INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Indiana Spine Group, P.C. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Indiana Spine Group, P.C. Retirement Savings Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

DELTA WEALTH CPAs & ADVISORS, LLC MEMBER AICPA DIVISION FOR FIRMS-PEER REVIEW PROGRAM

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, this includes determining that the modified cash basis of accounting is an acceptable basis for the presentation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at year end is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

INDIANA SPINE GROUP, P.C. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Indiana Spine Group, P.C. Retirement Savings Plan (the "Plan") provides only general information. Reference should be made to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all eligible employees of Indiana Spine Group, P.C. (the "Company"). The Plan was effective January 2, 2002, and is subject to the provisions of ERISA. Employees who are at least 21 years of age and have completed 500 hours of service in a six-month period are eligible to participate in the Plan. Temporary or seasonal employees will become eligible for the Plan once they have reached age 21 and have completed at least 1,000 hours of service in one year; PRN employees are excluded from participating. Eligible employees are automatically enrolled with an initial pretax deferral percentage equal to 2% of their compensation (unless they elect a different deferral percentage or opt-out online) and entry dates are the first day of each quarter.

Pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"), as of January 1, 2021, part-time employee will now become eligible to enroll in the Plan once they reach three consecutive years of service with at least 500 hours in each year and may enroll beginning in 2024. These employees may still be excluded when completing annual nondiscrimination and coverage testing.

Contributions

Each year, participants may contribute up to a maximum amount of their pretax or after-tax annual compensation, as defined by the Internal Revenue Service and recorded in the plan document. Participants who have attained age 50 before the end of the plan year may make additional catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified plans. Each year the Company makes a safe harbor matching contribution equal to 100% of each employee's deferrals up to 4% of compensation. The safe harbor match is calculated each payroll period with no true-up at year end. The Company may also make a discretionary profit-sharing contribution each year which is allocated to all eligible participants based on their annual eligible compensation. Participants must be employed on the last day of the year and complete 1 year of service (1,000 hours) in order to be eligible for the discretionary profit-sharing contribution. They will also share in the allocation in the event of death, disability, or retirement prior to the last day of the year if they are otherwise eligible. The Company made profit sharing contributions of \$350,000 and \$322,200 in 2022 and 2021, respectively.

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's matching, and profit-sharing contributions, if any, allocations of plan earnings (losses), and charged with an allocation of administrative expenses, if applicable. Allocations are based on participant account balances or earnings, as defined. The benefit to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

INDIANA SPINE GROUP, P.C. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their deferral and safe harbor matching contributions plus actual earnings or losses thereon. Vesting in the Company's discretionary profit-sharing contributions plus actual earnings or losses thereon is granted on a graduated scale based on years of continuous service. A participant is 100 percent vested after 6 years of service. Participants also become fully vested in the event of death, disability, retirement, or Plan termination.

Forfeited amounts

Forfeitures may be used to reduce the Companies' matching contributions or to pay Plan expenses. As of December 31, 2022, and 2021 forfeited non-vested accounts totaled \$33,988 and \$25,844, respectively. No forfeitures were used to reduce the Company's matching contributions or pay administrative expenses in 2022 or 2021.

Investment options

Upon enrollment in the Plan, participants are able to invest in a variety of investment choices as more fully described in the Plan document. Participants may change their investment options at any time during the year.

Neither the Plan nor the plan sponsor provides investment advice. Participants are encouraged to speak with the broker of record concerning matching their personal investment philosophies with the investment choices available within the Plan.

Payment of benefits

Upon termination of employment, retirement, death or disability, a participant (or beneficiary) may receive benefits based on the participant's vested account balance. Benefits may be paid in a lump sum or installment payments in the case of required minimum distributions. Also, hardship distributions of pretax elective deferrals are permitted.

Pursuant to Section 2202 of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") passed on March 27, 2020, participants were able to take a coronavirus-related distribution between January 1, 2020 and December 31, 2020 up to an aggregate limit of \$100,000 that would not be subject to the additional 10% tax on early distributions. These distributions may be repaid provided the repayment is completed within three years of the date the distribution was received.

Notes receivable from participants

Participants are allowed to take up to 2 general purpose loans against their individual Plan vested account balance. Generally, a participant may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of 50 percent of the participant's vested balance or \$50,000. Loans are secured by the participant's account balance and must be repaid over 1 to 5 years, or over 10 years if the loan is for the purchase of a primary residence. Interest is charged on these loans at a rate equal to prime plus 1%. Interest rates on current outstanding loans range from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions.

