INDEPENDENT AUDITORS' REPORT

Plan Administrator
Bear Cat Mfg., Inc. Profit Sharing Saving Plan
Wickenburg, AZ

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Bear Cat Mfg., Inc. Profit Sharing Saving Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 30, 2022 and December 31, 2021, and the related statements of changes in net assets available for benefits for the period ended December 30, 2022 and year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bear Cat Mfg., Inc. Profit Sharing Saving Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 30, 2022 and December 31, 2021, and for the period ended December 30, 2022 and year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bear Cat Mfg., Inc. Profit Sharing Saving Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As described in Note 1 and Note 6 to the financial statements, the Plan administrator authorized the merger of the assets into another plan on November 23, 2021. On January 3, 2022, assets in the amount of \$7,542,746 were transferred from the Plan. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bear Cat Mfg., Inc. Profit Sharing Saving Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bear Cat Mfg., Inc. Profit Sharing Saving Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bear Cat Mfg., Inc. Profit Sharing Saving Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Plan Administrator
Bear Cat Mfg., Inc. Profit Sharing Saving Plan

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

BEAR CAT MFG., INC. PROFIT SHARING SAVING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 30, 2022 AND DECEMBER 31, 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of Bear Cat Mfg., Inc. Profit Sharing Saving Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally effective January 1, 1981. and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan has been amended throughout the years to comply with tax legislation and was most recently amended January 1, 2021. For the purpose of this Plan, a trust known as the Bear Cat Mfg., Inc. Profit Sharing Saving Plan has been created to receive all contributions and to pay all benefits under the Plan.

The Plan administrator elected to merge this plan into the Etnyre International Profit Sharing and Retirement Savings Plan effective January 1, 2022.

Eligibility

Employees of Bear Cat Mfg., Inc. are eligible to participate in the deferral and match components of the Plan the first of the month following three months of service. Participants are eligible for the discretionary Company contribution if they meet the eligibility requirements above, have completed a minimum of 1,000 hours of service and are employed on the last day of the Plan year.

Contributions

Participants Contributions

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) or Roth contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Matching Contribution

The Company may, at its discretion, elect to make a qualified matching contribution to the Plan. For the period ended December 30, 2022 and year ended December 31, 2021, the Company matching contribution was 50% of the first 5% of eligible compensation deferred that a participant contributes to the Plan. The Company made matching contributions of \$- and \$47,212 during the period ended December 30, 2022 and year ended December 31, 2021, respectively.

Discretionary Contribution

The Company also funds the Plan by a discretionary profit sharing contribution as declared by the Board of Directors. Participants must work 1,000 hours during the year and be employed on the last day of the Plan year or have retired at normal retirement age during the Plan year to be eligible for an allocation of the profit sharing contribution.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 30, 2022 AND DECEMBER 31, 2021

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Discretionary Contribution (Continued)

Discretionary contributions are invested in the same options as participant contributions at the participant's discretion. The Company made discretionary contributions of \$- and \$361,013 during the period ended December 30, 2022 and year ended December 31, 2021, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, an allocation of the Company's profit sharing contribution, and an allocation of Plan earnings or losses, and reduced for certain fees. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Participants are immediately vested in their elective contributions plus actual earnings thereon. Participants' interests in their share of the Company matching and profit sharing contribution vest in accordance with the following schedule based on years of credited service (1,000 hours worked during the plan year).

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 Years	0%
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 Years or More	100%

If an active participant dies prior to attaining normal retirement age, the participant's vesting percentage shall be 100%. Full vesting also occurs upon attainment of age 65 or termination of employment due to disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions. At December 31, 2021 interest rates on participant loans ranged from 4.25% to 6.5%.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments

Benefits are payable to the participant upon:

- (a) Death or retirement from the service of Company on or after normal retirement date (age 65) or on account of disability; or
- (b) Resignation or dismissal from the service of Company prior to normal retirement date.

