Part II Income and Expense Statement

2 Plan income, expenses, and changes in net assets for the year. Include all income and expenses of the plan, including any trust(s) or separately maintained fund(s) and any payments/receipts to/from insurance carriers. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 2a, 2b(1)(E), 2e, 2f, and 2g.

Income

		(a) Amount	(b) Total
a Contributions:			
(1) Received or receivable in cash from: (A) Employers	2a(1)(A)	2678897	
(B) Participants	2a(1)(B)	4799599	
(C) Others (including rollovers)	2a(1)(C)	624253	
(2) Noncash contributions	2a(2)		
(3) Total contributions. Add lines 2a(1)(A) , (B) , (C) , and line 2a(2)	2a(3)		8102749
b Earnings on investments:			
(1) Interest:			
(A) Interest-bearing cash (including money market accounts and certificates of deposit)	2b(1)(A)		
(B) U.S. Government securities	2b(1)(B)		
(C) Corporate debt instruments	2b(1)(C)		
(D) Loans (other than to participants)	2b(1)(D)		
(E) Participant loans	2b(1)(E)		
(F) Other	2b(1)(F)	26829	
(G) Total interest. Add lines 2b(1)(A) through (F)	2b(1)(G)		26829
(2) Dividends: (A) Preferred stock	2b(2)(A)		
(B) Common stock	2b(2)(B)		
(C) Registered investment company shares (e.g. mutual funds)	2b(2)(C)	636817	
(D) Total dividends. Add lines 2b(2)(A) , (B) , and (C)	2b(2)(D)		636817
(3) Rents	2b(3)		
(4) Net gain (loss) on sale of assets: (A) Aggregate proceeds	2b(4)(A)		
(B) Aggregate carrying amount (see instructions)	2b(4)(B)		
(C) Subtract line 2b(4)(B) from line 2b(4)(A) and enter result	2b(4)(C)		0
(5) Unrealized appreciation (depreciation) of assets: (A) Real estate	2b(5)(A)		
(B) Other	2b(5)(B)		
(C) Total unrealized appreciation of assets. Add lines 2b(5)(A) and (B)	2b(5)(C)		0

		(a) Amount	(b) Total
(6) Net investment gain (loss) from common/collective trusts	2b(6)		
(7) Net investment gain (loss) from pooled separate accounts	2b(7)		
(8) Net investment gain (loss) from master trust investment accounts	2b(8)		
(9) Net investment gain (loss) from 103-12 investment entities.....	2b(9)		
(10) Net investment gain (loss) from registered investment companies (e.g., mutual funds)	2b(10)		-7981674
c Other income	2c		
d Total income. Add all income amounts in column (b) and enter total	2d		784721
Expenses			
e Benefit payment and payments to provide benefits:			
(1) Directly to participants or beneficiaries, including direct rollovers	2e(1)	3681433	
(2) To insurance carriers for the provision of benefits	2e(2)		
(3) Other	2e(3)		
(4) Total benefit payments. Add lines 2e(1) through (3)	2e(4)		3681433
f Corrective distributions (see instructions)	2f		
g Certain deemed distributions of participant loans (see instructions)	2g		
h Interest expense	2h		
i Administrative expenses: (1) Professional fees	2i(1)		
(2) Contract administrator fees	2i(2)	143446	
(3) Investment advisory and management fees	2i(3)		
(4) Other	2i(4)	1040	
(5) Total administrative expenses. Add lines 2i(1) through (4)	2i(5)		144486
j Total expenses. Add all expense amounts in column (b) and enter total	2j		3825919
Net Income and Reconciliation			
k Net income (loss). Subtract line 2j from line 2d	2k		-3041198
l Transfers of assets:			
(1) To this plan	2l(1)		
(2) From this plan	2l(2)		

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **TRONCONI SEGARRA & ASSOCIATES, LLP**

