INDEPENDENT AUDITOR'S REPORT

To the Administrator
The Swan Group Retirement Plan
Randolph, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Swan Group Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Swan Group Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Swan Group Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Swan Group Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Swan Group Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Swan Group Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedules of Delinquent Participant Contributions and Assets Held at Year End are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT PLAN**
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 1 - Description of Plan

The following description of The Swan Group Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all eligible employees of The Swan Group, LLC, (the “Company”). The Swan Group, LLC, is comprised of Emerson-Swan, Inc., Flexcon Industries, Inc., Swan Group, LLC and Neutrasafe, LLC. Employees must complete 1,000 hours of service, be employed for at least six months and have attained the age of eighteen to be eligible participants. As participants of the Plan, employees will then automatically share in their employer’s respective discretionary profit-sharing contributions to the Plan, provided they have completed 1,000 hours of service, have been employed one year and are employed by the Company on the last day of the Plan year. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

Contributions - The Plan contains salary reduction features under Internal Revenue Code Section 401(k). The Plan allows for salary reduction contributions for each participant. Each year, participants may contribute up to seventy-five percent of pretax annual compensation as defined by the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers units of participation in a guaranteed interest account and investments in various mutual funds. The Company can make matching contributions, based upon their discretion. The Plan also contains a profit-sharing feature. The Company can make discretionary annual profit-sharing contributions to the Plan. These contributions will be allocated to the Plan participants based upon salaries as defined.

Vesting - Participants are immediately vested in their contributions, employer matching contributions, plus actual earnings thereon. Vesting in the Company’s profit-sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited services.

A participant can also become fully vested in the employer's profit-sharing contributions to his account, if the participant becomes disabled, retires at or after age 65, or dies, regardless of the participant's years of service at that time.

Participant Accounts - Each participant's account is credited with any employee contribution and an allocation of the Company’s contribution, and Plan earnings. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the vested portion of his or her account.

Payment of Benefits - On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, purchase an annuity contract, or in installments over a stated number of years beyond the lesser of (A) life expectancy of the participant or the joint life expectancy of the participant and his or her designated beneficiary, or (B) 15 years.

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 1 - Description of Plan (continued)

Plan Termination - Although it has not expressed to do so, if the Company terminates or partially terminates the Plan, or if contributions are permanently discontinued, all accrued benefits and accounts are non-forfeitable to the extent then funded and shall be paid to participants in accordance with the provisions of the Plan. A participant's recourse to the satisfaction of his or her rights shall be limited to Plan assets.

Forfeited Accounts - At December 31, 2022 and 2021, forfeited nonvested and unallocated accounts totaled \$370,327 and \$142,514, respectively. These accounts may be used to reduce future employer matching contributions. During 2022, employer contributions were not reduced from forfeited nonvested accounts.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes must be repaid over a period no longer than 5 years, unless the note is used to acquire a participant's principal residence, in which case, the term may not exceed 15 years. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% - 8%, which are commensurate with local prevailing rates as determined periodically by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan have been prepared on the accrual basis of accounting whereby revenues are recognized when earned and expenses are recognized when incurred.

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair market value measurements.

Estimates - The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants - Notes receivable from participants is measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 2 - Summary of Significant Accounting Policies (continued)

Payment of Benefits - Benefits are recorded when paid.

Valuation of Investments - Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Units of participation in the fully-benefit responsive investment contract are valued based upon the contract value of the trusts' underlying assets. The Plan's investments consist of units of participation in common/collective trusts offered by a registered investment company and shares in various mutual funds offered by a registered investment company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Operating Expenses - All operating expenses of the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in arriving at investment income (loss). Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Uncertain Tax Positions - The Plan has adopted the *Accounting for Uncertainty in Income Taxes* Topic of the FASB Accounting Standards Codification. The Topic clarifies the accounting and recognition for income tax positions taken or expected to be taken in the Plan's income tax returns. The Plan's income tax filings are subject to audit by various taxing authorities. The Plan believes its tax positions will be sustained upon examination by taxing authorities. There are no uncertain tax positions for the years ended December 31, 2022 and 2021. The Plan administrator believes the Plan is no longer subject to income tax examinations for the years prior to 2020.

