Independent Auditor's Report

To the Plan Administrator of
Lane & Associates, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Lane & Associates, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lane & Associates, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lane & Associates, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Independent Auditor's Report--Continued

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lane & Associates, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lane & Associates, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lane & Associates, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report--Continued

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Lane & Associates, Inc. 401(k) Plan

Year Ended December 31, 2022

NOTE A--PLAN DESCRIPTION

The following brief description of the Lane & Associates, Inc. 401(k) Plan (formerly known as the Personnel Management Services, Inc. 401(k) Plan) ("the Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Lane & Associates, Inc. 401(k) Plan was established on July 1, 2008. The Plan is a discretionary contribution retirement plan covering all eligible employees of Lane & Associates, Inc. ("the Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility: Employees are eligible to participate in the Plan on the first day of the month coincident with or immediately following the date one year after date of employment and after having been credited with at least 1,000 hours of service. If an employee terminates employment after becoming a participant and is later re-employed, he becomes a participant on his re-employment date. Effective August 1, 2021, the Plan was amended to allow for participation immediately following the date three months after date of employment.

Directed Investment Accounts: The Plan permits every participant to direct the investment of his account balance under the Plan.

Contributions: Eligible employees are allowed to have made on their behalf, through salary reduction, an elective contribution up to the maximum amount allowed by the Internal Revenue Code. Participants may elect to contribute in the form of pre-tax and Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions in accordance with the Internal Revenue Code.

Effective January 1, 2016, the Plan was amended to include an automatic enrollment feature and to be considered a safe harbor plan. The automatic enrollment feature begins at 3% and increases by 1% each year up to a maximum of 6%. Employees must elect out of this option. As part of the Plan's transfer to a new custodian, the new adoption agreement calls for increases of 1% beginning in year three up to a maximum of 6%.

As part of the amendment to become a safe harbor plan, the Company is required to make matching contributions of 100% up to 1% of employee deferrals plus 50% of employee deferrals between 1% and 6%. The Company made matching contributions totaling \$1,047,106.

Prior to January 1, 2016, the Company had the option of making qualified matching employer contributions equal to a discretionary percentage of the participant's elective deferrals. Qualified matching employer contributions are allocated based on the participant's elective deferrals.

Participant Accounts: Each participant's account is credited with the participant's and Company's contributions and allocation of earnings. The participant's account is charged with benefit payments, transaction fees related to notes receivable from participants and distributions, and an allocation of losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures: The nonvested portion of a terminated participant's account balance derived from employer contributions is forfeited on the earlier of the last day of the plan year in which the participant first incurs five consecutive one-year Breaks in Service or the distribution of the vested portion of the participant's account. Forfeitures are used to reduce any employer contributions and may be used to pay any administrative expenses. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$37,166 and \$7,791, respectively. Forfeitures of \$29,112 and \$1,400 were allocated to reduce employer contributions and administrative fees, respectively.

Vesting: A participant has a 100% nonforfeitable interest at all times in his pre-tax savings contributions and any amounts he rolls over into the Plan, and any earnings thereon.

Notes to Financial Statements--Continued

Lane & Associates, Inc. 401(k) Plan

NOTE A--PLAN DESCRIPTION--Continued

With respect to a participant's Safe Harbor Matching Contribution and any earnings thereon, the employer elects the following vesting schedule:

<u>Years of Credited Service</u>	<u>Vested %</u>
Less than 1 year	0%
1	0%
2	100%

With respect to a participant's Qualified Matching Employer Contributions and any earnings thereon, the employer elects the following vesting schedule:

<u>Years of Credited Service</u>	<u>Vested %</u>
Less than 1 year	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

A year of vesting credit is given for each Plan year in which a participant completes at least 1,000 Hours of Service. Participants, who continue in the employ of the Plan sponsor, are generally granted 100% vesting in their account balances upon attaining normal retirement age (as defined by the Plan), death, or disability.

