INDEPENDENT AUDITOR'S REPORT

**To the Plan Administrative Committee
Planters First Bank 401(k) Profit Sharing Plan
Cordele, Georgia**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Planters First Bank 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the U.S. Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles ("GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with generally accepted auditing standards in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Planters First Bank 401(k) Profit Sharing Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Planters First Bank 401(k) Profit Sharing Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Planters First Bank 401(k) Profit Sharing Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS**

NOTE 1. PLAN DESCRIPTION

The following description of the Planters First Bank 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General:

The Plan is a defined contribution plan covering all full-time employees of Planters First Bank (the “Bank”) who have completed one hour of service and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Effective January 1, 2016, Planters First Bank completed a name change from PlantersFIRST. In connection with the change of the Bank’s name, effective January 1, 2016, PlantersFIRST 401(k) Profit Sharing Plan changed its name to Planters First Bank 401(k) Profit Sharing Plan.

Eligibility:

Employees of the Bank are eligible to participate in the Plan after the completion of one hour of service and attaining the age of 18. Entrance dates are each business day of the Plan year.

Contributions:

Each year, participants may contribute a certain percentage of their compensation as defined in the Plan. The Plan allows participant contributions up to 75% of eligible compensation up to the maximum allowed by the Internal Revenue Service (“IRS”). The Plan provides for a discretionary match. The Plan matches employee contributions in the amount of 100% for the first 3% and 50% of the next 2% of the employee’s contributions. The Plan also provides for a discretionary profit sharing contribution determined by the Board of Directors (the “Board”). There was no discretionary profit sharing plan contribution for 2022. All contributions are subject to the limitations provided in ERISA and the Internal Revenue Code (“IRC”).

Participant Accounts:

Each participant’s account is credited with the participant’s contribution and an allocation of (a) the Bank’s contribution, if any, (b) Plan earnings or losses, and (c) forfeitures of terminated participants’ non-vested accounts, as applicable. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participants’ Investment Options:

Participants must direct their salary deferral contributions and any matching or discretionary contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year and have direct access to Bank of America, N.A. through the internet or telephone.

NOTES TO FINANCIAL STATEMENTS

NOTE 1. PLAN DESCRIPTION (CONTINUED)

Vesting:

Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting in the Bank's contribution portion of their accounts, plus earnings thereon, is based on years of service. A participant is 100% vested after three years of credited service for matching and profit sharing contributions.

Payment of Benefits:

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or in installments. If a participant's vested account balance is less than \$5,000, the participant will receive a lump-sum distribution. If a participant's vested account balance is greater than \$5,000, the participant may receive the value of the vested interest in his or her account as a lump-sum distribution or the participant may elect to wait until he or she reaches normal retirement age or death, in which they will receive distributions as discussed above. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Notes Receivable from Participants:

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the applicable Federal Reserve prime rate at the time of issuance. Loans must be repaid in at least quarterly payments within five years, or longer for the purchase of a primary residence.

Forfeitures:

Amounts of participants' forfeited non-vested accounts arising from discretionary profit sharing contributions shall be allocated to active participants in the same manner as employer contributions in the year following forfeiture. Forfeited non-vested accounts from matching contributions shall be used by the employer to reduce future contributions. As of December 31, 2022 and 2021, forfeited non-vested unallocated accounts totaled \$42 and \$-, respectively. During 2021, forfeited non-vested accounts totaling \$18,400 were allocated to active participants.

Plan Termination:

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits:

Benefits are recorded when paid.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses have been recorded as of December 31, 2022 or 2021.

Subsequent Events:

The Plan Administrator has evaluated subsequent events through August 29, 2023, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

NOTE 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820, Fair Value Measurement (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under this guidance are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets,
- quoted prices for identical or similar assets or liabilities in inactive markets,
- inputs other than quoted prices that are observable for the asset or liability, and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common and collective trust funds: Valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. At December 31, 2022 and 2021, there are no unfunded commitments related to these funds.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 7,802,110</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 7,802,110
Investments measured at net asset value ^(a) -				
common and collective trusts				<u>570,135</u>
Total investments at fair value				<u>\$ 8,372,245</u>

NOTES TO FINANCIAL STATEMENTS

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 11,062,405</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 11,062,405
Investments measured at net asset value ^(a) - common and collective trusts				<u>835,292</u>
Total investments at fair value				<u>\$ 11,897,697</u>

^(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4. ADMINISTRATIVE EXPENSES

Certain administrative functions are performed by officers or employees of the Bank. No such officer or employee receives compensation from the Plan. The majority of all administrative expenses are paid directly by the Bank. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments.

NOTE 5. INFORMATION CERTIFIED BY PLAN TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Bank of America, N.A., the trustee of the Plan, except for comparing such information to information included in the Plan's financial statements and supplemental schedule.

NOTES TO FINANCIAL STATEMENTS

NOTE 5. INFORMATION CERTIFIED BY PLAN TRUSTEE (CONTINUED)

The Plan Administrator has obtained certifications from the trustee that the following information is complete and accurate.

	<u>2022</u>	<u>2021</u>
Statement of net assets available for benefits:		
Mutual funds	\$ 7,802,110	\$ 11,062,405
Common and collective trusts	570,135	835,292
Notes receivable from participants	182,064	174,341
Accrued interest	182	76
Statement of changes in net assets available for benefits:		
Net depreciation in fair value of investments	(2,093,574)	
Dividends	436,783	
Interest on notes receivable from participants	7,229	

Supplemental schedule: All investment balances and information included in the supplemental schedule of assets (held at end of year) and in Note 3.

NOTE 6. INCOME TAX STATUS

Effective March 2002, the Plan adopted a non-standardized form of prototype plan sponsored by Bank of America. The prototype plan has received an opinion letter from the IRS, dated June 30, 2020, as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

NOTE 7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and common and collective trusts managed by Bank of America or its subsidiary. Bank of America, N.A. is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
