The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Associated Skin Care Specialists, P.A. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- The amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Associated Skin Care Specialists, P.A. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated Skin Care Specialists, P.A. 401K Profit Sharing Plan 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Associated Skin Care Specialists, P.A. 401K Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated Skin Care Specialists, P.A. 401K Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of the year ended December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 30, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Associated Skin Care Specialists, P.A. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Basis of Presentation

The accompanying financial statements of Associated Skin Care Specialists, P.A. 401(k) Profit Sharing Plan (the Plan) have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

2. Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in guaranteed investment contracts are stated at contract value.

As described in the Accounting Standards Codification ("ASC"), 946, *Financial Services – Investment Companies*, investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales are recorded on the trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net change in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan presents, in the statement of changes in net assets available for benefits, the net change in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

3. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed as incurred. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

4. Participant Direction of Investments

Subject to the provisions of the Plan, a participant has the right to direct the investments of the balance in their accounts in the specific investment funds made available by the Plan administrator. At December 31, 2022 and 2021 all investments are participant directed.

5. Payment of Benefits

Benefits are recorded when paid.

6. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B – DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan. Employees of Associated Skin Care Specialists, P.A. (the Employer) are eligible to participate in the Plan after meeting certain requirements. An employee is eligible for participation upon attaining 21 years of age and completion of one year of employment with a minimum of 1,000 hours of service. An eligible employee may become a participant on the next entrance date, which is the first day of the first or seventh month of the Plan year coinciding with or following the date eligibility requirements are met.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE B – DESCRIPTION OF THE PLAN - CONTINUED

1. General - Continued

The Employer is responsible for appointing an administrator and trustee for the Plan. The trustee has discretionary powers in executing investment transactions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The costs of the Plan administration are the responsibility of the Plan.

2. Contributions

The Plan allows participants to contribute up to 100% of annual eligible compensation, as defined by the Plan, subject to limits imposed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans.

The Employer makes a non-elective safe harbor contribution annually to all eligible participants, except highly compensated employees, as defined by the Plan, based on 3% of the participant's compensation. The Employer may make discretionary profit sharing contributions, as determined annually by the Company's board of directors, and are based on a discretionary percentage of the participant's annual compensation. Additionally, the Employer may make discretionary contributions to each eligible participant as determined annually by the Company's board of directors. During the year ended December 31, 2022, the Employer made a \$556,408 profit sharing contribution and a \$92,273 non-elective safe harbor contribution to the Plan.

3. Forfeited Accounts

Forfeited non-vested accounts may be used to reduce future discretionary profit sharing contributions. As of December 31, 2022 and 2021, the balance of unapplied forfeitures of non-vested accounts is approximately \$3,560 and \$3,640 respectively. Forfeitures reallocated as discretionary profit sharing contributions are \$3,018 for the year ending December 31, 2022.

Associated Skin Care Specialists, P.A. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE B – DESCRIPTION OF THE PLAN - CONTINUED

4. Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Employer's safe harbor matching contribution, (b) the Employer's profit sharing, non-elective or other contribution, and (c) investment income or loss on investments less administrative expenses. Allocations are based on participant compensation or account balances, as defined.

Changes in a participant's deferral percentage for future contributions and reallocation of participant investment accounts among the investment options may be made at any time during the Plan year.

5. Vesting

Participants are immediately vested in their employee contributions and employer non-elective safe harbor contributions. Participants vest in all employer discretionary profit sharing contributions at a rate of 20% after two years of service, with an additional 20% per year being vested thereafter until the employee is 100% vested after six years of service, as defined. If the participant terminates employment at or after attaining normal or early retirement age or in the event of death or termination due to disability, the participant shall be 100% vested.

6. Payment of Benefits

Upon termination of service due to death, disability, retirement, or termination of the participant's employment, a participant may receive a lump sum distribution equal to the participant's vested account balance. Participants with balances of \$1,000 or less are subject to involuntary lump sum distributions.

