Part I Service Provider Information (see instructions)

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

Plan Administrator  
Trilliant Food & Nutrition 401(k) Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audits of the financial statements of Trilliant Food & Nutrition 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the

purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other matter - supplemental schedules required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Trilliant Food & Nutrition 401(k) Plan**

### **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2022 and 2021**

#### **NOTE A - PLAN DESCRIPTION**

The following brief description of the Trilliant Food & Nutrition 401(k) Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### ***General***

The Plan is a salary deferral plan covering employees of Trilliant Food & Nutrition, LLC and Horseshoe Beverage Company, LLC (collectively, Plan sponsor or Company) who have attained the age of 21 and have been credited with 60 days of service. The Plan is a qualified plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). An employee is eligible to participate on the first day of each Plan quarter after 60 days of employment.

##### ***Plan Administration***

The Company is the administrator of the Plan. Alerus Retirement and Benefits is the record keeper and Alerus Financial, N.A. is the trustee of the Plan.

##### ***Participation and Contributions***

Participants may elect to defer up to 100% of their compensation on a pretax basis, not to exceed the maximum amount allowed under the Internal Revenue Code (IRC). The Plan currently offers a variety of investment options for participants. Participants may change their investment options daily.

All newly eligible participants are automatically enrolled in the Plan at an employee deferral contribution rate of 5% of eligible compensation. In general, such automatic enrollment will be effective the first day of the Plan quarter coinciding with or next following the date the eligibility requirements are met, unless the participant elects to participate at a different rate or elects to opt out of enrollment.

The Plan allows participants to make Roth contributions. Roth contributions are elective deferrals that are made in the same manner as pretax elective deferrals. The sum of their Roth contribution and regular pretax 401(k) contributions may not exceed the annual limit on regular pretax 401(k) contributions.

Participants are eligible to receive employer matching contributions on the first day of the Plan quarter coinciding with or next following the date the eligibility requirements are met. The matching contribution is equal to 100% of the first 3% of the participant's elective deferral contribution, plus 50% of the participant's elective deferral in excess of 3%, not to exceed 5% of the participant's compensation for the Plan year. The employer match is done on a per payroll basis. The employer matching contribution was \$1,435,749 and \$1,300,588 for the years ended December 31, 2022 and 2021, respectively.

The Company may also make discretionary profit sharing contributions. Participants are eligible to receive profit sharing contributions after completion of 1,000 hours of service in the applicable Plan year and must be employed by the Company on the last day of the Plan year. No employer profit-sharing contributions were made for the years ended December 31, 2022 and 2021.

The Company may make an additional discretionary matching contribution to the Plan upon approval of the Company. There was no discretionary matching contribution made for the years ended December 31, 2022 and 2021.

##### ***Participant Accounts***

Each participant's account is credited with the participant's contributions, the Company's matching and profit sharing contributions, investment earnings (losses), and charged with benefit payments and

administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### ***Vesting of Benefits***

Participants are immediately vested in their rollover contributions, voluntary contributions plus actual earnings thereon, employer matching contributions plus actual earnings thereon, and profit sharing contributions plus actual earnings thereon.

#### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The participant may not have more than two outstanding loans. Loan terms may not exceed five years unless such loan is used to acquire a dwelling unit which, within a reasonable time, will be used as the participant's principal residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Interest rates range from 4.25% to 6.50% at December 31, 2022. Principal and interest are paid ratably through payroll deductions.

#### ***Benefits***

The Plan provides for withdrawals upon retirement, termination, disability, hardship or death. Normal retirement is on or after age 60. Withdrawals during employment of tax-deferred contributions may be made if the employee can prove financial hardship or if the employee has attained age 59. Hardship withdrawals do not require a deferral suspension period. Upon termination of employment for reasons other than retirement, death or disability, the accrued benefit will be all of the participant's contributions and all related earnings and losses. Payments may be made in the form of a lump sum or installment payments.

The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) changed the age at which participants are required to take required minimum distributions from their accounts. Under the law, participants' required minimum distributions may not be deferred past April 1 following the year in which the participant reaches the age of 72.

### **NOTE B - SIGNIFICANT ACCOUNTING POLICIES**

The Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows.

#### ***Basis of Accounting***

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

#### ***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

#### ***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant's loan to be in default, the participant's loan balance is reduced, and a benefit payment is recorded. Delinquent notes receivable from participants are recorded as benefit payments based upon the terms of the Plan.

