Independent Auditor's Report

To the Plan Administrator of the
New Enterprise Stone & Lime Co., Inc. 401(k) Savings and Retirement Plan
New Enterprise, PA

Report on the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of New Enterprise Stone & Lime Co., Inc. 401(k) Savings and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audit"). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a

qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) and Schedule H, Part IV, Line 4(a) - Schedule of Delinquent Participant Contributions as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and

certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of Plan

The following description of the New Enterprise Stone & Lime Co., Inc. (the “Company”) 401(k) Savings and Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of New Enterprise Stone & Lime Co., Inc. (the “Company”) including its wholly owned subsidiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Trustee and Administration of Plan

Prior to June 17, 2021, the trustee and record keeper of the Plan was Wells Fargo Bank, N.A. (“Wells Fargo”). Effective June 17, 2021, Delaware Charter and Guarantee Trust Company d/b/a/ Principal Trust Company (“Principal”) became the trustee and recordkeeper of the Plan as Principal Financial Group acquired the Wells Fargo Institutional Retirement & Trust Business. All plan investments and notes receivable from participants were transferred in-kind to Principal on June 17, 2021.

The administrator of the Plan is the Company. The trustee holds all assets of the Plan in accordance with the provisions of the trust agreement and service provider contract with the Company. The Investment Committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Eligibility

Employees are eligible for participation in the Plan upon completion of 1 hour of service during the calendar year. The Plan has an automatic enrollment feature for new employees hired on or after January 1, 2016, at a rate of 6%.

Employees of Hempt Bros., Inc. became eligible to participate in the Plan effective June 14, 2021, for hourly employees and June 16, 2021, for salaried employees in accordance with Plan provisions.

Contributions

Contributions can be in the form of employer contributions (match, prevailing wage, fixed, discretionary and profit sharing), employee 401(k) elective deferral contributions (pre-tax), employee voluntary contributions (after-tax) and Roth contributions. Employee contributions are matched by the Company at 50% of up to a maximum of 6% of an employee’s compensation.

The Plan provides that the Company makes prevailing wage contributions to the Plan for each hour worked by employees for performance of duties that are subject to prevailing wage requirements under the Davis Bacon Act or under any similar state prevailing wage law. The prevailing wage contribution rates are based on the terms of the prevailing wage contract and Paid Time Off Plan.

The Plan also provides that the Company make a 1% fixed profit-sharing Company contribution of regular wages per pay period for employees that do not participate in a union. This Company contribution does not apply to time worked on prevailing wage projects.

New Enterprise Stone & Lime Co., Inc. 401(k) Savings and Retirement Plan

Notes to Financial Statements

The Company may make an employer discretionary contribution to the Plan in an amount determined by the Company's Board of Directors. Employer discretionary contributions are allocated to the accounts of eligible participants based on the number of hours a participant was entitled to payment in the plan year immediately preceding the plan year for which the contribution is made. There was no discretionary contribution for 2022.

The Company may make a profit-sharing contribution to eligible salaried employees. Profit sharing contributions are allocated to eligible employees based on the ratio of the employee's compensation to total eligible salaried employee compensation. There were no profit-sharing contributions for 2022.

Participants direct all contributions into various investment options offered by the Plan. Contributions are subject to Internal Revenue Service ("IRS") limitations.

Vesting

Participants are immediately vested in their contributions and prevailing wages plus actual earnings thereon. Vesting in the Company's matching, discretionary and profit-sharing contributions are based on years of continuous service as follows:

Vesting Schedule	Percentage
Less than one year	0%
One year	20%
Two years	40%
Three years	60%
Four years	80%
Five years	100%

Participant Accounts

Each participant's account is credited with the participant's contribution and Company matching and prevailing wage contributions (if applicable), as well as allocations of the Company's discretionary and profit-sharing contributions and Plan earnings and charged with an allocation of administrative and investment advisor related expenses. Allocations are based on participant earnings, hours, deferrals or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

According to the Plan's provisions, each participant exercises control over the assets in his/her individual participant account by choosing among available investment options.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance pro-rata in basic, pre-tax, after tax, and Company vested match money types only. A participant may have a maximum of one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at 1% over the prevailing prime rate at the time of the loan. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years from the date on which the loan was made, with the exception of loans for the purchase of a principal residence.

New Enterprise Stone & Lime Co., Inc. 401(k) Savings and Retirement Plan

Notes to Financial Statements

Payment of Benefits

Upon separation of service for any reason, participants are eligible to receive a distribution of their vested account balances. A lump-sum payment is made if the participant's account balance is less than \$5,000. If the balance is greater than \$5,000, the participant may elect a lump-sum payment or monthly payments.

Forfeitures

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account represents a forfeiture. Forfeitures may be used to first reduce administrative expenses of the Plan and then to reduce future employer contributions. During the year ended December 31, 2022, forfeitures in the amounts of \$92,273 were used to reduce Plan expenses and employer contributions, respectively. At December 31, 2022 and 2021, there was no balance in forfeited nonvested accounts.

