Independent Auditor's Report

To the Plan Administrator
 Weleski Transfer, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Weleski Transfer, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company, a qualified institution, as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Weleski Transfer, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Weleski Transfer, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(continued)

Independent Auditor's Report

(continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Weleski Transfer, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Weleski Transfer, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and the Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter — Supplemental Schedules Required by ERISA (continued)

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WELESKI TRANSFER, INC. 401(k) PROFIT SHARING PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION

The following description of the Weleski Transfer, Inc. 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan covering substantially all employees of Weleski Transfer, Inc. and related companies, Sub Management, Inc., Weleski Self Storage, Inc., Weleski Transfer, Inc. of Cleveland, Weleski Transfer, Inc. of Johnstown and Walmart, Inc. (Company) who have completed six months of service, except any employee who is employed as a clerk or laborer, because these are ineligible classes of employees according to the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan agreement utilized a nonstandardized prototype sponsored by Fidelity Management and Research Company. Fidelity Management Trust Company (Fidelity) is the recordkeeper and trustee of the Plan. The administrator of the Plan is the Company. Weleski Transfer Inc. is the Plan sponsor.

Contributions

Plan participants may contribute up to 100% of their annual compensation on a pretax and/or after-tax basis, as defined in the Plan document, subject to certain limitations under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, subject to limitations under the IRC. The Plan has an automatic enrollment feature, whereby employees who met the eligibility requirements will be automatically enrolled unless the employee affirmatively elects otherwise. Employees who are automatically enrolled will have 2% of their eligible compensation withheld as a pretax salary deferral and their contributions invested in a designated fund until changed by the participant. Participants may also contribute rollover distributions from other qualified defined benefit or contribution plans.

For the years ended December 31, 2022 and 2021, the Company made discretionary matching contributions equal to \$0.20 on the \$1.00 on the first 5% of compensation that a participant contributed to the Plan. The Company may also elect to contribute discretionary nonelective employer contributions (profit sharing) each Plan year. No such profit sharing contributions were awarded for the years ended December 31, 2022 and 2021.

Participants direct the investment of their contributions including Company contributions into various investment options offered by the Plan. Participants may change their investment election for future contributions, or the percentage(s) invested in each of these options or transfer funds among these options on any business day. All investments are participant-directed.

Participant Accounts

Individual accounts are maintained for each Plan participant to reflect the participant's contributions, the Company's related discretionary matching and profit sharing contributions and the net investment income (loss) attributable to the participant's account. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTE 1 – PLAN DESCRIPTION (continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000, or 50% of their vested account balance, whichever is less. Loan terms generally range from one to five years but can be up to ten years for the purchase of a primary residence. A participant may not have more than one outstanding loan at a time. Loans are secured by the balance in the participant's account and bear interest at 1% plus the prime rate published in the Wall Street Journal on the first business day of the month before the loan is originated. Principal and interest are paid ratably through payroll deductions. Upon termination of employment, loans will immediately become payable. If a loan is not repaid within a reasonable time following termination of employment, the loan will be recorded as a distribution against the participant's vested account balance.

Vesting

Participants are vested immediately in their elective deferral contributions, including rollovers and catch-up contributions, and actual earnings thereon. Vesting in the Company's discretionary matching and profit-sharing contribution portions of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service. Additionally, participants will become 100% vested regardless of years of completed service, in the year of their death, disability and or retirement. The vesting schedule is as follows:

Employer Matching and Profit Sharing Accounts	
<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

Benefits may be distributed to participants, spouses or designated beneficiaries, as appropriate, upon normal retirement (age 65), early retirement (age 62 with one year of vested service), death, disability or termination of employment. Prior to termination of service, participants who have attained the age of 59½ may make in-service withdrawals from all vested accounts. Payments are in the form of a lump-sum payout or in partial withdrawals of the participant's account balance or over a period determined by the Plan administrator. The Plan provides for required minimum distributions commencing at age 72 for certain participants. The Plan provides participants may make emergency withdrawals from the Plan to meet certain hardships. The permitted hardships are defined by the Internal Revenue Service (IRS) and the requirements are strict.

Forfeitures

Participant account balances which are not 100% vested upon termination of services are forfeited. Forfeitures can be used to pay for Plan administrative expenses or to reduce the Company's contributions due. As of December 31, 2022 and 2021 the forfeiture account balance was \$3,865 and \$2,212, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and reported changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in all of the funds, except for the Lincoln Fixed Account, which is a stable value common collective trust fund, are presented at fair value, based on quoted market prices of the underlying securities within each fund at December 31, 2022 and 2021. Shares of mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end. Participant loans are valued at amortized cost which represents fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Lincoln Fixed Account is reported at fair value by calculating the NAV per share (or its equivalent) in a manner consistent with the measurement principles of ASC 946 *Financial Services Investment Companies*. As required by ASC 946, the NAV calculated by the fund is based on “net assets”, which includes fully benefit-responsive investment contracts at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

GAAP establishes a framework for measuring fair value that requires or permits fair value measurement and enhances disclosures about fair value measurements. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy, which requires an entity to maximize the use of observable inputs when measuring fair value. The required disclosures concerning inputs used to measure fair value are included in Note 8.