7. Notes Receivable from Participants

Loans to participants from a participant's vested balance are permitted up to the lesser of fifty percent of the vested balance or a maximum of \$50,000 for each participant. The minimum note amount is \$1,000. The loans shall bear a reasonable rate of interest, be adequately secured, and have a definite repayment schedule, generally over a period not to exceed five years unless the loan is for the purchase of the employee's primary residence. Loans used for the purchase of the employee's personal residence may be repaid within a period of no more than 15 years. Principal and interest are paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE B – DESCRIPTION OF THE PLAN - CONTINUED

8. Risks and Uncertainties

The Plan is comprised of investments in a combination of investment securities. Investment securities are exposed to various risks, such as interest, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY MINNESOTA LIFE INSURANCE COMPANY

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Minnesota Life Insurance Company as of December 31:

	2022	2021
Investments, at fair value:		
Pooled separate accounts	\$ 23,722,113	\$ 28,762,165
Guaranteed investment contracts	338,993	333,458
Participant loans	147,276	158,723
Investment and participant loan interest income (loss)	(4,984,662)	3,164,192

NOTE D – FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE D – FAIR VALUE MEASUREMENTS - CONTINUED

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation method used for assets measured at fair value. There have been no changes in the method used at December 31, 2022 and 2021.

Self-directed brokerage account: Valued at the quoted market price of the shares as of the closing date of trading on active markets.

Cash surrender value of life insurance: Valued at the cash surrender value of the policies at year end provided by the insurance carrier, which management has determined is a proxy for fair value.

Pooled separate accounts: Valued at the net asset value (NAV) as a practical expedient to fair value of the units held by the Plan at year-end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D – FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate NAV per share as a practical expedient (or its equivalent) as of December 31, 2022 and 2021:

Investment Type	Fair Value Estimated Using NAV Per Share as a Practical Expedient				
	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2022	2021			
Pooled separate accounts	\$ 23,722,113	\$ 28,762,165	-	Immediate	None

NOTE E – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The following is the total contract value of each type of fully benefit responsive contract not listed within the fair value hierarchy, as of Associated Skin Care Specialists, P.A. 401(k) Profit Sharing Plan December 31, 2022 and 2021:

	2022	2021
Guaranteed investment contract	\$ 338,993	\$ 333,458

The Plan provides an investment option issued by Minnesota Life Insurance Company (MN Life) that simulates the performance of a guaranteed investment contract. MN Life maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan. The interest rate is based on a formula agreed upon by the issuer, but may not be less than 1.50% at December 31, 2022 and 2021.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a semiannual basis for resetting.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Examples of such events include (1) transfers of assets from the fund into a competing investment option and (2) when total distributions and transfers in the fund exceed certain levels. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

Associated Skin Care Specialists, P.A. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE F – FEDERAL INCOME TAXES

The Plan has adopted the Volume Submitter 401k Profit Sharing Plan, of Pension Consultants, Inc. The volume submitter sponsor obtained its latest advisory letter dated June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the advisory letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. There are no reconciling differences between the financial statements and the Form 5500 as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

The Plan's policy is to evaluate the likelihood that its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue and Regulations, Revenue Rulings, court decisions, and other evidence. The federal income tax returns of the Plan are subject to examination by the IRS generally for three years after they were filed.

NOTE G – PARTY-IN-INTEREST TRANSACTIONS

Minnesota Life Insurance Company is the trustee of the Plan and holds the Plan's investments and executes transactions.

Pension Consultants, Inc is the third party administrator of the Plan.

Capital Management Associates is an investment advisor of the Plan.

NOTE H – ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees to the trustee. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Employer on behalf of the Plan.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE I – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to reduce, suspend, or discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE J – SECURE ACT 2.0

On December 29, 2022, President Biden signed into law the Consolidated Appropriations Act of 2023, which includes the package of retirement provisions referred to as “SECURE Act 2.0”. SECURE Act 2.0 contains over 90 new retirement provisions continuing the reforms that began with the 2019 SECURE Act. These provisions have varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan’s 2022 financial statements.

NOTE K – SUBSEQUENT EVENTS

The Company has evaluated subsequent events through July 28, 2023, the date which the financial statements were available to be issued.
