To the Trustees and Plan Administrator of
TRISTAR Risk Management, Inc. 401(k) Plan
100 Oceangate, Suite 700
Long Beach, CA 90802

We have audited the financial statements of TRISTAR Risk Management, Inc. 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2022, and we have issued our report thereon dated August 29, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by the Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 6, 2023. Professional standards also require that we communicate to you the following information related to our audit:

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The most sensitive estimates affecting the financial statements were the estimates of the fair value of investments which were disclosed in Note 4 to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. No misstatements were identified during the audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 29, 2023.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the trustees and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

TRISTAR Risk Management, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of TRISTAR Risk Management, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at year end as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRISTAR RISK MANAGEMENT, INC. 401(k) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

1. Description of the Plan

The following description of the TRISTAR Risk Management, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution salary deferral plan covering all full-time and part-time employees of TRISTAR Risk Management Inc. and subsidiaries (TRISTAR, the Company, or the Plan Sponsor) who work at least 20 hours per week, have one month of service, and are age eighteen or older. The Board of Directors of TRISTAR Risk Management Inc. is the governing and administering body of the Plan. Participation in the Plan is at the discretion of the individual employee. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Fidelity Management Trust Company (Fidelity) has been contracted to serve as the Administrator and Trustee of the Plan.

Coronavirus aid, relief, and economic security act (CARES Act)

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was passed by Congress. The CARES Act contained several provisions that temporarily impact 401(k) plans, including the waiver of required minimum distributions, a new hardship withdrawal option, increased loan limits, and a pause option for loan payments. The provisions of the CARES Act were effective and operationalized immediately, prior to amending the plan document. The Company has adopted certain relief provisions included in the CARES Act, and an official amendment is expected to be signed on or before December 31, 2025.

Contributions

Eligible participants are required to enroll in the Plan directly with the Administrator and to specify their employee withholding percentage as a percentage of compensation, up to the legal maximum per year. The maximum deferral was \$20,500 and \$19,500 for the years ended 2022 and 2021, respectively. Participants who are age 50 or older are allowed to make additional contributions (catch up) up to the maximum amount allowed by the IRS. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Employer matching contributions are discretionary and granted on a yearly basis. In 2022 and 2021, employee contributions were matched based upon years of service, varying as follows, of the employees' contributions on up to 4% of compensation.

Years of Service	Percentage Employer Match	
	2022	2021
1-4 years	45.0%	45.0%
5-9 years	50.0%	50.0%
10+ years	55.0%	55.0%

TRISTAR RISK MANAGEMENT, INC. 401(k) PLAN

Notes to Financial Statements (Continued) December 31, 2022 and 2021

1. Description of the Plan (Continued)

Participant accounts

Each participant's account is credited with the participant's contributions, rollovers, and allocations of TRISTAR's contributions and the Plan's earnings or losses. The Plan's earnings or losses are allocated based upon each participant's account balance. Certain fees are charged to the fund investments and are offset against the Plan's investment income and loss as presented on the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer's discretionary matching contributions is based on the participants' years of employment. The vesting schedule in effect for the years ended December 31, 2022 and 2021 is as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Investment options

Upon enrollment in the Plan, a participant may direct his or her contributions, in percentage increments, into a series of mutual funds, money market mutual funds, common-collective trust, or brokerage account offered by the Plan. Participants may change their investment options at any time.

Notes receivable from participants

Participants may borrow from their accounts, subject to limitations. The minimum loan amount is \$1,000. The maximum loan amount is the lesser of \$50,000 or 50% of the vested interest of the participant in the Plan. The loans are secured by the balance in the participant's account. The balance outstanding to a single participant may not exceed \$50,000. Interest rates are determined periodically and ranged from 4.25%-8.25% as of December 31, 2022. All loans are required to be repaid within five years of the date of the loan. Loans are to be repaid on the basis of substantially level amortization over the term of the loan with payments made through salary reduction in each pay period. Participant loans receivable are measured at their unpaid principal plus any accrued interest. Interest is recorded on the accrual basis. Outstanding loan amounts exceeding the investment balances (principally to terminated employees) are considered in default and uncollectible to the extent that the loan balance exceeds the investment balance, and an allowance is recorded accordingly in the accompanying financial statements.

