INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
ConServe Employee Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the ConServe Employee Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Respectfully submitted,

CONSERVE EMPLOYEE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 1 **Description of Plan**

The following description of the ConServe Employee Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Continental Service Group, Inc. d/b/a ConServe (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of eligible pre-tax annual compensation, subject to statutory limitations, as defined in the Plan document. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at a deferral rate of 6% and their contributions are invested in a designated balanced fund unless they affirmatively elect not to participate in the Plan. For participants deferring less than 12% of eligible compensation, their deferral will automatically increase 1% on July 1st of each year until their deferral reaches 12% of eligible compensation, unless they elect otherwise.

The Plan allows for a discretionary employer match contribution. The Company contributed 25% of participants' salary-reduction contributions up to a maximum of 4% of the participant's eligible compensation for 2022. Additional discretionary contribution amounts may be contributed at the option of the Company. The Company declared an additional discretionary contribution of approximately \$592,000 in 2022, which has been recorded as employer contributions receivable on the statement of net assets available for benefits as of December 31, 2022, net of forfeitures of approximately \$87,000. To be eligible for either matching or discretionary contributions, the participant must have completed six months of service. Additionally, to be eligible for discretionary contributions, the participant must be employed by the Company on the last day of the year. Contributions are subject to certain limitations.

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with an allocation of: (1) the participant's contributions, (2) the Company's contributions, and (3) investment earnings (losses). Deductions are made from the participant's account for withdrawals and a pro rata share of administrative expenses, if applicable. Allocations are based on participant earnings (losses) or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CONSERVE EMPLOYEE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

***Note 1* Description of Plan - Continued**

Vesting

Participants are immediately vested in their contributions and Company matching contributions plus actual earnings thereon. The Plan provides for vesting in the discretionary employer contributions of 20% after two years of service, 40% after three years of service, 60% after four years of service, 80% after five years of service and 100% after six years of service.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 (less the highest outstanding loan balance in the previous 12-month period) or 50% of their vested account balance, whichever is less. The loans are secured by the participant's account and bear interest at a rate commensurate with the prevailing rates charged on similar loans under like circumstances by persons in the business of lending money, as determined by the Plan Administrator. Loans are to be repaid over a period not to exceed five years, or longer for the purchase of a primary residence. Principal and interest is paid ratably through payroll deductions. The maximum number of loans outstanding at any one time is one.

Payment of Benefits

The Plan provides for normal retirement benefits upon reaching age 65 and has provisions for in-service, disability, death, hardship and termination benefits for those participants who are eligible to receive such benefits.

Upon termination of service, participants can elect to have a qualified rollover of their vested balance or receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the value of the terminating participant's vested account balance does not exceed \$5,000, the participant's balance will be distributed automatically.

Forfeitures

In accordance with the Plan document, forfeitures of non-vested discretionary employer contributions are used to reduce future employer contributions or to pay plan expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled approximately \$66,000 and \$113,000, respectively. During the year ended December 31, 2022, employer contributions were reduced by approximately \$108,000 from forfeited non-vested accounts.

Administrative Expenses

Administrative expenses may be paid for by the Plan or the Company.

***Note 2* Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting.

CONSERVE EMPLOYEE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

***Note 2* Summary of Significant Accounting Policies - Continued**

Subsequent Events

In preparing the financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through August 9, 2023, the date that the financial statements were available to be issued.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Risks and Uncertainties

The Plan invests in investment securities which are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as inflation, a pandemic, or international conflict. Due to the level of risk associated with these investment securities, it is at least reasonably possible that changes in their values will occur in their near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

***Note 3* Investment Valuation and Income Recognition**

Except for the guaranteed investment contract described in Note 4, investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts: Valued at the net asset value (NAV) as a practical expedient of its underlying investments held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

CONSERVE EMPLOYEE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 4 **Fixed Account**

The Plan has entered into a guaranteed investment contract with Voya Retirement Insurance and Annuity Company (Voya). Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Voya is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for the fixed account. The fixed account is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1.00%. Such interest rates are reviewed on an annual basis for resetting.

The crediting interest rate was 1.25% as of December 31, 2022. During 2022, the Plan received interest credits of approximately \$11,700, which are included in net depreciation in fair value of investments on the statement of changes in net assets available for benefits.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: 1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), 2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, 3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Note 5 **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the accounts of all participants become fully vested and nonforfeitable.

CONSERVE EMPLOYEE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

***Note 6* Tax Status**

The Plan has adopted a non-standardized pre-approved profit sharing plan sponsored by FIS Business Systems LLC. The non-standardized pre-approved profit sharing plan provider has received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, as to the non-standardized pre-approved profit sharing plan's qualified status. The non-standardized pre-approved profit sharing plan opinion letter has been relied upon by the Plan. The Plan has been amended since the non-standardized pre-approved plan received the opinion letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

***Note 7* Financial Information Certified by the Custodian**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Voya, the custodian of the Plan, has certified to the completeness and accuracy of the investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the schedule of assets (held at end of year) as of December 31, 2022 (excluding participant loans), and net depreciation in fair value of investments reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

***Note 8* Party-in-Interest Transactions**

Certain Plan investments are managed by Voya. Voya is the custodian of the Plan. Therefore, transactions involving these investments qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

***Note 9* Subsequent Events**

On March 3, 2023, the Company was acquired and the Plan Sponsor became Continental Service Group, LLC d/b/a ConServe.
