INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Quail Ridge 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Quail Ridge 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Quail Ridge 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Quail Ridge 401(k) Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Quail Ridge 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted accounting standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Quail Ridge 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Quail Ridge 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at Year End) for the year ending December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE A – DESCRIPTION OF PLAN

The following brief description of the Quail Ridge 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was adopted on January 1, 1998, and the most recent restatement effective July 1, 2021, is a defined contribution plan covering all full-time employees of Quail Ridge Property Owners Association, Inc ("the Company") who have completed one year of service and are twenty-one or older. On October 1, 2019, the Plan was amended for the merger of Quail Ridge Country Club, Inc. with the Company, and their respective 401(k) plans. As a result of the merger, the Plan also recognizes prior service to Quail Ridge Country Club Inc. and Quail Ridge Country Realty, Inc., currently known as The Club at Quail Ridge Inc. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Trustees oversees governance of the Plan.

Contributions

For 2022, participants could contribute up to \$20,500. Participants 50 years of age or older may contribute an additional \$6,500 for a total of \$27,000 of their pretax annual compensation as defined by the Plan. The Company may also contribute an amount equal to a percentage of each participant's salary reduction or total compensation based on a discretionary matching contribution to the plan. For 2022, the Employer made a safe harbor matching contribution of 100% of employee deferrals, not to exceed 3% of the employees compensation, plus 50% of employees deferrals between 3% and 5% of the employees compensation. The Employer may also make a discretionary profit-sharing contribution to the Plan each year. For 2022 no discretionary profit-sharing contributions were made.

The Plan allows participants to designate certain salary deferral contributions as Roth contributions. Designated Roth contributions are currently included in the gross taxable income of the participant, but distributions of designated Roth contributions and earnings thereon are excludable from gross taxable income to the participant.

Employer matching contributions for 2022 were \$298,775.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's matching contributions, plan earnings and losses, (b) the Company's profit-sharing contribution, and (c) charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A – DESCRIPTION OF PLAN – CONTINUED

Investment Options

Upon enrollment in the Plan, a participant may direct all contributions in any percentage increment in any investment options offered by Securian Financial Group, Inc. Participants may change their investment options during the year. The options include but are not limited to a variety of mutual funds, pooled separate accounts, and a group annuity contract. Participants may change their elections at any time during the year.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching and profit-sharing contributions portion of their accounts plus earnings thereon is based on years of continuous service as shown below. All participants who terminate due to death, disability, or attain the Normal Retirement Age are 100% vested in their matching and profit-sharing contributions.

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The maximum number of loans a Participant may have outstanding at any time is one loan for the purchase of a Participant's primary residence and one loan for any other purpose. The loans are generally secured by the vested balance in the participant's account and bear a fixed rate of interest determined by the Administrator based on interest rates charged for similar types of loans by other lenders. Notes are generally required to be repaid within a period of five years, except notes for the acquisition of the participant's principal residence for which the Administrator may permit a longer repayment term. Principal and interest are paid ratably as a direct deposit from the employees' accounts directly to the Custodian. For the year ending December 31, 2022, the loans had an interest rate ranging between 4.25% to 7.25%.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE A – DESCRIPTION OF PLAN – CONTINUED

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, partial withdrawals or finally, annual installments over a period of no more than the participants assumed life expectancy. The normal retirement age as defined by the Plan is 65. Participants may also request hardship withdrawals of elective deferrals, or participants who are still employed who have reached age 59 ½ and are 100% vested are eligible for an in-service distribution of all or a portion of their vested balance. If a participant terminates before retirement, the participant will receive either receive a lump sum payment of their vested percentage balance, or if the balance exceeds \$5,000, the participant may elect to begin distributions at any age up to 62. If a participant's vested account balance does not exceed \$5,000, then a distribution will be made to the participant regardless of their consent.