#### ***Payment of Benefits***

Benefits are recorded when paid.

#### ***Administrative Expenses***

The Plan pays certain administrative costs and are expensed when incurred. Other expenses are paid by the Plan sponsor.

### **NOTE C - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to amend, terminate or merge the Plan and discontinue its contributions at any time subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to participants' accounts will remain 100% vested.

### **NOTE D - FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board (FASB) provides a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quote prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

# Trilliant Food & Nutrition 401(k) Plan

## NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds - Valued at the net asset value (NAV) of shares held by the Plan at year end, as based on quoted market data.

Pooled separate accounts - Valued at the NAV of shares, which is calculated based on the valuation of the fund's underlying investments at fair value at the end of the year. As allowed under FASB guidance, fair value was determined using a practical expedient.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

|                                                                     | Level 1       | Level 2 | Level 3 | Total         |

### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

#### **NOTE E - INCOME TAX STATUS**

The prototype defined contribution plan and trust adopted by the Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated the prototype plan and trust are designed in accordance with applicable sections of the IRC. The Company has determined that the Plan is eligible to and has chosen to rely on the current IRS opinion letter. The Plan has adopted certain discretionary amendments. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **NOTE F - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Transactions involving funds administered by Alerus Financial, N.A., the trustee of the Plan, are considered party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of ERISA regulations.

The Plan allows participants to take out loans, which are also party-in-interest transactions.

#### **NOTE G - INFORMATION CERTIFIED BY THE TRUSTEE**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified that the following data included in the financial statements and supplemental schedule is complete and accurate:

- Cash, investments, at fair value, notes receivable from participants, interest and dividends receivable and due to brokers, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2022.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary schedule.

**December 31, 2022 and 2021**

**NOTE H - RISKS AND UNCERTAINTIES**

***Fair Value Measurement***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE I - SUBSEQUENT EVENTS**

Plan management evaluated the Plan's December 31, 2022 financial statements for subsequent events through August 16, 2023, the date the financial statements were available to be issued. The Plan administrator is not aware of any subsequent events, which would require recognition or disclosure in the financial statements.

**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

Plan Administrator  
Trilliant Food & Nutrition 401(k) Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audits of the financial statements of Trilliant Food & Nutrition 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the

purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other matter - supplemental schedules required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Trilliant Food & Nutrition 401(k) Plan**

### **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2022 and 2021**

#### **NOTE A - PLAN DESCRIPTION**

The following brief description of the Trilliant Food & Nutrition 401(k) Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### ***General***

The Plan is a salary deferral plan covering employees of Trilliant Food & Nutrition, LLC and Horseshoe Beverage Company, LLC (collectively, Plan sponsor or Company) who have attained the age of 21 and have been credited with 60 days of service. The Plan is a qualified plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). An employee is eligible to participate on the first day of each Plan quarter after 60 days of employment.

##### ***Plan Administration***

The Company is the administrator of the Plan. Alerus Retirement and Benefits is the record keeper and Alerus Financial, N.A. is the trustee of the Plan.

##### ***Participation and Contributions***

Participants may elect to defer up to 100% of their compensation on a pretax basis, not to exceed the maximum amount allowed under the Internal Revenue Code (IRC). The Plan currently offers a variety of investment options for participants. Participants may change their investment options daily.

All newly eligible participants are automatically enrolled in the Plan at an employee deferral contribution rate of 5% of eligible compensation. In general, such automatic enrollment will be effective the first day of the Plan quarter coinciding with or next following the date the eligibility requirements are met, unless the participant elects to participate at a different rate or elects to opt out of enrollment.

The Plan allows participants to make Roth contributions. Roth contributions are elective deferrals that are made in the same manner as pretax elective deferrals. The sum of their Roth contribution and regular pretax 401(k) contributions may not exceed the annual limit on regular pretax 401(k) contributions.

Participants are eligible to receive employer matching contributions on the first day of the Plan quarter coinciding with or next following the date the eligibility requirements are met. The matching contribution is equal to 100% of the first 3% of the participant's elective deferral contribution, plus 50% of the participant's elective deferral in excess of 3%, not to exceed 5% of the participant's compensation for the Plan year. The employer match is done on a per payroll basis. The employer matching contribution was \$1,435,749 and \$1,300,588 for the years ended December 31, 2022 and 2021, respectively.