(2) EIN: **04-3728817**

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2022 This Form is Open to Public Inspection.
For calendar plan year 2022 or fiscal plan year beginning 01/01/2022 and ending 12/31/2022		
A Name of plan GENERAL PHYSICIAN, P. C. 401(K) PLAN		B Three-digit plan number (PN) ► 001
C Plan sponsor's name as shown on line 2a of Form 5500 GENERAL PHYSICIAN, P.C.		D Employer Identification Number (EIN) 16-1460136
Part I Distributions		
All references to distributions relate only to payments of benefits during the plan year.		
1 Total value of distributions paid in property other than in cash or the forms of property specified in the instructions.....		1 0
2 Enter the EIN(s) of payor(s) who paid benefits on behalf of the plan to participants or beneficiaries during the year (if more than two, enter EINs of the two payors who paid the greatest dollar amounts of benefits): EIN(s): 22-1211670		
Profit-sharing plans, ESOPs, and stock bonus plans, skip line 3.		
3 Number of participants (living or deceased) whose benefits were distributed in a single sum, during the plan year.....		3
Part II Funding Information (If the plan is not subject to the minimum funding requirements of section 412 of the Internal Revenue Code or ERISA section 302, skip this Part.)		
4 Is the plan administrator making an election under Code section 412(d)(2) or ERISA section 302(d)(2)? ☐ Yes ☐ No ☐ N/A If the plan is a defined benefit plan, go to line 8.		
5 If a waiver of the minimum funding standard for a prior year is being amortized in this plan year, see instructions and enter the date of the ruling letter granting the waiver. Date: Month _____ Day _____ Year _____ If you completed line 5, complete lines 3, 9, and 10 of Schedule MB and do not complete the remainder of this schedule.		
6 a Enter the minimum required contribution for this plan year (include any prior year accumulated funding deficiency not waived).....		6a
b Enter the amount contributed by the employer to the plan for this plan year.....		6b
c Subtract the amount in line 6b from the amount in line 6a. Enter the result (enter a minus sign to the left of a negative amount).....		6c
If you completed line 6c, skip lines 8 and 9.		
7 Will the minimum funding amount reported on line 6c be met by the funding deadline? ☐ Yes ☐ No ☐ N/A		
8 If a change in actuarial cost method was made for this plan year pursuant to a revenue procedure or other authority providing automatic approval for the change or a class ruling letter, does the plan sponsor or plan administrator agree with the change? ☐ Yes ☐ No ☐ N/A		
Part III Amendments		
9 If this is a defined benefit pension plan, were any amendments adopted during this plan year that increased or decreased the value of benefits? If yes, check the appropriate box. If no, check the "No" box..... ☐ Increase ☐ Decrease ☐ Both ☐ No		
Part IV ESOPs (see instructions). If this is not a plan described under section 409(a) or 4975(e)(7) of the Internal Revenue Code, skip this Part.		
10 Were unallocated employer securities or proceeds from the sale of unallocated securities used to repay any exempt loan?.....		☐ Yes ☐ No
11 a Does the ESOP hold any preferred stock?.....		☐ Yes ☐ No
b If the ESOP has an outstanding exempt loan with the employer as lender, is such loan part of a "back-to-back" loan? (See instructions for definition of "back-to-back" loan.).....		☐ Yes ☐ No
12 Does the ESOP hold any stock that is not readily tradable on an established securities market?.....		☐ Yes ☐ No
For Paperwork Reduction Act Notice, see the Instructions for Form 5500.

Independent Auditors' Report

To the Plan Sponsor and Participants of the
General Physician, P.C. 401(k) Plan
Buffalo, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the General Physician, P.C. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statement or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statement or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, are complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with

auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

General Physician, P.C. 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the General Physician, P.C. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a volume submitter 401(k) profit sharing plan, sponsored by General Physician, P.C. (the “Plan Sponsor”). The Plan covers substantially all employees of the Plan Sponsor. In accordance with the Plan agreement, the following classes of employees are excluded from eligibility:

- Union employees;
- Non-resident aliens; and
- Leased employees.

The Plan, established effective January 1, 2010, was subsequently amended and restated most recently on October 1, 2019 to transfer the responsibility of holding the Plan’s investments and executing investment transactions to The Prudential Insurance Company of America as the Custodian (“Prudential” or the “Custodian”). Effective April 1, 2022, Empower Annuity Insurance Company (“Empower”) purchased Prudential and is now the custodian of the Plan.

Plan Amendments – In response to the impacts of the COVID-19 (Coronavirus) pandemic, the Plan has implemented regulations available to employee benefit plans under the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act during the year ended December 31, 2022. The CARES Act was effective April 10, 2020 and formally amended into the plan on September 30, 2022.

