Report of Independent Auditors

To the Plan Participants and the Plan Administrator

Opinion

We have audited the financial statements of Harley-Davidson Retirement Savings Plan for Salaried Employees, Harley-Davidson Retirement Savings Plan for Milwaukee & Tomahawk Hourly Bargaining Unit Employees, and Harley-Davidson Retirement Savings Plan for York Hourly Bargaining Unit Employees (collectively, the “Harley-Davidson Retirement Savings Plans” or the “Plans”), employee benefit plans subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Harley-Davidson Retirement Savings Plans at December 31, 2022 and 2021, and the changes in their net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plans and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plans’ ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plans, and determining that the Plans' transactions that are presented and disclosed in the financial statements are in conformity with the Plans' provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plans' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plans' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion of the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2022 (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. Description of Plans

The accompanying financial statements include the employee retirement savings plans of Harley-Davidson, Inc. and its subsidiaries (collectively, the Company) that participate in the Harley-Davidson Retirement Savings Plan Master Trust (the Master Trust).

The following description of the Harley-Davidson Retirement Savings Plan for Salaried Employees, the Harley-Davidson Retirement Savings Plan for Milwaukee & Tomahawk Hourly Bargaining Unit Employees, and the Harley-Davidson Retirement Savings Plan for York Hourly Bargaining Unit Employees (each a Plan, and collectively, the Harley-Davidson Retirement Savings Plans, or the Plans) provides only general information. Participants should refer to the applicable Plan document for a more complete description of each Plan's provisions. The Plans are subject to and comply with the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Retirement Plans Committee is responsible for oversight of the Plans and determines the appropriateness of the Plans' investment offerings and monitors investment performance.

The purpose of the Plans is to encourage eligible employees to regularly save part of their earnings and to assist them in accumulating additional financial security for their retirement. The Plans provide for both participant contributions and Company contributions to be held in a trust by an independent trustee for the benefit of participating employees. All Plan investments are held in the Master Trust. The trustee is Fidelity Management Trust Company. Fidelity Workplace Services LLC is the record-keeper for the Plans. Harley-Davidson Motor Company Group, LLC is the plan sponsor for the Plans.

General

Harley-Davidson Retirement Savings Plan for Salaried Employees

The Harley-Davidson Retirement Savings Plan for Salaried Employees (SSP) is a defined contribution plan that covered salaried employees of Harley-Davidson, Inc.; Harley-Davidson Motor Company Group, LLC; Harley-Davidson Motor Company, Inc.; Harley-Davidson Motor Company Operations, Inc.; H-D U.S.A., LLC; Harley-Davidson Dealer Systems, Inc.; and Harley-Davidson Financial Services, Inc.; and StaCyc, inc. meeting minimum eligibility requirements. Certain participant balances in the SSP are for terminated and former employees with residual balances that were transferred from terminated plans formerly sponsored by Harley-Davidson Motor Company Group, LLC.

Effective March 7, 2022, the assets and liabilities of certain participants in the SSP were transferred to another qualified plan. The transfer of participant accounts related to a planned separation for the Company's electric motorcycle division, including all StaCyc, Inc. employees, resulted in a reduction of the assets of the SSP of \$16,047,535.

Milwaukee area and Tomahawk plants, subject to a collective bargaining agreement and meeting minimum eligibility requirements.

Harley-Davidson Retirement Savings Plan for York Hourly Bargaining Unit Employees

The Harley-Davidson Retirement Savings Plan for York Hourly Bargaining Unit Employees (YSP) is a defined contribution plan that covers hourly employees of the Harley-Davidson Motor Company Operations, Inc. York plant, subject to a collective bargaining agreement and meeting minimum eligibility requirements.

Contributions

Participants may defer a portion of their compensation on a pre-tax basis through contributions to the Plans. The Plans also allow participants to make after-tax basis Roth contributions and in-plan Roth conversions. The maximum amount that participants may defer and contribute to the Plans is determined from time to time by the plan sponsor and is subject to limitations under the Internal Revenue Code (the Code). Rollover contributions to the Plans are permitted under certain circumstances, as defined in the applicable Plan's documents. Participants who attain age 50 before the end of the applicable plan year are eligible to make additional elective deferrals (catch-up contributions), subject to Internal Revenue Service (IRS) limits. Employees are automatically enrolled in the applicable Plan unless they affirmatively opt out.