Funding Policy: The employer is generally required to pay its contribution to the Plan for each Plan year within the time prescribed by law, including extensions of time for the filing of the employer's federal income tax return for the fiscal year. However, employee elective contributions accumulated through payroll deductions shall be paid to the custodian as of the earliest date on which contributions can reasonably be segregated from the employer's general assets, but in any event, within the time prescribed by law. Furthermore, any additional employer contributions which are allocable to participants' accounts for a Plan year shall be paid to the Plan no later than the twelve-month period immediately following the close of such Plan year.

Payment of Benefits: A participant's vested interest in the Plan's assets is distributable to the participant, his spouse or other beneficiary generally upon termination, disability, retirement or death, and is distributed in a lump-sum amount.

Notes Receivable from Participants: Loans are granted at a minimum of \$1,000 up to a maximum of \$50,000 or 50% of the vested account balance, whichever is less, and bear interest at the prime rate. The loans are secured by the balance in the participant's account with principal and interest to be paid ratably through payroll deductions. All loans must be repaid within five years unless the loan is for the purchase of the participant's principal residence. Then, the loan must be repaid within a thirty-year period.

CARES Act: On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (the "CARES Act") was signed into law. Qualified individuals under the CARES Act are those diagnosed with COVID-19 or have a spouse or dependent who have been diagnosed, or who experience "adverse financial consequences" as a result of a quarantine, furlough, lay-off, reduction in work hours, business closure, the lack of child care, or other factors due to the COVID-19 pandemic.

Section 2202(a) of the CARES Act allows for qualified individuals to take up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years, in accordance with the CARES Act. The ability to request coronavirus related distributions under the CARES Act is permitted through December 31, 2020. The distributions without tax withholding made during 2020 may be returned to the Plan within three years, or if not returned, will be

NOTE A--PLAN DESCRIPTION--Continued

subject to ordinary taxation. Qualified individuals could also request a delay of note receivable repayments for repayments that occurred through December 31, 2020. If a delay was granted, the participant's note was reamortized and included any interest accrued during the period of delay. In addition, pursuant to the CARES Act, qualified individuals who were currently receiving required minimum distributions had their 2020 payment automatically waived and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to waive a required minimum distribution and delay in note repayments and take a coronavirus-related distribution under the CARES Act ceased as of December 31, 2020.

During 2022, \$33,000 of CARES Act distributions were returned to the Plan.

Hardship Withdrawals: Withdrawals due to financial hardship are permitted with the approval of the Administrative Committee for the following reasons: medical expenses, purchase of primary residence, post-secondary tuition payment, eviction from or foreclosure on principal residence, funeral expenses, casualty deduction expenses for the repair or damage to primary residence, or as otherwise provided by the Plan. Hardship withdrawals are limited to the employee's vested account, except earnings on pre-tax savings contributions.

Rollover Contributions: The Plan provides for rollover contributions from other qualified retirement plans.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment Options: The investments of the Plan are held by Reliance Trust Company, custodian of the Plan. Standard Retirement Services, Inc. executes investment transactions within the guidelines adopted for each fund. At December 31, 2022, participants could direct the investment of their account balances in the following mutual funds: Standard Stable Asset A Fund, Western Asset Core Plus Bd I Fund, Fidelity Freedom Income Fund, Fidelity Freedom Index 2020 Fund, Fidelity Freedom Index 2025 Fund, Fidelity Freedom Index 2030 Fund, Fidelity Freedom Index 2035 Fund, Fidelity Freedom Index 2040 Fund, Fidelity Freedom Index 2045 Fund, Fidelity Freedom Index 2050 Fund, Fidelity Freedom Index 2055 Fund, Fidelity Freedom Index 2060 Fund, Fidelity Freedom Index 2065 Fund, Vanguard Balanced Index Fund, Vanguard Equity Income Fund, Fidelity 500 Index Fund, T. Rowe Price Blue Chip Growth I Fund, Vanguard Mid Cap Value Index Fund, Fidelity Mid Cap Index Fund, MFS Mid Cap Growth R6 Fund, Vanguard Small Cap Value Index Fund, Fidelity Small Cap Index Fund, Vanguard Explorer Fund, Vanguard Developing Markets Index Fund, and JPMorgan Emerging Markets Eq R6 Fund.