The Plan was amended effective January 1, 2023, to include an automatic enrollment provision, as well as an automatic deferral increase provision. Participants will be automatically enrolled with a 3% deferral. On the first day of each plan year, a participant’s deferral amount will automatically increase by 1%, up to a maximum of 10%. The minimum deferral amount will remain at 1% but the maximum deferral amount will decrease to 90%.

The Plan was most recently amended on May 1, 2023, to implement the standard provisions of the Setting Every Community Up for Retirement Enhancement (“SECURE”) Act of 2019, which had various retroactive effective dates.

Contributions – Participants may elect to contribute to the Plan amounts equal to a full percentage between 1% and 100% of the participant’s eligible compensation, limited to the amount imposed by law. Participants can make Roth contributions into the Plan. Additionally, participants age 50 or older can elect to make a catch-up contribution limited to the amount imposed by law.

General Physician, P.C. 401(k) Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

The Plan Sponsor, at its discretion, may make a pro-rata profit sharing contribution to certain eligible participants based on each eligible participant's compensation for the Plan year. Profit sharing contributions may be made to eligible participants who have completed one year of service and are current employees on the last day of the Plan year. The Plan Sponsor made no profit sharing contributions for the years ended December 31, 2022 and 2021, respectively. The Plan Sponsor also makes a Safe Harbor non-elective contribution in the amount of 3% of each eligible participant's compensation. The Plan Sponsor made Safe Harbor non-elective contributions of \$2,678,897 and \$2,481,165 for the years ended December 31, 2022 and 2021, respectively.

Participant Accounts – Individual accounts are maintained for each Plan participant. Participant accounts are increased by participant contributions, Plan Sponsor contributions, and the participant's share of Plan earnings. Participant accounts are decreased by participant distributions, the participant's share of Plan losses, and certain administrative expenses. The allocation of earnings and losses to participant accounts is based on the value of an individual account in relation to the total assets of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions, rollovers and Plan Sponsor Safe Harbor contributions and actual earnings thereon. Participants vest in Plan Sponsor profit sharing contributions and actual earnings thereon at 20% after two years of service and 20% each year of service thereafter, becoming fully vested after six years.

Payment of Benefits – A participant may elect financial hardship withdrawals before age 59 ½ while employed by the Company. Financial hardship withdrawals are limited to the total of the participant's contributions and the vested portion of the participant's account attributable to any qualified non-elective contributions made by the Company.

A participant may also elect withdrawals from the portion of the participant's account attributable to rollover contributions at any time during employment with the Company.

After attaining age 59 ½, a participant may elect withdrawals during employment with the Company from the portion of the participant's account attributable to 401(k) contributions, rollover contributions and any qualified non-elective contributions made by the Company and from the vested portion of the participant's account attributable to Company matching contributions.

Upon termination of service due to death, disability, involuntary or voluntary termination, or retirement, a participant or the participant's beneficiary where applicable, is eligible to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Distribution is mandatory if the value of the vested interest is \$5,000 or less. Normal retirement age is 65.

General Physician, P.C. 401(k) Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Forfeitures – Forfeited Plan Sponsor profit sharing contributions are used to reduce any Plan Sponsor profit sharing or Safe Harbor contributions. Forfeitures available for use amounted to \$5,055 and \$3,194 at December 31, 2022 and 2021, respectively.

Income Taxes – The Plan Sponsor obtained a letter dated March 31, 2014, in which the Internal Revenue Service (“IRS”) stated that the volume submitter profit sharing plan is qualified under Section 401(a) of the Code. An adopting employer may rely upon that letter with respect to qualification of its plan under Section 401(a) of the Code. Although the Plan was restated subsequent to the IRS determination letter, the Plan Administrator believes that the Plan is operating in compliance with the requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

Plan Termination – Although it has not expressed intent to do so, the Plan Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts

2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition – The Plan’s investments are stated at fair value and are administered by the Plan’s Custodians, Prudential Retirement Insurance and Annuity Company and Empower Annuity Insurance Company, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices which represent net asset value of shares held by the Plan at year-end.

