Independent Auditors' Report

To the Plan Administrator, Trustees and Participants
of the California Faucets, Inc. 401(k) Profit Sharing Plan
Huntington Beach, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audits of the financial statements of California Faucets, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report - Continued

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of California Faucets, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about California Faucets, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report - Continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of California Faucets, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about California Faucets, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditors' Report - Continued

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

California Faucets, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of the California Faucets, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all full-time employees of California Faucets, Inc. (the Company) and its affiliate PVD II LLC who are age 21, have met the waiting requirement of 60 days of continuous employment, and are not members of a collective bargaining unit or non-resident aliens. Employees enter the Plan on the first day of the calendar month that occurs after the employee has completed the eligibility service period. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan administration:

The Company is the Plan sponsor and Plan administrator. The Plan administrator is responsible for carrying out the duties imposed under ERISA, including oversight of the Plan, appropriateness of investment offerings, and monitoring investment performance.

The custodian, Ascensus Trust Company, in partnership with Vanguard, has been granted discretionary authority to invest and reinvest the participant directed assets of the Plan, subject to the investment discretion of the individual participants over the participant contributions and Company matching contributions, if any.

The custodian, Raymond James, has been granted discretionary authority to invest and reinvest the non-participant directed assets of the Plan, subject to the investment discretion of the Company over the Company profit sharing contributions, if any.

Contributions:

Each year, participants may contribute a percentage of pre-tax or after-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

California Faucets, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

The Company makes a safe harbor matching contribution for the Plan year on behalf of each eligible employee equal to 100% of the amount of the employee's elective deferrals that do not exceed 3% of the employee's compensation for the Plan year plus 50% of the amount of the employee's elective deferrals that exceed 3% of the employee's compensation but that do not exceed 5% of the employee's compensation. The Company may, in its discretion, also make additional matching contributions. For the Plan year ended December 31, 2022, the Company made a safe harbor matching contribution funded subsequent to the year end. The Company may also contribute to the Plan an employer discretionary profit sharing contribution. For the year ended December 31, 2022, the Company did not make a profit sharing contribution to the Plan. In order to receive a profit sharing allocation, the participant must be employed on the last day of the Plan year. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

As part of the restatement effective January 1, 2022, the Plan is intended to satisfy an automatic contribution arrangement (ACA). Effective September 1, 2022 through December 31, 2022, ACA provisions were removed from the Plan via an amendment. All participants without an existing affirmative election are subject to the automatic enrollment provisions of the Plan. The initial amount of the automatic enrollment (as a percentage of pay) is 3% until September 1, 2022, when the ACA provisions were removed from the Plan via an amendment.

Participant accounts:

Each participant's account is credited with the participant's contributions and Company safe harbor matching contributions and additional discretionary matching contributions, if any, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may also transfer benefits from other qualified plans into the Plan.

The participant contributions, Company safe harbor matching contributions, and additional discretionary matching contributions, if any, and related earnings are participant directed. The Company profit sharing contribution and related earnings are non-participant directed and are invested in a portfolio of investments directed by the Company.

California Faucets, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Vesting:

Participants are vested immediately in their contributions, safe harbor matching contributions, additional discretionary matching contributions, if any, plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contribution portion of their account balance, if any, is based on years of service (1,000 hours within Plan year) as follows:

<i>Years of service</i>	
Less than 2	0%
2	20%
3	40%
4	60%

After a five year break-in-service, as defined by the Plan, the non-vested portion of a participant's account is forfeited.

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate charged shall be the prevailing rate charged by commercial lenders for a loan of similar duration, repayment terms, and security, as defined and set by Plan management. For participant loans against the participant directed assets, the interest rate is set at prime plus 1%. Principal and interest is paid ratably through payroll deductions or through direct payments from the participants.

Benefit payments and withdrawals:

On termination of employment, participants, or their beneficiaries, are entitled to a distribution of their vested account balances. On termination due to death or retirement, a participant, or their beneficiaries, are entitled to 100% of the participant's account. Benefit payments are made at the participant's election at the latest of the close of the Plan year in which the participant terminated service or the receipt of a written election from the participant. Hardship withdrawals are not permitted by the Plan.

At December 31, 2022 and 2021, there was \$36,836 and \$0 of amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not been paid, respectively.