Notes to Financial Statements--Continued

Lane & Associates, Inc. 401(k) Plan

Contributions: Employer and employee contributions are accrued in the Plan year to which they relate.

Benefit Payments: Benefit payments are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Date of Management's Review of Subsequent Events: Plan management has evaluated events through August 24, 2023, the date which the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Notes to Financial Statements--Continued

Lane & Associates, Inc. 401(k) Plan

NOTE C--FAIR VALUE MEASUREMENTS--Continued

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

<u>Assets at Fair Value as of December 31, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	<u>\$ 15,827,578</u>	<u>\$ _____ 0</u>	<u>\$ _____ 0</u>	<u>\$ 15,827,578</u>

<u>Assets at Fair Value as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	<u>\$ 15,951,498</u>	<u>\$ _____ 0</u>	<u>\$ _____ 0</u>	<u>\$ 15,951,498</u>

NOTE D--INVESTMENT CONTRACTS

At December 31, 2022 and 2021, the Plan held an investment in a fully benefit-responsive investment contract. The investment is credited with earnings from the underlying investments and charged with withdrawals and expenses. The contract value of the investment was \$656,956 and \$396,929 as of December 31, 2022 and 2021, respectively. The crediting interest rates are based on an agreed-upon formula with the issuer.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Reliance Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974 (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

Lane & Associates, Inc. 401(k) Plan

NOTE E--PARTY-IN-INTEREST

Certain Plan investments were shares of investments managed by Standard Retirement Services, Inc. Standard Retirement Services, Inc. administers the Plan, therefore, related transactions qualify as exempt party-in-interest transactions as defined by ERISA. Fees paid by the Plan for the investment management services approximated \$73,661 for the year ended December 31, 2022.

NOTE F--TAX STATUS

The Plan adopted a volume submitter prototype plan that received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020 that the plan qualified under the appropriate sections of the Code. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that, therefore, the Plan was qualified and the related trust was tax-exempt as of the financial statement date. Therefore, no provision for income taxes is included in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE G--PLAN AMENDMENT AND TERMINATION

While the Company has not expressed an intent to terminate the Plan, it is free to do so at any time subject to the provisions of ERISA. The Company also reserves the right to amend the Plan as conditions may require. However, neither through amendment, nor by termination, may any part of the Plan assets ever be returned to the Company. All assets of the Plan must be used for the exclusive benefit of participants. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE H--INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator has elected that information certified by the custodians have not been subjected to any auditing procedures except for comparing such information to the related information contained in the accompanying financial statements and supplemental schedules. Accordingly, the custodians have certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate at December 31:

	<u>2022</u>	<u>2021</u>
Investments:		
Mutual Funds	\$ 15,827,578	\$ 15,951,498
Group Annuity Contract	656,956	396,929
Notes receivable from participants	425,144	405,144
Investment loss	(2,943,889)	

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE I--RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of contributions per the financial statements for the year ended December 31, 2022, to Schedule H of Form 5500:

Contributions per the financial statements	\$ 4,038,412
Contributions receivable:	
Beginning of year	<u>26,339</u>
Contributions per Schedule H of Form 5500	<u>\$ 4,064,751</u>

NOTE J--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the net assets available for benefits.

NOTE K--DELINQUENT CONTRIBUTIONS

As disclosed in the accompanying supplemental Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions, during the year ended December 31, 2021, certain pay period deferrals were not remitted to the Plan within the timeframe required by the Department of Labor. The Company worked with the Plan administrator to calculate lost earnings on the 2021 delinquent contribution and restored all affected participant balances to their proper amounts in 2022.

During early 2022, one pay period deferral was remitted outside the normal timeframe for remittances but within 15 business days. This delay was due to a key employee being diagnosed with COVID. Given the length of the delay and the relief provided by ESBA Disaster Relief Notice 2020-01 no additional action was required.

NOTE L--MATCH CORRECTION

During December 31, 2020 year-end testing, it was determined that during the transition of providers that the Plan matching formula had been improperly applied during certain pay periods. The Company worked with the Plan administrator to correct these issues and restore all affected participant balances to their correct amount. The Company made an additional contribution of \$26,339 to correct the matching issue in early 2022.