Units held in the guaranteed interest account consist of holdings in a fully benefit-responsive investment contract and are reported at contract value in the accompanying statements of net assets available for benefits. Contract value is the relevant measurement attributable for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investments contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

General Physician, P.C. 401(k) Plan

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

The Plan presents in the accompanying statements of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which includes both realized gains and losses and unrealized appreciation (depreciation) in the fair value of investments. Realized gains and losses on disposition of investments are based upon actual costs and selling prices.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain accounting and administrative expenses of the Plan are paid by the Plan Sponsor. Expenses relating to certain investment activity are paid by participants from their respective individual accounts. Expenses related to certain recordkeeping functions are paid by the Plan.

Party-In-Interest Transactions – All of the Plan's investments are in mutual funds and a guaranteed income fund maintained by Prudential and Empower as of and for years ended December 31, 2022 and 2021. Prudential and Empower are the Custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Risks and Uncertainties – Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Subsequent Events – Plan management has evaluated subsequent events for recognition or disclosure through August 7, 2023, the date the accompanying financial statements were available to be issued. See Note 1 – Plan Amendments.

General Physician, P.C. 401(k) Plan

Notes to Financial Statements (continued)

3. Information Certified by the Custodians (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodians have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate. Prudential and Empower also certified net appreciation (depreciation) in fair value of investments of (\$7,981,674) and \$4,674,244 and interest and dividends from investments of \$663,646 and \$499,171 for the years ended December 31, 2022 and 2021, respectively.

	2022	2021
Mutual Funds	\$ 38,916,998	\$ 41,776,724
Guaranteed Income Fund	1,471,271	1,415,355
	<u>\$ 40,388,269</u>	<u>\$ 43,192,079</u>

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- **Level 1** – Unadjusted quoted prices in active markets for identical, unrestricted assets or liabilities that are accessible at the measurement date. There were mutual funds that utilized Level 1 inputs as the primary measure of fair value totaling \$38,916,998 and \$41,776,724 as of December 31, 2022 and 2021, respectively.
- **Level 2** – Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in markets that are not active. Also includes inputs other than quoted prices that are observable, either directly or indirectly, for substantially the full term through corroboration with observable, independent market data. This includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to the security. There were no assets that utilized Level 2 inputs as the primary measure of fair value as of December 31, 2022 and 2021, respectively.

General Physician, P.C. 401(k) Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

- **Level 3** – Pricing inputs are unobservable for the asset or liability. That is, inputs that reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset or liability. There were no assets that utilized Level 3 inputs as the primary measure of fair value as of December 31, 2022 and 2021.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

As of December 31, 2022 and 2021, the mutual funds held by the Plan were valued based at the daily closing price as reported by the funds and were deemed to be actively traded. These funds were required to publish daily net asset value and transact at that price.

5. Guaranteed Investment Contract with Insurance Company

The Plan has entered into a traditional fully benefit-responsive investment contract (the "Contract") with the Custodian. The Custodian maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented in the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by the Custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021 was \$1,471,271 and \$1,415,355, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a bi-annual basis.

General Physician, P.C. 401(k) Plan
Notes to Financial Statements (continued)

5. Guaranteed Investment Contract with Insurance Company (continued)

Certain events limit the Plan's ability to transact at contract value with the Custodian. Such events include (1) amendments to the Plan documents (including complete and partial Plan termination or merger with another plan); (2) changes to the Plan's prohibition on completing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption under ERISA. The Plan Administrator believes that any events that limit the Plan's ability to transact at contract value with participants are not probable to occur.

Independent Auditors' Report

To the Plan Sponsor and Participants of the
General Physician, P.C. 401(k) Plan
Buffalo, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the General Physician, P.C. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statement or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statement or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, are complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with

auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

General Physician, P.C. 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the General Physician, P.C. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a volume submitter 401(k) profit sharing plan, sponsored by General Physician, P.C. (the “Plan Sponsor”). The Plan covers substantially all employees of the Plan Sponsor. In accordance with the Plan agreement, the following classes of employees are excluded from eligibility:

- Union employees;
- Non-resident aliens; and
- Leased employees.

