Independent Auditor's Report

Board of Directors
Bronson & Bratton, Inc.
Burr Ridge, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Bronson & Bratton, Inc. Employees' Retirement Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bronson & Bratton, Inc. Employees' Retirement Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bronson & Bratton, Inc. Employees' Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bronson & Bratton, Inc. Employees' Retirement Savings Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bronson & Bratton, Inc. Employees' Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bronson & Bratton, Inc. Employees' Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Bronson & Bratton, Inc.
Employees' Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

Note 1: Description of the Plan

The following brief description of the Bronson & Bratton, Inc. Employees' Retirement Savings Plan (Plan) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

General

The Plan is a defined contribution plan covering all eligible employees of Bronson & Bratton, Inc. (Company). It is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA) and subsequent regulations. The Plan also provides for pre-tax employee contributions under Internal Revenue Code Section 401(k). Great-West Trust Company, LLC is the trustee of the Plan as of December 31, 2021, and for the period January 1, 2021 to December 31, 2021. Empower Trust Company, LLC is the trustee of the Plan as of December 31, 2022, and for the period January 1, 2022 to December 31, 2022.

Eligibility

Effective January 1, 2018, eligibility to participate in the Plan is limited to employees, as defined, who have 90 days of service.

Contributions and Investment Earnings

Participants may contribute up to 50% of eligible compensation, subject to applicable ceilings imposed by the Internal Revenue Code (Code). Participants may elect to contribute pre-tax earnings, after-tax earnings or a combination of both. The Plan allows additional employee contributions under "catch-up" provisions of the Code for participants who are at least 50 years old. Participants may also contribute amounts representing rollover contributions from another qualified plan. The Company's matching contribution is 25% of employee salary deferral, up to \$750 per year. The Company's profit-sharing contribution is determined by the Board of Directors. Profit sharing contributions are allocated to each participant in the proportion that his or her earnings bear to the aggregate earnings of all participants. Forfeitures are allocated on the same basis as the employer's profit-sharing contributions. Net investment earnings are allocated based on the participant's pro-rata share of trust assets on a daily basis.

For the year ended December 31, 2022, the Company contributed \$212,829 to the Plan.

Vesting

Participants are immediately vested in their voluntary contributions and earnings thereon. Vesting in the remainder of their account is based upon continuous years of service. A participant is 100% vested after six years of credited service.

Notes to Financial Statements
December 31, 2022 and 2021

Payment of Benefits

Upon termination of employment, participants will receive their benefits in a lump sum or may elect to defer payment if their vested balance exceeds \$1,000. Participants who have elected to defer payment of benefit, may also elect to receive benefit payments on a quarterly basis with one payment per quarter and a minimum distribution payment of \$1,000. Participants who have vested balances equal to or less than \$1,000 will receive an involuntary distribution.

Administrative Expenses

Certain administrative expenses relating to the Plan are paid by the Company. Expenses incurred by the Plan pertain to loan set up and maintenance fees and certain investment fees. The investment fees are netted against the net investment income (loss).

Forfeited Accounts

At December 31, 2022 and 2021, the Plan had \$2,834 and \$637, respectively, of remaining nonvested forfeitures available for future use. Forfeitures may be used to reduce future employer contributions or may be reallocated to participants. In 2022, employer contributions were reduced by \$2,430 from forfeited nonvested accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. See Note 3 for information regarding fair value measurements of the Plan's investments.

Bronson & Bratton, Inc.
Employees' Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions.

Note 3: Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted market prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in methodologies used at December 31, 2022 and 2021.

The fair value of shares of mutual funds is determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

The money market fund is carried at cost, which approximates fair value (Level 1 inputs).

The fair value of the self-directed brokerage accounts is based on the underlying investments. The investments in securities are traded on national exchanges and active dealer markets and are classified in Level 1 of the fair value hierarchy.

The fair value of the Plan's investment in life insurance contracts is reported at the cash surrender value, as determined by the life insurance company (Level 3 inputs). The cash surrender value is determined by the insurance company's valuation model, which factors in mortality tables, passage of time, interest rates, paid-up additions and dividend accumulations.

Employees' Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

		Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets for Identical Assets/ Liabilities (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

December 31, 2022 and 2021

Changes in fair value of assets measured on a recurring basis using significant unobservable inputs (Level 3) for the years ended December 31, 2022 and 2021, are as follows:

	Cash Surrender Value of Life Insurance Contracts
January 1, 2021	\$ 102,800
Transfer out of Level 3	(30,068)
Dividend income	<u>2,254</u>
December 31, 2021	74,986
Dividend income	<u>2,845</u>
December 31, 2022	<u><u>\$ 77,831</u></u>

The following table represents the Plan's Level 3 financial instruments, the valuation techniques used to measure fair value of those financial instruments and the significant unobservable inputs and the range of significant input values for those inputs as of December 31, 2022 and 2021:

Instrument	Fair Value	Principal Valuation Technique	Unobservable Inputs	Range of Significant Input Values

Note 4: Certification of Plan Trustee

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC, the trustee of the Plan as of December 31, 2021, and for the period January 1, 2021 to December 31, 2021 and Empower Trust Company, LLC, the trustee of the Plan as of December 31, 2022, and for the period January 1, 2022 to December 31, 2022, qualified institutions, have certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income (loss) components and interest income from notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investment information and notes receivable from participants included in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related information included in the financial statements and ERISA-required supplemental schedule.

Note 5: Participant Notes Receivable

Participants are allowed to borrow up to the lesser amount of \$50,000 or one-half of their vested account balance. Loans are secured by the balance of the participant's account and bear interest at Prime Rate, as published by *The Wall Street Journal* on the date of the loan, plus 1%. Loan proceeds, payments and interest are charged/credited directly to the borrower's account. Loans outstanding at December 31, 2022, bear interest from 4.25% to 6.50%. Principal and interest is paid ratably through payroll deductions.

Note 6: Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust document sponsored by Great-West Trust Company, LLC. This prototype plan document has been filed with the appropriate agency and the sponsor has obtained an opinion letter from the Internal Revenue Service stating that the prototype constitutes a qualified plan under

Bronson & Bratton, Inc.
Employees' Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

Section 401 of the Internal Revenue Code (Code) and that the related trust was tax exempt as of the financial statement date.

Note 7: Plan Termination

While the Company expects to continue the Plan, it reserves the right to terminate the Plan at any time by action of its Board of Directors. In the event of termination, net assets of the Plan shall be allocated among the participants and beneficiaries of the Plan in the order provided by ERISA. In the event of plan termination, participants will become 100% vested in their Company contribution accounts.

Note 8: Transactions With Parties-in-Interest

Certain plan investments are shares of mutual funds managed by Empower Trust Company, LLC, at December 31, 2022 and Great-West Trust Company, LLC, at December 31, 2021. Empower Trust Company, LLC, and Great-West Trust Company, LLC are the trustees for the plan. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan rendered by parties-in-interest during 2022 were \$48,744. The Company provides certain administrative services at no cost to the Plan.

Note 9: Risks and Uncertainties

The Plan provides for investments that, in general, are exposed to various risks such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Note 10: Excess Contributions Payable

Contributions received from participants for 2022 are net of payments of \$3,250 made on March 7, 2023, to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. Excess contributions payable at December 31, 2021 of \$14,217 were paid on March 2, 2022.
