INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Mike Rose's Auto Body, Inc. 401(k) Profit Sharing Plan
Concord, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Mike Rose's Auto Body, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 27, 2022, (in liquidation) and December 31, 2021, (ongoing), and the related statement of changes in net assets available for benefits for the period ended December 27, 2022, (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Mike Rose's Auto Body, Inc. 401(k) Profit Sharing Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 27, 2022, (in liquidation) and December 31, 2021, (ongoing), and for the period ended December 27, 2022, (in liquidation), stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

To the Plan Administrator
Mike Rose's Auto Body, Inc. 401(k) Profit Sharing Plan
Concord, California

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mike Rose's Auto Body, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, the Board of Directors of the Plan Sponsor voted to terminate the Plan as of the close of business on August 26, 2022, and management determined liquidation is imminent. As a result, Mike Rose's Auto Body, Inc. 401(k) Profit Sharing Plan changed its basis of accounting from the going concern basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Administrator
Mike Rose's Auto Body, Inc. 401(k) Profit Sharing Plan
Concord, California

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mike Rose's Auto Body, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator
Mike Rose's Auto Body, Inc. 401(k) Profit Sharing Plan
Concord, California

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MIKE ROSE'S AUTO BODY, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 27, 2022 (IN LIQUIDATION) AND DECEMBER 31, 2021 (ONGOING)

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Mike Rose's Auto Body, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Mike Rose's Auto Body, Inc (the Company or Sponsor) terminated the Plan on August 26, 2022.

a) General

Prior to termination, the Plan was a defined contribution and profit sharing plan covering all full-time employees of the Company who had three months of service and are age 21 or older. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Collective bargaining employees were not eligible to participate unless eligibility was specifically provided for by such agreement. Participants were eligible for profit sharing and discretionary matching contributions if they had completed one year of service (defined as 1,000 hours) and were employed by the Sponsor at the end of the Plan year. The Board of Trustees was responsible for oversight of the Plan. The Investment Committee determined the appropriateness of the Plan's investment offerings, monitored investment performance, and reported to the Plan's Board of Trustees. The Plan was amended on September 9, 2022, to adopt the statutory changes pursuant to the CARES Act.

The Board of Directors of the Sponsor voted to terminate the Plan as of the close of business on August 26, 2022, and to distribute the assets as soon as practicable but no later than December 27, 2022. In accordance with the Plan provisions, the Sponsor vested 100% of the Plan's assets as of August 26, 2022. All Plan assets were distributed by December 27, 2022.

b) Contributions

Prior to Plan termination, each year, participants could contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants directed the investment of their contributions into various investment options offered by the Plan. Prior to Plan termination, the Company could have elected to make a discretionary matching or profit sharing contribution to the Plan. Participants directed the investment of the discretionary matching and profit sharing contributions. There were no discretionary matching or profit sharing contributions made by the Company in 2022. Contributions were subject to certain Internal Revenue Service (IRS) limitations.

See Independent Auditor's Report.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 27, 2022 (IN LIQUIDATION) AND DECEMBER 31, 2021 (ONGOING)

NOTE 1 - DESCRIPTION OF PLAN (Continued)

c) Participant accounts

Prior to Plan termination, each participant's account was credited with the participant's contributions and the Company's discretionary matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

d) Vesting

At Plan termination, all participants were 100% vested in employee elective deferrals, Company discretionary matching and profit sharing contributions.

e) Notes receivable from participants

Prior to termination of the Plan, Participants could have borrowed from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans were secured by the balance in the participant's account. Payment terms of the loan were a maximum of 5 years. However, if used to purchase the participant's principal residence, the Plan administrator may have permitted a longer repayment term, not to exceed 10 years. The loan interest rate, determined monthly, was set at 1.00% above the prime rate, as defined. Principal and interest were paid ratably through payroll deductions. Loans were valued at unpaid principal plus unpaid accrued interest.

f) Payment of benefits

Prior to Plan termination, upon termination of service due to death, disability, or retirement, a participant could receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10 year period. For termination of service for other reasons, a participant could receive the value of the vested interest in his or her account as a lump sum distribution.

g) Forfeited accounts

Forfeited accounts at December 27, 2022, (in liquidation) and December 31, 2021, (ongoing), totaled \$0 and \$29,365, respectively. The balance in forfeited nonvested accounts at December 31, 2021, was used to reduce employer contributions in 2021, paid in 2022.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 27, 2022 (IN LIQUIDATION) AND DECEMBER 31, 2021 (ONGOING)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Basis of accounting

The Plan's financial statements are prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America.

b) Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c) Investment valuation and income recognition

Prior to Plan termination, investments were reported at fair value. Fair value was the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determined the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d) Notes receivable from participants

Prior to Plan termination, notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 27, 2022, (in liquidation) or December 31, 2021, (ongoing).

e) Payment of benefits

Prior to Plan termination, benefits were recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

f) Expenses

Prior to Plan termination, certain expenses of maintaining the Plan and significant investment management fees were paid by the Plan. Expenses that were paid by the Company were excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and were included in administrative expenses. Investment related expenses were included in net depreciation in fair value of investments.

g) Subsequent events

The Plan has evaluated subsequent events through August 18, 2023, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

See Independent Auditor's Report.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 27, 2022, (in liquidation) and December 31, 2021, (ongoing).

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 27, 2022, (in liquidation) and December 31, 2021, (ongoing).

Assets at Fair Value as of December 27, 2022 (in Liquidation)

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ -	\$ -	\$ -

Assets at Fair Value as of December 31, 2021 (Ongoing)

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,849,129	\$ -	\$ -	\$ 17,849,129

NOTE 4 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Hightower Advisors. Fees incurred and paid directly by the Plan for the investment management were \$41,203 for the period ended December 27, 2022, (in liquidation). Fidelity Management Trust Company (Fidelity) is the record keeper as defined by the Plan. Fidelity is the qualifying institution as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan for the recordkeeping services were \$56,260 for the period ended December 27, 2022, (in liquidation).

NOTE 5 - TAX STATUS

The IRS had determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan had been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believed that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified, and the related trust is tax-exempt prior to Plan termination.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS/FTB. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 6 - RISKS AND UNCERTAINTIES

Prior to Plan termination, the Plan invested in various investment securities. Investment securities were exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

During the first half of December 31, 2022, the stock market had its worst start for stocks in nearly half of a century, contributing to its decline of nearly 20% in the S&P 500 with continued volatility through present.

NOTE 7 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 27, 2022, (in liquidation), and net depreciation in fair value of investments, interest, and dividends for the period ended December 27, 2022, (in liquidation), was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity (the qualifying institution of the Plan).

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The December 27, 2022, (in liquidation), Form 5500 was prepared under the accrual basis of accounting (which is consistent with the liquidation basis of accounting) and, thus, the asset and liability amounts reported on Form 5500, as well as the net changes in Plan assets, were in agreement in total with the amounts included in the accompanying financial statements. There are classification differences between the, financial statements and Form 5500, but as they agree in total, a reconciliation to Form 5500 has not been prepared.

The December 31, 2021, Form 5500 was prepared under the accrual basis of accounting and, thus, the asset and liability amounts reported on the 5500 are in agreement in total with the amounts included in the accompanying financial statements. There are classification differences between the financial statements and Form 5500, but as they agree in total, a reconciliation to Form 5500 has not been prepared.
