**Opinion**

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that is agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by or certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**EBAA IRON, INC. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
December 31, 2022 and 2021

---

**NOTE 1: PLAN DESCRIPTION**

The following description of the EBAA Iron, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on July 1, 1998, under the provisions of the Internal Revenue Service Code Section 401(k). The Plan provides eligible employees an opportunity to accumulate funds for retirement, death, and disability benefits subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Amendments

No amendments were made to the Plan in the years under audit.

Plan Administration

The Plan is administered by the Plan Administrator who is appointed by the Board of Directors of EBAA Iron, Inc. The Plan's trustee, Ascensus Trust Company (the "Trustee"), is responsible for the custody of the Plan's assets.

Eligibility to Participate

Generally, each full-time employee of EBAA Iron, Inc. and EBAA Iron Sales, Inc. (collectively referred to as the "Company") who has 1,000 hours of service is eligible to participate in the Plan upon attaining 18 years of age.

Employee Contributions

Participants in the Plan may elect to have compensation deferred through payroll deductions. The maximum contribution amount for 2022 is \$20,500. An added contribution up to \$6,500 in salary deferral catch-up is allowed for those 50 or older, for a total possible contribution of \$27,000.

Participants may roll over amounts representing distributions from other qualified defined contribution plans.

Employer Contributions

Due to the election of a "safe harbor" designation, the Company is obligated to make a matching contribution to each participant's account regardless of the profitability of the Company during the Plan year. The Company is obligated to make a matching contribution on behalf of each participant equal to one hundred percent (100%) of the participant's salary deferral, but not in excess of three percent (3%) of the participant's compensation. For every percent contributed by the employee over the three percent (3%) limit, the Company will contribute one-half of a percent (.5%) up to five percent (5%). Qualified non-elective contributions shall be permitted. Such contributions shall be made at the discretion of the Company and allocated to each eligible participant in proportion to his or her compensation as a percentage of the compensation of all eligible participants.

The Company shall have the right to make an additional discretionary contribution, which shall be allocated to each eligible participant in proportion to his or her compensation as a percentage of the compensation of all eligible participants. The discretionary contribution and the allocation thereof shall be unrelated to any employee contributions made hereunder. Forfeitures shall be allocated to participants in the same manner as the Company's contribution.

The Plan, as required by the Internal Revenue Code, includes special rules in years that the Plan is determined to be a "Top Heavy Plan". The Plan becomes a "Top Heavy Plan" when it allocates more than

**NOTES TO FINANCIAL STATEMENTS**  
December 31, 2022 and 2021

---

sixty percent (60%) of the contributions or benefits to “Key Employees”. “Key Employees” are generally owners, officers, shareholders, or highly compensated individuals. If the Plan becomes top-heavy in any year, the Company is required to allocate three percent (3%) of applicable compensation for each employee to his or her participant account.

**Participant Investment Options**

Participants may direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator or if they choose, they can direct their salary deferral contributions to any investments traded by the Trustee. Participants may change their investment options at any time throughout the year via direct phone access, fax, or the internet.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings and charged with administrative fees for withdrawals. Allocations are based on the conditions described under “Employer Contributions”. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Forfeiture Accounts**

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 and \$0, respectively. These accounts will be used to reduce future employer contributions. The Plan utilized \$0 and \$313 of forfeitures to reduce employer contributions during 2022 and 2021, respectively from forfeited non-vested accounts.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of one-half (1/2) of their vested balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at the prime rate (Wall Street Journal) plus one percent (1%). Loan terms range from one to five years, or longer for the purchase of a primary residence. Principal and interest are paid ratably through weekly payroll deductions.

**Payment of Benefits**

On termination of service due to death, disability, or retirement, or for any other reasons a participant will receive a lump-sum amount equal to the value of the participant's account within 90 days after the end of the Plan year in which the participant becomes eligible to receive them.

