BDO USA, LLP

Charlotte, NC 28202

Ladies and gentlemen:

We are providing this letter in connection with your audits of the financial statements of the Impact Fire Services 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that ERISA Section 103(a)(3)(C) audits are permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certifications meet the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm that we are responsible for the preparation and fair presentation in the Plan's financial statements of net assets available for benefits and changes in net assets available for benefits in conformity with U.S. GAAP.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, as of the date of this representation letter, as entered on the first page, the following representations made to you during your audits:

- (1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated July 29, 2022, for the preparation and fair presentation of the Plan's financial statements (including disclosures) in accordance with U.S. GAAP. The notes to the Plan's financial statements include all disclosures required by laws and regulations to which the Plan is subject. The Plan's supplemental schedules are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- (2) We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- (3) We have fulfilled our responsibility, as set out in the terms of the aforementioned audit engagement letter, for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- (4) We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

We believe that the ERISA-required supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- (5) We have made available to you all:
- (a) Financial records and related data, including the names of all related parties and all relationships and transactions with related parties, as agreed upon in the terms of the aforementioned audit engagement letter.
 - (b) Additional information that you have requested from us for the purpose of the audit.
 - (c) Minutes of the meetings of the Board of Directors, Investment Committee, Administrative Committee or other meetings pertaining to the Plan that were held from January 1, 2020 to the date of this letter, or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - (d) The most current Plan instrument for the audit period, including all Plan amendments made to the Plan instrument, the trust agreement, insurance or other relevant contracts during the year, including amendments to comply with applicable laws.
 - (e) A draft of the Form 5500 that is substantially complete.
 - (f) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
- (6) There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
- (7) There have been no known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
- (8) There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements. The financial statement misstatements relating to accounts and disclosures identified and discussed with us in the course of the Plan audit that are listed immediately below. We have evaluated the propriety of the corrected misstatements based on a review of both the applicable authoritative literature and the underlying supporting evidence from our files and confirm our responsibility for the decision to correct them.

Corrected Misstatements

	<i>To record estimated accrual for uncorrected manual match errors (identified for 2018 and 2019 plan years) and related lost earnings (2019 through 2021)</i>		

- (9) The financial statement misstatements relating to accounts and disclosures identified and discussed with us in the course of the Plan audit that are listed immediately below have not been corrected. In our opinion, the effects of not correcting such identified financial statement misstatements are, both individually

and in the aggregate, immaterial to the financial statements of the Plan taken as a whole.

Uncorrected Misstatements

Item #	Account Name and Adjustment Description	Debit	Credit	Impact on Net Assets
1	Excess contributions payable		80,184	
	Beginning net assets	80,184		
	<i>To record estimate of auto allowance correction (uncorrected misstatement brought forward from prior periods)</i>			
Current year cumulative uncorrected misstatements before tax effect				0
Current year tax effect (if applicable)				0
Current year cumulative uncorrected misstatements (net of tax, if applicable)				0
Cumulative effect of prior period uncorrected misstatements brought forward from last period (net of tax, if applicable)				80,184
Cumulative uncorrected misstatements adjusted for prior period impact				80,184

- (10) You have identified and discussed with us in the course of the Plan audit the deficiencies in our internal control over financial reporting and reportable findings listed immediately below.

Reportable Findings: Significant Deficiencies
Contributions – During 2021 and prior periods, we noted findings related to the accuracy and timeliness of contribution remittances to the Plan, including: - During our audit of 2018, 2019, 2020, and 2021 and during our review of prior year audited financial statements, we note that the Plan has a history of remitting contributions, including loan repayments, to the Plan in an untimely manner. Late remittances represent prohibited transactions under DOL and IRS regulations. We recommend that Plan management work with an ERISA attorney to ensure that the late remittances are corrected appropriately. - During our testing of participant contributions for 2021, we noted one participant who elected to contribute starting in June 2021, but whose contributions (employee and

