## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees  
Miller Environmental Employee Benefit Plan Trust

### **Opinion**

We have audited the accompanying financial statements of Miller Environmental Employee Benefit Plan Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2022, November 30, 2022 and November 30, 2021, and the related statements of changes in benefit obligations and net assets available for benefits for the month ended December 31, 2022 and the year ended November 30, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of Miller Environmental Employee Benefit Plan Trust as of December 31, 2022, November 30, 2022 and November 30, 2021, and the changes in its benefit obligation and net assets available for benefits for the month ended December 31, 2022 and the year ended November 30, 2022, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Miller Environmental Employee Benefit Plan Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Miller Environmental Employee Benefit Plan Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Miller Environmental Employee Benefit Plan Trust 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Miller Environmental Employee Benefit Plan Trust 's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**MILLER ENVIRONMENTAL  
EMPLOYEE BENEFIT PLAN TRUST  
NOTES TO FINANCIAL STATEMENTS**

Note 1 – Description of Plan

The following description of the Miller Environmental Employee Benefit Plan Trust (the Plan) provides only general information. Participants should refer to the Trust agreement and Plan Document for a more complete description of the Plan's provisions.

General

The Plan was established on November 1, 2004 by CKM Industries, Inc. dba Miller Environmental Services (the Plan Sponsor), for the purpose of providing and paying group medical expense benefits, well care benefits and prescription drug benefits for eligible participants. The Plan was created to comply with the requirements of the Employee Retirement Income Security Act of 1974 (ERISA) relating to welfare benefits. The plan has been amended several times to comply with changes required by the Patient Protection and Affordable Care Act. Effective August 19, 2021, the Plan Sponsor is now CKM Industries, Inc. dba Miller Integrated Solutions. Effective December 1, 2022 the plan changed its year end from November 30 to December 31.

Benefits

Benefits for covered medical, well care costs and prescription drug costs are paid on behalf of eligible and enrolled members and their eligible dependents as provided for in the Plan Document. Benefits are provided for eligible employees that meet an initial waiting period for eligibility. Participants are eligible for plan levels A, C, D or E depending on the length of time covered by the plan. Prior to August 31, 2021, in year one, participants are eligible for plan level A; after year one, participants may elect plan levels A, C or E; and after being covered by the plan for 10 years, participants may elect any plan level. Effective September 1, 2021, participants may select plans A, C or E in years 0-10 of plan participation and after 10 years, they may select any plan. Benefits, monthly family deductible and coinsurance vary by plan level. Benefit obligations were funded by the Plan Sponsor as claims were submitted, approved and paid by the Plan. The Plan also offers continuation of coverage as required by COBRA regulations.

Medical claims paid are reinsured subject to an individual stop-loss of \$75,000 or more, as defined by the policy. This insurance plan is in the name of CKM Industries, Inc. dba Miller Integrated Solutions (the Plan Sponsor) and is, therefore, not deemed to be an asset of the Plan.

Contributions

The Plan is funded by the Plan Sponsor and, where required, by employee contributions. The level of employee contributions is set by the employer. These contributions are adjusted based upon claims experience.

EMPLOYEE BENEFIT PLAN TRUST  
NOTES TO FINANCIAL STATEMENTS**

Note 1 – Description of Plan, continued

Eligibility Requirements

Eligibility is generally established on the first of the month following an employee's completion of thirty days of continuous full-time employment, as defined in the Plan Document.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accounting records of Miller Environmental Employee Benefit Plan Trust are maintained and the accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the trustee to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Significant estimates include the estimate of claims liability which could change in the near term.

Payment of Benefits

Claim payments are recorded when paid by the plan.

Benefit Obligations

Obligations of the Plan at December 31, 2022, November 30, 2022 and November 30, 2021 for covered medical costs for health care issues incurred by participants by the end of each period are estimated by the Plan, using claims payment experience during the fiscal year, evaluation of specific participant health care issues and any other matters which may affect the reasonableness of the estimated liability. The claims liability estimate includes both claims reported to the Plan but not paid, and claims incurred but not reported to the Plan. This value is based on a projection of the costs that are expected to exist during the eligibility period that immediately follows the end of the plan year. The projections do not take into account any interest earnings or interest costs during the payout period and, therefore, do not represent a present value estimate. The Plan has considered present value calculations and other adjustments and has determined that they are not applicable. Any such adjustments would be of a magnitude smaller than the expected error in the calculations of the obligation and, because of their trivial amount, are not applicable. At December 31, 2022, November 30, 2022 and November 30, 2021, \$404,860, \$369,807 and

Note 2 - Summary of Significant Accounting Policies continued

Benefit Obligations, continued

\$904,613, respectively, of the claims represent claims reported to the Plan but not yet paid. At December 31, 2022, November 30, 2022 and November 30, 2021, \$60,729, \$56,945 and \$58,975, respectively, of the claims liability estimate represent claims incurred but not reported to the Plan. The Plan's deficiency of net assets over benefit obligations at December 31, 2022, November 30, 2022 and November 30, 2021 is expected to be or was funded by future Sponsor contributions.

Date of Management's Review

Subsequent events were evaluated through September 6, 2023, which is the date the financial statements were available to be issued.

Note 3 - Administrative Fees

The Plan Sponsor receives no fees in connection with administrative duties related to the Plan. Therefore, certain additional administrative costs are absorbed by the employer. The Plan has contracted with an administrative servicer to perform some of the administrative tasks, including review and payment of claims. Administrative fees paid to this servicer through the Plan aggregated \$15,244 and \$194,319 for the month ended December 31, 2022 and the year ended November 30, 2022, respectively. Additional fees of \$1,597 and \$32,345 related to claims were paid to the servicer and reported as part of claims paid for the month ended December 31, 2022 and the year ended November 30, 2022, respectively.

Note 4 - Tax Status

The Trust is a taxable trust and at December 31, 2022 and November 30, 2022 the Trust's net investment income resulted in no tax liability.

Note 5 – Plan Termination or Amendment

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to, at any time, amend, suspend or terminate the Plan in whole or in part. This includes amending the benefits under the Plan or the Trust Agreement. Upon termination of the Plan, the Trustee, in accordance with the Trust Agreement, shall apply all the remaining assets of the Trust Fund in a uniform and nondiscriminatory manner exclusively toward the provision of benefits of those persons enrolled in the Plan at the time of termination and the related administration costs. The rights of the Plan participants are limited to expenses incurred before termination.

**MILLER ENVIRONMENTAL  
EMPLOYEE BENEFIT PLAN TRUST  
NOTES TO FINANCIAL STATEMENTS**

Note 6 – Medicare Prescription Drug Coverage Notice

Participants in the Plan were notified of the existence of Medicare prescription drug coverage and are encouraged to consider enrolling in it. The Plan has determined that the prescription drug coverage provided for under Plans C, D and E are, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage will pay. The Plan has determined that the prescription drug coverage provided for under Plan A is, on average for all plan participants, not expected to pay out as much as the standard Medicare prescription drug coverage will pay.

Note 7 – Related Party Transactions

The plan has agreements with service providers to provide administrative and other services. These transactions are party-in-interest transactions under ERISA.
