INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Siguler Guff & Company Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Siguler Guff & Company Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included

in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SIGULER GUFF & COMPANY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Siguler Guff & Company Retirement Plan (the "Plan") is provided for general information. Participants should refer to the plan agreement for more complete information related to the Plan's provisions.

GENERAL

The Plan was established on November 1, 2000. The Plan is a defined contribution plan covering all eligible employees of Siguler Guff & Company, LP (the "Employer") and is intended to be a qualified retirement plan under Internal Revenue Code ("IRC") Section 401(a). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Employees are eligible to participate on the first day of the calendar month following their achievement of six (6) months of consecutive service.

The purpose of the Plan is to enable eligible employees and partners to save for retirement. The Plan is for the exclusive benefit of eligible employees, partners and their beneficiaries.

Siguler Guff & Company, LP is the administrator of the Plan (the "Administrator") and is responsible for oversight of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES ACT") which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. Formal adoption of such provisions of the CARES Act provisions is required to occur on or before December 31, 2025.

CONTRIBUTIONS

The Plan allows pre-tax deferrals and/or Roth after-tax deferrals. Each year, participants may contribute up to 60% of pre-tax annual compensation, as defined by the Plan. Additionally, participants are eligible to designate some or all of their deferrals as Roth after-tax deferrals. Once made, this designation will be irrevocable as Roth after-tax deferrals cannot later be re-characterized as pre-tax deferrals. All employees were limited to a maximum contribution of \$20,500 in 2022 by IRC Section 402(g) of the Internal Revenue Code ("IRC").

Participants age 50 or older before the end of the Plan year are eligible to make an additional annual "catch-up" contribution of up to \$6,500 pre-tax and/or Roth contribution in 2022. If any participant's compensation deferrals for a year exceed the maximum allowable for that year, the excess amount may be returned to the participant as taxable compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan

SIGULER GUFF & COMPANY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The Employer may make a discretionary matching contribution on behalf of each eligible participant who made deferral contributions during the year. The Employer may also make discretionary non-elective contributions to be allocated to participant accounts based on eligible compensation. If required, the Plan permits the Employer to designate all or a portion of either of the matching or non-elective contributions to be qualified contributions to correct failures of certain non-discrimination testing required under the Plan.

For the year ended December 31, 2022, the Employer matched 100% of the first 4% of base compensation that a participant contributed to the Plan. Matching contributions totaled \$598,062. In addition, in 2022, discretionary non-elective contributions totaled \$746,457 for those participants that were employed as of December 31, 2021. Total employer contributions amounted to \$1,344,519 for the year ended December 31, 2022.

PARTICIPANT ACCOUNTS

Each participant's account is credited with (a) the participant's contributions, (b) allocations of the Employer's matching and non-elective contributions, if any, (c) rollover contributions, if any, and (d) appreciation in the value of the investments, and charged with (a) distributions made to the participant, (b) depreciation in the value of the investments, and (c) allocation of participant account administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are fully and immediately vested in their contributions, their qualified rollover contributions, the Employer's contributions and actual earnings thereon.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts on a uniform and non-discriminatory basis. Participants are limited to one note outstanding at any time. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of: (a) \$50,000 reduced by the highest outstanding loan balance during the prior twelve-month period; or (b) one-half of the participant's vested interest in the Plan. Notes must be fully repaid within five years unless the loan is used for the purchase of a primary residence, for which repayment is extended to ten years.

SIGULER GUFF & COMPANY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS (CONTINUED)

These notes bear interest at a rate that is determined by the Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans, which would be made under similar circumstances at that point in time. The notes are adequately secured by the balance of the corresponding participant account.

PAYMENT OF BENEFITS

Upon termination of service, participants may elect to have their benefits paid as a single lump sum or direct rollover to another qualified plan or individual retirement account. Termination of service may result from the death of the participant, total disability of the participant, retirement, or termination of employment. Active participants may make a withdraw at age 59 ½. If the participant's account balance does not exceed \$1,000, the entire fund balance will be distributed in a single lump-sum payment as soon as it is administratively feasible following the event that entitles the participant to a distribution without participant consent if no other method was proactively requested. If the participant's account exceeds \$1,000 but does not exceed \$5,000, the balance will be distributed to an Individual Retirement Account or annuity selected by the Administrator. If the participant's account exceeds \$5,000, the participant may also elect to defer receiving payments until age 72 (age 73 if participant reaches age 72 after December 31, 2022). In the event of a death prior to retirement, 100% of the participant's account will be paid to their beneficiary.

