Independent Auditor's Report

To the Trustees of
HBC Employees Trust
Boston, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of HBC Employees Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of October 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of HBC Employees Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institutions as of and for the year ended October 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HBC Employees Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HBC Employees Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HBC Employees Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HBC Employees Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at year end) as of October 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Respectfully submitted,

Independent Auditor's Report

To the Trustees of
HBC Employees Trust
Boston, Massachusetts

We were engaged to audit the accompanying statement of net assets available for benefits of HBC Employees Trust (the "Plan") as of October 31, 2021 (ongoing), and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2021 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by Empower Retirement and Reliance Trust Company, the trustees of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustees hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the trustees as of October 31, 2021 that the information provided to the plan administrator by the trustees are complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statement. Accordingly, we do not express an opinion on the 2021 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2021 Financial Statement

The form and content of the information included in the 2021 financial statement, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Respectfully submitted,

HBC EMPLOYEES TRUST

Notes to Financial Statements October 31, 2022 and 2021

Note 1 - DESCRIPTION OF PLAN:

The following description of the HBC Employees Trust (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan covering all non-union employees of Horizon Beverage Company, Inc. (the “Company”) who are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The plan became effective on November 30, 1955 and the plan year is November 1 through October 31.

Custodians - The Plan established a custodial agreement with Reliance Trust Company (“Reliance”) and a group annuity contract with Massachusetts Mutual Life Insurance Company (collectively, “the Custodians”), which consists of such sums of money and other property acceptable to the Custodians that, from time to time, will be paid or delivered to the Custodians, including investments and proceeds thereof and earnings thereon, less the payments made by the Custodians, as authorized. The Custodians have agreed to invest and reinvest the funds as directed by the plan administrator in accordance with the associated agreements. Massachusetts Mutual Life Insurance Company (“Mass Mutual”) was additionally appointed as the servicing agent, providing recordkeeping and administrative services to the Plan for assets kept under both the custodial agreement and group annuity contract. On December 31, 2020, Empower Retirement, LLC (“Empower”) acquired Mass Mutual’s retirement plan business. On October 29, 2022, the Plan migrated from the Mass Mutual to the Empower recordkeeping platform and concurrently from Reliance to Great-West Trust Company, LLC (“Great-West”). Great-West was ultimately later renamed Empower Trust.

Participant Contributions - Eligible employees may elect to defer eligible compensation on a pre-tax basis or after tax basis (“Roth”) or a combination of both. Deferral amounts may not to exceed applicable Internal Revenue Service regulatory limitations. Participants may also rollover contribution amounts representing distributions from other qualified plans.

Employer Contributions - The Company may make discretionary profit sharing and non-discretionary safe harbor contributions the plan. The Company made total contributions of \$1,239,012 to the Plan for the year ended October 31, 2022. The contributions were based on a percentage of current compensation subject to certain limitations. These contributions were reflected as receivables as of the balance sheet date.

Participant Accounts - Each participant’s account is credited with the participant’s elective contributions and allocations of employer contributions, if any, as well as Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit provided from the participant’s vested account.

HBC EMPLOYEES TRUST

Notes to Financial Statements
October 31, 2022 and 2021

Note 1 - DESCRIPTION OF PLAN - Continued:

Vesting - Participants are immediately vested in their voluntary contributions and employer safe harbor contributions and actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Forfeitures - Participants who terminate their employment prior to becoming fully vested in their share of employer contributions forfeit the unvested employer contributions. Such forfeited amounts are considered unallocated and may be applied to reduce future employer contributions or administrative fees.

Unallocated Funds - As of October 31, 2022 and 2021, the Plan had unallocated assets totaling \$28,883 and \$14,105, respectively.

Investment Options - The Plan offers participants a choice of investing in twenty-nine different mutual funds and one guaranteed investment contract, each with a specific investment objective. Participants may change investment option specifications daily with respect to contributions to be made in the future and with respect to his or her individual account.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of one-half their vested account balance or \$50,000. Principal and interest are paid ratably through regular payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits - On termination of service, a participant may elect to receive a lump-sum distribution equal to the vested value of his or her account. The Plan also allows for hardship withdrawals not to exceed the value of the participant's vested account.

