Management, having determined it is permissible in the circumstances, has elected to have the audits of Bitdeer Inc's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bitdeer Inc and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bitdeer Inc's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bitdeer Inc's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bitdeer Inc's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BITDEER INC
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Bitdeer Inc (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. The Plan was amended and restated effective June 1, 2022 to adopt an updated non-standardized prototype plan document. Changes to the Plan document are provided in the following notes. The Plan was also amended and restated effective July 1, 2022 to update the Plan’s name from Bitmain Inc to Bitdeer Inc.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which included several temporary relief provisions available to tax qualified retirement plans and their participants. The provisions of the CARES Act could be effective and operationalized immediately, prior to amending the Plan document. The Plan has adopted certain provisions included in the CARES Act and will amend the Plan retroactively in accordance with Internal Revenue Service (IRS) regulations.

General

The Plan is a defined contribution plan and covers all eligible employees of Bitdeer Inc (the “Company”), except, effective June 1, 2022, nonresident aliens and residents of Puerto Rico. Employees are eligible to participate in the Plan immediately following the later of their date of hire or attainment of age 21. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to make pre-tax salary deferral contributions to the Plan of a minimum of 1% and a maximum of 90% of eligible compensation subject to the amounts allowed by law. Participants age 50 or over in the plan year may also make catch-up contributions. Rollover contributions are allowed subject to conditions set for in the Plan. The Company contributes a safe harbor matching contribution equal to 100% of each participant’s salary deferral contribution on the first 4% of each participant’s eligible compensation for each payroll period. The Company may also make a discretionary nonelective employer contribution each plan year for all eligible participants. The Company did not make a discretionary nonelective employer contribution for the year ended December 31, 2022. The Plan is participant directed, and participants may change their contribution rates each payroll period and investment options at any time.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and the Company’s contribution, as well as allocations of Plan earnings and any applicable administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

BITDEER INC
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are at all times fully vested in their contributions and safe harbor matching contributions and the appreciation or depreciation thereon. Vesting in the discretionary nonelective employer contributions portion of their accounts plus earnings thereon is based on years of service. Participants vest 20% per year after two years of service and are 100% vested after six years of service. A participant shall be immediately vested upon death, retirement, or termination of employment due to permanent disability.

Forfeitures

Forfeitures of nonvested Company contributions shall be used to reduce the Company's contribution or pay Plan administrative expenses. The forfeiture balance was \$31 at both December 31, 2022 and 2021. No forfeitures were used in 2022.

Benefit Payments

Normal retirement age under the Plan is 65. Upon termination or retirement, a participant may receive the value of the vested funds in their account in a lump sum or other type of payment as defined in the Plan. Participants who terminate and have an account balance of \$5,000 or less will be cashed out of the Plan as soon as administratively feasible. The Plan also allows for in-service distributions upon reaching the age of 59½ and hardship withdrawals from the vested funds in the participant's account. Rollover contributions can be withdrawn at any time.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and receive benefits based on their account balances accumulated to the date of termination of the Plan.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to distributions are allocated to participants' accounts and are included in administrative expenses. Other investment-related expenses are included in net depreciation in fair value of investments.

BITDEER INC
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Investments

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, including the types of Plan investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 - Inputs to the valuation methodology are other than quoted prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

BITDEER INC
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The collective trust funds are valued at the underlying NAV per unit by the trustees of the funds as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The collective trust funds held by the Plan provide for daily redemptions by the Plan with no advance notice requirement. The Plan has no unfunded commitments and no contractual obligations to further invest in the funds.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used at December 31, 2022 or 2021.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

<u>Description</u>	<u>2022</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual Funds	<u>\$1,165,601</u>			\$1,165,601
Investments measured at NAV*				<u>454,370</u>
Total investments at fair value				<u>\$1,619,971</u>

<u>Description</u>	<u>2021</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual Funds	<u>\$1,035,567</u>			\$1,035,567
Investments measured at NAV*				<u>221,359</u>
Total investments at fair value				<u>\$1,256,926</u>

*Certain investments that were measured at NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

BITDEER INC
NOTES TO FINANCIAL STATEMENTS

NOTE 4 - INFORMATION CERTIFIED

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, trustee of the Plan, certified to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2022, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

NOTE 5 - INCOME TAX STATUS

The Plan has adopted a non-standardized prototype plan, which obtained its latest opinion letter dated October 6, 2020, in which the IRS stated that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, contributions to the Plan and earnings from its assets are not currently taxable to the Plan or its participants.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan provides for various investments. In general, such investments are exposed to various risks such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 29, 2023, the date the financial statements were available to be issued.