Notes to Financial Statements

Forfeited accounts:

Forfeitures result from non-vested benefit payments remaining in the Plan for all terminated employees or adjustments, if any. At December 31, 2022 and 2021, the forfeiture balance was \$197 and \$15, respectively. Forfeitures are used to pay Plan expenses. If any forfeitures remain after being applied towards expenses in the current and subsequent year, they may be used to supplement the employer contributions and are allocated to eligible participants. For the year ended December 31, 2022, \$5,936 was forfeited and allocated to participant accounts.

Note 2. Significant Accounting Policies

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash:

The Plan considers cash to be highly liquid, non-interest bearing funds held in the Plan with an original maturity of three months or less.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan sponsor's management determines the Plan's valuation policies utilizing information provided by the custodian and investment advisors. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

California Faucets, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative fees and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, and a distributable event has occurred, the participant loan balance is reduced and a benefit payment is recorded.

Excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of benefits:

Benefits are recorded when paid.

Administrative fees:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative fees. Recordkeeping, investment, and investment advisory fees have also been included in administrative fees. Other investment related expenses, including transaction fees, are included in net appreciation of fair value of investments.

Note 5. Investments and Fair Value Measurements

The *Fair Value Measurements* topic of the Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC)* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2022 and 2021.

Interest-bearing cash: Valued at fair value based on quoted market prices.

Mutual funds (and money market funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Exchange traded funds (ETFs): Valued at the last sales price or official closing price on the exchange or primary market on which they trade. ETFs holds assets such as stock, commodities, or bonds and are designed to trade close to their net asset value. The fair values of exchange-traded funds are determined by obtaining quoted prices on nationally recognized securities exchanges.

California Faucets, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Market-linked investments: Valued based on the performance of one or more underlying market measures. These market measures may include equities or equity indices, commodities or commodity indices, currencies and interest rates.

Fixed income: Valued using prices from independent quotation bureaus that use computerized valuation formulas to calculate the current value maximizing the use of observable inputs for similar securities.

Capital call structure investment: Valued based on the net asset value of the underlying investments held in the portfolio.

Real estate investment trust: Valued based on the net asset value of the underlying investments held in the portfolio.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<i>Level 1</i>	<i>Level 2</i>	<i>Total</i>

Notes to Financial Statements

Note 6. Related Party and Party-in-Interest Transactions

Raymond James is the custodian of the nonparticipant directed Plan assets. Ascensus Trust Company, in partnership with Vanguard (Vanguard), is the custodian and recordkeeper of the participant directed Plan assets. Pacific Benefit Services is the third party administrator. Caliber Audit & Attest, LLP is the auditor as defined by the Plan. These entities are parties-in-interest with respect to the Plan, and transactions are exempt from the prohibited transactions rules.

Notes receivable from Plan participants and related interest income are also considered party-in-interest transactions.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 8. Tax Status

The Company has adopted a non-standardized pre-approved profit sharing 401(k) plan. The Internal Revenue Service has opined and informed pre-approved plan provider by a letter dated June 30, 2020, that the pre-approved plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Including any applicable amendments, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan as of December 31, 2022, and is not aware of any uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10. Reconciliation of the Plan Financial Statements to the Form 5500

Certain amounts included on Schedule H Part I and II on the Annual Return/Report of Employee Benefits Plan (Form 5500) have been grouped differently for purposes of presentation in the financial statements.

There following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2022.

Net assets available for benefits per the financial statements	\$ 5,162,838
Benefit payment payable paid in 2023, accrued in 2022 for Form 5500	(36,836)
Administrative expense payable paid in 2023, accrued in 2022 for Form 5500	(70)
Net assets available for benefits per the Form 5500	<u>\$ 5,125,932</u>

There were no reconciling items between net assets available for benefits per the financial statements to the Form 5500 at December 31, 2021.

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2022.

Net decrease in net assets available for benefits per the financial statements	\$ (421,987)
Benefit payment paid in 2023, accrued in 2022 for Form 5500	(36,836)
Administrative expense paid in 2023, accrued in 2022 for Form 5500	(70)
Net decrease in net assets available for benefits per the Form 5500	<u>\$ (458,893)</u>

Note 11. Subsequent Events

Effective January 1, 2023, the Company amended the automatic enrollment provisions of the Plan by reinstating eligibility provisions intended to satisfy the eligible automatic contribution arrangements (EACA). Additionally, only employees whose Plan entry date is on or after January 1, 2023, will be subject to the automatic enrollment provisions of the Plan. The initial amount of automatic enrollment (as a percentage of pay) is 3%.

The Plan has evaluated subsequent events through August 22, 2023, the date the financial statements were available to be issued.