Harley-Davidson Retirement Savings Plan for Salaried Employees

The SSP allows for Company matching contributions. Depending on the participant's date of hire and/or employment location, the matching contributions are in the form of cash and range up to \$0.50 or \$0.75 per dollar of participant contributions. The matching contributions apply only to participant contributions up to 6% of a participant's eligible compensation and are allocated and invested in accordance with the participants' investment election, or absent an investment election, in an age-appropriate target date or other default fund. Participants who do not participate in the Harley-Davidson Retirement Plan (qualified pension plan) during the same period, receive an employer retirement cash contribution of 2% or 4% of their eligible pay, depending on the participant's date of hire and/or employment location. The employer retirement cash contribution is made regardless of the employee's contribution in the SSP or Company performance.

1. Description of Plans (continued)

Upon termination of employment, the non-vested portion of the participant's account, as defined by the YSP, represents a forfeiture. As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$171,485 and \$135,752, respectively. Participants' Accounts

Separate accounts are maintained for each participant. The account balances are adjusted on a daily basis for participants' contributions, Company contributions, rollover contributions, net investment income (losses), loan fees and other administrative expenses, and distributions of participants' benefits or withdrawals. Participants have the option of investing their contributions in one or any combination of the available investment funds, which includes a self-directed brokerage account feature. The Plans are intended to satisfy the requirements under Section 404(c) of ERISA and, therefore, provide that participants may choose to direct their contributions and/or all or part of their account balances among any of their respective Plan's investment alternatives daily. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in 100% of their contributions and earnings thereon. Participants vest 100% in Company contributions after completing three years of vesting service, with at least 1,000 hours of service in each year. Participants are 100% vested in their proportionate share of any dividends received by the Plans on the shares of Harley-Davidson, Inc. common stock held by the Plans in the Harley-Davidson, Inc. Common Stock Fund.

Participants who terminate due to death or disability or who are aged 65 immediately become 100% vested in their entire account.

Payments of Benefits and Withdrawals

For payments made upon retirement, death, disability, or termination of employment, the balance in a participant's account is paid to the participant or beneficiary in a lump sum, periodic payments (in certain instances), or other form of payment as allowed under the Plans.

Harley-Davidson Retirement Savings Plans

Notes to Financial Statements

1. Description of Plans (continued)

Participants may not withdraw (prior to retirement, death, disability, or termination of employment) any portion of their account pertaining to contributions made under provisions of Section 401(k) of the Code, except for financial hardships, as defined in the Code, or after the participant attains age 59 1/2 or becomes disabled, as defined by the Social Security Administration. The permissible in-service withdrawals are from participant contributions.

Participant Employee Stock Ownership Plan Dividend Election Rights

The portion of the Plans that are at any time invested in Harley-Davidson, Inc. common stock held in the Harley-Davidson, Inc. Common Stock Fund shall be considered an employee stock ownership plan under Section 4975(e)(7) of the Code. Each participant or beneficiary may elect to have their proportionate share of the Harley-Davidson, Inc. common stock dividends paid to them as cash or reinvested in the Harley-Davidson, Inc. Common Stock Fund.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balances, not to exceed \$50,000. A borrower may request a loan only if the borrower's vested Plan account balance is at least \$2,000, and the minimum loan amount shall be \$1,000. Loans are not permitted from Company matching contributions or employer retirement contributions regardless of vesting status. Loans bear interest at a rate commensurate with that charged by commercial lenders for similar loans. The term of the loan cannot exceed five years (ten years in the case of a home purchase).

Administrative Expenses

Most administrative expenses are paid by the Plans unless otherwise paid by the Company. Loan application and service fees are paid directly by participants. Expenses paid by the Company are excluded from these financial statements. Investment related expenses are included in the net appreciation (depreciation) of fair value of investments.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plans to terminate the Plans subject to the provisions of ERISA, and for the WHSP and YSP, the applicable collective bargaining agreements. In the event of plan termination, participants will become fully vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements of the Plans have been prepared on the accrual basis of accounting.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

All investment assets held by the Master Trust are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price). See Note 4 for further discussion and disclosures related to fair value measurement. The Master Trust is an arrangement that provides for the collective investment of the assets of the Plans (see Note 3).