FORFEITED ACCOUNTS

Participants become immediately fully vested in their account balance upon reaching the eligibility requirements of the Plan. However, forfeitures can occur if employer contribution limits are exceeded in the Plan year. If this does occur, then excess contributions in the participant's accounts may be forfeited or refunded based on the provisions of the Plan document. Forfeitures may be used by the Plan to pay administrative expenses or reduce employer contributions. For the year ended December 31, 2022, forfeitures in the amount of \$75,951 were used to reduce the employer matching contributions. The balance in the forfeiture account as of December 31, 2022 and 2021 was \$4 and \$42,170, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP"). The Plan follows the accounting and reporting guidance as prescribed by Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 962, "Plan Accounting - Defined Contribution Pension Plans."

SIGULER GUFF & COMPANY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires the Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates and assumptions and such differences could be material.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Market risks include global events which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' balances and the amounts reported in the statements of net assets available for benefits.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for the discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent or defaulted notes receivables from participants are written off as "deemed" distributions therefore, no allowance for credit losses has been recorded as of December 31, 2022 and 2021.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributes excess contributions to the applicable participants prior to March 15th of the next fiscal year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefit payments to participants are recorded upon distribution.

EXPENSES

The costs and expenses of administering the Plan are paid by plan participants unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from the financial statements, unless the Employer utilizes the service credit or forfeiture accounts established within the Plan to pay for the expenses. Participant incurred expenses may include loan, benefit payment and certain administrative fees. Employer incurred expenses may include outside service fees. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

When administrative and recordkeeping expenses paid to Fidelity Management Trust Company ("Fidelity") in connection with plan services exceeds agreed-upon compensation as defined in the related services agreement, Fidelity can issue credits for such excess expenses. The credits are deposited into a service credit account for use by the Employer to offset Fidelity provided services, excluding those that are deducted from participant accounts or involve investment management services. During the year ended December 31, 2022, there were no credits issued and administrative expenses totaled \$28,965.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan values its investments under the provisions of ASC 820, "*Fair Value Measurements and Disclosures*," which defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements. GAAP establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement.

The following provides a description of the three levels of inputs that may be used to measure fair value under the standard, the types of plan investments that fall under each category, and the valuation methodologies used to measure these investments at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

BASIS OF FAIR VALUE MEASUREMENTS

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

BASIS OF FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

MUTUAL FUNDS

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables segregate all financial assets and liabilities as of December 31, 2022 and 2021 that are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 38,498,435	\$ --	\$ --	\$ 38,498,435

NOTE 4 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following reconciles net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Schedule H of Form 5500:

	2022	2021
Net assets available for benefits per financial statements	\$ 38,633,163	\$ 48,173,585
Less: Employer contributions receivable	--	(27,940)
Net assets per Schedule H of Form 5500	<u>\$ 38,633,163</u>	<u>\$ 48,145,645</u>

The following is a reconciliation of the changes in net assets available for benefits per the financial statements for the year ended December 31, 2022 to Schedule H of Form 5500:

Net decrease in net assets available for benefits per the financial statements	\$ (9,540,422)
Add: Prior year employer contributions receivable	27,940
Rounding	<u>(1)</u>
Net loss per Schedule H of Form 5500	<u>\$ (9,512,483)</u>

NOTE 5 - PLAN TERMINATION

Although the Employer has not expressed any intent to do so, the Employer has the right, under the Plan agreement, to amend any or all provisions of the Plan, as well as discontinue contributions and terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their accounts.

NOTE 6 - TAX STATUS

The Plan adopted the Fidelity Management & Research Co. Pre-Approved Profit Sharing Plan, which is qualified under Section 401 of the IRC as a tax-exempt plan. The Pre-Approved Profit Sharing Plan received an opinion letter from the IRS dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, the Administrator believes that the Plan is designed, and is currently being operated, in compliance with the application requirements of the IRC and, therefore believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 6 - TAX STATUS (CONTINUED)

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 7 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Fidelity is the trustee of the Plan and receives compensation for its services, which is paid by the Employer. Additionally, Fidelity receives payments of certain administrative and transactional costs directly from participants during the year. As such, these transactions qualify as party-in-interest transactions.

Certain employees and officers of the Employer, who may also be participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

The Plan allows for issuance of notes receivable to participants in accordance with the related regulations.

NOTE 9 - SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through August 31, 2023, which is the date the financial statements were available to be issued. Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.
