INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Hoerbiger U.S. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Hoerbiger U.S. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. **HOERBIGER U.S. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1. DESCRIPTION OF PLAN

The following description of the Hoerbiger U.S. Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Hoerbiger America Holding, Inc., Hoerbiger Corporation of America, Inc., Hoerbiger Service, Inc., Altronic LLC, IEP Technologies, LLC, and Dueblin Company LLC, (collectively, the “Company”) who have three months of service and are age 20 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee has engaged the services of an ERISA section 3(38) investment manager to determine the appropriateness of the Plan’s investment offerings, and monitors investment performance. The Investment Committee will meet periodically throughout the year with the investment manager to review investment results and evaluate current investment offerings.

Although it has expressed no intention to do so, the Company retains the right, if necessary, to terminate the Plan. In the event of the Plan’s termination, all amounts credited to participants’ accounts become fully vested subject to the requirements of ERISA. The Company also retains the right to amend the Plan.

The Company entered into a trust agreement whereby Empower Trust Company LLC (the “Trustee”) has been appointed the trustee of the Plan. Under the terms of the Plan and the trust agreement, the Trustee holds and manages the Plan assets subject to the direction of management of the Company and Plan participants. Empower Retirement Group, a service group of Empower Life & Annuity Insurance Company, has been appointed the service provider for the Plan to provide recordkeeping and other administrative services to the Plan.

Contributions

Each year participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the plan. Automatically enrolled participants have their initial deferral rate set at 6% of eligible compensation and annual automatic 1% increases of their deferral rate up to 10% unless the participant affirmatively elects not to have the automatic increase. Their contributions are invested in a target date fund based on their retirement age until changed by the participant. The Company contributes 65% of the first 6% of eligible compensation that a participant contributes to the Plan. The Company, at its discretion, may declare and fund a retirement plan contribution (“RPC”). The Company declared a RPC of \$2,437,827 and \$1,570,037 for the plan years 2022 and 2021, respectively, which was funded to the Plan in May 2023 and 2022, respectively. Contributions are subject to certain limitations.

Roth deferrals are permitted under the terms of the Plan.

**HOERBIGER U.S. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1. DESCRIPTION OF PLAN (continued)

Contributions from participants are posted when payroll deductions are made. The Plan is required to return contributions received during the Plan year in excess of the Internal Revenue Service ("IRS") limits. Participants' pre-tax contribution limit is \$20,500 for 2022 and \$19,500 for 2021. Participants who have attained the age of 50 during the calendar year are eligible to make catch-up contributions to the Plan. The IRS limit for the catch-up contribution amount is \$6,500 for 2022 and 2021.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer matching and discretionary contributions, as well as the income and losses attributable to the participant's account. All investments in the Plan are participant-directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Elections

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a common collective trust fund, and self-directed brokerage as investment options for participants. A participant may change such allocation at any time directly with the Plan's recordkeeper. All employer contributions are allocated in the same allocation percentages as the employee's contribution.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributed portions of their account plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after completion of two years, and 100% vested after the completion of three years of credited service.

Upon distribution of the account to a participant who separates from service before vesting, the portion of the account attributable to the Company's contributions is forfeited. Forfeited balances of participants' nonvested accounts are used to reduce future Company contributions or pay administrative expenses of the Plan.

Notes Receivable From Plan Participants

Notes receivable from participants consist of participant loans that are secured by the balance in the participant account. Each participant may have one loan outstanding in a rolling 12-month period. The Plan's loan feature allows participants and beneficiaries to borrow up to a maximum amount equal to the lesser of \$50,000 or 50% of their accrued vested benefit. The loans bear interest at rates ranging from 4.25% to 8.00%, which are commensurate with local prevailing rates as determined by the Plan administrator. Loan terms are limited to 5 years except for the purchase of primary residence which has a term of 15 years.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump-sum distribution or installments. The Plan allows for in-service distributions if a participant reaches age 59 ½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan administrator may authorize the benefit payment without the participant's consent.

**HOERBIGER U.S. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1. DESCRIPTION OF PLAN (continued)

Forfeited Accounts

Forfeitures of nonvested participant account balances are included in the unallocated account of the Plan and can be used to pay administrative expenses of the Plan and/or to reduce contributions otherwise required of the employer. At December 31, 2022 and 2021, unallocated forfeited accounts totaled \$646,739 and \$121,385, respectively. During 2022, \$3,327 and \$331,739 of the forfeitures were used to pay Plan expenses and to reduce Company matching contributions, respectively.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis with dividends recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Plan Participants

Notes receivable from Plan participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If any scheduled loan repayments remain outstanding for greater than 90 days, the participant loan will be placed in default, at which time the participant can elect from certain remediation options, including distribution. If no remediation occurs, the loan is reported as a deemed distribution. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Benefit Payments

Benefits are recorded when paid. At December 31, 2022 there were no amounts allocated to accounts of persons who had elected to withdraw from the Plan, but had not been paid.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants, distribution processing, mailing fees, and plan service charges are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Mutual funds:* Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Self-Directed Brokerage Accounts:* Valued at the closing price reported on the active market on which the individual securities are traded. These accounts primarily consist of common stock, preferred stock, mutual funds, money market funds and exchange traded funds.

HOERBIGER U.S. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 3. FAIR VALUE MEASUREMENTS (continued)

- *Common collective trust funds:* The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that a fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a fund, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy, the Plan's net assets at December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 121,724,495	-	-	\$ 121,724,495

**HOERBIGER U.S. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 3. FAIR VALUE MEASUREMENTS (continued)

- (a) In accordance with Accounting Standard Codification ("ASC") Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits. As of December 31, 2022 and 2021, these investments had no unfunded commitments and the redemption frequency and notice period is performed daily.

NOTE 4. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Substantially all information pertaining to the Plan's investments and notes receivable from participants included in the financial statements and supplemental schedule of net assets (held at end of year), including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as completed and accurate by Empower Trust Company LLC, the trustee of the Plan.

NOTE 5. RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan's recordkeeper, trustee and their subsidiaries, as well as the Company and Plan participants, are each a "party-in-interest" to the Plan as defined by ERISA. Fees charged to the Plan for investment management services are reflected as a reduction of the return on each fund or included in administrative fees. Participants are also charged for certain transactions. Each of these transactions qualifies as an exempt party-in-interest transaction under ERISA.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7. TAX STATUS

The Company adopted a prototype 401(k) plan under the Great-West Trust Company Defined Contribution Prototype Plan and Trust. The prototype plan received a favorable determination letter from the Internal Revenue Service dated June 30, 2020, stating that the Plan is designed in accordance with the applicable provisions of the Internal Revenue Code. The Plan is required to operate in conformity with the IRC to maintain its qualification.

Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

**HOERBIGER U.S. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 7. TAX STATUS (continued)

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTE 8. SUBSEQUENT EVENTS

The Company has evaluated subsequent events through August 17, 2023 the date which the financial statements were available to be issued, and has determined that the Plan had no events occurring subsequent to December 31, 2022.
