Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and

EXPRESS MANUFACTURING, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The Express Manufacturing, Inc. 401(k) Plan (the "Plan") is a defined contribution plan established on October 1, 1998 by Express Manufacturing, Inc. (the "Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS AND OTHER INTERESTED PARTIES SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

A. Participation

Employees of the Sponsor are eligible to participate in the Plan after completing three months of service and reaching age 18.

B. Payment of Benefits

On termination of service or attainment of normal retirement age, a participant may choose to receive his or her benefits in a lump-sum or installments equal to the value of his or her account balance. Hardship and in-service withdrawals at age 59½ are permitted.

C. Vesting

A participant is fully vested immediately as to voluntary contributions, rollovers and related earnings. All years of service are credited to determine a participant's vesting service. Sponsor matching contributions are vested as follows:

<u>Vesting Service (Years)</u>	<u>Vesting Percentage (%)</u>
Less than 2	-
2	20
3	40
4	60
5	80
6 or more	100

D. Contributions

Participants may contribute up to 100% of their compensation as defined in the Plan, limited to a maximum annual amount specified by the Internal Revenue Code. The Plan allows a discretionary matching contribution that is determined by the board of directors of the Sponsor. The Plan also has a discretionary profit-sharing feature; there were no profit-sharing or matching contributions for 2022 or 2021. Forfeitures, if any, are used to reduce the Sponsor's contributions. There were no forfeitures in 2022 or 2021.

E. Notes Receivable from Participants

Participant loans shall not exceed the lesser of \$50,000 or 50% of the participant's vested account balance. The minimum loan under the Plan is \$1,000. A participant may only have one outstanding loan at any one time. The loan period is for a maximum of five years (unless the loan is used to acquire a principal residence), at a reasonable fixed rate of interest.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Administrative Expenses

Most administrative expenses are paid by the Sponsor.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accounts of the Plan are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investments

Accounting guidance on measuring fair value establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy, Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Level 1 investments consist of shares of registered investment companies valued at their quoted market prices. Common/collective trust is valued at net asset value. The investment objectives of the common/collective trust is apparent from its name. Shares may be redeemed any time at net asset value. The following tables set forth Plan investments measured at fair value at December 31:

		2022		
		Level 1	Level 2	Level 3
				Total
Registered Investment Companies		\$ 11,507,954	\$ -	\$ -
Investments Measured at Net Asset Value ^A				2,380,197
				<u>\$ 13,888,151</u>

		2021		
		Level 1	Level 2	Level 3
				Total
Registered Investment Companies		\$ 13,612,855	\$ -	\$ -
Investments Measured at Net Asset Value ^A				132,928
				<u>\$ 13,745,783</u>

^A In accordance with ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investments (Continued)

The following table summarizes investments for which fair value is measured using net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments:

	<u>Fair Value at December 31,</u>		<u>Unfunded</u>	<u>Redemption</u>	<u>Redemption</u>
	<u>2022</u>	<u>2021</u>	<u>Commitments</u>	<u>Frequency</u>	<u>Notice Period</u>
Common/Collective Trust	\$ 2,380,197	\$ 132,928	None	Daily	None

NOTE 3 - INCOME TAX STATUS

The Plan is based upon a prototype plan document that has received tax exempt status from the Internal Revenue Service. The Plan has since been amended. However, management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - FIXED INCOME GUARANTEED OPTION

The Plan maintained a fully benefit-responsive group annuity contract with Principal Financial Group through the Fixed Income Guaranteed Option ("Guaranteed Interest Account"). Contributions to the Guaranteed Interest Account were maintained in an insurance company general account and credited for interest and charged for participant withdrawals and administrative expenses. Principal Financial Group was contractually obligated to repay principal and a specified rate of interest that is guaranteed to the Plan. The Guaranteed Interest Account meets fully benefit-responsive investment contract criteria and is reported at contract value of \$1,921,670 at December 31, 2021. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants when they initiate permitted transactions under the terms of the Plan. As of December 31, 2022, the investment in the Guaranteed Interest Account has been terminated.

The gross composite crediting rate is based on a formula established by Principal Financial Group but may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting. The gross composite crediting rate at December 31, 2021 was 1.60%. The net crediting rates, less fees, at December 31, 2021 was 0.90%.

The Plan's ability to receive amounts due is dependent on Principal Financial Group ability to meet its financial obligations. There are no reserves against contract value for credit loss. Certain events might limit the ability of the Plan to transact at contract value including premature termination of Plan investments in the Guaranteed Interest Account. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

EXPRESS MANUFACTURING, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and net assets would be distributed based upon participants' account balances at that time.

NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2022 and 2021, and investment income (loss) for the years then ended that is disclosed in the accompanying financial statements and supplemental schedule were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Company, LLC and Principal Trust Company, the trustees of the Plan.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 8 - RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by John Hancock Company, LLC, the Plan's trustee. Any purchases and sales of these investments are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 7, 2023, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
