INDEPENDENT AUDITOR'S REPORT

Board of Directors and Plan Administrator
Treasure Coast Hospice Retirement Plan
Stuart, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Treasure Coast Hospice Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended September 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Board of Directors and Plan Administrator
Treasure Coast Hospice Retirement Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of September 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Board of Directors and Plan Administrator
Treasure Coast Hospice Retirement Plan

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of September 30, 2021. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institutions. Our audit report, dated July 13, 2022 indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the information certified by the qualified institutions were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

TREASURE COAST HOSPICE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Treasure Coast Hospice Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan, which was established on July 1, 2005, and subsequently amended, is classified as a defined-contribution plan, covering substantially all employees of Health and Palliative Services of the Treasure Coast, Inc. and Affiliates (the “Company”). The purpose of the Plan is to reward eligible employees of the Company for long and loyal service by providing them with retirement benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may elect to contribute a percentage of their annual compensation, subject to Internal Revenue Service (“IRS”) limitations. The Company contributes 3% of the participant’s eligible compensation for employees not considered to be per diem employees and who have completed a year of service, as defined by the Plan. The Plan has an automatic contribution arrangement that allows for eligible employees to be automatically enrolled into the Plan at a deferral rate of 3% with 90-day permissible withdrawals and annual increases of 1% to a maximum of 15% of eligible compensation.

Participant Accounts

A separate account is maintained for each participant. Each participant’s account is credited with the participant’s contribution, the Company’s contribution, and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant’s account.

NOTE 1 - DESCRIPTION OF PLAN (Continued)**Vesting**

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service, as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
1	0%
2	25%
3	50%
4	75%
5	100%

The Plan provides for the full vesting of a participant's account if, while an employee, a participant dies, becomes fully disabled, or reaches the early retirement age of 55. Participants hired prior to October 1, 2008 are considered 100% vested in all their accounts.

Forfeited Accounts and Investment Credits

Forfeited balances of terminated participants' non-vested accounts are used to pay plan administrative expenses and reduce future Company contributions. The unallocated forfeitures account approximated \$67,000 and \$49,000 at September 30, 2022 and 2021, respectively.

The Plan receives investment credits from certain investment funds that may be used to pay Plan expenses or allocated to participants. Unallocated investment credits held by the Plan as of September 30, 2022 and 2021 approximated \$9,000 and \$12,000, respectively. Approximately \$31,000 of investment credits were used to pay Plan expenses during the year ended September 30, 2022.

Investment Options

Participants may direct their account balance among any of the Plan's investment options held by the Massachusetts Mutual Life Insurance Company ("MassMutual"), Reliance Trust Company ("Reliance Trust"), and The Variable Annuity Life Insurance Company ("VALIC") (collectively, the "Plan Custodians"). Participants may change their investment options at any time.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance. These participant loans are classified as notes receivable from participants. Loan terms range from one to five years, or 20 years for the purchase of a primary residence. The loans are collateralized by the balance in the participant's account and bear a fixed rate of interest equal to the prime rate, as determined by the Plan administrator in accordance with the Plan loan policy. Principal and interest are paid ratably through payroll deductions. Participants may have up to two loans outstanding at a time.

The Plan also provides for participants to obtain loans directly from VALIC, as opposed to borrowing from their individual accounts; accordingly, such loans are not treated as a transfer from the investment funds to a note receivable from participant or as a Plan asset. The loans are collateralized by the balance in the participant's VALIC account and the loans must be repaid to VALIC by the participant in accordance with the repayment terms of the agreement. In the event of default, foreclosure on the participant's VALIC account balance will not occur until a distributable event occurs in the Plan. At September 30, 2022 and 2021, the amount collateralized for participant loans held by VALIC approximated \$15,000 and \$40,000, respectively.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant with an account value greater than \$5,000 may elect to receive either a lump-sum payment equal to the value of the participant's vested interest in their account, or installments or annuity payments over a fixed period of time, not to exceed the life expectancy of the participant/designated beneficiary. A participant with an account value of less than \$5,000 may only receive their benefit in the form of a lump-sum payment. A participant may defer receipt of distribution until the participant is required by law to receive minimum required distributions. Hardship distributions are permitted upon demonstration of financial hardship.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair value and are valued using a market valuation basis at the reported closing net asset value (“NAV”) of the funds on the last business day of the Plan year. NAV is based on the fair market value of the funds’ underlying investments, less any fund liabilities.