Purchases and sales of specific Master Trust investments are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Investment income (loss) includes the Master Trust's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plans invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments, the plan sponsor will deem the participant loan to be a distribution in accordance with applicable legal requirements, and the participant's account balance will be reduced at the earliest permitted date.

Harley-Davidson Retirement Savings Plans

Notes to Financial Statements

2. Summary of Significant Accounting Policies (continued)

Payment of Benefits

Benefits are recorded when paid.

3. Master Trust

The purpose of the Master Trust is the collective investment of assets of the participating Plans. Each participating Plan's interest in the Master Trust is based on account balances of the participants and their elected investment options. The Master Trust assets are allocated among the participating Plans by assigning to each Plan those transactions (primarily contributions, benefit payments, and plan-specific expenses) that can be specifically identified and by allocating among all Plans, in proportion to the fair value of the assets assigned to each Plan, income, losses, and expenses resulting from the collective investment of the assets of the Master Trust.

Investment income, losses, and administrative expenses related to the Master Trust are allocated to the individual participating Plans daily based on each participant's account balance within each investment fund option.

A summary of the Master Trust's net assets and the Plans' interest in the Master Trust balances as of December 31, 2022 and 2021, was as follows:

4. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the assets or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for assets or liabilities (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumption about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level of input that is significant to the fair value measure in its entirety.

Harley-Davidson Retirement Savings Plans

Notes to Financial Statements

4. Fair Value Measurements (continued)

The following is a description of the valuation techniques and inputs used for each general type of investment as of December 31, 2022 and 2021, for the Master Trust's assets measured at fair value:

Common collective trust funds: Valued at the net asset value (NAV) of units of a collective trust, which is the basis for current transactions and readily available to current investors.

Mutual funds: Valued at quoted market prices, which represent the NAV of shares held at year-end.

Brokerage accounts: These are participant self-directed investments which consist primarily of common stock, mutual funds, and money market funds. The valuation techniques and inputs for each of these investments are described below.

Money market fund: Valued at cost, which approximates the fair value of the NAV of shares held at year-end.

Harley-Davidson, Inc. Common Stock Fund: The fund is tracked on a unitized basis. The fund consists of Harley-Davidson, Inc. common stock and funds held in a money market fund sufficient to meet the fund's daily cash needs and other miscellaneous assets and liabilities. Unitizing the fund allows for daily trades. The fair value of a unit is based on the combined fair value of Harley-Davidson, Inc. common stock (closing price in an active market on which the securities are traded), the NAV of the money market fund, and other miscellaneous assets and liabilities held by the fund at year-end.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

5. Related Party and Parties-in-Interest Transactions

Certain investments are shares of common collective trust funds and money market funds managed by the trustee, and therefore, these transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Fees for certain administrative expenses are generally paid by the Company. The Master Trust also holds investments in Harley-Davidson, Inc. common stock. Transactions in Harley-Davidson, Inc. common stock are party-in-interest transactions under the provisions of ERISA.

Notes to Financial Statements

5. Related Party and Parties-in-Interest Transactions (continued)

As of December 31, 2022 and 2021, the Master Trust held 1,660,711 and 1,819,014 shares, respectively, of common stock of Harley-Davidson, Inc., the sponsoring employer, with a fair value of \$69,085,578 and \$68,558,638, respectively. During the years ended December 31, 2022 and 2021, dividends on Harley-Davidson, Inc. common stock held in the Master Trust's Harley-Davidson, Inc. Common Stock Fund were paid and/or credited to eligible Plan participants' accounts in the amounts of \$1,078,789 and \$1,108,423, respectively.

6. Tax Status

The SSP has received a determination letter from the IRS dated May 11, 2017, and the YSP and WHSP have received determination letters from the IRS dated March 30, 2017, stating that each Plan is qualified under Section 401(a) of the Code, and therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plans were amended and the SSP and YSP were restated. Once qualified, the Plans are required to operate in conformity with the Code to maintain their qualified status. The plan sponsor believes the Plans are being operated in compliance with the applicable requirements of the Code and therefore believes the WHSP, as amended, and the SSP and YSP as amended and restated, are qualified and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plans and recognize a tax liability if the Plans have taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The plan sponsor has analyzed the tax positions taken by the Plans and has concluded that there are no uncertain positions taken or expected to be taken. The Plans are subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through June 14, 2023, the date the financial statements were available to be issued.

The Secure 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.