employer) for the first two pay periods following the election were not remitted to the Plan.
Reportable Findings and Control Deficiencies Other Than Material Weaknesses or Significant Deficiencies
Excess employer contributions - We noted three participants that received excess employer match contributions based on the 2021 annual compensation limit.
Reportable Findings
Definition of compensation – auto allowance - We noted during 2018, 2019 and a portion of 2020 that auto allowance compensation was treated as eligible compensation for the companies on the Oasis payroll system. However, the Plan Document specifically excludes allowances and reimbursements. Additionally, this type of operational error most likely occurred prior to 2018. Plan management should consult with an ERISA attorney as to the most appropriate method to correct this operational error. See management representation # 9 above. No deficiency was found related to the definition of compensation in 2021. Manual match error - During 2018 and a portion of 2019, the Plan calculated the company match on manual excel spreadsheets for companies that used the Oasis payroll system. During our testing we noted many input and calculation errors. Plan management should consult with an ERISA attorney as to the most appropriate method to correct these operational errors, including recalculating amounts due to each employee and making corrective contributions. Manual calculations are prone to input errors and should be avoided in the future. See management representation # 8 part 5 above. No deficiency was found related to the employer matching contributions in 2021. Outstanding contributions at December 31, 2021 - During the plan year ended December 31, 2021, there are corrected misstatements recorded to the financial statements to accrue for receivables related to prior years that remain outstanding that total approximately \$45,000. These contributions were paid by the Company and funded into the Plan in June 2022. See management representation # 8 part 1-3 above. No deficiency was found related to the funding of contributions made as it related to the 2021 plan year.

- (11) We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud. We have no knowledge of any:
- (a) Fraud or suspected fraud involving management or involving employees who have significant roles in the Plan's internal control, whether or not perceived to have a material effect on the financial statements.
 - (b) Fraud or suspected fraud involving others where the fraud could have a material effect on the financial statements.

- (c) Allegations of fraud or suspected fraud affecting the Plan's financial statements received in communications from employees, former employees, participants, beneficiaries, regulatory agencies, service providers, third-party administrators, law firms, predecessor accounting firms, or other professionals.
- (12) We have no:
 - (a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - (b) Intentions to terminate the Plan.
- (13) The following, where applicable and material, have been properly recorded or disclosed in the financial statements:
 - (a) The identity of all related parties and all related party relationships and transactions of which we are aware, including party-in-interest transactions, as defined in ERISA section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, (whether written or oral) and amounts receivable from or payable to related parties.
 - (b) All derivative instruments and any embedded derivative instruments that require bifurcation, in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 815, *Derivatives and Hedging*.
 - (c) Arrangements with financial institutions involving compensating balances or other arrangements involving restrictions on cash balances and line-of-credit or similar arrangements.
 - (d) Guarantees, whether written or oral, under which the Plan is contingently liable.
 - (e) Significant estimates and material concentrations known to management that are required to be disclosed in accordance with FASB ASC 275-10, *Risks and Uncertainties - Overall*. In that regard, all accounting estimates that could be material to the financial statements, including key factors and significant assumptions underlying those estimates, have been identified, and we believe the estimates are reasonable in the circumstances. The methods, significant assumptions, and the data used in making the accounting estimates and the

related disclosures are appropriate to achieve recognition, measurement, and disclosure that is in accordance with U.S. GAAP. (Significant estimates are estimates at the date of the statement of net assets available for benefits that could change materially within the next year. Concentrations refer to the nature and type of investments held by the Plan, or markets for which events could occur that would significantly disrupt normal finances within the next year.).

- (f) Amendments to the Plan instrument, if any.
- (g) The effects of all known actual or possible litigation, claims, and other liabilities or gain or loss contingencies that are required to be accrued or disclosed by FASB ASC 450, *Contingencies*, including:
 - Pending or anticipated tax assessments or refunds, other potential or pending claims, lawsuits by or against any branch of government or others;
 - Written or oral guarantees, endorsements, or unused letters of credits; or
 - Labor claims or negotiations.

FASB ASC 450-20, *Loss Contingencies*, requires loss contingencies to be accrued if it is probable an asset has been impaired or a liability incurred at the date of the statement of net assets available for benefits and the amount of loss can be reasonably estimated. Such contingencies must be disclosed, but may not be accrued, if the loss is reasonably possible (but not probable) or the loss is probable but the amount of loss cannot be reasonably estimated.

- (h) Commitments, such as a pending sale or merger of all or a portion of the business or of an interest therein or acquisition of all or a portion of the business, assets, or securities of another entity, that would affect the Plan.
- (14) There are no:
- (a) Violations or possible violations of laws or regulations (including the failure to file reports required by regulatory bodies (e.g., DOL, IRS, Health and Human Services, state and municipal authorities) when the effects of failing to file could be material to the financial statements) whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.

- (b) Unasserted claims or assessments that our lawyer has advised us are probable of assertion and must be disclosed in accordance with FASB ASC 450.
 - (c) Side agreements or other arrangements (either written or oral) that have not been disclosed to you.
 - (d) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed.
- (15) Receivables recorded in the financial statements represent valid claims against debtors for charges arising on or before the date of the statement of net assets available for benefits and have been appropriately reduced to their estimated net realizable value.
- (16) The Plan has complied with all aspects of contractual agreements, including debt covenants, that would have a material effect on the financial statements in the event of noncompliance.
- (17) We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of FASB ASC 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
- (18) Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. For any financial instruments, including non-readily marketable securities, we concur with and accept responsibility for the methods and significant assumptions used to estimate fair value of financial instruments and/or the approach used by the appraiser. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- (19) All required filings of Plan and trust documents with the appropriate agencies have been made.

