INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
SMI 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of SMI 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of SMI 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SMI 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SMI 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SMI 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SMI 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the

financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - GENERAL DESCRIPTION OF THE PLAN

Plan Summary

The SMI 401(k) Plan is a defined contribution plan established on January 1, 2016 for the benefit of the employees of Suntex Marina Investors, LLC ("the Company"). All employees, except excluded employees as identified in the Plan document, who have reached the age of 18 become eligible to participate in the Plan after the completion of 2 months (not to exceed 60 days of service). The following is a brief general description of the Plan. For more detailed Plan information, see the Plan document.

The assets of the Plan are maintained and transactions therein are executed by Reliance Trust Company (Reliance). ADP Retirement Services (ADP) is the record keeper for the Plan. Certain officers of the Company serve as administrators of the Plan (collectively, the Plan Administrator). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

All participants are automatically enrolled in the Plan immediately following their initial eligibility date. Employees may opt-out of participation in the Plan at any time. Participants may elect to make deductible contributions to the Plan up to 90% of compensation (as defined), subject to the maximum percentage allowable under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make after-tax ROTH contributions. Rollover contributions from other qualified retirement plans are allowed by the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. In 2021 the Plan has a safe harbor matching contribution equal to 100% on the first 3% of eligible earnings and an additional 50% on the next 2% of eligible earnings.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of Company contributions, if any, and Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. The Plan currently offers various investments which include registered investment companies, pooled separate accounts, and a fixed annuity fund.

NOTE A - GENERAL DESCRIPTION OF THE PLAN- Continued

Vesting

The Plan uses the elapsed time method for vesting purposes. Based on their employment date, participants become 33% vested after one year of service, 66% vested after two years of service, and 100% vested after three years of service. In addition, each employee becomes 100% vested upon death or disability. Participants are always fully vested with respect to their contributions and related earnings, safe harbor matching and rollover contribution accounts.

Notes Receivable from Participants

Each participant may borrow up to the lesser of 50% of their vested account balance or \$50,000, but no less than \$500. Loans to participants are required to be repaid through payroll deductions in installments over a period not exceeding 60 months, unless the purpose of the loan is for the purchase of a primary residence. In this case, the loan will not have a term greater than 30 years. Loans are collateralized by the balance in the participant's account and bear interest at the prevailing rate in the month the loans are effective. Interest rates are based on the Prime Rate reported in the *Wall Street Journal* on the 14th of the effective month plus two percentage points. As of December 31, 2022, interest rates were ranging from 5.25% to 9.50%.

Payment of Benefits

On retirement, disability, or other termination of service, a participant may elect to receive a lump-sum distribution or an annuity in the amount of the participant's vested account.

Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan. In this event, the accounts of all participants and beneficiaries would become fully vested and all benefits non-forfeitable.

Forfeited Accounts

Forfeitures of terminated participants' non-vested accounts can be used to reduce employer contributions, pay administrative expenses or refunded to the employer. At December 31, 2022 and 2021, forfeitures were \$1,704 and \$-0-, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICES – Continued

Corrective Distributions

The Plan is required to return contributions received in excess of IRC limits. Corrective distributions of \$-0- and \$1,521 were returned to participants in 2023 and 2022 for the year ended December 31, 2022 and 2021, respectively.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair market value except for the fully-benefit-responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee.

Investment transactions are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICES – Continued

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reported period. Actual results could differ from these estimates.

NOTE C – INCOME TAX STATUS

The Plan has adopted a prototype plan agreement. The Plan received an opinion letter from the Internal Revenue Service (IRS), stating that the form of the Plan is acceptable under section 401 of the Internal Revenue Code (IRC). It is the Plan Administrator's belief that the Plan is designed and operating in compliance with the applicable requirements of the IRC, and that the Plan was qualified and the related trust was tax-exempt as of December 31, 2022.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan administrators believe the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTE D - INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements, accompanying notes and supplemental schedule, including investments at December 31, 2022 and 2021, net appreciation (depreciation) in fair value of investments, and interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the Plan trustee, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

SMI 401(K) PLAN
Notes to Financial Statements
December 31, 2022

NOTE E – PLAN TERMINATION

The Company, at its discretion, may discontinue the contributions and terminate the Plan without liability. Upon termination, all participants' account balances become fully vested in amounts credited to their accounts after payment of any expenses, allocation of profit or loss, adjustments as a result of a determination of the fair market value of Plan assets at the termination date, and reallocation of Plan assets to the date of termination.

NOTE F - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices for identical or similar assets or liabilities in active or inactive markets, observable inputs other than quoted prices or inputs derived from or corroborated by observable market data by correlation or other means and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide a more reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available. There were no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value.

SMI 401(K) PLAN
Notes to Financial Statements
December 31, 2022

NOTE F - FAIR VALUE MEASUREMENTS - Continued

The fair value of registered investment companies is valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. These investments are deemed to be actively traded.

There are no restrictions on participant redemptions of the collective trust measured at NAV. There were no unfunded commitments at December 31, 2022.

The Plan's policy is to recognize transfers between levels 1 and 2 and into and out of level 3 as of the date of the event or change in circumstances that caused the transfers. For the year ended December 31, 2022 and 2021, there were no significant transfers between levels 1 and 2 and no transfers into or out of level 3.

NOTE G – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2020, the Plan entered into a fully benefit-responsive guaranteed investment contract with Invesco Trust Company (Invesco). Invesco maintains the contributions in a pooled account. The account is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate a permitted transaction under the terms of the Plan. Contract value represents principal amounts invested in the underlying investments, plus interest accrued at a crediting rate established under the contract, less any adjustments for withdrawals.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021 was \$560,409 and \$4,489, respectively. The crediting interest rate is based on the underlying investment. Some investment contracts are experienced rated, meaning the interest rate may increase or decrease based on the performance of the securities, or any withdrawals from the contract.

SMI 401(K) PLAN
Notes to Financial Statements

**NOTE G – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE
COMPANY - Continued**

Certain events might limit the Plan's ability to transact at contract value with Invesco. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (e) premature termination of the contract. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events included (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I – RELATED PARTY TRANSACTIONS

During 2022 and 2021, the Plan's investment transactions involving shares of investments managed by Reliance Trust Company. As Reliance Trust Company was the trustee of the Plan during 2022 and 2021, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were \$21,427 and \$10,538, respectively for the years ended December 31, 2022 and 2021.

SMI 401(K) PLAN

NOTE I – RELATED PARTY TRANSACTIONS - Continued

The Plan incurred audit fees in the amount of \$12,000 during the year ended December 31, 2022. The audit fees were paid by Suntex Marina Investors, LLC, the Plan Sponsor.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.
