Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of KZ Kitchen Cabinet & Stone 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of KZ Kitchen Cabinet & Stone 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of KZ Kitchen Cabinet & Stone 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KZ Kitchen Cabinet & Stone 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KZ Kitchen Cabinet & Stone 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KZ Kitchen Cabinet & Stone 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of *Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year)* are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KZ KITCHEN CABINET & STONE 401(k) PLAN

December 31, 2022

NOTE TO FINANCIAL STATEMENTS

NOTE A -DESCRIPTION OF PLAN

The following description of the KZ Kitchen Cabinet & Stone **(the Organization)** 401(k) plan **(the Plan)** provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan was adopted and agreed to as a defined contribution plan on November 1, 2020 and is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(k) of the Internal Revenue Code of 1986 (IRC). All employees of the Organization are eligible to participate upon completing the Plan's eligibility requirements upon the pre designated semi-yearly entry dates. The Plan is a Safe harbor 401(k) Plan and allows participants to save a portion of their eligible pay in the Plan. As a "Safe harbor" Plan, the Organization must include a mandatory contribution to satisfy certain nondiscrimination requirements under the IRC.

Plan Administration – The Organization is the administrator of the Plan. As administrator, the Organization has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Principal Trust Company was appointed custodian for the Plan in current and prior, and acted at the direction of the Plan's administrator.

Eligibility Requirements – Employees must be age 21 in the plan year in order to qualify for plan participation. They must also have worked 1000 hours or more in addition to participate.

Employee Contributions – Participants may have Salary Deferral and/or Roth up to 96% of total annual compensation limited to an IRS maximum of \$20,500 for the 2022 calendar year. If participants are 50 or older, participants may defer an extra \$6,500 for a total of \$27,000. The extra \$6,500 in 2022 is not subject to ERISA limits. Participants can change the amount of their payroll deduction and/or stop making contributions to the Plan any time.

Safe Harbor Employer Match Contribution – The Employer has chosen to make a Safe Harbor Employer Match contribution to all eligible employees in the amount of 100% of participants' salary deferrals for 3% of their compensation. Salary deferrals less than 3% will not be matched.

Employer Match Contribution – The Employer has the option to make a Matching Contribution with the amount determined annually.

Employer Profit Sharing Contribution – The Employer has the option to make a Profit-Sharing Contribution with the amount determined annually.

KZ KITCHEN CABINET & STONE 401(k) PLAN

December 31, 2022

NOTE TO FINANCIAL STATEMENTS

Vesting Schedule – Employee deferrals and Safe Harbor Match are always 100% vested. Participants are always 100% vested if they are employed on or after their normal retirement age or if they die or become disabled.

Withdrawals – Participant may request an in-service distribution of their Salary Deferral Account in the event of financial hardship. Hardship withdrawals are governed by IRS regulations and are permitted for immediate and heavy financial need and only for these six stated “Safe Harbor” events: 1) payment of medical expenses, 2) down payment for the purchase of a principal residence, 3) payment of tuition for post-secondary education, 4) to prevent eviction from, or foreclosure on, a primary residence, 5) funeral expenses, 6) or repair to principal residence that would qualify for the casualty deduction under Code section 165. Non-spousal beneficiaries are added to the rules to include domestic partners, brothers, sisters, parents or adult dependents. Participants may not have a hardship unless all loan options are exhausted. Participants are prohibited from making elective contributions for 6 months.

Distributions – Distributions of a rollover account are available at any time. At age 59 ½, participants may also request an in-service distribution from all sources for any reason.

At termination of employment, upon request from terminated participant, distribution is paid as soon as administratively possible following participant’s termination.

All distributions are subject to a fee paid by the participant.

Rollovers – Rollovers are allowed to most types of retirement plans – 401(K), Defined Benefit Pension and IRA’s.

Investment Options – Upon enrollment in the Plan, a participant may direct his or her contributions in percentage increments into a series of varying investments offered by the Plan. Participants may change their investment options at any time.

Participant Accounts – Each participant’s account is credited with the participant’s contributions, Company contributions, Plan earnings or losses, and rollovers from other qualified plans. Plan earnings or losses are allocated based upon each participant’s account balance. Certain fees are charged to the fund investments and are offset against Plan investment income and loss as presented on the statement of changed in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to their Plan and their individual accounts.