- (20) The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code and intend to continue as a qualified plan and trust. The Plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status.
- (21) The Plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions and loan repayments to trusts and/or custodial accounts containing assets for the Plan, except as disclosed in the supplemental schedule of delinquent participant contributions in the financial statements and as reported in Form 5500 Schedule H, Line 4a.
- (22) The Plan is responsible for the performance of the nondiscrimination tests and assures that the Plan has passed such tests or appropriate action has been taken to rectify any areas of noncompliance.
- (23) The Plan has complied with the fidelity bonding requirements of ERISA.
- (24) The Plan has satisfactory title to all owned assets, which are recorded at fair value and there are no liens, encumbrances, or security interest on such assets nor has any asset been pledged as collateral.
- (25) There are no:
 - (a) Nonexempt party-in-interest transactions (as defined in ERISA section 3(14) and regulations under that section) that were not disclosed in the supplemental schedules or financial statements.
 - (b) Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
 - (c) Reportable transactions (as defined in ERISA section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedules.
- (26) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- (27) No discussions have taken place with your firm's personnel regarding employment with the Plan or the Plan sponsor.

- (28) We have not engaged you to prepare or review the Plan's Form 5500 filing with the DOL and IRS; however, the audited financial statements and supplemental schedules of the Plan are required to be filed with the Form 5500. We acknowledge that professional standards require you to obtain and read a substantially complete draft of the Plan's Form 5500 prior to the dating of the auditor's report. The purpose of this procedure is for you to consider whether such information, or the manner of its presentation, is materially inconsistent with the information, or the manner of its presentation, appearing in the financial statements; and that these procedures are not sufficient nor are they intended for you to ensure that the Form 5500 is completely and accurately prepared.
- (29) The original version of the 2021 Form 5500 was filed with the DOL on October 17, 2022, prior to completion of the 2021 plan year audit. An amended version of the 2021 Form 5500 will be filed with the audited financial statements attached.
- (30) The version of the Plan's 2021 audited financial statements that we will file with the DOL using the EFAST2 system will be identical to the copy containing your manually signed report provided to us.
- (31) In connection with the presentation of your audit report on the DOL's website, the full financial statements and supplemental schedules upon which you reported and to which you appended your signed report will be presented.
- (32) We consider the decline in value of debt or equity securities to be temporary.
- (33) There have been no known or suspected breaches of sensitive information (e.g., personnel files) caused by cyber-attack or other means, or other cybersecurity incidents, where the breach or other incident could have a material effect on the financial statements.
- (34) Regarding the preparation of the financial statements, related footnote disclosures, and supplemental schedules, performed by you, we have: (1) made all management decisions and performed all management functions, (2) designated an individual (Mark Taylor) with suitable skill, knowledge, or experience to oversee the services, (3) evaluated the adequacy and results of the services performed, and (4) accepted responsibility for the results of the services.
- (35) The Summary Annual Report will be completed and communicated timely in accordance with the DOL's Regulations.
- (36) We have obtained a copy of the relevant SOC 1 reports that cover the year under audit, related to significant processes and transactions that have been outsourced to

those service organizations. In connection with those SOC 1 reports, we have read the reports, evaluated the impact of the exceptions to relevant tests, identified the complementary controls listed under the user entity controls section of the report, and have determined that those user entity controls have been designed appropriately and have been implemented.

To the best of our knowledge and belief, no events have occurred subsequent to the date of the statement of net assets available for benefits and through the date of this representation letter, as entered on the first page, other than those events described in Note 10 to the Plan's financial statements, that would require adjustment to or disclosure in the aforementioned financial statements and supplemental schedules.

Very truly yours,

Electronic Record and Signature Disclosure		

CONSUMER DISCLOSURE From time to time, BDO USA, LLP (“BDO,” we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the ‘I agree’ button at the bottom of this document. Getting paper copies At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. You may request delivery of such paper copies from us by following the procedure described below. Withdrawing your consent If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below. Consequences of changing your mind If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign ‘Withdraw Consent’ form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us. All notices and disclosures will be sent to you electronically Unless you tell us otherwise in accordance with the procedures described herein, you agree that we may provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you, including, for example, engagement documentation and/or tax return e-file authorizations. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us. How to contact BDO USA, LLP.: You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically, please contact your BDO representative. To advise BDO USA, LLP. of your new email address To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to your BDO representative, and in the body of such request you must state: your previous e-mail address,