The Plan, established effective January 1, 2010, was subsequently amended and restated most recently on October 1, 2019 to transfer the responsibility of holding the Plan’s investments and executing investment transactions to The Prudential Insurance Company of America as the Custodian (“Prudential” or the “Custodian”). Effective April 1, 2022, Empower Annuity Insurance Company (“Empower”) purchased Prudential and is now the custodian of the Plan.

Plan Amendments – In response to the impacts of the COVID-19 (Coronavirus) pandemic, the Plan has implemented regulations available to employee benefit plans under the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act during the year ended December 31, 2022. The CARES Act was effective April 10, 2020 and formally amended into the plan on September 30, 2022.

The Plan was amended effective January 1, 2023, to include an automatic enrollment provision, as well as an automatic deferral increase provision. Participants will be automatically enrolled with a 3% deferral. On the first day of each plan year, a participant’s deferral amount will automatically increase by 1%, up to a maximum of 10%. The minimum deferral amount will remain at 1% but the maximum deferral amount will decrease to 90%.

The Plan was most recently amended on May 1, 2023, to implement the standard provisions of the Setting Every Community Up for Retirement Enhancement (“SECURE”) Act of 2019, which had various retroactive effective dates.

Contributions – Participants may elect to contribute to the Plan amounts equal to a full percentage between 1% and 100% of the participant’s eligible compensation, limited to the amount imposed by law. Participants can make Roth contributions into the Plan. Additionally, participants age 50 or older can elect to make a catch-up contribution limited to the amount imposed by law.

General Physician, P.C. 401(k) Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

The Plan Sponsor, at its discretion, may make a pro-rata profit sharing contribution to certain eligible participants based on each eligible participant's compensation for the Plan year. Profit sharing contributions may be made to eligible participants who have completed one year of service and are current employees on the last day of the Plan year. The Plan Sponsor made no profit sharing contributions for the years ended December 31, 2022 and 2021, respectively. The Plan Sponsor also makes a Safe Harbor non-elective contribution in the amount of 3% of each eligible participant's compensation. The Plan Sponsor made Safe Harbor non-elective contributions of \$2,678,897 and \$2,481,165 for the years ended December 31, 2022 and 2021, respectively.

Participant Accounts – Individual accounts are maintained for each Plan participant. Participant accounts are increased by participant contributions, Plan Sponsor contributions, and the participant's share of Plan earnings. Participant accounts are decreased by participant distributions, the participant's share of Plan losses, and certain administrative expenses. The allocation of earnings and losses to participant accounts is based on the value of an individual account in relation to the total assets of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions, rollovers and Plan Sponsor Safe Harbor contributions and actual earnings thereon. Participants vest in Plan Sponsor profit sharing contributions and actual earnings thereon at 20% after two years of service and 20% each year of service thereafter, becoming fully vested after six years.

Payment of Benefits – A participant may elect financial hardship withdrawals before age 59 ½ while employed by the Company. Financial hardship withdrawals are limited to the total of the participant's contributions and the vested portion of the participant's account attributable to any qualified non-elective contributions made by the Company.

A participant may also elect withdrawals from the portion of the participant's account attributable to rollover contributions at any time during employment with the Company.

After attaining age 59 ½, a participant may elect withdrawals during employment with the Company from the portion of the participant's account attributable to 401(k) contributions, rollover contributions and any qualified non-elective contributions made by the Company and from the vested portion of the participant's account attributable to Company matching contributions.

Upon termination of service due to death, disability, involuntary or voluntary termination, or retirement, a participant or the participant's beneficiary where applicable, is eligible to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Distribution is mandatory if the value of the vested interest is \$5,000 or less. Normal retirement age is 65.

General Physician, P.C. 401(k) Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Forfeitures – Forfeited Plan Sponsor profit sharing contributions are used to reduce any Plan Sponsor profit sharing or Safe Harbor contributions. Forfeitures available for use amounted to \$5,055 and \$3,194 at December 31, 2022 and 2021, respectively.

