Independent Auditors' Report

To the Administrative Committee of
CompTech 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of CompTech 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended, December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the CompTech 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CompTech 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CompTech 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan Instrument, including all Plan Amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CompTech 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CompTech 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year), as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMPTECH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN

The following description of the CompTech 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) profit sharing retirement plan sponsored by CompTech Computer Technologies, Inc., (the Company and Plan Sponsor) and covers all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Under the terms of the Plan, there are three separate eligibility provisions:

- Each employee who has been credited with at least one hour of service, which constitutes as covered employment under the Davis-Bacon Act or any state or municipal "prevailing wage" law, is eligible for prevailing wage contributions.
- Covered employees are eligible to become participants and participate in salary deferrals when they have attained age 21 and have completed 30 days of service with the Plan Sponsor. An eligible employee becomes a participant on the first day of the month coinciding with, or next following, the date on which the eligibility requirements were met.
- In order to share in any discretionary non-elective profit sharing contributions or qualified employer matching contributions, a participant must earn at least 1,000 hours of service during the Plan Year and be employed as of the last day of the Plan Year.

Contributions

- (a) *Participant's voluntary salary reductions.* Participants may elect to contribute up to 100% of their compensation. Each participant's contribution may not exceed the federal maximum amount pursuant to section 402(g)(5) of the Internal Revenue Code. The Plan provides for catch-up contributions for participants over the age of fifty (50); however, catch-up contributions are not considered when determining employer-matching contributions. The Plan contains an automatic deferral feature (3% default rate) with an opt-out provision. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plan (rollover).

DECEMBER 31, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Contributions (Continued)

- (b) *A discretionary employer-matching contribution.* The matching contribution, if any, will be determined each year by the Board of Directors of the Company at its sole discretion. The Plan provides that deferrals of up to 6% of gross wages are eligible to be matched at 50% beginning January 1, 2022. Prior to that the Plan provided that deferrals of up to 4% of gross wages were eligible to be matched at 50%. Matching contributions of \$248,416 and \$195,772 were contributed to the Plan by the Company for the years ended December 31, 2022 and 2021, respectively.
- (c) *A discretionary non-elective profit sharing contribution.* The non-elective profit sharing contribution, if any, will be determined each year by the Board of Directors of the Company at its sole discretion. This amount will be allocated based on compensation of all participants eligible to share in the discretionary amount. To qualify for the discretionary profit sharing contribution, a participant must have completed 1,000 hours of service during the Plan Year and be employed as of the last day of the Plan Year. For the years ended December 31, 2022 and 2021, the Company made no non-elective profit sharing contributions.

Participant Accounts

Each participant's account is credited or charged with the following:

- The above contributions,
- Rollover contributions,
- Plan earnings,
- Forfeitures, and
- Plan expenses.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in any of twenty-six pooled separate accounts or a group variable annuity guaranteed income option.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Vesting

Participant vesting is based on service years. Participants are 100% vested in the voluntary salary deferrals, rollover contributions, and prevailing wage contributions. All other employer contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Non-Forfeitable Percentage</u>
Less than 1	0%
1 but less than 2	25%
2 but less than 3	50%
3 but less than 4	75%
4 or more	100%

Forfeited Accounts

Forfeitures of non-vested contributions will be used to first pay administrative expenses. The remaining forfeitures will be used to reduce future employer contributions payable under the Plan. In 2022 and 2021, forfeitures of \$12,656 and \$9,750 were used to pay administrative expenses and \$40,407 and \$38,549 were applied against employer contributions, respectively. Unallocated forfeitures for the years ended December 31, 2022 and 2021, were \$42,121 and \$54,176, respectively.

Payment of Benefits

Participants become eligible for benefit payments upon retirement, termination of employment, disability, or death. Additionally, the Plan provides for in-service distributions after a participant has reached age 59 ½ up to their fully vested account balance. Participants may also receive distributions from the employee deferral or rollover balance for qualified financial hardships. Distributions may be made as a single lump-sum payment, partial withdrawals, or installments over a period of not more than the participants' assumed life expectancy (or the assumed life expectancies of the participant and their beneficiary). Vested account balances that do not exceed \$5,000 may only be distributed in a single lump-sum payment. If a participant has terminated employment, he or she must begin receiving benefits no later than April 1, of the calendar year following the year in which he or she reaches age 72.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Loans to Participants

The Plan allows participants to apply for and obtain loans in an amount as defined in the Plan Agreement. Generally, loans must be for at least \$1,000 and may not be for more than the lesser of 50% of the participant's vested account balance or \$50,000 (reduced by outstanding loans in the previous year). All loans must be repaid within five years unless the loan is used to acquire or construct the participant's primary residence. Interest is charged at the prime rate plus one percent.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements using the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

COMPTECH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Loans to Participants

Loans to participants are reported at their unpaid principal balances.

Expenses of the Plan

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of the Plan are allocated to the participants' accounts and are included in administrative expenses. Certain withdrawal expenses are paid for by the affected participant. Investment related expenses are included in net depreciation of fair value of investments.

Amendments

Effective January 1, 2022, the vesting schedule switched from a five year schedule where participants earn 20% each year of employment to a four year schedule where participants earn 25% for each year of employment

NOTE C - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEES

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company and Principal Global Investors Trust Company (the trustees of the Plan).

NOTE D - FAIR VALUE MEASUREMENTS

FASB ASC 820-10, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 - Inputs to the valuation methodologies are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodologies include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodologies are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no change in the methodologies used at December 31, 2022.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Common collective trust funds: Valued based on the NAV of units of the common/collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

DECEMBER 31, 2022 and 2021

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Investments measured at fair value:

Investments at net asset value:				
Common collective trust*				3,355,366
Investments measured at contract value				<u>27,370</u>
Total Investments				<u>\$ 3,932,394</u>

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Investments measured at fair value:				
Mutual funds	\$ 1,263,105	\$ 0	\$ 0	\$ 1,263,105
Investments at fair value	<u>\$ 1,263,105</u>	<u>\$ 0</u>	<u>\$ 0</u>	1,263,105
Investments at net asset value:

Investments measured at contract value				<u>81,682</u>
Total Investments				<u>\$ 5,313,928</u>

* Investments measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

COMPTECH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE E - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive guaranteed investment contract with Principal Financial Group which maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Principal Financial Group as of December 31, 2022 and 2021, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is reset quarterly by the issuer but may not be less than 0.00%.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendment to the Plan Document (including complete or partial termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs or a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the participants.

The average yields for the fund as of December 31, 2022, are as follows: (1) average yield based on actual earnings is 4.05%; (2) average yield based on interest rate credited to participants is 4.05%.

COMPTECH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE F - INCOME TAX STATUS

Effective February 1, 2018, the Plan Sponsor restated the Plan and adopted a Principal Financial Group prototype plan dated January 26, 2014. Principal Financial Group obtained an Advisory Letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. Therefore, no income taxes have been provided for in the financial statements.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - PARTY-IN-INTEREST TRANSACTIONS

Certain investments offered by the Plan are managed by Principal Financial Group. Principal Financial Group is a Plan Trustee; therefore, these transactions qualify as party-in-interest transactions.

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

COMPTECH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE J - SUBSEQUENT EVENTS

Subsequent events were evaluated through September 5, 2023, which is the date the financial statements were available to be issued.