your new e-mail address. In addition, you must notify DocuSign, Inc. to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in the DocuSign system. If you created a DocuSign account, you may update it with your new email address through your account preferences. To request paper copies from BDO USA, LLP. To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send an email to your BDO representative and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. To withdraw your consent with BDO USA, LLP. To inform us that you no longer wish to receive future notices and disclosures in electronic format you may: i. decline to sign a document from within your DocuSign session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may; ii. send an e-mail to your BDO representative and in the body of such request you must state your e-mail, full name, US Postal Address, and telephone number. System Requirements The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>. Acknowledging your access and consent to receive and sign documents electronically To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below. By checking the 'I agree' box, I confirm that: • I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC CONSUMER DISCLOSURES document; and • I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and • Until or unless I notify BDO USA, LLP as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by BDO USA, LLP during the course of my relationship with you, including for example engagement documentation and/or tax return e-file authorizations.

Independent Auditor's Report

To the Plan Administrator
Impact Fire Services 401(k) Plan
Pflugerville, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Impact Fire 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audit"). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules (Schedule H, line 4a-Schedule of Delinquent Participant Contributions-Year Ended December 31, 2021 and Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2021) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Impact Fire Services 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Impact Fire Services 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution 401(k) plan established January 1, 2012, covering substantially all employees of Impact Fire Services and affiliated participating employers (collectively, the “Company” or “Employer”). Eligible employees may enter the Plan on the first day of each month after obtaining 21 years of age.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Trustee and Administration of the Plan

The trustees of the Plan are Principal Life Insurance Company, Principal Global Investors Trust Company, and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (collectively “Principal”). The trustees hold all assets of the Plan in accordance with the service provider contract with the Company. The administrator of the Plan is the Company. The Investment Committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions

Each year, participants may elect to contribute a percentage of their eligible compensation to the Plan in pre-tax contributions up to the maximum allowed under the Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollover contributions”). The Plan provides for an Employer Safe Harbor matching contribution equal to 100% of the first 3% of compensation deferred upon plus 50% of the next 2% of compensation deferred upon.

Contributions are subject to certain regulatory and Internal Revenue Service (“IRS”) limitations.

Participants’ Accounts

Each participant’s account is credited with the participant’s contributions, the Employer Safe Harbor matching contributions, and an allocation of net plan earnings and losses, thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants direct the investment of their contributions into various investment options offered by the Plan.

Impact Fire Services 401(k) Plan

Notes to Financial Statements

Notes Receivable from Participants

The Plan allows participants to borrow from their accounts a minimum loan of \$1,000 and a maximum of the lesser of \$50,000 or 50 percent of a participant's vested account balance. Loan terms range up to 5 years. A participant may only have 1 loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at the prime rate as published in the Wall Street Journal, plus two percent. Principal and interest is paid ratably through biweekly payroll deductions.

Benefit Payments

A participant's account is distributed to him/her based on his/her election under the Plan document upon normal retirement (age 65), death, disability, or termination of employment. The Plan allows for hardship distributions and in-service withdrawals upon attainment of age 59 ½. Distributions may be paid to qualified participants in a lump sum payment in the form of cash or a rollover to a qualified Plan. Vested account balances below \$1,000 may be automatically paid to participants, and balances between \$1,000 and \$5,000 may be rolled into an individual retirement account at the discretion of the Employer.

Vesting

Participants are immediately vested in their elective participant contributions, Employer Safe Harbor Contributions, and the income or loss thereon. As of December 31, 2021 and 2020, there are no forfeited unused amounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recognized on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Impact Fire Services 401(k) Plan

Notes to Financial Statements

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance plus unpaid accrued interest. Interest income is recorded on the accrual basis. A participant's loan shall be considered in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter (end of "cure period") in which a loan is initially past due. Defaulted notes receivable from participants are deemed distributed and recorded as benefits paid to participants in the statement of changes in net assets available for benefits. No allowance for credit losses has been recorded at December 31, 2021 and 2020.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. As of December 31, 2021, there were no excess contributions payable. As of December 31, 2020, excess contributions payable totaling approximately \$41,000 that relate to the 2017 Plan year were corrected during 2021.

Contributions Receivable

Contributions receivable represent contributions due from the participant and the Employer to the Plan as of year-end. Some contributions receivable relate to the Company's routine timing and remittance of participant withholdings and employer matching contributions to the Plan that are in the ordinary course of business. Other contributions receivable relate to certain corrective action in response to historical operational errors that the Company is funding on behalf of the Plan and its participants.