Income Taxes – The Plan Sponsor obtained a letter dated March 31, 2014, in which the Internal Revenue Service (“IRS”) stated that the volume submitter profit sharing plan is qualified under Section 401(a) of the Code. An adopting employer may rely upon that letter with respect to qualification of its plan under Section 401(a) of the Code. Although the Plan was restated subsequent to the IRS determination letter, the Plan Administrator believes that the Plan is operating in compliance with the requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

Plan Termination – Although it has not expressed intent to do so, the Plan Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts

2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition – The Plan’s investments are stated at fair value and are administered by the Plan’s Custodians, Prudential Retirement Insurance and Annuity Company and Empower Annuity Insurance Company, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices which represent net asset value of shares held by the Plan at year-end.

Units held in the guaranteed interest account consist of holdings in a fully benefit-responsive investment contract and are reported at contract value in the accompanying statements of net assets available for benefits. Contract value is the relevant measurement attributable for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investments contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

General Physician, P.C. 401(k) Plan

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

The Plan presents in the accompanying statements of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which includes both realized gains and losses and unrealized appreciation (depreciation) in the fair value of investments. Realized gains and losses on disposition of investments are based upon actual costs and selling prices.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain accounting and administrative expenses of the Plan are paid by the Plan Sponsor. Expenses relating to certain investment activity are paid by participants from their respective individual accounts. Expenses related to certain recordkeeping functions are paid by the Plan.

Party-In-Interest Transactions – All of the Plan's investments are in mutual funds and a guaranteed income fund maintained by Prudential and Empower as of and for years ended December 31, 2022 and 2021. Prudential and Empower are the Custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Risks and Uncertainties – Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Subsequent Events – Plan management has evaluated subsequent events for recognition or disclosure through August 7, 2023, the date the accompanying financial statements were available to be issued. See Note 1 – Plan Amendments.

General Physician, P.C. 401(k) Plan

Notes to Financial Statements (continued)

3. Information Certified by the Custodians (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodians have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate. Prudential and Empower also certified net appreciation (depreciation) in fair value of investments of (\$7,981,674) and \$4,674,244 and interest and dividends from investments of \$663,646 and \$499,171 for the years ended December 31, 2022 and 2021, respectively.

	2022	2021
Mutual Funds	\$ 38,916,998	\$ 41,776,724
Guaranteed Income Fund	1,471,271	1,415,355
	<u>\$ 40,388,269</u>	<u>\$ 43,192,079</u>

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- **Level 1** – Unadjusted quoted prices in active markets for identical, unrestricted assets or liabilities that are accessible at the measurement date. There were mutual funds that utilized Level 1 inputs as the primary measure of fair value totaling \$38,916,998 and \$41,776,724 as of December 31, 2022 and 2021, respectively.
- **Level 2** – Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in markets that are not active. Also includes inputs other than quoted prices that are observable, either directly or indirectly, for substantially the full term through corroboration with observable, independent market data. This includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to the security. There were no assets that utilized Level 2 inputs as the primary measure of fair value as of December 31, 2022 and 2021, respectively.

General Physician, P.C. 401(k) Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

- **Level 3** – Pricing inputs are unobservable for the asset or liability. That is, inputs that reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset or liability. There were no assets that utilized Level 3 inputs as the primary measure of fair value as of December 31, 2022 and 2021.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

As of December 31, 2022 and 2021, the mutual funds held by the Plan were valued based at the daily closing price as reported by the funds and were deemed to be actively traded. These funds were required to publish daily net asset value and transact at that price.

5. Guaranteed Investment Contract with Insurance Company

The Plan has entered into a traditional fully benefit-responsive investment contract (the "Contract") with the Custodian. The Custodian maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented in the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by the Custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021 was \$1,471,271 and \$1,415,355, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a bi-annual basis.

General Physician, P.C. 401(k) Plan
Notes to Financial Statements (continued)

5. Guaranteed Investment Contract with Insurance Company (continued)

Certain events limit the Plan's ability to transact at contract value with the Custodian. Such events include (1) amendments to the Plan documents (including complete and partial Plan termination or merger with another plan); (2) changes to the Plan's prohibition on completing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption under ERISA. The Plan Administrator believes that any events that limit the Plan's ability to transact at contract value with participants are not probable to occur.