If the benefits are payable in the event of (a) above, the amount of the benefits would be equal to the then balance in the participant's accounts. However, if (b) is applicable, the benefits payable would be the total of the participant's own contributions, and the Company matching and discretionary contributions, up to the amount of vested interest in the discretionary contributions. Benefits may be paid in either a lump-sum payment or substantially equal installments over a period of time not exceeding the participant's life expectancy or the joint life expectancy of the participant and the beneficiary. Payments may be made in cash or rollover to another qualified retirement plan. Each participant or former participant may, in writing, designate a beneficiary or beneficiaries to whom distributions of the participant's interest in the Trust shall be made in the event of the participant's death.

Upon reaching 59½ years of age, participants may elect to make a withdrawal of the entire balance of their account. Upon any distribution, the normal form of payment to a single participant is a lump sum and to a married participant is a joint and survivor annuity. Participants may elect installment payments over a period not to exceed the life expectancy of the participant and their designated beneficiary or a single sum. Married participants need spousal consent for the election of any option. Benefits of \$1,000 or less will always be paid in a single sum. The Plan also allows hardship distributions subject to Plan provisions.

Forfeited Accounts

At December 30, 2022 and December 31, 2021, the balance of forfeited nonvested accounts totaled \$-0- and \$39,229, respectively. Forfeitures can be used to reduce administrative expenses or to reduce future Company contributions. There was \$-0- and \$62,567 of forfeitures used to pay administrative expenses for the period ended December 30, 2022 and year ended December 31, 2021, respectively. There was \$-0- and \$70,000 of forfeitures used to reduce Company contributions for the period ended December 30, 2022 and year ended December 31, 2021, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America.

BEAR CAT MFG., INC. PROFIT SHARING SAVING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 30, 2022 AND DECEMBER 31, 2021

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 30, 2022 and December 31, 2021. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

The expenses of administering the Plan, including investment fees, are paid by the Plan and Plan Sponsor.

Subsequent Events

The Plan has evaluated subsequent events through August 25, 2023, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Matrix Trust Company, the qualified institution of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 30, 2022 and December 31, 2021 and the statements of changes in net assets available for benefits for the period and year then ended.

BEAR CAT MFG., INC. PROFIT SHARING SAVING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 30, 2022 AND DECEMBER 31, 2021

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 30, 2022 and December 31, 2021.

Interest-Bearing Cash: Investments in interest-bearing cash are valued based on cost, which approximates fair value in a noninflationary economy and is protected by the Federal Deposit Insurance Corporation (FDIC).

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

BEAR CAT MFG., INC. PROFIT SHARING SAVING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 30, 2022 AND DECEMBER 31, 2021

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 1,586	\$ -	\$ -	\$ 1,586
Interest Bearing Cash	4			4
Total Investments at Fair Value	<u>\$ 1,590</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,590</u>

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 PLAN MERGER

The Plan administrator authorized the merger of assets from the Plan into the Etnyre International Profit Sharing and Retirement Savings Plan. On January 3, 2022, assets in the amount of \$7,542,746 were transferred from the Plan. All Plan participants were credited with their existing vesting service upon the merger of the Plan.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the participants would become 100% vested in their Company contributions. As previously noted, the Plan merged into the Etnyre International Profit Sharing and Retirement Savings Plan in 2022.

NOTE 8 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated June 30, 2020 from the IRS indicating that the Plan is designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

BEAR CAT MFG., INC. PROFIT SHARING SAVING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 30, 2022 AND DECEMBER 31, 2021

NOTE 8 PLAN TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 PARTY-IN-INTEREST TRANSACTIONS

The Plan investments are managed by Matrix Trust Company, the qualified institution of the Plan. Therefore, these investment transactions qualify as party-in-interest transactions. Fees paid by the Plan to qualified institution amounted to \$1,668 and \$62,597 for the period ended December 30, 2022 and year ended December 31, 2021, respectively.

Certain administrative functions are performed by officers or employees of the Company for which no compensation is received.