As of December 31, 2021 and 2020, approximately \$111,000 and \$79,000 of participant and Employer contributions receivable pertain to the Company's routine timing of remittances to the Plan, respectively. As of December 31, 2021 and 2020, approximately \$126,000 and \$181,000, respectively, of Employer contributions receivable pertain to certain corrective contributions. At December 31, 2020, approximately \$70,000 of the 2020 Employer contribution receivable represent Qualified Nonelective Corrective ("QNEC") contributions for failure to distribute excess contributions within the prescribed IRS time limit of one year from the plan's year end. During 2021, this amount, including lost earnings, was contributed to the Plan for QNECs related to the 2016 and 2017 plan years.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Employer and are excluded from these financial statements. The Plan pays administrative expenses and fees specific to participant-requested services. Investment related expenses are included in net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

3. Certified Investment Information

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020;
- Net investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and
- Investment information included in the schedule H, line 4i-schedule of assets (held at end of year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

4. Fair Value Measurements

Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Impact Fire Services 401(k) Plan

Notes to Financial Statements

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: The mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: The Plan holds investments in common collective trusts ("CCTs") valued at the NAV. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The CCTs are direct filing entities. Participant transactions (purchases and sales) may occur daily. There are no unfunded commitments related to the CCTs.

Pooled Separate Account: The pooled separate account ("PSA") invests in a single mutual fund. The PSA is valued daily at its NAV. The NAV, as provided by Principal, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less any liabilities. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The PSA is a direct filing entity. There are no restrictions or unfunded commitments related to the PSA.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Party-in-Interest and Related Party Transactions

Certain Plan investments are managed by Principal and its affiliates. Fees for participant requested services are paid by the Plan to affiliates of Principal. Fees incurred by the Plan for investment management services are included in the net appreciation in the fair value of investments. Additionally, approximately \$57,000 in ERISA spending credit earned in 2021 was used to pay investment advisory fees. These transactions qualify as exempt party-in-interest transactions. Notes receivable from participants also qualify as exempt party-in-interest transactions.

During the years ended December 31, 2013 through 2021, the Company failed to remit to the Plan certain employee contributions and loan repayments totaling approximately \$1,830,000 within the period prescribed by Department of Labor regulations. The contributions have been remitted to the Plan. In 2020, lost earnings for the untimely contributions related to the 2014 and 2015 plan years were calculated and remitted to the Plan. In 2021, lost earnings for the untimely contributions related to the 2016 and 2017 plan years were calculated and remitted to the Plan. Plan management is in the process of correcting the remaining untimely contributions through the Voluntary Fiduciary Correction Program with lost earnings.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participant accounts will remain fully vested and nonforfeitable.

7. Tax Status

The IRS issued an opinion letter to the recordkeeper dated March 31, 2014 that the Plan prototype and related trust are designed in accordance with the Internal Revenue Code ("IRC"). The Plan has been subsequently amended. The plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Impact Fire Services 401(k) Plan

Notes to Financial Statements

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than now would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress.

Effective February 17, 2022, the Plan adopted the Principal Life Insurance Company Non-Standardized Pre-Approved Profit Sharing Plan with CODA ("Pre-approved Plan"). The IRS ruled on June 30, 2020 that the Pre-approved Plan, including related amendments, as designed, was in compliance with the applicable requirements of the IRC. The plan administrator believes the Plan is currently designed and is being operated in accordance with the IRC.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investment will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Form 5500 Reconciliation

The following is reconciliation between the financial statements and Form 5500:

<i>December 31,</i>	2021	2020
Net assets available for benefits, per financial statements	\$ 14,834,776	\$ 9,503,047

10. Subsequent Events

The Plan has evaluated subsequent events from the date of the statement of net assets available for benefits through January 6, 2023, the date the financial statements were available to be issued. During this period, no material subsequent events were identified, except for the following:

Effective January 1, 2022, the Plan was amended to change the calculation of the Safe Harbor match from a per pay period calculation to an annual calculation, adding a true up contribution. Additionally, the Plan changed its name to AI Fire, LLC 401(K) Plan and added a provision for self-directed brokerage accounts.

As disclosed in Note 7, the Plan has adopted a prototype plan provided by Principal Life Insurance Company. Principal Life Insurance Company obtained an opinion letter dated June 30, 2020 from the IRS pursuant to a requirement to restate pre-approved plan documents every six years in order to maintain the Plan's tax qualified status. As a result, effective February 17, 2022, the Employer restated the Plan to reflect remedial amendments associated with Principal Life Insurance Company's restatement of its prototype plan. There were no other significant changes to the restated plan document beyond the required regulatory updates that would have a material impact on the Plan.
