Auditors' Report

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HG 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HG 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HG 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HG 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year and schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HG 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

1. Description of the plan:

The following description of the HG 401(k) Plan (the "Plan") provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan set up to cover all Hankey Group employees, except for leased employees. The Hankey Group consists of Hankey Investment Company, LP (the "Company") and its affiliates: Westlake Services, LLC, TNH Motors, Inc., Midway Rent-A-Car, Inc., Nowcom, LLC, HFC Acceptance, LLC, Knight Management Services, LLC, Western Funding, Inc., Westlake Portfolio Services, Inc., C U Leasing Corp, Conrad Staffing Services, LLC, and US Insurance Services, LLC. The Plan was initiated on January 1, 1996 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Eligibility:

Nonexcluded employees who have six months of service and are eighteen years of age or older are eligible. Participants may enroll in the Plan immediately upon satisfaction of the eligibility requirements.

Contributions:

Participants may elect, by submitting a written request to the Plan administrator, to have their wage compensation reduced by up to the lesser of the statutory maximum for the year or 25% of the participant's annual compensation as per the amendment effective February 1, 2022. The minimum contribution allowable under the Plan is 2% of annual compensation. For the year ended December 31, 2022, elective deferral amount allowed under IRC Code Section 402(g) was \$20,500, and catch-up contribution allowed for participants age 50 or older, under IRC Code Section 414(v) was \$6,500. This deferred amount flows directly to the Plan.

HG 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2022

1. Description of the plan (continued):

Contributions (continued):

It is the intention of the Company to make discretionary employer contributions to the Plan in such amounts determined by resolutions of the Board of Directors. For the current Plan year, the Company elected to match 100% of contributions up to 3% of compensation and 50% of the next 2% of compensation deferred, with a dollar match limit of \$12,200. Participants who have terminated employment before the end of the Plan year do not qualify to receive matching for that year. Total matching remitted to the Plan in 2023 for the current Plan year amounted to \$1,652,161, net of forfeitures used totaling \$50,000.

Participants may also contribute amounts representing distributions from other qualified plans (rollover).

Maximum annual addition to each participant's account is subject to the limitation set by IRC Code Section 415(c)(1)(A), which was the lesser of \$61,000 or 100% of the participant's compensation for the year ended.

Participant accounts:

Each participant's account is credited with the participant's elective deferral amounts, discretionary employer contributions, Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in their discretionary employer contribution accounts is based on years of continuous service. A participant is 100% vested after five years of credited service. The vesting schedule is as follows:

<u>Vesting years of service</u>	<u>Vested percent</u>
0 - 1	0%
2	20%
3	40%
4	60%
5	100%

HG 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2022

1. Description of the plan (continued):

Notes receivable from participants:

Participants may borrow from the vested portion of their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 6.50%, which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions. Upon termination of the participant, the remaining outstanding loan balance will be treated as a taxable distribution to the participant from the Plan.

Payment of benefits:

Upon death, disability or retirement (at or after normal retirement age or date) of a participant who has not incurred a separation from service, his account balance is 100% vested. A participant who incurs a termination of employment prior to his normal retirement age is entitled to that portion of his basic employer discretionary contribution account balance earned to date, with vesting based upon the years of service credited as of the date of termination of employment.

On termination of service, a participant may receive a lump-sum amount equal to the value of his or her account. Each participant may elect whether to receive cash or to roll his or her contributions over into another qualified profit sharing plan or IRA. Participants are advised of the tax consequences of each option and may opt to have taxes withheld.

Forfeitures:

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$214,359 and \$74,672, respectively. Forfeitures are first applied to administrative expenses of the Plan. Any remaining forfeitures are used to reduce discretionary matching and nonelective contributions. In 2022, \$19,767 in forfeitures were used to pay administrative expenses of the Plan. The Plan used \$50,000 in forfeitures in 2022 to reduce 2021 matching contributions deposited to the Plan in February of 2022. In February of 2023, the Plan used \$50,000 in forfeitures to reduce 2022 matching contributions.

Plan expense:

The Companies have elected to absorb part of the Plan's operating and administrative expenses. Certain administrative expenses are paid from Plan assets.

HG 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2022

2. Summary of accounting policies:

Basis of accounting:

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ('GAAP') requires the plan administrator to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from these estimates.

Investment valuation and income recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded based on the terms of the Plan document.

