Independent Auditors' Report

Plan Trustees
The Herring IMPACT Group
Employees 401(k) Profit Sharing Plan
St. Louis, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Herring IMPACT Group Employees 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of The Herring IMPACT Group Employees 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Herring IMPACT Group Employees 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Herring IMPACT Group Employees 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Herring IMPACT Group Employees 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required By ERISA

The supplemental schedules of assets held at end of year as of December 31, 2022 and delinquent participant contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

NOTES TO FINANCIAL STATEMENTS December 31, 2022 And 2021

1. Description Of The Plan

The following description of The Herring IMPACT Group Employees 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan, established January 1, 1992, is a defined contribution plan covering eligible employees of The Herring IMPACT Group LLC (the Plan Administrator or Plan Sponsor) and eligible employees of TdD Attorneys At Law, LLC (collectively, the Employers). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Charles Schwab Trust Bank is the Plan's custodian and EPIC Retirement Plan Services (EPIC) is the Plan's recordkeeper.

Eligibility

The Plan covers substantially all employees of the Employers who have completed three months of service, as defined by the Plan, and attained the age of 21. Employees can begin participating on January 1, April 1, July 1 or October 1 after satisfying the eligibility requirements. Participation is voluntary.

Contributions

Each year, participants may contribute up to the maximum allowed under the Internal Revenue Service (IRS). Contributions may consist of both pre-tax and Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Employers may make discretionary matching contributions. For the years ended December 31, 2022 and 2021, The Herring IMPACT Group LLC matched 100% of the first 3% of compensation that a participant contributed to the Plan. For the years ended December 31, 2022 and 2021, TdD Attorneys At Law, LLC did not make a discretionary matching contribution.

Notes To Financial Statements *(Continued)*

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employers' contributions, and allocations of the Plan's earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

Participants who terminate their employment and are less than 100% vested in their account will forfeit their nonvested portion. Forfeitures may be used to reduce future Employers' contributions or to pay Plan expenses. No forfeitures were available for use at December 31, 2022. Forfeitures available for use amounted to \$3,672 as of December 31, 2021. Forfeitures used to pay Plan expenses amounted to \$5,853 and \$36,564 for the years ended December 31, 2022 and 2021, respectively.

Participant Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in Employers matching contributions is based on a six-year graded vesting schedule. Participants are 20% vested after two years of service, increasing 20% each year thereafter, becoming fully vested after six years of service. Participants also become fully vested upon reaching early retirement date, death or total and permanent disability.

Payment Of Benefits

Participants are eligible for normal retirement upon reaching age 65. Participants are eligible for early retirement upon attaining age 55 and one year of service. Participants who have reached a benefit event (e.g. death, disability, retirement or termination) may elect to receive an amount equal to the vested value of their account in a lump-sum distribution. Distributions are subject to the applicable provisions of the Plan Document.

In-Service Distributions

Active participants who reach age 59-1/2 or experience a qualifying financial hardship may withdraw all or part of their vested accounts. Hardship withdrawals will be approved only if they conform to Plan provisions and established IRS safe harbors.

Notes To Financial Statements (*Continued*)

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by law are recorded as a liability with a corresponding reduction in contributions. There were no excess contributions recorded for the plan year ended December 31, 2022. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Administrative Expenses

The Plan pays substantially all administrative expenses, including custodial fees, investment advisory fees, transaction fees and recordkeeping fees.

Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

THE HERRING IMPACT GROUP
EMPLOYEES 401(k) PROFIT SHARING PLAN

Notes To Financial Statements *(Continued)*

Purchases and sales of securities are reflected on a trade-date basis. Dividends are recorded on the ex-dividend date. The change in fair value of investments in the accompanying statement of changes in net assets available for benefits includes realized gains and losses and unrealized appreciation and depreciation.

Payment Of Benefits

Benefits are recorded when paid.

3. Certified Investment Information

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information certified by the Trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that the information provided to the Plan Administrator related to the following information is complete and accurate. This information has not been audited by the Plan's independent auditors.

Accordingly, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<u>2022</u>	<u>2021</u>
Cash	\$ —	\$ 531
Investments - At Fair Value		
Mutual funds	2,661,601	4,275,112
Collective trust funds	5,742,432	6,655,683

The Trustee also certified to the completeness and accuracy related the following investment income for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Dividend income	\$ 123,692	\$ 235,671
Net change in fair value of investments	(1,884,167)	1,410,074

4. Fair Value Measurements

The Plan follows an established framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standards are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

THE HERRING IMPACT GROUP
EMPLOYEES 401(k) PROFIT SHARING PLAN

Notes To Financial Statements *(Continued)*

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts

Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	December 31, 2022			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 2,661,601	\$ —	\$ —	\$ 2,661,601
Investments measured at net asset value (a)				5,742,432
Total Assets At Fair Value				\$ 8,404,033

THE HERRING IMPACT GROUP
EMPLOYEES 401(k) PROFIT SHARING PLAN

Notes To Financial Statements *(Continued)*

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,275,112	\$ —	\$ —	\$ 4,275,112
Investments measured at net asset value (a)				6,655,683
Total Assets At Fair Value				\$ 10,930,795

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Fair Value Of Investments In Entities That Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021:

Investment Type	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2022	2021			
Stable value fund	\$ 554,629	\$ 412,445	None	Daily	None
Managed retirement funds	5,021,226	6,128,117	None	Daily	None
Fixed income fund	166,577	115,121	None	Daily	None
	\$ 5,742,432	\$ 6,655,683			

There have been no changes in valuation methodologies used at December 31, 2022 or 2021.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

THE HERRING IMPACT GROUP
EMPLOYEES 401(k) PROFIT SHARING PLAN

Notes To Financial Statements *(Continued)*

6. Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. Income Tax Status

The Plan was amended and restated effective April 1, 2021 through the adoption of a pre-approved defined contribution plan document sponsored by EPIC. EPIC obtained an opinion letter dated June 30, 2020 in which the IRS stated that the pre-approved plan document is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter. The Plan has been amended since the date of the pre-approved plan document. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Party In Interest Transactions

The Plan pays fees to various service providers related to operations of the Plan. These transactions qualify as exempt party in interest transactions under ERISA.
