Independent Auditor's Report

To the Plan Administrator
Arrowhead Systems, Inc. 401(k) Retirement Savings Plan
Oshkosh, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Arrowhead Systems, Inc. 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report.

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 8 to the financial statements, the Plan was merged into another qualified plan effective December 31, 2022. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Arrowhead Systems, Inc. 401(k) Retirement Savings Plan

Notes to Financial Statements

1. Plan Description

The following description of the Arrowhead Systems, Inc. 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of Arrowhead Systems, LLC, f.k.a. Arrowhead Systems, Inc., and its wholly owned subsidiaries, Arrowhead Conveyor Corporation, Busse/SJI Corporation, and A & B Engineering Services LLC (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and subsequent legislation.

On November 24, 2021, the Company was acquired by Regal Beloit America, Inc., a wholly owned subsidiary of Regal Rexnord Corporation. This change in ownership resulted in a name change from Arrowhead Systems, Inc. to Arrowhead Systems, LLC.

The Plan merged with the Regal Rexnord Retirement Savings Plan on December 31, 2022. See further discussion regarding the Plan merger in Note 8.

Eligibility

Employees are eligible to participate in the Plan and share in the Company's matching contribution after completing six months of service and attaining the age of 18.

Employees are eligible to share in the Company's profit sharing contributions after completing 12 months and 1,000 hours of service and attaining the age of 18.

Contributions

Participants are allowed to contribute pre-tax or after tax compensation, not to exceed the limits of the Internal Revenue Code (IRC). The Company match is equal to 25% of the participant's contributions up to a maximum of 6% for Arrowhead Systems, LLC and Arrowhead Conveyor Corporation, and 4% for Busse/SJI Corporation and A & B Engineering Services LLC.

Additionally, the Company may make discretionary profit sharing contributions each Plan year. No profit sharing contributions were made by the Company for the year ended December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution, the employer's matching contributions, and allocations of: (a) the Company's discretionary profit sharing contribution; and (b) the Plan's earnings or losses. Allocations are based on participant earnings or account balances as defined in the Plan document.

Arrowhead Systems, Inc. 401(k) Retirement Savings Plan

Notes to Financial Statements

Vesting

Participants are 100% vested in their individual salary deferrals. Company matching and profit sharing contributions vest at 20% at the end of two years and continue to vest 20% per year each year thereafter, until full vesting is reached at the end of the sixth year.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their account balances into a variety of investment options as more fully described in the Plan's literature. Participants may change their investment options at any time.

Payment of Benefits

On termination of service, death, disability, or retirement, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

During a participant's employment, withdrawals can be made from a participant's account that are attributable to participant's vested contributions and the related earnings thereon, provided the participant has either attained the age of 59½ or is able to demonstrate financial hardship.

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants and are measured at the unpaid principal balance plus unpaid accrued interest. Defaulted loans, if any, are reclassified as distributions based upon the terms of the Plan Agreement.

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. The notes are re-paid ratably through payroll deductions over a period of five years or less, except when a note is used to purchase the principal residence of the participant and may be repaid over a longer term. Interest earned on notes receivable from participants is allocated to the respective investment funds in accordance with participant elections for current contributions.

Forfeited Accounts

Primarily, forfeited amounts are applied to reduce Company contributions or other reasonable plan expenses. In the event that no Company contribution is made for the Plan year, forfeitures may be used to pay reasonable administrative expenses of the Plan. There were \$23,870 and \$31,698 of forfeitures used to reduce employer matching contributions during 2022 and 2021, respectively. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 and \$11,211, respectively.

Notes to Financial Statements

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Concentration of Credit Risk

At December 31, 2021, approximately 12%, 13%, and 12% of the Plan's assets were invested in American Funds 2025 Target Date Retirement Fund Class R-6, American Funds 2030 Target Date Retirement Fund Class R-6, and AB Large Cap Growth Fund Class A, respectively. A significant decline in the market value of the common stock would significantly affect the net assets available for benefits.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset (an exit price) in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses are paid by the Plan to the extent not paid by the Company. Beginning in 2017, the Plan's forfeiture account may be used to pay audit-related expenses. Fees related to the administration of notes receivable from participants and certain fees related to distributions from the Plan are charged directly to the Participant's account.

3. Fair Value Measurement

The Plan follows Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, which established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 - Quoted prices in markets that are not considered to be active, or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust Funds

Common/collective trust funds are valued based on the NAV of units of the common and collective trust funds. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The Plan invests in the Morley Stable Value Fund (the Fund). The Fund invests in fully benefit-responsive investment contracts and security-backed contracts and carries its investments at contract value. Contract value is equal to principal balance plus accrued interest. The crediting interest rate is based on a formula agreed upon by the issuer. The Plan sponsor does not believe that the occurrence of any event limiting the Plan's ability to transact at a contract value with participants is probable.

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021.

<i>December 31, 2021</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 28,458,268	\$ -	\$ -	\$ 28,458,268
Total Investments Included in the Fair Value Hierarchy	\$ 28,458,268	\$ -	\$ -	28,458,268
Investments measured at net asset value				291,626
Total Investments, at fair value				\$ 28,749,894

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate NAV per share (or its equivalent):

<i>December 31, 2021</i>	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Morley Stable Value Fund	\$ 291,626	\$ -	Daily	None
Total	\$ 291,626	\$ -		

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, or any part thereof, or the discontinuance of employer contributions, the rights of all participants affected by such termination shall be fully vested and non-forfeitable.

5. Related Party and Party-In-Interest Transactions

The Plan sponsor, Arrowhead Systems, Inc., pays certain Plan administrative costs. Total administrative fees paid by the Plan were \$78,771 and \$51,521 for the years ended December 31, 2022 and 2021, respectively. Notes receivable from participants are also considered party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

Certain accounting and administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

6. Tax Status

The Internal Revenue Service (IRS) ruled in an opinion letter dated October 6, 2020, that the Non-Standardized Pre-Approved Profit-Sharing Plan (the plan document of Reliance Trust Company upon which the Plan is based) qualifies under Section 401(a) of the IRC and the related trust is, therefore, not subject to tax under present income tax law. The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended subsequent to the IRS ruling. The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee, Reliance Trust Company, has certified that the following data included in the financial statements is complete and accurate.

<i>December 31,</i>	2022	2021
Mutual funds, at fair value	\$ -	\$ 28,458,268
Common/collective trust funds	-	291,626
Notes receivable from participants	-	249,391

Year ended December 31, 2022

Net depreciation in fair value of investments	\$ (5,767,218)
Interest and dividend income	921,403
Interest from notes receivable from participants	12,786

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

8. Plan Merger

The Plan was merged effective December 31, 2022 into the Regal Rexnord Retirement Savings Plan.

The Plan's assets were transferred to the Regal Rexnord Retirement Savings Plan in accordance with the Company's instruction and the Regal Rexnord Corporation Corporate Action Statement. A blackout period began on December 23, 2022, at which time participant-elected transactions were not allowed. All participant balances were mapped or transferred in kind at market value and invested in the Regal Rexnord Retirement Savings Plan by January 3, 2023. The amount transferred out of the Plan on December 30, 2022, aggregated to \$24,055,445, which included receivables of \$47,488 and outstanding loans of \$216,419.

9. Subsequent Events

The Plan's management has evaluated subsequent events through August 29, 2023, the date on which the financial statements were available to be issued.