Payment of Benefits

Benefits are recorded when paid by the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. Delinquent notes receivable from participants are recorded as distributions based upon terms of the Plan document.

WELESKI TRANSFER, INC. 401(k) PROFIT SHARING PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Plan Administration Costs

Certain costs of administering the Plan are paid either by the Plan or the Company, as defined by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) in fair value of investments presented in the accompanying statements of changes in net assets available for benefits. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Subsequent Events

The Plan evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

NOTE 3 – INCOME TAX STATUS

The underlying nonstandardized prototype plan has received an opinion letter dated June 30, 2020, from the IRS that stated that the Plan and related Trust are designed in accordance with applicable sections of the IRC. Subsequent to the receipt of the determination letter from the IRS, the Plan has been amended. The Plan is required to operate in conformity with the IRC to maintain its qualification. We are aware of certain operational issues that, if not properly corrected, could be treated by the IRS as a qualification failure. We will be taking steps to correct these issues. If necessary, the tax qualification issues will be resolved directly with the IRS. Accordingly, we believe that the Plan and Trust will retain its tax-qualified status.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position, that more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress. The Plan administrator believes it is no longer subject to tax examinations for the years prior to 2019.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their investments including employer discretionary accounts.

NOTE 5 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 – SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all asset information disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2022 and 2021 and net appreciation (depreciation) in fair value of investments, interest and dividend income and notes receivable from participants for the years then ended, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.

NOTE 7 – LIFE INSURANCE POLICY

Through December 31, 2003, the Plan offered participants the option to purchase whole life, flexible premium insurance policies through the Plan. Premiums paid for the respective policies were allocated to the respective participants' accounts. As of January 1, 2004, this option was no longer offered. At that time, participants were given the option to keep their investment in these insurance policies, to rollover their balances into one or more of the investment options available to rollover their balances into an individual investment account outside the Plan, or to cash out their policies. As of December 31, 2022, one participant has an insurance policy in the Plan.

December 31, 2022 and 2021

NOTE 8 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement ASC 820, *Fair Value Measurements* (FASB ASC 820), establishes a framework for measuring fair value and requires certain disclosures about the fair value measurement (see Note 2). The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Mutual funds* - Valued at the NAV of shares held by the Plan at year-end. The NAV is based upon quoted market prices.
- *Wilcac Life insurance contract* - Valued at fair value by calculating the net cash value. This asset has been classified within Level 3 of the valuation hierarchy.
- *Lincoln Fixed Account* - A stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidation will be carried out in an orderly business manner.

WELESKI TRANSFER, INC. 401(k) PROFIT SHARING PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 8 – FAIR VALUE MEASUREMENTS (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

NOTE 9 – PARTY-IN-INTEREST TRANSACTIONS

Fees paid during 2022 and 2021 for professional, administrative and custodial services were paid by the Plan based on customary and reasonable rates for services. While these transactions qualify as party-in-interest activity, they are expressly exempt from the prohibited transaction rules. Fidelity is the Plan's trustee and recordkeeper. During the years ended December 31, 2022 and 2021, the Plan's investments included shares of portfolios managed by Fidelity and, therefore these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. Administrative fees paid by the Plan to Fidelity amounted to \$28,407 and \$28,552 for the years ended December 31, 2022 and 2021, respectively.

NOTE 10 – PROHIBITED TRANSACTIONS

During the Plan years ended December 31, 2022, 2021 and 2020, there were unintentional delays by the Plan Sponsor in remitting employee contributions to the Plan. Total employee contributions not remitted timely to the Plan for the years ended December 31, 2022, 2021 and 2020 amounted to \$537, \$1,226 and \$1,947, respectively. The Plan Sponsor has chosen to self-correct under the Employee Plan Compliance Resolution System (EPCRS) Self-Correct Program (SCP). The Plan Sponsor plans to remit the missed employee contributions and lost earnings to the Plan prior to December 31, 2023.

NOTE 11 – PLAN AMENDMENTS

The Plan was amended and restated on April 19, 2022 to comply with IRS regulations.

The Plan has implemented certain provisions of the Coronavirus Aid, Relief and Economic Security (CARES) Act and the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019, which allows certain eligible individuals to receive coronavirus-related relief for loan repayment, suspended required minimum distributions, and delayed the commencement date for required minimum distributions. Effective March 27, 2020, the Plan adopted the distribution provision of the CARES Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020 without being subject to the section 72(t) 10% additional tax for early distributions.

The act also permits the distributions to be repaid at any time over a three-year period to an eligible retirement plan. The legislation also allows loans of up to \$100,000 or 100% of the participant's vested account balance for loans made between March 27, 2020 through September 22, 2020

Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with law and IRS guidance.
