INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Those Charged with Governance of
Yokohama Tire Corporation
Salaried Employees' Retirement and Savings Plan
Salem, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Yokohama Tire Corporation Salaried Employees' Retirement and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Yokohama Tire Corporation Salaried Employees' Retirement and Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Continued)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Yokohama Tire Corporation Salaried Employees' Retirement and Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Yokohama Tire Corporation Salaried Employees' Retirement and Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Yokohama Tire Corporation Salaried Employees' Retirement and Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Yokohama Tire Corporation Salaried Employees' Retirement and Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2022

Note 1. Plan Description

The following description of Yokohama Tire Corporation Salaried Employees' Retirement and Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all nonunion employees of Yokohama Tire Corporation (the "Company"), Yokohama Tire Manufacturing of Virginia, LLC, Yokohama Tire Manufacturing of Mississippi, LLC, and Yokohama Corporation of North America. Yokohama Tire Manufacturing of Mississippi became an adopting employer of the Plan on September 1, 2013, Yokohama Tire Manufacturing of Virginia, LLC became an adopting employer on January 1, 2014, and Yokohama Corporation of North America became an adopting employer on January 1, 2015. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute from 1% to 50% of annual compensation as pre-tax or Roth, as defined in the Plan. The Plan provides for automatic enrollment of all newly eligible employees at an initial pre-tax deferral contribution of 3%. Participants may also contribute up to 6% of compensation after-tax; however, the pretax and after-tax combined amount cannot exceed 50% of compensation. The Company contributes 50% of the participant's elective pre-tax deferral up to an annual maximum of 6% of compensation. The Company must make a safe-harbor non-elective contribution of 3% and may make additional discretionary contributions. During the Plan years ended December 31, 2022 and 2021, the Company made discretionary contributions of 2%. Contributions are subject to certain limitations.

Effective February 1, 2021, the Plan was amended to provide automatic enrollment at 6% for participants hired on or after January 1, 2016, provided their existing deferral election on file is greater than zero but less than 6%. In addition, the deferral rate will automatically increase on an annual basis, until the deferral rate reaches 10%. Participants may opt out of automatic enrollment and increase by electing an alternate deferral.

Participant accounts

Each participant's account is credited with the participant's contributions and the Company's contributions, and allocations of Plan earnings and administrative fees. Forfeited balances of terminated participants' non-vested accounts are used to reduce expenses and future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Note 1. Plan Description (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after four years of credited service.

Notes from participants

Participants may borrow from their accounts a minimum of \$1,000, up to the maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms range from one year to five years. Loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%. Interest rates on loans at December 31, 2022 ranged between 4.25% - 8.00%. Principal and interest are repaid through payroll deductions.

Payment of benefits

Upon retirement, death, disability, or termination, a participant will generally receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan also allows partial distributions.

Administrative costs

Plan fees and administrative expenses are paid by the Plan and Company on a discretionary basis.

Forfeited accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$209,093 and \$133,792, respectively. A total of \$27,411 and \$38,201 were applied to expenses during the years ended December 31, 2022 and 2021, respectively. A total of \$95,311 and \$227,675 were used to reduce employer contributions during the years ended December 31, 2022 and 2021, respectively.

Note 2. Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Note 2. Significant Accounting Policies (Continued)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Interest bearing cash

The Plan's investment in the self-directed account includes interest-bearing cash. At December 31, 2022, interest bearing cash also includes certificates of deposit. For the years ended December 31, 2022 and 2021, cash was \$448,938 and \$475,201, respectively. At times these amounts may exceed federally insured limits.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes from participants

Notes from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Benefit payments

Benefit payments are recorded when paid.

Reclassifications

Certain amounts in the prior year's financial statements have been reclassified to conform to the current year's presentation.

Note 2. Significant Accounting Policies (Continued)

Subsequent events

Subsequent events have been evaluated through August 29, 2023, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The Galliard Stable Return Fund C (formerly Wells Fargo Stable Value Fund C) is a collective investment trust fund owned at December 31, 2022 and 2021. This investment is composed primarily of investment contracts and security-backed contracts and is valued at the net asset value of units of the fund. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 Fair Value Measurements Including the Self-Directed Account

The fair values of common stocks are based on quoted prices, and mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Note 3. Fair Value Measurements (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
<u>December 31, 2022</u>				
Galliard Stable Return Fund C	\$ 12,418,869	None	Daily	12 months
<u>December 31, 2020</u>				
Wells Fargo Stable Value Fund C	\$ 12,899,356	None	Daily	12 months

Note 4. Investment Contracts

The Plan has investments in the Galliard Stable Return Fund C (formerly Wells Fargo Stable Value Fund C). The fund primarily invests in investment contracts and security-backed contracts issued by insurance companies and other financial institutions. These contracts are considered to be benefit-responsive and are required to be stated at fair value. The average yield for these funds was approximately 4.95% and 1.30% for 2022 and 2021, respectively. The yield earned by the funds with an adjustment to reflect the actual interest rate credited to participants at December 31, 2022 and 2021 was 2.52% and 1.90%, respectively.

The objective of the fund is to provide investors with a moderate level of stable income without principal volatility. However, there is no assurance that this objective will be achieved.

Note 5. Related Party Transactions

Certain administrative functions are performed by officers or employees of the Company. These employees are also Plan participants. No such officer or employee receives compensation from the Plan.

Plan participants may choose to invest in funds held and managed by the Plan Trustee. Investments in funds issued and managed by the Trustee are considered related party transactions. Fees paid by the Plan to the Trustee for investment management and record-keeping services for 2022 and 2021 were \$115,548 and \$110,262, respectively.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Participants would receive a lump-sum distribution as soon as practical after the date of Plan termination.

Note 7. Tax Status

The Company has adopted a non-standardized pre-approved profit sharing plan sponsored by the Trustee. The Internal Revenue Service has determined and informed the Company by letter dated June 30, 2020 that the volume submitter profit sharing plan and related trust are designed in accordance with applicable sections of the *Internal Revenue Code (IRC)*. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the *IRC*.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 8. Trustee's Certification

Certain information was certified as complete and accurate by Fidelity Management Trust Company, the Plan's Trustee. That information is as follows:

- Investment assets
- Investment transactions
- Investment income
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year)
- Notes from participants (participant loans)
