Independent Auditor's Report

To the Trustees
HILLS Properties Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the financial statements of HILLS Properties Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of November 30, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended November 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of November 30, 2022 and 2021, and for the year ended November 30, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of November 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**HILLS PROPERTIES PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
NOVEMBER 30, 2022 AND 2021**

1. Plan description

The following description of the HILLS Properties Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Hills Property Management, Inc. and Hills Developers, Inc. (the Company), who have six months of service with 500 service hours and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute a percentage of their annual compensation to the Plan, as defined in the plan document. Participants are also allowed to make catch up contributions and roll over amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers seventeen mutual funds as investment options for participants. The Company, at its discretion, may make matching contributions to the Plan each year. For the plan year ended November 30, 2022, the Company elected to match 25% of the first 10% of base compensation that a participant contributed to the Plan until August 1, 2022, then elected to match 50% of the first 10% of base compensation contributed through November 30, 2022, subject to IRS limitations. The Company contribution is allocated amongst investment options based on the participant's selected allocation percentages. The Company has the ability to make profit sharing contributions to the Plan, none of which were made in 2022.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching contributions and (b) plan earnings, and charged with (a) an allocation of administrative fees and expenses paid out of the Plan, and (b) decreases in investment value. Allocations of matching contributions are based on participant's deferrals, and allocations of plan earnings are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and earnings thereon. Participants are fully vested in the Company matching contribution after six years of credited service, vesting 20% per year, beginning in year two.

Expenses of the Plan

The Plan pays certain administrative expenses. The Company provides other administrative services at no cost to the Plan, which are excluded from these financial statements.

Forfeited accounts

Participant forfeitures of Company matching contributions are first used to offset the Company matching contribution. The remaining balance may be applied to expenses of the Plan. At November 30, 2022 and 2021, forfeited non-vested accounts totaled approximately \$2,674 and \$20,142, respectively. During 2022, forfeited non-vested accounts of \$23,899 were used to offset Company matching contributions and \$6,540 were used to pay expenses of the Plan.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Payment of benefits

On termination of service due to death, disability or retirement, or any other reason, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested balance in his or her account, a fixed number of annual installment payments, various types of annuity payments or any combination thereof. Participants may apply for hardship withdrawals, subject to approval by the plan administrator. Contributions and earnings are taxable to the participants, subject to certain exceptions, upon withdrawal from the Plan.

Net assets of withdrawing participants

No participants had elected to withdraw from the Plan prior to November 30, 2022 that had not received distributions before year end.

2. Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and uncertainties

The Plan utilizes various investment instruments, including mutual funds. Investment securities, in general, are exposed to various risks such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statement of Net Assets Available for Benefits.

Benefits

Benefit payments are recorded when paid.

3. Transactions with related parties

The Plan permits the payment of administrative expenses to be made from the Plan's assets and for them to be allocated either proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. Expenses relating to specific participant transactions (i.e., distribution request, etc.) are charged directly against the appropriate participant's account.

4. Tax status

On June 30, 2020, the IRS stated that the prototype adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 4(a). The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

5. Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at November 30, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of November 30, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of November 30, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,884,969	\$ -	\$ -	\$ 17,884,969
Total assets in the fair value hierarchy	17,884,969	-	-	17,884,969
Investments measured at NAV (a)	-	-	-	-
Investments at fair value	\$ 17,884,969	\$ -	\$ -	\$ 17,884,969

Assets at Fair Value as of November 30, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 20,133,390	\$ -	\$ -	\$ 20,133,390
Total assets in the fair value hierarchy	20,133,390	-	-	20,133,390
Investments measured at NAV (a)	-	-	-	-
Investments at fair value	\$ 20,133,390	\$ -	\$ -	\$ 20,133,390

- a) As of November 30, 2022 and 2021, the Plan had no investments measured at NAV per share (or its equivalent) that have not been classified in the fair value hierarchy.

For years ended November 30, 2022 and 2021, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

6. Reportable transactions

No reportable transactions were noted in 2022 or 2021.

7. Information certified by the Plan's custodian

The plan administrator has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Newport Trust Company, the custodian of the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments as shown in the Statement of Net Assets Available for Benefits as of November 30, 2022 and 2021
- Net investment loss as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended November 30, 2022
- Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of November 30, 2022

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information included in the financial statements and supplemental schedule.

8. Fidelity bonding requirements

The Plan was covered by a \$1,000,000 bond during 2022 and 2021.

9. Subsequent events

The Plan administrator has evaluated subsequent events through August 18, 2023, the date the financial statements were available to be issued. The Plan administrator is not aware of any subsequent events that would require recognition or disclosure in the Plan's financial statements.
