**INDEPENDENT AUDITOR'S REPORT**

Randall-Reilly, LLC Plan Administrator  
Randall-Reilly, LLC 401(k) Profit Sharing Plan  
Tuscaloosa, Alabama

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Randall-Reilly, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Randall-Reilly, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Randall-Reilly, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Randall-Reilly, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibility for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Randall-Reilly, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Randall-Reilly, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS ----- DECEMBER 31, 2022

1: Description of Plan:

The following description of the Randall-Reilly, LLC 401(k) Profit Sharing Plan (the plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan covering all employees of Randall-Reilly, LLC (the Company) who have completed sixty days of service and are twenty-one years of age. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. Contributions - Each year, the Company may contribute to the Plan a discretionary amount of its current profits before pension and profit sharing costs and income taxes. The Company may make matching contributions equal to a discretionary percentage to be determined at the option of the Company's board of directors. Participants may contribute from 1-90 percent of their annual compensation provided such contribution does not exceed limits established by federal tax laws.
3. Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.
4. Loans to Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loan Account. Loan terms range from 1-5 years or up to 25 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Interest rates range from 4.25% to 6.50%. Principal and interest are paid ratably through bi-weekly payroll deductions.
5. Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of vesting service. A participant is 100 percent vested after four years of credited service.
6. Payment of Benefits - Upon termination of service, a participant may receive a lump-sum in an amount equal to the value of his or her vested account balance.
7. Forfeitures - At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$11,489 and \$8,164, respectively. These accounts will be used to reduce to administrative expenses and/or future employer contributions. Forfeitures during 2022 and 2021 were \$10,783 and \$9,267, respectively.

2. Summary of Accounting Policies:

The Plan's financial statements have been prepared on a modified cash basis, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles. Therefore, with the exception of appreciation or depreciation in the market value of investments, income and expense items are recognized only as cash is received or paid, and receivables, payables and accrued expenses are not reflected.

The Plan's investments are recorded at market value, as established by the trustee as of December 31, 2022 and 2021. If available, quoted market prices are used to value investments. The amounts shown in Note 4 for securities that have no quoted market price represent estimated fair value. Purchases and sales of securities are recorded on a settlement day basis.

2. (Continued)

The Plan's investments are held by the Trustee. The Trustee provides statements reflecting the Plan's investment assets, transactions, income, and reportable transactions. The Trust statements have been certified by the Trustee to be complete and accurate.

Loans to participants are measured at their unpaid principal balance, which approximates market. Interest on loans to participants is recorded when received.

Benefits are recorded when paid.

Some administrative expenses of the Plan were paid by the Company and totaled approximately \$15,000 for the years 2022 and 2021. The remaining expenses were paid by the Plan.

The preparation of the financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

The Plan has evaluated subsequent events through August 22, 2023, the date the financial statements were available to be issued.

3. Tax Status:

The Plan adopted a Fidelity Prototype Plan. The Prototype Plan obtained its latest determination letter on March 31, 2015, in which the Internal Revenue Service stated that the form of the plan is acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan is not aware of uncertain tax positions that qualify for either recognition or disclosure in the financial statements under the current guidance.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) ----- DECEMBER 31, 2022

4. (Continued)

During the years ended December 31, 2022 and 2021, the Plan's investments, (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by \$(8,735,866) and \$2,653,613, respectively.

5. Fair Value Measurements:

Current accounting guidance for Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 consists of observable inputs other than quoted prices included in Level 1, and Level 3 consists of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measured fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

*Level 1 Fair Value Measurements*

The fair value of Mutual Funds is based on unadjusted quoted prices in active markets for identical assets as provided by the Trustee.

*Level 2 Fair Value Measurements*

The fair value of collective trust and pooled separate accounts, which have underlying investments in mutual funds, are based on observable inputs of the quoted values of the mutual funds. However, the separate accounts themselves do not have publicly quoted prices.

*Level 3 Fair Value Measurements*

Loans to participants are not actively traded and significant other observable inputs are not available. The fair value of loans to participants is based on the principal balance of the loans. The principal balance represents fair value, as the loans are secured by the participant's account balance and are specific to the participant who borrowed the amount.

The following tables set forth, by level within the fair market hierarchy, the fair value of the Plan's investments measured on a recurring basis as of December 31, 2022 and 2021.