As a provision of the CARES Act, qualifying participants impacted by the coronavirus were allowed to temporarily suspend loan repayments otherwise due between March 31, 2020 and December 31, 2020. The unpaid interest was re-amortized across the remainder of the loan and payments re-commenced in January 2021.

Notes to Financial Statements (Continued) December 31, 2022 and 2021

1. Description of the Plan (Continued)

Payment of benefits

Employees are eligible for in-service early distributions prior to retirement for financial hardship, as defined in the Plan document.

Upon reaching the age of 59 ½ years, participants may elect to receive a distribution of any or all of their vested account balances. Participants may rollover their vested balances into another qualified retirement account such as an IRA or another 401(k) plan upon termination of employment with TRISTAR.

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum distribution equal to the value of the participant's vested interest in his or her account or annual installments over the participant's life expectancy period.

Forfeitures

At December 31, 2022 and 2021, unallocated forfeited non-vested accounts totaled \$27,884 and \$29,667, respectively. These accounts will be used to reduce future employer contributions. In addition, during 2022, employer contributions were reduced by \$4,978 from allocated forfeited non-vested amounts.

2. Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Sponsor to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Sponsor believes that the estimates utilized in preparing these financial statements are reasonable and prudent. Actual results could differ from these estimates.

Notes receivable from participants

Notes receivable are recorded at their unpaid principal balances plus any accrued but unpaid interest. Interest income on participant loans is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. Allowance for credit losses has been recorded as \$411 and \$14,841 as of December 31, 2022 and 2021, respectively.

TRISTAR RISK MANAGEMENT, INC. 401(k) PLAN

Notes to Financial Statements (Continued) December 31, 2022 and 2021

2. Summary of Significant Accounting Policies (Continued)

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisor and the Trustee.

Purchases and sales of securities are reflected on a trade date basis. Interest is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments. Administrative expenses paid for the year ended December 31, 2022 were \$38,991.

Information certified by the Trustee

Fidelity has prepared and certified as complete and accurate the Plan's schedule of investment assets, transactions, net realized and unrealized gains and losses on investments, and interest and dividend income, which were used to prepare the accompanying financial statements and supplemental schedule.

3. Information Certified by the Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan Sponsor has obtained certification from the Trustee that the following information included in the Plan's financial statements is complete and accurate:

- Investments and notes receivable from participants as of December 31, 2022 and 2021, and
- Investment income and investment transactions for the year ended December 31, 2022.

TRISTAR RISK MANAGEMENT, INC. 401(k) PLAN

Notes to Financial Statements (Continued)

December 31, 2022 and 2021

4. Fair Value Measurements

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

The Plan maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the following fair value measurement.

- Level 1: The fair value is based on quoted market value of the shares held by the plan at year end.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- Mutual funds and money market mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.
- Common stock: Valued at the closing price reported on the active market on which the individual securities are traded.
- Common-collective trust: Units held in common-collective trusts (CCT) are valued using the NAV practical expedient of the CCT as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The NAV practical expedient of a CCT is calculated based on a compilation of primarily observable market information.
- Other: This category contains instruments such as warrants and rights, that do not belong to either mutual funds and money market mutual funds, common stock or common-collective trust. Financial instruments held in other are valued at fair value.

4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value on a recurring basis as of December 31:

<u>2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Common collective trust valued at NAV				<u>285,203</u>
Total investments				<u>\$ 72,208,412</u>

5. Income Tax

The Plan uses a prototype plan document sponsored by Fidelity Management and Research Co. who received an opinion letter from the IRS dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the IRS. The Plan itself has not received a determination letter from the IRS. Although the plan has been amended since receiving the opinion letter, the Plan's administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes have been included in the Plan's financial statements.

6. Party-in-Interest Transactions

The Plan allows participants to borrow from their vested balances. All of the Plan's investments are offered by Fidelity, the Plan's Administrator and Trustee. These transactions qualify as party-in-interest transactions. All of these transactions are exempt from the prohibited transaction rules under ERISA.