Administrative Expenses - Plan administration expenses are paid directly by the Company to the extent not paid by the Plan, whereas participant account administrative expenses are paid by the participants and deducted from their accounts annually.

Plan Administration - The Company is the plan administrator. One of the Plan's trustees is a shareholder of the Company.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting - The financial statements and supplemental schedule of the Plan are prepared using the accrual method of accounting, consistent with accounting principles generally accepted in the United States of America.

Payment of Benefits - The Plan records benefit payments when paid.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued:

Investment Valuation and Income Recognition - Investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation or depreciation in the fair value of its investments which consists of the realized gains or losses during the year and the unrealized appreciation or depreciation of investments at year-end.

Notes receivable from participants are valued at their outstanding amortized balances, which approximates fair value. The portion of interest included in each loan payment made by a participant is recognized as interest income in the participant's individual account. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Use of Estimates - The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Subsequent Events - Subsequent events are events or transactions that occur after the balance sheet date but that could affect the amounts or disclosures in the financial statements. Management has evaluated subsequent events through the date that the financial statements are available to be issued, which is the date noted at the bottom of the auditor's report.

Note 3 - GUARANTEED INVESTMENT CONTRACT:

The Plan holds a traditional, guaranteed investment contract wherein the contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The interest rate is set by the issuer on a semi-annual basis and may not be less than zero percent. The contract has no set maturity or termination date.

This contract meets the fully benefit-responsive investment contract criteria and is therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Note 3 - GUARANTEED INVESTMENT CONTRACT - Continued:

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
- There is a termination or partial termination of the Plan
- The Plan breaches a provision of the investment contract
- Bankruptcy of the plan sponsor or other plan sponsor events that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

- The issuer determines it will not be able to operate the Agreement under its current terms following the Plan's establishment, activation or material change to, any Plan investment fund.
- The Plan fails to make required contributions to the investment option.

Contract values of the guaranteed investment contract as of October 31, 2022 and 2021 were \$11,463,239 and \$5,504,421, respectively.

Note 4 - RELATED PARTY TRANSACTIONS:

Certain Plan investments held are shares of mutual funds managed by Mass Mutual. Mass Mutual is a custodian as defined by the Plan and therefore these transactions qualify as party-in-interest transactions. As previously noted, Empower Retirement acquired Mass Mutual's retirement plan business on December 30, 2020.

Note 5 - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 6 - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7 - CERTIFICATION OF CUSTODIANS:

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by the Custodians, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule. The plan administrator has obtained certification from the Custodians stating that all information provided to the plan administrator by the Custodians for 2022 and 2021 is complete and accurate. Such information includes investments, investment income, realized gains and losses on sales of investments and unrealized appreciation or depreciation in market value of investments.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustees:

	<u>2022</u>	<u>2021</u>
Investments:		
Mutual Funds at Fair Value	\$ 35,151,359	\$ 54,190,955

Note 8 - TAX STATUS:

The Plan is a Prototype Non-Standardized Profit Sharing 401(k) Plan. The Angell Pension Group Inc. has obtained an Internal Revenue Service determination letter dated June 30, 2020 stating that the Plan, as designed, complies with the requirements under Section 401(a) of the Internal Revenue Code (the "Code"). The Plan has been amended since the date of this determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. No provision for income taxes has been included in the Plan's financial statements.

The Plan evaluates all significant tax positions and believes that it has not taken any tax positions that require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would increase or decrease within the next year. The Plan's income tax returns are subject to examination by applicable tax authorities generally for three years after filing.

Note 9 - FAIR VALUE MEASUREMENTS:

The Plan follows generally accepted accounting principles, which establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term thereof.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 9 - FAIR VALUE MEASUREMENTS - Continued:

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used as of October 31, 2022 and 2021:

Mutual Funds: Valued at the readily available net asset value ("NAV") of shares held by the plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of October 31, 2022 and 2021:

Investments at Fair Value as of October 31, 2022