Independent Auditors' Report

To the Plan Sponsor and Participants of the
General Physician, P.C. 401(k) Plan
Buffalo, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the General Physician, P.C. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statement or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statement or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, are complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with

auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

General Physician, P.C. 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the General Physician, P.C. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a volume submitter 401(k) profit sharing plan, sponsored by General Physician, P.C. (the “Plan Sponsor”). The Plan covers substantially all employees of the Plan Sponsor. In accordance with the Plan agreement, the following classes of employees are excluded from eligibility:

- Union employees;
- Non-resident aliens; and
- Leased employees.

The Plan, established effective January 1, 2010, was subsequently amended and restated most recently on October 1, 2019 to transfer the responsibility of holding the Plan’s investments and executing investment transactions to The Prudential Insurance Company of America as the Custodian (“Prudential” or the “Custodian”). Effective April 1, 2022, Empower Annuity Insurance Company (“Empower”) purchased Prudential and is now the custodian of the Plan.

Plan Amendments – In response to the impacts of the COVID-19 (Coronavirus) pandemic, the Plan has implemented regulations available to employee benefit plans under the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act during the year ended December 31, 2022. The CARES Act was effective April 10, 2020 and formally amended into the plan on September 30, 2022.

The Plan was amended effective January 1, 2023, to include an automatic enrollment provision, as well as an automatic deferral increase provision. Participants will be automatically enrolled with a 3% deferral. On the first day of each plan year, a participant’s deferral amount will automatically increase by 1%, up to a maximum of 10%. The minimum deferral amount will remain at 1% but the maximum deferral amount will decrease to 90%.

The Plan was most recently amended on May 1, 2023, to implement the standard provisions of the Setting Every Community Up for Retirement Enhancement (“SECURE”) Act of 2019, which had various retroactive effective dates.

Contributions – Participants may elect to contribute to the Plan amounts equal to a full percentage between 1% and 100% of the participant’s eligible compensation, limited to the amount imposed by law. Participants can make Roth contributions into the Plan. Additionally, participants age 50 or older can elect to make a catch-up contribution limited to the amount imposed by law.

General Physician, P.C. 401(k) Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

The Plan Sponsor, at its discretion, may make a pro-rata profit sharing contribution to certain eligible participants based on each eligible participant's compensation for the Plan year. Profit sharing contributions may be made to eligible participants who have completed one year of service and are current employees on the last day of the Plan year. The Plan Sponsor made no profit sharing contributions for the years ended December 31, 2022 and 2021, respectively. The Plan Sponsor also makes a Safe Harbor non-elective contribution in the amount of 3% of each eligible participant's compensation. The Plan Sponsor made Safe Harbor non-elective contributions of \$2,678,897 and \$2,481,165 for the years ended December 31, 2022 and 2021, respectively.

Participant Accounts – Individual accounts are maintained for each Plan participant. Participant accounts are increased by participant contributions, Plan Sponsor contributions, and the participant's share of Plan earnings. Participant accounts are decreased by participant distributions, the participant's share of Plan losses, and certain administrative expenses. The allocation of earnings and losses to participant accounts is based on the value of an individual account in relation to the total assets of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions, rollovers and Plan Sponsor Safe Harbor contributions and actual earnings thereon. Participants vest in Plan Sponsor profit sharing contributions and actual earnings thereon at 20% after two years of service and 20% each year of service thereafter, becoming fully vested after six years.

Payment of Benefits – A participant may elect financial hardship withdrawals before age 59 ½ while employed by the Company. Financial hardship withdrawals are limited to the total of the participant's contributions and the vested portion of the participant's account attributable to any qualified non-elective contributions made by the Company.

A participant may also elect withdrawals from the portion of the participant's account attributable to rollover contributions at any time during employment with the Company.

After attaining age 59 ½, a participant may elect withdrawals during employment with the Company from the portion of the participant's account attributable to 401(k) contributions, rollover contributions and any qualified non-elective contributions made by the Company and from the vested portion of the participant's account attributable to Company matching contributions.

Upon termination of service due to death, disability, involuntary or voluntary termination, or retirement, a participant or the participant's beneficiary where applicable, is eligible to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Distribution is mandatory if the value of the vested interest is \$5,000 or less. Normal retirement age is 65.

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Forfeitures – Forfeited Plan Sponsor profit sharing contributions are used to reduce any Plan Sponsor profit sharing or Safe Harbor contributions. Forfeitures available for use amounted to \$5,055 and \$3,194 at December 31, 2022 and 2021, respectively.