Purchases and sales of securities are recorded on a trade-date basis, and interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation/depreciation in the fair value of the Plan’s investments include the Plan’s gains and losses on investments bought and sold, as well as the unrealized gains and losses on those investments that are held at the end of the year.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts. Contract value is deemed to be the relevant measurement attribute for those contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions and reinvested income, less any withdrawals and administrative expenses, plus accrued interest. The Plan’s investments in the insurance companies general accounts are stated at contract value (see Note 5).

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the participant loan is deemed to be in default, the participant loan balance is reduced and a benefit payment is recorded in the period the determination is made.

Payment of Benefits

Benefits to participants are recorded when paid. As of September 30, 2022 and 2021, no amounts were allocated to the accounts of individuals who elected to withdraw from the Plan but had not yet been paid.

Administration and Investment Expenses

Certain administrative costs are paid by the Plan and are allocated to the individual participant accounts in accordance with the Plan document. Investment fees and commissions are netted against net appreciation/depreciation in fair value of investments. The Company pays certain administrative expenses on behalf of the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Risk

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements, based on information provided by the Plan Custodians. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

In preparing the financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through August 28, 2023, the date the financial statements were available to be issued.

NOTE 3 - PLAN CERTIFICATION

The Plan Custodians hold the Plan's investments and execute all investment transactions. All investment and participant notes receivable information disclosed in the financial statements and supplemental schedule, including investments and participant notes receivable held at September 30, 2022 and 2021, net depreciation in fair value of investments, interest on participant notes, and interest and dividends for the year ended September 30, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodians.

NOTE 4 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENT (Continued)

The three levels of the fair value hierarchy are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of September 30, 2022 and 2021:

September 30, 2022				
	Level 1	Level 2	Level 3	Total
Investments:				
Mutual funds	\$11,397,797	\$ -	\$ -	\$11,397,797
Money market mutual funds	799	-	-	799
Investments at Fair Value	\$11,398,596	\$ -	\$ -	\$11,398,596
September 30, 2021				
	Level 1	Level 2	Level 3	Total
Investments:				
Mutual funds	\$15,004,062	\$ -	\$ -	\$15,004,062
Money market mutual funds	801	-	-	801
Investments at Fair Value	\$15,004,863	\$ -	\$ -	\$15,004,863

There were no transfers of investments among fair value levels during the year ended September 30, 2022.

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

Investments held in unallocated insurance company contracts are invested in the VALIC Fixed Account Plus, the VALIC Short Term Fixed Account, and the MassMutual Guaranteed Interest Account ("GIA"). These funds are deemed to be fully benefit-responsive investment contracts and are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. However, withdrawals influenced by Company-initiated events, such as reallocation of investments, may result in a distribution at other than contract value, and are subject to certain restrictions. The Plan's ability to receive amounts due in accordance with fully benefit-responsive contracts is dependent on the contract issuer's ability to meet its financial obligations. There are no reserves against contract values for credit risk of the contract issuer or otherwise.

The VALIC Fixed Account Plus, the VALIC Short Term Fixed Account, and the MassMutual GIA contracts held by the Plan are guaranteed investment contracts. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The average interest rates for these contracts ranged from approximately 1.7% to 2.3% for the year ended September 30, 2022.

NOTE 6 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Plan Custodians. The Plan Custodians, or an affiliate thereof, is the recordkeeper for the Plan and, therefore, certain transactions qualify as party-in-interest transactions.

NOTE 7 - INCOME TAX STATUS

The Plan administrator believes that the Plan is qualified under Section 403(b) of the Internal Revenue Code ("IRC") and is, therefore, exempt from federal income taxes, provided that all terms of the Plan continue to be followed and the eligibility requirements or benefit provisions are not more favorable for highly compensated employees. The Plan administrator also believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