The Company may also make discretionary profit sharing contributions. Participants are eligible to receive profit sharing contributions after completion of 1,000 hours of service in the applicable Plan year and must be employed by the Company on the last day of the Plan year. No employer profit-sharing contributions were made for the years ended December 31, 2022 and 2021.

The Company may make an additional discretionary matching contribution to the Plan upon approval of the Company. There was no discretionary matching contribution made for the years ended December 31, 2022 and 2021.

##### ***Participant Accounts***

Each participant's account is credited with the participant's contributions, the Company's matching and profit sharing contributions, investment earnings (losses), and charged with benefit payments and

administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### ***Vesting of Benefits***

Participants are immediately vested in their rollover contributions, voluntary contributions plus actual earnings thereon, employer matching contributions plus actual earnings thereon, and profit sharing contributions plus actual earnings thereon.

#### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The participant may not have more than two outstanding loans. Loan terms may not exceed five years unless such loan is used to acquire a dwelling unit which, within a reasonable time, will be used as the participant's principal residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Interest rates range from 4.25% to 6.50% at December 31, 2022. Principal and interest are paid ratably through payroll deductions.

#### ***Benefits***

The Plan provides for withdrawals upon retirement, termination, disability, hardship or death. Normal retirement is on or after age 60. Withdrawals during employment of tax-deferred contributions may be made if the employee can prove financial hardship or if the employee has attained age 59. Hardship withdrawals do not require a deferral suspension period. Upon termination of employment for reasons other than retirement, death or disability, the accrued benefit will be all of the participant's contributions and all related earnings and losses. Payments may be made in the form of a lump sum or installment payments.

The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) changed the age at which participants are required to take required minimum distributions from their accounts. Under the law, participants' required minimum distributions may not be deferred past April 1 following the year in which the participant reaches the age of 72.

### **NOTE B - SIGNIFICANT ACCOUNTING POLICIES**

The Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows.

#### ***Basis of Accounting***

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

#### ***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

#### ***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant's loan to be in default, the participant's loan balance is reduced, and a benefit payment is recorded. Delinquent notes receivable from participants are recorded as benefit payments based upon the terms of the Plan.

#### ***Payment of Benefits***

Benefits are recorded when paid.

#### ***Administrative Expenses***

The Plan pays certain administrative costs and are expensed when incurred. Other expenses are paid by the Plan sponsor.

#### **NOTE C - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to amend, terminate or merge the Plan and discontinue its contributions at any time subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to participants' accounts will remain 100% vested.

#### **NOTE D - FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board (FASB) provides a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quote prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

# Trilliant Food & Nutrition 401(k) Plan

## NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds - Valued at the net asset value (NAV) of shares held by the Plan at year end, as based on quoted market data.

Pooled separate accounts - Valued at the NAV of shares, which is calculated based on the valuation of the fund's underlying investments at fair value at the end of the year. As allowed under FASB guidance, fair value was determined using a practical expedient.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

|                                                                     | Level 1       | Level 2 | Level 3 | Total         |

### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

#### **NOTE E - INCOME TAX STATUS**

The prototype defined contribution plan and trust adopted by the Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated the prototype plan and trust are designed in accordance with applicable sections of the IRC. The Company has determined that the Plan is eligible to and has chosen to rely on the current IRS opinion letter. The Plan has adopted certain discretionary amendments. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **NOTE F - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Transactions involving funds administered by Alerus Financial, N.A., the trustee of the Plan, are considered party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of ERISA regulations.

The Plan allows participants to take out loans, which are also party-in-interest transactions.

#### **NOTE G - INFORMATION CERTIFIED BY THE TRUSTEE**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified that the following data included in the financial statements and supplemental schedule is complete and accurate:

- Cash, investments, at fair value, notes receivable from participants, interest and dividends receivable and due to brokers, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2022.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary schedule.

**December 31, 2022 and 2021**

**NOTE H - RISKS AND UNCERTAINTIES**

***Fair Value Measurement***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE I - SUBSEQUENT EVENTS**

Plan management evaluated the Plan's December 31, 2022 financial statements for subsequent events through August 16, 2023, the date the financial statements were available to be issued. The Plan administrator is not aware of any subsequent events, which would require recognition or disclosure in the financial statements.