**Vesting**

Participants are immediately vested in their salary deferral and Company safe harbor contributions plus actual earnings thereon. For any discretionary contributions made by the Company, the vesting is based on a six-year schedule as follows:

|                   |      |
|-------------------|------|
| Less than 2 years | 0%   |
| 2 to 3 years      | 20%  |
| 3 to 4 years      | 40%  |
| 4 to 5 years      | 60%  |
| 5 to 6 years      | 80%  |
| 6+ years          | 100% |

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value at December 31, 2022 and 2021. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines valuation policies utilizing information provided by its investment advisor and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are accrued on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are treated as distributions based on the terms of the Plan document.

Administrative Costs

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Administrative functions are performed by officers or employees of the Company but receive no compensation from the Plan. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation in the fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Recent Accounting Pronouncements

The Plan has adopted all recent accounting pronouncements issued by the FASB (including its Emerging Issues Task Force) and the American Institute of Certified Public Accountants that are believed by management to have a material impact on the Plan's present or future financial statements.

**NOTE 3: INFORMATION CERTIFIED BY ASCENSUS TRUST COMPANY, UNAUDITED**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, dividends, and capital gains, and interest income on notes receivable from participants for

the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus Trust Company, the trustee of the plan. The Plan's independent auditors did not perform any auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

**NOTE 4: FAIR VALUE MEASUREMENTS**

ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.

*Level 2* – Observable inputs other than Level 1 including quoted prices for similar assets or liabilities, quoted prices in less active markets, or other observable inputs that can be corroborated by observable market data.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2022.

*Mutual funds:* The fair value is based on quoted market prices in active markets. Accordingly, the fair value is established using Level 1 inputs.

*Self-directed brokerage accounts (common stocks):* Valued at the closing price reported on the active market for which the individual securities are traded. Accordingly, the fair value is established using Level 1 inputs.

*Collective investment trust:* Valued at the NAV as provided by the administrators of the fund. The NAV is used as the practical expedient to estimate fair value. The NAV is based on the value of the underlying assets of the fund, less liabilities, and then divided by the number of units outstanding.

The methods above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

The collective investment trust, through its investment in the group annuity contract, simulates the performance of a guaranteed investment contract through an issuer's guarantee of a specific interest rate and portfolio of financial instruments that are owned by the issuer, MetLife.

**NOTE 5: COLLECTIVE INVESTMENT TRUST**

The Plan includes an investment option to participate in a common collective investment trust ("CIT"). The CIT invests in a group annuity contract ("GAC") which includes underlying assets that are held in a trust owned by MetLife. The contract provides that participants execute Plan transactions at contract value. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals. The investment is stated at fair value as reported by MetLife. The GAC's fair value equals the fluctuating value of the separate account of the assets backing the contract. The Plan's fair value of the investment equals the Plan's guaranteed value times the ratio of the GAC's guaranteed value to the GAC's fair value.

Participants will receive the principal and accrued earnings credited to their accounts on withdrawal for allowed events. These events include transfers to other Plan investment options, and payments because of retirement, termination of employment, disability, death, and in-service withdrawals as permitted by the Plan. Certain events, such as Plan termination or a Plan merger initiated by the Plan sponsor, may limit the ability of the Plan to transact at contract value. The Plan sponsor does not believe any events that may limit the ability of the Plan to transact at contract value are probable.

**NOTE 6: INCOME TAX MATTERS**

Effective January 1, 2020, the Plan adopted a non-standardized form of a prototype plan sponsored by Ascensus Trust Company. The prototype plan provider has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a liability if the Plan has taken an uncertain position that would more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7: PLAN TERMINATION**

Although it has not expressed the intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination participants will become one hundred percent (100%) vested in their accounts.

**NOTE 8: PARTIES-IN-INTEREST**

Certain Plan investments are shares of mutual funds managed by the Ascensus Trust Company. Ascensus Trust Company is the current trustee and custodian as defined by the Plan. These transactions, therefore, qualify as party-in-interest transactions. Parties-in-interest include the Vanguard Group, Inc. and Cambridge Investment Research, both of which act as investment advisors. Fees paid by the Plan for investment management services amounted to \$50,485 and \$73,852 for the years ended December 31, 2022 and 2021, respectively. Additional investment fees paid to parties in interest are netted against investment returns.

**NOTE 9: RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 10: SUBSEQUENT EVENTS**

The Plan Administrator has evaluated subsequent events through August 25, 2023, the date the financial statements were available to be issued.
