Part I Asset and Liability Statement			
1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

401(k) Committee
Diverse Power 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Diverse Power 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Diverse Power 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diverse Power 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diverse Power 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diverse Power 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diverse Power 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DIVERSE POWER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of Plan

The following description of the Diverse Power 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Diverse Power (the Company), who have completed three months of service as well as 252 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company absorbs certain costs of the Plan. The directors of the board are responsible for oversight of the Plan. The 401(k) Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the directors of the board.

Contributions

Under the provisions of the Plan, each participant may contribute a portion of qualified compensation for the plan year up to the maximum amount determined by the federal government. Participant contributions may be traditional 401(k) deferrals (pre-tax), Roth 401(k) deferrals (after-tax), or other after-tax voluntary contributions. The Plan also contains provisions for participant automatic enrollment for employees hired after January 1, 2016 at 5 percent. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover).

Participants direct the investment of their contributions and match into various investment options offered by the Plan. The Company currently has three categories for participants: categories A, B, and C. Contributions are subject to certain IRS limitations.

Participants enrolled in category A of the Plan are defined as employees hired before January 1, 2010 with less than 30 years vested in the RS Plan (Defined Benefit Plan) offered by the Company. The Company matches 100 percent of the first 1 percent deferred by participants. The Company also contributes a 7 percent non-elective safe harbor contribution, which is based on eligible compensation.

Participants enrolled in category B of the Plan are defined as employees hired after January 1, 2010. These participants are not eligible for the RS Plan offered by the Company. The Company matches 100 percent of the first 5 percent deferred by participants. The Company also contributes a 7 percent non-elective safe harbor contribution, which is based on eligible compensation.

Participants enrolled in category C of the Plan are defined as employees hired before January 1, 2010 who have vested 30 or more years of service in the RS Plan. The Company matches 100 percent of the first 1 percent deferred by participants. The Company also contributes an 11 percent non-elective safe harbor contribution, which is based on eligible compensation.

During the year ended December 31, 2022, the Company made a non-elective safe harbor contribution of \$932,386 to the Plan.

(1) Description of Plan (Continued)

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, the Company's contributions, and qualified rollover contributions, and adjusted for gains and losses based on the investment performance of a participant's account, less any withdrawals and distributions. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the participant's pro rata share of their account balance. The participant is entitled to a benefit equal to his or her vested account balance.

Vesting

Participants are immediately vested in all contributions plus earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance, as adjusted for outstanding loans. The loans are secured by the balance in the participant's account and bear interest which is commensurate with local prevailing rates as determined by the Plan administrator. Interest rates ranged from 4.25 percent to 8.00 percent as of December 31, 2022 and 2021. Principal and interest are paid through payroll deductions if available.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or other reason, a participant will receive a lump-sum payment, or installment payments over a period not exceeding 15 years, equal to the value of the participant's vested interest in his or her account. The Plan also allows for certain in-service distributions, including hardship withdrawals, prior to termination of employment.

Hardship Withdrawals

In the event funds are needed because of extreme financial hardship, as defined by law, the participant may be allowed to make a withdrawal of his/her vested account balance from eligible accounts, as defined by the Plan. In accordance with the Internal Revenue Code (the Code), benefits withdrawn prior to age 59 ½ may be subject to additional taxes.

Investment Options and Investments

Participants direct the investment of all contributions into various investment options offered by the Plan. Participants may change their investment options at any time. As of December 31, 2022, the Plan offered 25 diversified investments in mutual funds and one separate account guaranteed interest contract as investment options for participants.

(2) Summary of Significant Accounting Policies

The accounting policies of the Plan are maintained in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the *Accounting Standards Codification (ASC)* and related Accounting Standards Updates (ASUs). The following describes the more significant of those policies:

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of Plan assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, trustee, custodian, and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

For notes receivable from participants, the portion of interest included in each loan payment made by a participant is recognized as interest income in the participant's individual account.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to participant's benefit payments and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

