INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Professional Employer Resources Retirement Savings Plan
Maitland, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Professional Employer Resources Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Professional Employer Resources Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report

We are required to be independent of Professional Employer Resources Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Professional Employer Resources Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Professional Employer Resources Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Professional Employer Resources Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment

information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Professional Employer Resources Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE A – DESCRIPTION OF PLAN

The following description of the Professional Employer Resources Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

1. General

The Plan is a multiple employer defined contribution plan covering substantially all employees of Professional Employer Resources, Inc. (the “Company”) who have one year of service and are age 21 or older. An employer may elect in the adopting agreement to waive the age and/or service eligibility for individuals who are performing services for the adopting employer as of the date the Plan is adopted. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA.)

The Plan was amended effective January 1, 2017 for the inclusion of a safe harbor provision. The Plan was restated on August 1, 2019. Participants should refer to the third amendment to the Plan for more information.

In April 2020, certain provisions under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) relating to participant distributions and participant loans were enacted. The CARES Act allowed for utilization of these provisions immediately. The Plan elected to implement the provisions related to participant distributions and participant loans and has until December 31, 2025 to formally adopt the provisions through an amendment to the Plan.

2. Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants may direct the investment of their contributions into various investment options offered by the plan. The Company may make matching contributions of an amount equal to a percentage an adopting employer may from time to time deem advisable. The Company may make discretionary contributions which are determined annually by the adopting employer. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are subject to certain limitations.

3. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's contributions and (b) Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit in which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

4. Vesting and Forfeitures

Participants are immediately vested in their voluntary contributions plus actual earnings thereon, as well as any safe harbor employer contributions. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service. Forfeitures shall be used to pay the Plan's ordinary and necessary administrative expenses and then to reduce the matching contribution of the Company.

5. Investments

The Plan is participant directed and participants may invest their contributions in any of the investment funds offered by the Plan. The Plan's trustee as of December 31, 2022 and 2021 was Charles Schwab Trust Bank.

NOTE A – DESCRIPTION OF PLAN (continued)

6. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of 50% of their vested account balance or \$50,000. Loans are treated as an investment option of the participant's account.

Only the borrowing participant's account shares in the interest paid on the loan or bears any expense or loss incurred because of the loan. Loans bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Loan terms are for a maximum of five years except for the purchase of a principal residence which may be for a maximum of 15 years. Principal and interest is paid ratably through biweekly payroll deductions.

7. Distribution of Benefits

Payment of the participant's entire account balance under the Plan is available only upon retirement, termination of employment, the attainment of age 59 ½, death or total disability. The only available form of distribution is a lump sum payment.

Beneficiaries of participants, who die while participating in the Plan, or before all benefits are paid, will be entitled to receive the entire remaining account balance. In the event of death or permanent and total disability, the full value of the participant's account balance will be available to be distributed in a single lump sum. Upon attainment of age 59 ½ employees may elect to withdraw all or a portion of their entire account balance without penalty while still employed by the Company.

The Plan's provisions provide for hardship withdrawals for certain qualifying events as more specifically described in the Plan document.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements of the Plan have been prepared under the accrual basis of accounting.

2. Payment of Benefits

Benefits are recorded when paid.

3. Notes Receivable from Participants

In accordance with Financial Accounting Standards Board (FASB) ASU 2010-25, *Reporting Loans to Participants by Defined Contribution Pension Plans*, the Plan has classified loans to participants as notes receivable. The loans are recorded at principal plus any accrued and unpaid interest. Interest income is recorded when earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Professional Employer Resources Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

4. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates and assumptions.

5. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on the settlement date. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

6. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

7. Subsequent Events

The Plan has evaluated subsequent events through September 1, 2023, the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments without quoted market prices, but for which all significant inputs are observable, either directly or indirectly.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE C – FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Cash and cash equivalents: Money market funds valued at the daily closing price as reported by the fund.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust fund (CCT): Valued based on the underlying investments (i.e., common stock, mutual funds, short-term securities). While the majority of the underlying assets values are based on quoted prices, the NAV of the CCT is not publicly traded. The NAV is reported by the trustee of the Plan as of the financial statement date based on recent transaction prices. The CCT held by the Plan provide for daily redemptions at NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. There are no unfunded commitments. The investments in CCT totaling \$328,912 and \$85,744 as of December 31, 2022 and 2021, respectively, are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient and, therefore, have not been categorized in the fair value hierarchy.

Self-directed brokerage account: Consists of exchange-traded-funds (ETFs) that are valued on the basis of readily determinable market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table discloses, by level, the fair value hierarchy, of the Plan's assets at fair value:

Fair Value Measurements as of December 31, 2022				
Description	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	\$ 334	\$ -	\$ -	\$ 334
Self-directed brokerage account	17,580	-	-	17,580
Mutual funds	7,317,552	-	-	7,317,552
	<u>\$ 7,335,466</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,335,466</u>

Fair Value Measurements as of December 31, 2021				
Description	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	\$ 30,579	\$ -	\$ -	\$ 30,579
Mutual funds	8,625,339	-	-	8,625,339
	<u>\$ 8,655,918</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,655,918</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2022, are reported in net increases (decreases) in fair value of investments.

Professional Employer Resources Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE D – INFORMATION CERTIFIED BY CHARLES SCHWAB TRUST BANK (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified to as being complete and accurate by the trustee as of December 31, 2022 and 2021 and for the year ended December 31, 2022, and was not subject to any auditing procedures performed by the independent auditors.

	2022	2021
Investments, at fair value	\$ 7,664,378	\$ 8,741,662
Net depreciation in fair value of investments	(1,729,886)	N/A
Interest and dividend income	208,843	N/A

NOTE E – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes of risk associated with certain investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE F – PLAN TERMINATION

It is the intention of the Company to continue the Plan; however, the Company has the right to terminate the Plan at any time, subject to the provisions and penalties set forth by ERISA and the Internal Revenue Code. In the event of Plan termination, participants would become 100% vested in the Company contributions.

NOTE G – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated September 8, 2013, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

In accordance with guidance on accounting for uncertainty in income taxes (FASB ASC 740-10), the Plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE H – ADMINISTRATION OF PLAN ASSETS

Charles Schwab Trust Bank is the trustee of the Plan. Plan investments at December 31, 2022 and 2021, included units of mutual funds and common collective trust funds, managed by the trustee. In addition, the Company pays for the cost of the Plan's audit and certain other consulting fees.