2. Summary of Accounting Policies

This summary of accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America ("GAAP") and have been consistently applied in the preparation of the financial statements.

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and these differences could be significant.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

New Enterprise Stone & Lime Co., Inc. 401(k) Savings and Retirement Plan

Notes to Financial Statements

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment advisor and record-keeping related expenses are allocated to participant accounts and are included in administrative expenses. Fees related to the administration of notes receivable from participants and participant distributions are charged directly to the participant's account and are included in administrative expenses. Investment management related expenses are included in net depreciation of fair value of investments.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. The fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains or losses on investments bought and sold, as well as held during the year.

3. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal, a qualified institution.

4. Fair Value Measurements

Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, provides a framework for measuring fair value and expands disclosures about fair value measurements in financial statements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;

New Enterprise Stone & Lime Co., Inc. 401(k) Savings and Retirement Plan

Notes to Financial Statements

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2022 and 2021.

Registered Investment Companies

Registered investment companies are valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-ended registered investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish their daily and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Common/Collective Trusts

Common/collective trusts ("CCTs") are valued at the net asset value ("NAV") of units held are published daily on NASDAQ. The NAV is based on the fair value of the underlying investments held by the CCT less its liabilities. The fair value of the underlying investments is determined using market quotations or prices obtained from independent pricing sources that may employ various pricing methods to value the investments, including matrix pricing.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Description	Assets at Fair Value as of December 31, 2022

*Certain investments for which fair value is measured using the NAV per share as the practical expedient have not been categorized within the fair value hierarchy. The fair value amounts presented in these tables are intended to reconcile the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The following tables summarize the investments measured at fair value based on NAV:

<i>December 31, 2022</i>	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period

<i>December 31, 2021</i>	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Wells Fargo Stable Value Fund	\$ 19,182,243	N/A	Daily	Daily

5. Related Party Transactions and Party-in-Interest

Administrative fees, including participant loan and distribution fees, were paid to Principal and its affiliates during the year ended December 31, 2022. The Plan also issues loans to participants, which are secured by the vested balances of the participants' accounts. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

6. Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions and to terminate the Plan at any time, subject to Plan provisions. Upon such termination of the Plan, the interest of each participant in the Plan will be distributed to such participant or his or her beneficiary in proportion to their respective account balances. In the event of Plan termination, participants will become 100% vested in their accounts.

New Enterprise Stone & Lime Co., Inc. 401(k) Savings and Retirement Plan

Notes to Financial Statements

7. Tax Status

The Plan received a favorable determination letter from the Internal Revenue Service dated May 18, 2012 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving this determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Reconciliation of Financial Statements to Form 5500

As described in Note 1, the Plan changed trustee and record keeper during 2021. Principal implemented a tax policy change that affected participant loans that were previously deemed in default under Wells Fargo. The new tax policy resulted in a material one time change to include any previously deemed loan distributions, when participants continued to make loan payments. The following is a reconciliation of net assets available for benefits per the financial statements to the form 5500 for the years ended December 31, 2022 and 2021:

<i>December 31,</i>	2022	2021
Net assets available for benefits per the financial statements	\$ 196,496,756	\$ 240,283,320

Net assets available for benefits per the form 5500	\$ 195,233,267	\$ 240,771,455

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the form 5500 for the year ended December 31, 2022:

Changes in net assets available for benefits per the financial statements	\$ (43,786,564)
Investment reported at FMV instead of NAV	(1,323,864)
Deemed loan distributions in default	(13,714)
Accrued Interest	(413,403)
Changes in net assets available for benefits per the form 5500	\$ (45,537,545)

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market values of investments may decline for a number of reasons, including changes in prevailing market and interest rates, increase of defaults and credit rating downgrades. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

**New Enterprise Stone & Lime Co., Inc.
401(k) Savings and Retirement Plan**

Notes to Financial Statements

10. Subsequent Events

The Plan has evaluated subsequent events through August 30, 2023, the date the financial statements were available to be issued. Based on this evaluation, the following events occurring after December 31, 2022, require disclosure in these financial statements:

On May 1, 2023, the non-union hourly heavy highway construction and hot mix asphalt construction participants who first perform an hour of service will not be automatically enrolled in the plan. The Company will contribute a matching contribution equal to 50% of a participant's basic pre-tax contributions, Roth contributions, including any catch-up contributions and voluntary after-tax contributions made by a non-union hourly heavy highway construction or hot mix asphalt construction participant that is attributable to hours or service on a project that is subject to a prevailing wage requirement under the Davis Bacon Act or under any similar state or municipal prevailing wage law, up to the first 6% of such participant's total compensation.

The Plan is not aware of any other events or transactions that occurred subsequent to the Plan's year end but prior to August 30, 2023 that would require additional recognition or disclosure in its financial statements.