TRISTAR RISK MANAGEMENT, INC. 401(k) PLAN

Notes to Financial Statements (Continued) **December 31, 2022 and 2021**

7. Plan Termination

The Company has established the Plan with the intention and expectation that the Plan will continue indefinitely. However, the Company reserves the right at any time to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, distributions will be made to participants as described in the Plan agreement.

8. Risks and Uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuations, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

9. Subsequent Events

The Plan evaluated subsequent events until August 29, 2023, the date the financial statements were available to be issued. No events have occurred subsequent to December 31, 2022 requiring recording or disclosure in these financial statements.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of TRISTAR Risk Management, Inc. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States ("U.S. GAAP") and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the ERISA, we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Fidelity Management Trust Company, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit.

Financial Statements

- 1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated June 6, 2023, including our responsibility for the preparation and fair presentation of the financial statements.
- 2) The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedules referred to above are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- 3) We acknowledge our responsibility for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- 4) We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:
 - a) The circumstances permit an ERISA Section 103(a)(3)(C) audit.
 - b) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
 - c) The certification meets the 29 CFR 2520.103-5 requirements.
 - d) The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.
- 5) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- 6) We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- 7) The methods, significant assumptions, and data used in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in accordance with U.S. GAAP.
- 8) Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with U.S. GAAP and ERISA Section 3(14) and regulations thereunder.
- 9) No events have occurred subsequent to the date of the financial statements for which U.S. GAAP requires adjustment or disclosure.
- 10) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
- 11) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed have been properly disclosed.
- 12) Material concentrations have been properly disclosed in accordance with U.S. GAAP.
- 13) Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
- 14) Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.
- 15) The supplemental schedules or financial statements disclose the following:
 - a) All non-exempt party-in-interest transactions [as defined in ERISA Section 3(14) and regulations thereunder].
 - b) Investments or loans in default or considered to be uncollectible.
 - c) Reportable transactions [as defined in ERISA Section 103(b)(3)(H) and regulations thereunder].

Information Provided

16) We have provided you with:

- a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters.
- b) Completeness and availability of all minutes of all relevant boards and committees or summaries of actions of recent meetings for which minutes were not yet prepared.
- c) Communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
- d) A substantially complete draft of Form 5500.
- e) Additional information that you have requested from us for the purpose of the audit.
- f) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
- g) Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.

17) All material transactions have been recorded in the accounting records and are reflected in the financial statements.

18) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

19) We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:

- a) Management,
- b) Employees who have significant roles in internal control, or
- c) Others where the fraud could have a material effect on the financial statements.

20) We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

21) We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.

22) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.

23) We have disclosed to you the names of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions, including any side agreements.

24) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.

25) We have no—

- a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
- b) Intentions to terminate the Plan.

- 26) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- 27) The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 28) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:
- a) Mutual Funds and money market funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.
 - b) Common Stock: Valued at the closing price reported on the active market on which the individual securities are traded.
 - c) Common Collective Trust: Units held in common-collective trusts (CCT) are valued using the NAV practical expedient of the CCT as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The NAV practical expedient of a CCT is calculated based on a compilation of primarily observable market information.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

- 29) All required amendments to and filings of the Plan documents with the appropriate agencies have been made.
- 30) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The Plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
- 31) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
- 32) The Plan has complied with the fidelity bonding requirements of ERISA.
- 33) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- 34) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
- 35) We acknowledge our responsibility for presenting the supplemental schedules in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the supplemental schedules are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.
- 36) The Plan uses a prototype plan document sponsored by Fidelity Management and Research Co. who received an opinion letter from the IRS dated November 5, 2018, which states that the prototype document satisfies the applicable provisions of the IRS. The Plan itself has not received a determination letter from the IRS. Although the plan has been amended since receiving the opinion letter, we believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS.
- 37) The Plan has been determined to be top heavy, and it has complied with the top heavy rules required by ERISA.

- 38) We have provided you with all Service Organization Controls (SOC) reports for third-party service organizations engaged by the Company. We acknowledge our responsibility for the proper implementation of user entity controls as described in those reports. We have incorporated such controls in the design implementation and maintenance of internal control over financial reporting and they were in operation for the year ended December 31, 2022.
