## *Independent Auditors' Report*

The Participants and Plan Administrator  
Gordon Brothers Profit-Sharing Plan  
Boston, Massachusetts

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed the audits of the financial statements of Gordon Brothers Profit-Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedules, (1) Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and (2) Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by (See Note 3) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## ***Notes to Financial Statements***

### ***Note 1 - Description of the Plan***

The following description of the Gordon Brothers Profit-Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

#### ***General***

The Plan is a defined contribution plan with a cash deferral arrangement established in September 1976. Employees of Gordon Brothers Asset Advisors, LLC, GB Retail Funding, LLC, Gordon Brothers Commercial & Industrial, LLC, DJM Asset Management, LLC, Gordon Brothers-AccuVal, and Gordon Brothers Group, LLC (collectively the “Employer”) become eligible to participate upon completing 30 days of service and the attainment of age 21 (“Participants”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Substantially all investments are participant directed.

#### ***Participant Deferral Contributions***

Participants may elect to defer from 1% to 50% of their compensation, subject to dollar limits set by Federal law. Eligible employees are automatically enrolled in the Plan upon satisfying the eligibility requirements at an initial 5% deferral unless they affirmatively elect otherwise. Subsequent year contributions are increased 1% per year to a maximum of 20%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“Participant Rollovers”).

#### ***Employer Contributions***

##### ***Matching Contributions***

The Employer makes matching contributions each pay period in an amount equal to 100% of the amount contributed by a participant, up to a maximum of 5% of the participant’s compensation, subject to limits imposed by Federal law.

##### ***Non-Elective Contributions***

Each year, the Employer, at its sole discretion, may make non-elective contributions to the Plan subject to certain limitations. Eligibility to participate in the non-elective contributions requires one year of service (a minimum of 1,000 hours during the Plan year), and the participant must be employed by the Employer on the last day of the Plan year. Allocations of the non-elective contribution are made among eligible participants based on the ratio that each participant’s eligible compensation bears to the total eligible compensation of all eligible Participants. There was no non-elective contribution made in 2022.

## ***Notes to Financial Statements***

### ***Note 1 - Description of the Plan (Continued)***

#### ***Participant Accounts***

Each participant's account is credited with the participant's contribution and an allocation of (a) the Employer contributions, (b) Plan earnings/losses and (c) administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balances.

#### ***Vesting***

Participants are always fully vested in their voluntary contributions and rollover accounts plus actual earnings thereon. Participants employed as of August 1, 2020 are fully vested in their Employer matching contributions. Participants terminated prior to August 1, 2020 began vesting after 2 years of service and were 100% vested after 6 years of service in the Employer matching contributions. A participant begins vesting after 2 years of service and is 100% vested after 6 years of service in the Employer non-elective contributions plus earnings thereon. A participant also becomes fully vested upon reaching normal retirement age or due to death or disability.

#### ***Payment of Benefits***

In-service withdrawals from a participant's rollover account are permitted at any time. Participants may withdraw from all or part of their voluntary contributions account upon reaching age 59½. Hardship withdrawals may be taken from the voluntary contributions account without respect to earnings. Upon termination of service, retirement, death or disability, a participant may elect to receive either a lump-sum payment or annual installment payments equal to the vested account balance. If a participant's vested account is more than \$1,000 but less than \$5,000, the Plan administrator, after notification, may distribute his/her entire non-forfeited account balance in the form of an IRA rollover account on behalf of the former participant. If a participant's vested account is less than \$1,000, the Plan administrator automatically distributes the account balance to the Participant.

#### ***Notes Receivable from Participants***

Participants may borrow a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. A participant may only have one loan outstanding at a time. Loan terms are up to five years (or longer for the purchase of a principal residence). The loans are secured by the balance in the participant's account and bear interest at a reasonable rate of interest to be determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

#### ***Plan Administration***

The Employer is the Plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Great-West Trust Company, LLC changed its name to Empower Trust Company, LLC during 2022, and as a result Empower Trust Company, LLC is the Trustee and Custodian.

