Independent Auditor's Report

Plan Participants and Board of Directors
Caleel Hayden, LLC 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Caleel Hayden, LLC 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate to the best of their knowledge and belief.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule H, Part IV, line 4i—schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of Plan

The following description of the Caleel Hayden, LLC 401(k) Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document and summary Plan description for more complete information.

General and eligibility: The Plan is a defined contribution plan established on January 1, 2000, to cover all employees of Caleel Hayden, LLC (the Company or Plan Sponsor). Employees must reach the age of 18 before becoming eligible to participate in the Plan. One consecutive month of service with the Company must be completed in order to meet participation eligibility.

Contributions and investment options: Each year participants may contribute a specified percentage or dollar amount of pretax annual compensation, as defined by the Plan, subject to Internal Revenue Service (IRS) limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employees are eligible for discretionary employer matching contributions on the date in which the employee becomes eligible to participate in the Plan. During 2022, the Company made matching contributions equal to 50% of participant's deferrals that do not exceed 6% of his or her compensation.

Participants are automatically enrolled in the Plan at 1% deferral rate once eligibility requirements are met and are invested in the default fund based on the estimated retirement year, unless a different amount or an election not to contribute has been submitted.

Participants in the Plan direct their contributions and Company contributions into various investment options offered by the Plan. Participants may change their elections daily. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant accounts: Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and an allocation of the Company's contributions and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participant contributions and earnings thereon are fully vested and nonforfeitable. The vesting percentage for Company contributions is based on years of service under the following schedule:

Years of Service	Vested Percentage
1 year	25%
2 years	50%
3 years	75%
4 years	100%

In the event of Plan termination, death, attainment of age 65 or permanent or total disability, participants will become 100% vested in their account balances.

Forfeitures: Participants terminating employment without being 100% vested in the Company's contributions forfeit the nonvested portion of their account. Forfeitures are used to pay administrative expenses of the Plan or used to reduce the Company's contributions. The forfeiture balance as of December 31, 2022 and 2021, was \$10 and \$13,922, respectively. During 2022, \$16,524 of forfeitures were used to reduce Company contributions.

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Payment of benefits: On termination of service due to retirement, death or disability, a participant, or their beneficiary in the case of death, may elect to receive a lump-sum amount equal to the value of the participant's account, or an annuity which provides for annual installments over a specified period. For termination of services due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution less applicable taxes, or the participant may elect to roll over his or her account balances into another qualified retirement savings account. If a participant terminates employment and the individual's vested interest in the Plan does not exceed \$5,000, the distribution will be paid in a lump sum as soon as practicable after allowing a Participant sufficient time within which to elect whether to receive the distribution in cash or as a direct rollover.

Notes receivable from participants: Participants may borrow from their fund accounts amounts from \$500 to \$50,000 reduced by the excess, if any, of the highest outstanding balance during the prior 12 months over the outstanding balance on the date on which the new note is made and limited to a maximum of 50% of the present value of the participant's vested account balance. The notes bear interest at the *Wall Street Journal* prime rate on the 14th of each month, plus two percentage points. Notes receivable are collateralized by the participant's vested account balance. The repayment period is limited to five years, except that a note used for the purchase of a principal residence may exceed five years. The repayment period may not extend beyond the participant's normal retirement date. Principal and interest is paid ratably through payroll deductions. Notes receivable outstanding at December 31, 2022, bear interest at rates ranging from 5.25% to 8.25% and are due through November 2026.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The accompanying financial statements are prepared on the accrual basis of accounting.

Accounting estimates and assumptions: The preparation of financial statements in accordance with generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Administrative expenses: Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Expenses that are paid directly by the Plan Sponsor are excluded from these financial statements.

Risks and uncertainties: The Plan utilizes various funds as investment instruments. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment valuation and income recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Payment of benefits: Benefit payments to participants are recorded upon distribution.

Excess contributions refundable: Participant contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions.

Subsequent events: The Plan Administrator evaluated subsequent events through September 7, 2023, which is the date the financial statements were available to be issued.