Date of Management's Review of Subsequent Events - Subsequent events have been evaluated through August 24, 2023, the date the financial statements were available to be issued.

Note 3 - Fair Value of Investments

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used when Level 1 and Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 3 - Fair Value of Investments (continued)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	Fair Value Measurements at the End of the Reporting Period Using: Quoted Prices in Active Markets for Identical Assets (Level 1)	
December 31, 2022	Fair Value	
Mutual funds	<u>\$ 73,651,316</u>	<u>\$ 73,651,316</u>
Total investments at fair value	<u><u>\$ 73,651,316</u></u>	<u><u>\$ 73,651,316</u></u>
December 31, 2021		
Mutual funds	<u>\$ 93,980,442</u>	<u>\$ 93,980,442</u>
Total investments at fair value	<u><u>\$ 93,980,442</u></u>	<u><u>\$ 93,980,442</u></u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2022 are reported in net depreciation in fair value of investments.

Note 4 - Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedule of assets held at year end was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	2022	2021
Investments at fair value	\$ 73,651,316	\$ 93,980,442
Investments at contract value	27,085,021	23,559,848
Net (depreciation) appreciation in fair value of investments	(22,216,093)	3,397,811

Note 5 - Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities. However, there are currently no IRS audits for any tax periods in progress. During 2022, the Department of Labor (DOL) performed an audit of the Plan for the period January 1, 2018 through May 16, 2022. The DOL determined that there were participant contributions and loan repayments deemed delinquent (Note 10).

Note 6 - Fully Benefit-Responsive Investment Contract

The Plan entered into a benefit-responsive investment contract in the MassMutual Guaranteed Interest Account, (the "Account"). The Account's investment objective is to preserve principal while providing a competitive current rate of return. The Account will be invested and reinvested primarily in guaranteed interest accounts ("GIAs"), money market funds, money market instruments, repurchase agreements, private placements, bank investment contracts and synthetic GIAs.

As described in Note 2, because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment account. The guaranteed interest account is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by trustee, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of a contract issuer or otherwise. The contract value of the investment contracts at December 31, 2022 and 2021 amounted to \$27,085,021 and \$23,559,848, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero percent.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures of spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 7 - Related Party and Party-In-Interest Transactions

All of the following party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Transactions with Plan Sponsor

The Plan sponsor pays the administrative expenses of the Plan.

Notes Receivable from Participants

Notes receivable from participants are party-in-interest transactions.

The Company and its officers

Certain officers of the Company provide services for the Plan. The Company also pays certain administrative expenses of the Plan.

Note 8 - Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31:

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10 - Delinquent Participant Contributions and Loan Repayments

The Plan allows for salary reduction contributions of pretax compensation based on limits defined by the IRS Code Section 401(k). Employee contributions and loan repayments withheld by the Company are to be contributed to the Plan at the earliest date on which the contributions can reasonably be segregated from the Company's general assets. During the year ended December 31, 2022, the amount of participant contributions and loan repayments deemed to be delinquent amounted to \$55,506. The amount of lost earnings and profits associated with these late contributions and loan repayments for the year ended December 31, 2022 amounted to \$99. For the years ended 2021, 2020, 2019 and 2018, the amount of participant contributions and loan repayments deemed to be delinquent amounted to \$1,973,525. The amount of lost earnings and profits associated with these late contributions and loan repayments amounted to \$4,640. The total amount of lost earnings and profits, recorded as other receivables on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, amounted to \$99 and \$4,640, respectively. During 2022, the Plan sponsor has taken appropriate actions to prevent future late participant contributions and loan repayments and the lost earnings and profits have been deposited into the respective participants' accounts.