# **GORDON BROTHERS PROFIT-SHARING PLAN**

## ***Notes to Financial Statements***

### ***Note 1 - Description of the Plan (Continued)***

#### ***Forfeitures***

A participant who leaves the employ of the Employer forfeits any non-vested balance at the end of the earliest of five one-year breaks in service or the distribution of the participant's entire vested account. Forfeited balances are used to reduce future Employer matching contributions or pay Plan expenses. At December 31, 2022 and 2021, forfeited non-vested amounts totaled \$34,264 and \$19,572, respectively. During 2022, approximately \$20,000 of forfeitures were used to offset a portion of the 2021 Employer contribution funded in 2022. Subsequent to year end, forfeitures in the amount of \$60,000 were used to offset a portion of the 2022 Employer contribution funded in 2023.

### ***Note 2 - Summary of Significant Accounting Policies***

#### ***Basis of Presentation***

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

#### ***Investments, Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Unit Values***

Individual participant accounts for the common/collective trust funds are maintained on a unit value basis. Participants do not have ownership in the specific underlying securities or other assets in the funds, but do have an interest therein represented by units which are valued daily. The funds earn dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawals from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

#### ***Benefits Paid***

Benefits are recorded when paid.

# **GORDON BROTHERS PROFIT-SHARING PLAN**

## ***Notes to Financial Statements***

### ***Note 2 - Summary of Significant Accounting Policies (Continued)***

#### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

#### ***Notes Receivable from Participants***

Notes receivable from Participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

#### ***Subsequent Events***

The Employer has evaluated subsequent events through August 23, 2023, the date that the financial statements were approved by management. Subsequent to year-end the Investment Committee voted to merge the Durkin Group and Associates, LLC 401(k) Plan into the Plan which is in process.

### ***Note 3 - Information Certified by the Trustee and Custodian***

Plan investments are held by the Plan's trustee and custodian, Empower Trust Company, LLC ("Empower"), in mutual fund accounts and stable value common/collective trust accounts. The fair value of investments as of December 31, 2022 and all investment transactions for the year then ended, including net depreciation in fair values and interest and dividends are reported to the Plan and certified as complete and accurate by Empower. The fair value of investments as of December 31, 2021 were reported to the Plan and certified by Great-West Trust Company LLC. Information included in the supplemental schedule of assets (held at end of year) and notes receivable from participants have also been derived from information certified by Empower.

The Plan offers investment choices to allow participants to create a diversified portfolio of assets based on a participant's risk tolerance. Participants may direct contributions to any of the investment options that consist of shares of mutual funds and stable value common/collective trusts sponsored by Empower.

## *Notes to Financial Statements*

### **Note 4 - Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

*Level I* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level II* – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

*Level III* – Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Units in Common/Collective Trust Funds:* Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The investment's objective is the stability of principal and high current income. To achieve its investment objective, the common/collective trusts invest in high-quality guaranteed investment contracts and synthetic investment contracts which underlying assets consist of security-backed investment contracts, synthetic separate account guaranteed investment contracts (includes fixed income investments) and short-term investments. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

(a) See Note 4 for the description of the accounts.

### Note 5 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events such as international conflict which could impact the values of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

### Note 6 - Related-Party Transactions and Party-In-Interest Transactions

Certain Plan investments are held by Empower, the trustee and custodian of the Plan, and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan to Empower for investment management and administrative services totaled \$117,416 for the year ended December 31, 2022. Notes receivable from participants also qualify as party-in-interest transactions. For the year ended December 31, 2022, \$20,731 of revenue credits were received by the Plan. Revenue credits utilized to pay Plan expenses were \$111,997 during 2022.

## ***Notes to Financial Statements***

### ***Note 7 - Plan Termination***

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, Participants would become 100% vested in their account. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

### ***Note 8 - Tax Status***

The Plan has adopted the Empower non-standardized prototype defined contribution plan which received a favorable opinion letter on November 14, 2022, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since that date; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and continues to qualify under Section 401(a) and the related trust continues to be tax-exempt. Therefore, no provision for income taxes is included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### ***Note 9 - Delinquent Participant Contributions***

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the Employer's general assets. While the Employer remitted all participant contributions to the Plan, contributions of \$99,535 were not remitted within the required time period during the year ended December 31, 2022. These have been reflected in the accompanying Schedule of Delinquent Participant Contributions and lost earnings for affected participants will be corrected in 2023.
