To the Plan Administrator
Thaler Machine Company LLC 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of the Thaler Machine Company LLC 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Thaler Machine Company LLC 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

YOUR SUCCESS IS OUR PASSION

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Thaler Machine Company LLC 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Thaler Machine Company LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

YOUR SUCCESS IS OUR PASSION

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Thaler Machine Company LLC 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Thaler Machine Company LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

YOUR SUCCESS IS OUR PASSION

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THALER MACHINE COMPANY LLC 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN

The following brief description of the Thaler Machine Company LLC 401(k) Profit Sharing Plan & Trust (the Plan) is provided for general information purposes. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution 401(k) and profit sharing plan covering substantially all employees of Thaler Machine Company LLC (the Company) excluding employees covered by terms of a collective bargaining agreement. Employees are eligible to participate in the Plan upon hire, and to receive an allocation of Company profit sharing contributions after completing 1,000 hours worked within the first year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is qualified under the Internal Revenue Code (the Code).

The Plan was restated effective May 20, 2022 in order to add additional employees of the Company as limited trustees of the Plan.

Contributions

Each year, participants may elect to defer pre-tax or Roth after tax contributions up to the maximum dollar amount allowed by the Code. Participants who have attained age 50 before the end of the plan year are eligible to distributions from other qualified plans. Participants may direct investment of their account balances into various investment options offered by the Plan. Currently, the Plan offers 27 mutual funds and one group annuity contract as options for participants.

The Plan features a discretionary profit sharing contribution feature. If elected by the Company, this contribution is determined by a pro rata formula. Under this formula, each qualifying participant's individual accounts receives a pro rate allocation. This allocation is based on the qualifying participant's compensation in relation to the total compensation of all qualifying participants. The maximum employee compensation considered within the pro rata calculation is the annual compensation limit as imposed by the Code. The Company's contribution allocation for the year ended December 31, 2022 was 4.10% of qualifying participant compensation. The Company's total profit sharing contribution for the year ended December 31, 2022 was \$300,000.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Mid Atlantic Trust Company is Trustee and custodian of the Plan's investments. Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All amounts in participant accounts are participant-directed; however, the trustee has complete control over the investment offerings made available to plan participants.

Vesting

Participants are immediately vested in their elective deferral contributions, rollovers, and discretionary contributions plus any earnings they generate. Employer profit sharing contributions to the Plan plus any earnings they generate vest at 20% each year, beginning year two, and are fully vested after six years of service.

Participant Loans

Participants may borrow up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates equal to the prime rate as determined by the trustee as of the time the application for the loan is made plus 1%. The participant loans must be repaid over a period not to exceed 54 months, or up to 30 years if for the purchase of a primary residence. Principal and interest is paid ratably through payroll deductions. The interest rates on outstanding loans ranged from 4.25% to 8.00% as of December 31, 2022.

Payment of Benefits

Participants become eligible for benefit distributions upon retirement, disability, death, or termination of employment. Distributions are made in lump sum cash payments, installments over a certain period, partial withdrawals, or rollovers to other plans. Benefit payments are recorded when approved. Hardship withdrawals are permitted within the Plan document.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts can be used to reduce employer contributions or pay administrative expenses. At December 31, 2022 and 2021, forfeitures were \$7,634 and \$25,901, respectively. For the year ended December 31, 2022, \$15,883 of forfeitures were used to reduce employer contributions attributable to the year ended December 31, 2021 but made in July 2022, and administrative expenses.

Payment of Benefits

Benefits are recorded when approved. There were no unpaid approved distributions requests as of December 31, 2022 or 2021.

See accompanying independent auditor's report.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in the employer portion of contributions.

Expenses of the Plan

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Administrative expenses paid by the Plan were \$23,084 for the year ended December 31, 2022.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Mutual Funds held by the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

The Plan holds a group annuity contract which is reported at contract value. See Note E for discussion of the group annuity contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

THALER MACHINE COMPANY LLC 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE C – INVESTMENTS (INFORMATION CERTIFIED BY THE PLAN TRUSTEE)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, all investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, net depreciation in fair value of investments, and dividends and interest for the year ended December 31, 2022, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mid Atlantic Trust Company.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE D – FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements* (ASC Topic 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets of the Plan. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Mutual funds are stated at fair value as defined by observable quoted prices in active markets (Level 1).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan administrator believes the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 4,494,949	\$ -	\$ -	\$ 4,494,949
Total investments, at fair value	<u>\$ 4,494,949</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,494,949</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 5,506,063	\$ -	\$ -	\$ 5,506,063

NOTE E – INVESTMENT CONTRACT WITH INSURANCE COMPANY

As of December 31, 2022 and 2021, the Plan held a group annuity contract with Mid Atlantic Trust Company. The group annuity contract, The Standard's Stable Asset Fund II, is a fixed account. The methodology for calculating the interest credit is based on the earnings of the underlying assets in the entire medium long-term new portfolio compared to the minimum interest crediting rate (which will never be less than 0% as stated in the contract), and prevailing market conditions. The interest crediting rate is reset quarterly. At December 31, 2022 and 2021, The Standard's Stable Asset Fund II's contract value was \$781,743 and \$732,410, respectively.

Certain events limit the ability of the Plan to transact at contract value with the insurance company and the financial institution issuer. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such events that would limit the Plan's ability to transact at contract value with participants is probable.

The average yield earned by the Plan is derived by averaging the quarterly gross interest rates for the fund over the year. That average for 2022 was 2.23%. The actual average yield earned by the Plan is derived by averaging the Plan's quarterly interest rates. That average for 2022 was 2.21%.

NOTE F – RISKS AND UNCERTAINTIES

The Plan provides for various investment options including any combination of certain mutual funds. The underlying investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risks associated with certain investment securities, and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and participants' individual account balances.

NOTE H – TAX STATUS

The underlying standardized prototype plan has received an opinion letter from the IRS dated September 21, 2017, stating that the form of the Plan is qualified under Section 401 of the Code, and therefore, the related trust is tax exempt. In accordance with Revenue Procedure 2011-44 and 2011-49, the plan sponsor has determined that it is eligible for, and has chosen to rely on, the current IRS volume submitter advisory letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) of the Plan if the Plan has taken an uncertain tax position that is more likely than not would not be sustained upon examination by the IRS. There were no uncertain tax positions of the Plan as of December 31, 2022 or 2021.

The Plan is subject to routine audits by taxing jurisdictions. On February 13, 2023, the Plan received a letter from the IRS notifying the plan administrator that a routine audit of the 2019 plan year was being closed with no change. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE I – PARTIES-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association, or relatives of such persons. The Plan issues loans to participants, which are secured by the balances in the participants' accounts.

Certain administrative services are provided by the Company at no cost to the Plan.

NOTE J – SUBSEQUENT EVENTS

In connection with the preparation of the Plan's financial statements for the year ended December 31, 2022, events and transactions subsequent to December 31, 2022 through August 22, 2023 have been evaluated by the plan administrator for possible adjustment and/or disclosure.

Beyond those noted within Note H, no additional subsequent events requiring financial statement adjustment and/or disclosure have been identified.