HG 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2022

2. Summary of accounting policies (continued):

Excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability, with a corresponding reduction to participant contributions. There were no amounts due to participants as a result of the 2022 nondiscrimination testing performed in 2023. The Plan distributed the 2021 excess contributions amounting to \$52,097 prior to March 15, 2022.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Part of the expenses and fees are paid out of forfeitures as mentioned in Note 1. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Date of management's review of subsequent events:

The Plan administrator has evaluated subsequent events through August 15, 2023, the date the financial statements were available to be issued.

3. Information prepared and certified by Principal Life Insurance Company:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation/(depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company. The following is a summary of information certified by the certifying institution:

HG 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2022

3. Information prepared and certified by Principal Life Insurance Company (continued):

	<u>2022</u>	<u>2021</u>
Investments at fair value	\$ 75,308,815	\$ 86,455,234
Notes receivable from participants	2,862,859	2,947,573
Net depreciation in fair value of investments	(13,401,576)	
Dividends from investments	1,107,398	
Other income	15,433	
Interest income on notes receivable from participants	135,715	

4. Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The 3 levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical/similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

HG 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2022

4. Fair value measurements (continued):

There are no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value:

Level 1 fair value measurements:

The Plan uses the services of Interactive Data Corporation (IDC), a major supplier of securities pricing, to provide the price/net asset value (NAV) of mutual funds. IDC provides custodians with the NAV as determined by the mutual fund distributor each day the NAV is determined (typically, each day the New York Stock Exchange is open).

Level 2 fair value measurements:

The Plan receives the price for a common/collective trust fund (CCT) directly from the trustee of the CCT each period for which the trustee determines the value. The value is determined in accordance with a valuation methodology adopted by the CCT's trustee. This valuation is exclusive of any necessary adjustment to contract value. The use of NAV as fair value is deemed appropriate as the collective trust funds do not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions. The Plan's Investment Committee has determined that Level 2 is the correct designation for these investments.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	<u>Fair value measurements as of December 31, 2022</u>

5. Related-party and party-in-interest transactions:

Certain plan investments are shares of mutual funds managed by the custodian as defined by the Plan and, therefore, these transactions qualify as party in interest transactions.

Fees paid during the year for administrative services rendered by parties in interest were based on customary and reasonable rates for such services and were paid by the employer and the Plan. Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

6. Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions to the Plan and to terminate the Plan at anytime subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their employer contribution accounts.

7. Tax status:

The Company has adopted the Principal Life Insurance Company non-standardized pre-approved profit sharing plan. The IRS has determined and informed the Company by a letter dated June 30, 2020, that this Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

HG 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2022

7. Tax status (continued):

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risk and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

9. Prohibited Transactions:

During the year ended December 31, 2022, the Company inadvertently failed to deposit \$742,607, for participant contributions and loan repayments within the period prescribed by Department of Labor (DOL) regulations. The DOL considers late deposits to be nonexempt prohibited transactions. The sponsor determined that delays in remitting contributions to the trust were due to administrative errors. The Company has not remitted lost earnings as of the date of this report. Any applicable excise taxes would be made from the Company's assets, not from Plan assets.

10. Reconciliation of financial statements to Form 5500:

Schedule H of Form 5500 does not present excess contributions payable as of the end of the year. As of December 31, 2022, the excess contributions payable recorded on the statement of net assets available for benefits, but not on Schedule H, was \$13,137. The accrued amount is reflected as a reduction in participant contributions on the statement of changes in net assets available for benefits. Consequently, there is a corresponding difference in participant contributions per the financial statements and Schedule H as illustrated below:

The Employer double remitted a contribution amounting to \$184,655 in March of 2022. The funds were refunded to the Company in the same year. Schedule H of Form 5500 reflects the double remittance as a contribution and the refund as a benefit payment. The statement of changes in net assets available for benefits does not include the erroneous activity.

Additional employer contributions for 2022 totaling \$3,500 were made by the Company in 2023. These amounts were included with employer contributions receivable on the financial statements, but not on the Form 5500.

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500.

11. Transfer from Westlake Services Holding Company Employee Stock Ownership Plan:

The Plan was amended effective October 26, 2022 to allow for transfers from the Westlake Services Holding Company Employee Stock Ownership Plan (WSHC ESOP) to this Plan. The amendment allowed transfers regardless of the participants' employment status with the employers. A total of \$136,641 was transferred by participants on October 28, 2022. The funds were credited to participants' Rollover Cash accounts within the Plan.