INDIANA SPINE GROUP, P.C. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Notes receivable from participants (continued)

Pursuant to Section 2202 of the CARES Act, from March 27, 2020, to September 22, 2020, loan limits were increased up to the lesser of \$100,000 or 100% of the participant's vested balance. Also, loan repayments on any outstanding loans as of March 27, 2020, could be delayed up to one year and any payments after the suspension period were to be adjusted to reflect the delay and any interest accruing during the delay.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared under the modified cash basis method of accounting. This method of accounting differs from accounting principles generally accepted in the United States of America because, under this method, income is recognized when received (except contributions which are recognized on the accrual basis), and expenses are recognized when paid.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received by the Plan. Fees paid to various mutual fund companies are netted against investment returns prior to being posted to participant accounts.

Payment of benefits

Benefits are recorded when paid.

At December 31, 2022, 20 former participants were separated from service with a total deferred vested benefit of \$5,058,584.

At December 31, 2021, 15 former participants were separated from service with a total deferred vested benefit of \$5,718,894.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes receivable from participants

Loans to participants are reported at their unpaid principal balance. Delinquent loans are reclassified as distributions based on the terms of the Plan document.

Administrative expenses

Administrative expenses for investment advice, third party record keeping, and the required annual audit for the years ended December 31, 2022, and 2021 were \$57,777 and \$61,805, respectively. Of these amounts, \$10,000 and \$9,000 were paid by the plan sponsor in 2022 and 2021, respectively.

Date of management's review

Management has evaluated subsequent events through September 8, 2023, the date on which the financial statements were available to be issued.

NOTE 3 - INCOME TAX STATUS

The Plan adopted a Volume Submitter Profit Sharing Plan with CODA through CCH Incorporated DBA FTWilliam Com ("CCH") on January 1, 2019. CCH received an opinion letter dated March 31, 2014, from the Internal Revenue Service as to the volume submitter plan's qualified status; the plan opinion letter has been relied upon by this Plan. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Tax filings are subject to examination by authorities during the statute of limitations (generally three years). The plan administrator has not been contacted by authorities related to any previous tax filings under statute.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, the account balance of each participant becomes fully vested and nonforfeitable.

NOTE 5 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information, as of and for the periods ending December 31, 2022, and 2021 and included in the accompanying financial statements and supplemental schedule, was obtained from data that has been prepared and certified to as complete and accurate by Empower Trust Company:

	2022	2021
Registered investment companies	\$ 23,380,013	\$ 26,342,570
Interest and dividends	\$ 1,153,884	\$ 1,526,669
Net realized and unrealized (losses) gains	\$ (5,889,959)	\$ 2,356,640

NOTE 6 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 or 3 inputs are only used when Level 1 inputs are not available.

Level 1 fair value measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset values and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022, and 2021:

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain other expenses may be paid by the Company on behalf of the Plan to Empower Trust Company (the trustee), Benefit Plans Plus (the third-party administrator), ProCourse Fiduciary Advisors (the investment advisor), or Delta Wealth CPAs & Advisors, LLC (the plan auditor). These transactions qualify as party-in-interest transactions. See Note 2 for details.

Certain employees of the Company provide administrative services to the Plan; these employees are not compensated by the Plan for such services.

NOTE 8 - RISKS AND UNCERTAINTIES

FASB ASC 275, *Risks and Uncertainties*, requires disclosures that focus primarily on risk and uncertainties that could significantly affect the amounts reported in the financial statements in the near term or the near-term functioning of the reporting entity. The risks and uncertainties addressed can stem from the nature of an entity's operations, the use of significant estimates, and current vulnerabilities due to certain concentrations. The effects of COVID-19 may negatively impact significant estimates and exacerbate a vulnerability due to certain concentrations (e.g., business concentration in a market severely affected by the effects of COVID-19).

The Plan participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The reconciling items noted below are primarily due to the difference between the basis of accounting used to prepare the financial statements and the Form 5500 (modified cash basis and cash basis, respectively) and differences in the classification of revenue sharing amounts received.

There are no reconciling items between net assets available for benefits per the financial statements and the Form 5500.

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500.

	<u>2022</u>	<u>2021</u>

NOTE 10 - SUBSEQUENT EVENTS

In 2021, the COVID-19 outbreak in the United States did result in reduced patient visits and postponement of elective surgeries, however, the Company did not discontinue the employer match or profit sharing contributions for the year. Developments related to the pandemic are expected to continue to impact plan operations and results, though such potential impact is unknown at this time.

As of January 1, 2022, the Plan was restated to a volume submitter document that is compliant with the rules related to the Pension Protection Act of 2006 (PPA), as well as other more recent legislative requirements. The Company did not make any changes to plan operations or administration with this restatement.

As of March 1, 2022, the Plan was amended to include prior service in eligibility determinations for employees of Indiana Spine Center, LLC.