(3) Separate Account Guaranteed Interest Contract

The Plan entered into a fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company totaling \$5,125,227 for 2022 and \$5,401,811 for 2021. The separate account guaranteed interest contract (SAGIC) is a market value separate account investment option with a general investment account guarantee that provides a stated rate of return and insulates participants' accounts from daily fluctuations in the market. The SAGIC invests in a diversified portfolio of primarily investment-grade fixed income securities, using a core-plus fixed income strategy.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by the participant if they were to initiate permitted transactions under the Plan. Contract value as reported to the Plan by Great-West Life & Annuity Insurance Company represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Under the terms of the SAGIC, participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their balance in the SAGIC investment option at contract value. Contract value represents contributions plus credited interest less participant withdrawals and fees. Certain events may limit the ability of the Plan to transact at contract value and include, but are not limited to, the following: (1) partial or complete termination of the Plan; (2) material changes in any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from eligibility in the Plan as a result of the sale or liquidation of a subsidiary or division or as a result of layoffs or early retirement programs. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

The crediting rate is determined for each individual Plan contract based on anticipated market returns. The SAGIC guaranteed rate is reset periodically, typically quarterly, and in no instance will the interest rate fall below zero percent.

The average yield earned by the Plan, calculated by dividing the annual interest credited to the Plan during the year by the average annual fair value, was 2.25 percent and 1.93 percent as of December 31, 2022 and 2021, respectively.

In addition, certain events, such as Plan terminations, allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value.

(4) Information Prepared and Certified by Great-West Trust Company (Unaudited)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Great-West Trust Company, the trustee, and Empower, the recordkeeper for the trustee, as complete and accurate as of December 31, 2022, and for the year ended December 31, 2022 (Reliance Trust was the certifier as of December 31, 2021), except for comparing such information to information included in the Plan's financial statements and supplemental schedule of assets (held at end of year).

Investments and notes receivable from participants as of December 31, as certified by the trustee and the recordkeeper for the trustee, are as follows:

	<u>2022</u>	<u>2021</u>
Mutual Funds	\$ 23,540,126	\$ 26,089,590
Separate Account Guaranteed Interest Contract	<u>5,125,227</u>	<u>5,401,811</u>
	<u>\$ 28,665,353</u>	<u>\$ 31,491,401</u>
 Notes Receivable from Participants	 <u>\$ 656,260</u>	 <u>\$ 552,853</u>

Investment income (loss) and interest income on notes receivable from participants for the year ended December 31, 2022, as certified by the trustee and the recordkeeper for the trustee, are as follows:

Net Depreciation in Fair Value of Investments	\$ (4,805,948)
Interest and Dividends	<u>1,522,836</u>
	<u><u>\$ (3,283,112)</u></u>
 Interest Income on Notes Receivable from Participants	 <u><u>\$ 31,583</u></u>

(5) Fair Value Measurements

The FASB issued a statement that defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the funds. The funds held by the Plan are open-end funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(5) Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31:

2022	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 23,540,126	\$ -	\$ -	\$ 23,540,126
2021	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 26,089,590	\$ -	\$ -	\$ 26,089,590

(6) Income Tax Status

The Company adopted the Ascensus LLC (the prototype sponsor) Defined Contribution Pre-Approved Plan. The prototype sponsor has received a favorable opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that its prototype plan, in form, meets the requirements of Section 401(a) of the Code and, therefore, is tax-exempt under the provisions of Section 401(a). The Plan document has been amended since receiving the determination letter. The Plan has not received a determination letter specific to the Plan itself; However, the 401(k) Committee believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. The 401(k) Committee also maintains that the Plan has been administered in accordance with all applicable laws and, accordingly, no provision has been made for income taxes in the accompanying financial statements.

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Related-Party and Party-in-Interest Transactions

Certain Plan assets are investment options offered through the Plan recordkeeper and investment advisors or affiliates and; therefore, these transactions qualify as party-in-interest transactions.

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempted from the prohibition of party-in-interest transactions under ERISA.

(8) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(9) Risks and Uncertainties

The Plan invests in various investment securities, including mutual funds and a separate account guaranteed interest contract. Investment securities are exposed to various risks such as interest rate risk, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

(10) Subsequent Events

Changes in investment returns can have a significant effect on the Plan. Management is monitoring investment market conditions and the impact such fluctuations are having on the Plan's investment portfolio. Due to the volatility of the financial markets as of the date of this report, there is uncertainty regarding the impact which continued volatility may have on the Plan's investment portfolio.

On December 29, 2022, the President signed into law the Consolidated Appropriations Act of 2023, which included the SECURE 2.0 Act of 2022. Management is monitoring to determine the overall impact on the Plan.

Management has evaluated events subsequent to December 31, 2022 through August 15, 2023, the date these financial statements were available to be issued.