Note 3. Information Certified and Provided by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Reliance Trust Company, the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate to the best of their knowledge and belief. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

	2022	2021
Investments, at fair value:		
Mutual funds	\$ 2,964,423	\$ 3,443,914
Common collective trust	51,749	63,793
	<u>\$ 3,016,172</u>	<u>\$ 3,507,707</u>
Notes receivable from participants	<u>\$ 17,758</u>	<u>\$ 16,839</u>

The Trustee also certified to the completeness and accuracy of the investment income information (including investments bought, sold and held during the year) and interest income on notes receivable from participants for the year ended December 31, 2022, included on the accompanying statement of changes in net assets available for benefits.

Note 4. Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices in active markets for identical assets or liabilities;

Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in valuation methodologies at December 31, 2022 compared to December 31, 2021.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Reported at fair value based on quoted market price of the fund and classified within Level 1 of the valuation hierarchy.

Common collective trust (CCT): These investments are public investment vehicles valued using the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus the liabilities, and then divided by the number of shares outstanding.

The methods above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level within the fair value hierarchy the Plan's investments at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,964,423	\$ -	\$ -	\$ 2,964,423
Total assets at fair value	\$ 2,964,423	\$ -	\$ -	2,964,423
Investments measured at NAV (a)				51,749
				<u>\$ 3,016,172</u>

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,443,914	\$ -	\$ -	\$ 3,443,914
Total assets at fair value	\$ 3,443,914	\$ -	\$ -	3,443,914
Investments measured at NAV (a)				63,793
				<u>\$ 3,507,707</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

During the year ended December 31, 2022, the Plan did not make any significant transfers between levels.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment	Fair Value 2022	Fair Value 2021	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 51,749	\$ 63,793	n/a	Daily	n/a

The investment strategy of this fund is not disclosed pursuant to Accounting Standards Update (ASU) No. 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965)—(I) Fully Benefit-Responsive Investment Contracts, (II) Plan Investment Disclosures and (III) Measurement Date Practical Expedient (a consensus of the Financial Accounting Standards Board (FASB) Emerging Issues Task Force).

Note 5. Related-Party and Party-in-Interest Transactions

Transactions with the Trustee, recordkeeper and third-party administrator qualify as party-in-interest transactions. Fees paid by the Plan to these parties totaled \$13,175 for the year ended December 31, 2022.

Caleel Hayden, LLC 401(k) Savings Plan

Notes to Financial Statements

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at its discretion. In the event of termination, the net assets of the Plan, after payment of any expenses properly charged, will be distributed to each participant according to the amount then credited to his or her account. Additionally, in the event of Plan Termination, all participants will become 100% vested in their account balances.

Note 7. Tax Status

The Plan adopted a non-standardized form of a defined contribution pre-approved plan sponsored by the third-party administrator. The plan has received an opinion letter from the IRS dated October 6, 2020 as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

The Plan applies the standards on accounting for uncertainty in income taxes. The Plan Administrator evaluated the Plan's tax positions and concluded that the Plan has maintained its tax exempt status and has taken no uncertain tax positions that require adjustments to the financial statements.

Note 8. Excess Contributions

The Plan failed certain nondiscrimination testing during 2022 and 2021, resulting in excess contributions payable of \$14,394 and \$5,607, respectively. These excess contributions were refunded to certain participants during 2023 and 2022, respectively.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2022 and 2021:

	2022	2021
Net assets available for benefits per the financial statements	\$ 3,034,716	\$ 3,526,979
Less current year contributions receivable	(15,180)	(8,040)
Plus excess contributions payable	14,394	5,607
Net assets available for benefits per the Form 5500	<u>\$ 3,033,930</u>	<u>\$ 3,524,546</u>

The following is a reconciliation of the net decrease per the financial statements to Form 5500 for the year ended December 31, 2022:

Net decrease per the financial statements	\$ (492,263)
Less change in contributions receivable	(7,140)
Less change in excess contributions payable	8,787
Net decrease per Form 5500	<u>\$ (490,616)</u>