A statement of each participant’s 401(k) account is available online. Questions regarding the statements of online investment procedures can be directed to the Plan’s Advisor – Wilshire Associates Incorporated.

NOTE TO FINANCIAL STATEMENTS

Expenses

Expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

Plan Changes Due to Hardship

On September 23, 2019, the Internal Revenue Service issued final regulations documented as 84 FR 49651 as a result of Section 41113 of the Bipartisan Budget Act of 2018. As a result of this, the Plan made changes with respect to the following provisions:

Hardship conditions – the conditions required to treat an event as qualifying as an eligible hardship expense were changed as follows:

- A. Certification in writing or electronically for receiving hardship distributions that recipient has insufficient cash or other liquid assets reasonably available to meet financial hardship.
- B. Suspension of salary deferrals, and after-tax voluntary contributions if applicable are no longer required for six months after receipt of hardship distributions.
- C. Participants are no longer required to obtain all nontaxable loans currently available under all plans maintained by employer.

Hardship Events – the list of expenses that qualify for hardship distributions have been expanded as of January 1, 2019. If principal residence or place of employment is a FEMA declared qualifying area for individual assistance, then distribution can cover amounts needed to cover expenses and losses as a result of the disaster.

NOTE B - SUMMARY ANNUAL REPORT

This is a summary of the annual report for KZ Kitchen Cabinet & Stone 401(k) Plan, 20-4015895/001 from January 1, 2022 through December 31, 2022. The annual report has been filed with the Employee Benefits Security Administration, formerly known as the Pension and Welfare Benefits Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

Basic Financial Statement

Benefits under the plan are provided by a trust. Plan expenses were \$28,255. These expenses included \$11,970 in administrative expenses and \$16,285 in benefits paid to participants and beneficiaries, and no amounts in other expenses. A total of 107 persons were participants in or beneficiaries of the plan at the end of the plan year, although not all of these persons had yet earned the right to receive benefits.

The value of plan assets, after subtracting liabilities of the plan, was \$1,391,500 as of December 31, 2022. During the plan year the plan experienced an increase in its net assets of \$546,048. This increase includes appreciation or depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. The plan had total income of \$574,303, including employer contributions of \$111,598, employee contributions of \$623,916, realized gain of \$3,256, and unrealized loss of \$164,467.

NOTE C - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP")

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities and changes in net assets available for benefits. Actual results may differ from those estimates.

Notes Receivable from participants

Participant loans are only permitted after meeting the requirements for loans through the Manager.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits distributions are recorded when paid.

Forfeited Accounts

During the year ended December 31, 2022, none of the non-vested participant account balances from prior years were forfeited.

Information Prepared and Certified by the Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022, the supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

NOTE D- FAIR VALUE MEASUREMENTS

KZ KITCHEN CABINET & STONE 401(k) PLAN
December 31, 2022
NOTE TO FINANCIAL STATEMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels as described by authoritative guidance:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Significant observable inputs other than quoted prices in active markets for which inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable and minimize the use of unobservable inputs.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Assets at Fair Value as of December 31, 2022

KZ KITCHEN CABINET & STONE 401(k) PLAN
December 31, 2022
NOTE TO FINANCIAL STATEMENTS

NOTE F- PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to termination the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contribution.

NOTE G- TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and ERISA and therefore believe that the Plan is qualified and the related trust is tax-exempt. Accordingly, no provision has been made for federal or state income taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor (DOL) or IRS. The Plan is subjected to routine audits by various taxing jurisdictions. There are currently no audits for any tax period as of the date the audit report was ready to be issued.

NOTE H- RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments in mutual funds are managed by Principal Trust Company, the trustee of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulation, are permitted under the provisions of the Plan, and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE I- RISKS AND UNCERTAINTIES

The Plan invests in various investment options in any combination of mutual funds offered by the Plan. Investment securities are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE J- SUBSEQUENT EVENTS

In accordance with accounting standards affecting disclosures of subsequent events, the Plan evaluated subsequent events for recognition and disclosure through August 23, 2023, the date which these financial statements were available to be issued. Management concluded that no material subsequent events have occurred since December 31, 2022 that require recognition or disclosure in such financial statements.