Income Taxes – The Plan Sponsor obtained a letter dated March 31, 2014, in which the Internal Revenue Service (“IRS”) stated that the volume submitter profit sharing plan is qualified under Section 401(a) of the Code. An adopting employer may rely upon that letter with respect to qualification of its plan under Section 401(a) of the Code. Although the Plan was restated subsequent to the IRS determination letter, the Plan Administrator believes that the Plan is operating in compliance with the requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

Plan Termination – Although it has not expressed intent to do so, the Plan Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts

2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition – The Plan’s investments are stated at fair value and are administered by the Plan’s Custodians, Prudential Retirement Insurance and Annuity Company and Empower Annuity Insurance Company, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices which represent net asset value of shares held by the Plan at year-end.

Units held in the guaranteed interest account consist of holdings in a fully benefit-responsive investment contract and are reported at contract value in the accompanying statements of net assets available for benefits. Contract value is the relevant measurement attributable for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investments contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

The Plan presents in the accompanying statements of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which includes both realized gains and losses and unrealized appreciation (depreciation) in the fair value of investments. Realized gains and losses on disposition of investments are based upon actual costs and selling prices.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain accounting and administrative expenses of the Plan are paid by the Plan Sponsor. Expenses relating to certain investment activity are paid by participants from their respective individual accounts. Expenses related to certain recordkeeping functions are paid by the Plan.

Party-In-Interest Transactions – All of the Plan's investments are in mutual funds and a guaranteed income fund maintained by Prudential and Empower as of and for years ended December 31, 2022 and 2021. Prudential and Empower are the Custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Risks and Uncertainties – Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Subsequent Events – Plan management has evaluated subsequent events for recognition or disclosure through August 7, 2023, the date the accompanying financial statements were available to be issued. See Note 1 – Plan Amendments.

Notes to Financial Statements (continued)

3. Information Certified by the Custodians (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodians have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate. Prudential and Empower also certified net appreciation (depreciation) in fair value of investments of (\$7,981,674) and \$4,674,244 and interest and dividends from investments of \$663,646 and \$499,171 for the years ended December 31, 2022 and 2021, respectively.

	2022	2021
Mutual Funds	\$ 38,916,998	\$ 41,776,724
Guaranteed Income Fund	1,471,271	1,415,355
	<u>\$ 40,388,269</u>	<u>\$ 43,192,079</u>

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- **Level 1** – Unadjusted quoted prices in active markets for identical, unrestricted assets or liabilities that are accessible at the measurement date. There were mutual funds that utilized Level 1 inputs as the primary measure of fair value totaling \$38,916,998 and \$41,776,724 as of December 31, 2022 and 2021, respectively.
- **Level 2** – Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in markets that are not active. Also includes inputs other than quoted prices that are observable, either directly or indirectly, for substantially the full term through corroboration with observable, independent market data. This includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to the security. There were no assets that utilized Level 2 inputs as the primary measure of fair value as of December 31, 2022 and 2021, respectively.

General Physician, P.C. 401(k) Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

- **Level 3** – Pricing inputs are unobservable for the asset or liability. That is, inputs that reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset or liability. There were no assets that utilized Level 3 inputs as the primary measure of fair value as of December 31, 2022 and 2021.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

As of December 31, 2022 and 2021, the mutual funds held by the Plan were valued based at the daily closing price as reported by the funds and were deemed to be actively traded. These funds were required to publish daily net asset value and transact at that price.

5. Guaranteed Investment Contract with Insurance Company

The Plan has entered into a traditional fully benefit-responsive investment contract (the "Contract") with the Custodian. The Custodian maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented in the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by the Custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021 was \$1,471,271 and \$1,415,355, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a bi-annual basis.

Notes to Financial Statements (continued)

5. Guaranteed Investment Contract with Insurance Company (continued)

Certain events limit the Plan's ability to transact at contract value with the Custodian. Such events include (1) amendments to the Plan documents (including complete and partial Plan termination or merger with another plan); (2) changes to the Plan's prohibition on completing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption under ERISA. The Plan Administrator believes that any events that limit the Plan's ability to transact at contract value with participants are not probable to occur.
