The Board of Trustees of
United Cerebral Palsy of Southern Arizona
401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of United Cerebral Palsy of Southern Arizona 401(k) Profit Sharing Plan and Trust (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of United Cerebral Palsy of Southern Arizona 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of United Cerebral Palsy of Southern Arizona 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Cerebral Palsy of Southern Arizona 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Cerebral Palsy of Southern Arizona 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Cerebral Palsy of Southern Arizona 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**United Cerebral Palsy of Southern Arizona
401(K) Profit Sharing Plan and Trust
Notes to Financial Statements
For the Years Ended December 31, 2022 and 2021**

Note 1 – Description of Plan

The following description of the United Cerebral Palsy of Southern Arizona 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan’s provisions.

The Plan is a defined contribution plan which was formed on January 1, 2020 and amended and restated effective August 24, 2021 to encourage and assist employees of United Cerebral Palsy of Southern Arizona (UCPSA) in regularly saving for their retirement through payroll deductions and discretionary contributions made by the UCPSA. The Board of Directors determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

A. Eligibility

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees of the UCPSA who have attained the age 21 and who have completed one year of service, defined as a minimum of 1,000 hours service, are eligible to participate for purposes of salary deferrals and employer profit sharing contributions. Employees can become a member as of the first entry date (January 1 or July 1) following completion of the eligibility requirements. Union employees, non-resident aliens, and employees as a result of a transaction described in Code section 410(b)(6)(c) are not eligible to participate in the Plan.

B. Contributions

Participants may contribute through payroll deductions a percentage up to 92 percent of their annual wages to the Plan, which are contributed on a pre-income tax or after-income tax basis subject to annual limitations established by the Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The UCPSA, at its discretion, may make profit-sharing contributions to the employee accounts. During the current year, the UCPSA made a discretionary matching contribution of up to two percent of gross wages.

C. Investment Options

The Plan provides for participant-directed investment elections among different types of mutual funds, and allows participants to change their investment elections on any business day as often as desired.

Note 1 – Description of Plan

D. Participant Accounts

Each participant's account is credited with the participant contribution, an allocation of Plan earnings, and any applicable discretionary profit-sharing contribution made by the UCPSA. Allocations are based on account balances as defined. The benefits to which an employee is entitled are the benefits that can be provided from the participant's vested account balance.

E. Vesting

Employees are immediately vested in their voluntary contributions plus their contributions' earnings. Vesting in the remainder of the account is based on years of service. An employee is vested in employer discretionary profit-sharing contributions initially at the rate of 25 percent and is fully vested after three years of service.

F. Payment of Benefits

Upon termination of service, an employee may elect to receive a roll-over distribution or lump-sum amount equal to the value of the participant's account. If the account is valued at less than \$5,000, the participant will automatically receive a lump-sum payment. The Plan does not provide for hardship withdrawals during employment.

G. Notes Receivable From Participants

The Plan is permitted to make loans to employees to satisfy certain financial needs as defined. Loans from the Plan shall be in a minimum amount of \$1,000. Each loan may not exceed the lesser of 95 percent of one-half the vested account balance or 95 percent of the total vested account balance excluding the Roth Elective Deferral balance at the date the loan is granted. Loan amounts may not exceed \$50,000. Loans have a maturity of 54 months, unless the loan was made for the purpose of acquiring a principal residence, and includes a reasonable rate of interest, comparable to similar commercial loans, conducted at an arms-length. Principal and interest is paid ratably through pay period payroll deductions. Total interest paid on loans for the year ended December 31, 2022 was \$379.

H. Administrative Expenses

Certain administrative expenses of the Plan are paid to the Plan Administrator and Plan Custodian from Plan assets. Certain other administrative services for the Plan are provided by the UCPSA at no charge.

Note 2 – Summary of Significant Accounting Policies

The significant account policies followed by the Plan are as follows.

A. Basis of Accounting

The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America. Accordingly, income is recognized when earned and expenses are recorded when incurred.

B. Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

C. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company (the trustee of the Plan).

D. Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are recorded at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 2 – Summary of Significant Accounting Policies

E. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as distribution based upon the terms of the plan document.

Subsequent to year end, employees received participant loans from their respective accounts, which totaled \$3,606.

F. Forfeitures

Forfeitures are the non-vested portion of participant account balances for terminated participants. These funds, which have been retained in the Plan, are available to pay Plan expenses and to reduce the discretionary profit sharing contribution of the UCPSA. The balance of the forfeited accounts at December 31, 2022 and 2021 were \$414 and \$808, respectively.

G. Payment of Benefits

Benefit payments are recorded when paid.

H. Excess Contributions Payable

Amounts payable to participants totaling \$1,936 for contributions in excess of amounts allowed by the IRS are recorded as a liability, with a corresponding reduction to 2022 contributions. The Plan distributed the 2022 excess contributions prior to March 15, 2023.

I. Income Tax Status

The Plan obtained its latest determination letter on April 10, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan's administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions by the plan and recognize a tax liability if the plan has taken an uncertain position that more than likely would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress.

Note 2 – Summary of Significant Accounting Policies

J. Date of Management’s Review

Subsequent events have been evaluated through August 22, 2023, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the assets or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level or any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Financial Statements
For the Years Ended December 31, 2022 and 2021

Note 3 – Fair Value Measurements

Following is a description of the valuation methodologies measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair values of assets for mutual funds measured on a recurring basis at December 31, 2022 and 2021 were \$460,936 and \$272,984, respectively. The mutual funds were measured at Level 1.

Note 4 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 5 – Unaudited Information Certified by the Custodians

The following unaudited information in the Plan's financial statements and supplemental schedule was certified to be complete and accurate by Mid Atlantic Trust Company within the meaning of 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- All amounts reported as investments in the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021.
- All amounts reported as net appreciation in fair value of investments in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.
- All amounts reported in Note 3.
- All amounts reported in the supplemental Schedule of Assets (Held at End of Year), except participant loans.

Note 6 – Plan Termination

Although it has not expressed an intention to do so, the UCPSA has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, employees become 100 percent vested in their accounts.

Note 7 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	As of December 31,	
	2022	2021
Net assets available for benefits per the financial statements	\$ 484,360	\$ 275,787
Amounts representing excess contributions	1,936	2,517
Net assets available for benefits per Schedule H to the Form 5500	<u>\$ 486,296</u>	<u>\$ 278,304</u>

Note 8 – Party-In-Interest Transactions

Plan investments are managed by Mid Atlantic Trust Company, the trustee/custodian of the Plan. Certain administrative functions are performed by employees of the UCPSA. Other recordkeeping and administrative functions are also performed by Mid Atlantic Trust Company. Mid Atlantic Trust Company and the UCPSA are considered parties-in-interest for which statutory exemptions exist. No administrator, officer or employee of the UCPSA receives compensation from the Plan. Fees incurred by the Plan for the investment management and recordkeeping services provided by Mid Atlantic Trust Company amounted to \$6,765 in 2022.