Forfeited Accounts

Forfeited nonvested accounts are used to reduce administrative expenses or the employer contributions in the subsequent year. There were no forfeited non-vested accounts at December 31, 2022 and 2021. In 2021, \$1,887 was used to pay administrative expenses.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for the plan's fully benefit-responsive investment contract with Minnesota Life Insurance Company ("Minnesota Life"). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan sponsor determines the Plan's valuation policies utilizing information provided by the Investment Custodian. See Note C for a discussion of fair value measurements. The plan's fully-benefit responsive investment contract with Minnesota Life is valued at contract value. See Note E for a discussion of the fully-benefit responsive investment contract.

Quail Ridge 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE B - SUMMARY OF ACCOUNTING POLICIES – CONTINUED

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as deemed distributions based on the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Notes Receivable from Participants Expenses

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in the administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses have been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant's note receivable is recorded as a benefit payment based on the terms of the Plan document.

Date of Management's Review

Management has evaluated subsequent events through July 28, 2023, which is the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

ASC Topic 820 *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1: Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2: Inputs consist of observable inputs other than quoted prices for identical assets in Level 1.
- Level 3: Inputs are unobservable and have the lowest priority.

Quail Ridge 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE C – FAIR VALUE MEASUREMENTS - CONTINUED

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used in December 31, 2022, and 2021.

Mutual Funds: Also known as registered investment companies which are valued at quoted market prices on the last business day of the Plan year.

Pooled Separate Accounts: Stated at the corresponding unit value of the pooled separate accounts and are generally based on observable inputs. Assets within the pooled separate accounts include fixed maturity securities, equity securities and cash and cash equivalents.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2022, and 2021.

	Fair Value Measurements as of December 31, 2022		
	Level 2	Investments measured at NAV*	Total
Mutual funds	\$ -	\$ 4,582,223	\$ 4,582,223
Pooled separate accounts	-	1,329,109	1,329,109
Total assets in the fair value hierarchy	\$ -	\$ 5,911,332	\$ 5,911,332

NOTE C – FAIR VALUE MEASUREMENTS – CONTINUED

	Fair Value Measurements as of December 31, 2022		
	Level 2	Investments measured at NAV*	Total
Mutual funds	\$ -	\$ 5,042,666	\$ 5,042,666
Pooled separate accounts	-	1,560,158	1,560,158
Total assets in the fair value hierarchy	\$ -	\$ 6,602,824	\$ 6,602,824

* In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

NOTE D - INVESTMENTS MEASURED USING NAV PER SHARE AS A PRACTICAL EXPEDIENT

The following table summarizes investments for which fair value is measured using NAV per share as a practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Quail Ridge 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE E – GUARANTEED RETURN ACCOUNT WITH INSURANCE COMPANY

The Plan entered into a fully benefit-responsive guaranteed investment contract with Minnesota Life Insurance Company (Minnesota Life). Minnesota Life maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Minnesota Life, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on an agreed-upon formula with the issuer, but it is not less than 1.5%. Such interest rates are reviewed on an annual basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Minnesota Life. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants or the issuer, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract value of the investment contract at December 31, 2022 and 2021, was \$1,487,340 and \$1,344,529, respectively.

Quail Ridge 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE F – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Minnesota Life Insurance Company, a subsidiary of Securian Financial Group, Inc., which is also the custodian as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees paid for the investment management services amounted to \$25,329 for the year ended December 31, 2022.

Quail Ridge Property Owners Association, Inc. is the Plan Administrator and Sponsor of the Quail 401(k) Plan. These transactions qualify as party-in-interest transactions. Certain key personnel are also considered parties-in-interest due to administrative rights over the plan.

NOTE G – INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, net appreciation (depreciation) in fair market value of investments, interest, dividends, interest income on notes receivable from participants and other income for the year ended December 31, 2022 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Minnesota Life Insurance Company.

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the year ending December 31, 2022, there were no reconciling items between the financial statements and Schedule H of the Form 5500.

NOTE J – INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company, by a letter dated March 31, 2014, that this prototype plan was designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Quail Ridge 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE J – INCOME TAX STATUS – CONTINUED

GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by authorities; however, there are currently no audits for any tax periods in progress.

NOTE K – RISKS AND UNCERTAINTIES

The Plan invests in various investment funds. Investment funds are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment funds, it is at least reasonably possible that changes in the values of investment funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
