In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Guy M. Turner, Inc. 401K Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Guy M. Turner, Inc. 401K Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Guy M. Turner, Inc. 401K Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Guy M. Turner, Inc. 401K Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GUY M. TURNER, INC. 401K RETIREMENT PLAN
Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN

The following description of Guy M. Turner, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, covering all eligible employees of Guy M. Turner, Inc. and Guy M. Turner Crane & Rigging, Inc. (the "Company") who attain 19 years of age and the completion of 60 days of continuous service. In order to receive an employer contribution, the employee must have one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year participants may contribute up to 100% of their annual pre-tax compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set to 4% of eligible compensation and their contributions invested in a designated balanced fund unless changed by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their deferral or investment options at any time.

During the year ended December 31, 2022 and 2021, the Company elected to contribute 25% of the first \$1,600 of elective participant contributions, with a maximum annual contribution of \$400. Additional amounts may be contributed at the option of the Company's Board of Directors. Contributions are subject to certain limitations as determined by the Internal Revenue Code.

Participant Accounts

Each participant's account is credited with the participant's contributions, including amounts rolled over from other qualified plans, Company contributions, and allocations of Plan earnings. Participant accounts may also be charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions, including amounts rolled over from other qualified plans, plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts is based on years of continuous service. A participant is 100% vested after 5 years of credited service or in the event of death and disability, as defined by the Plan.

GUY M. TURNER, INC. 401K RETIREMENT PLAN
Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. A participant may have one outstanding loan at a time. The loans are secured by the balance in the participant's account and bear interest at 1% over the prime rate, as defined. Principal and interest are paid ratably through regular payroll deductions or paid directly by the participant.

Payment of Benefits

Participants are entitled to receive lump-sum payments of all or any portion of their vested account balance upon attainment of age 59½. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or can delay benefit payments until age 70½ when required minimum distributions will begin. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If a participant's vested interest does not exceed \$5,000, a lump-sum distribution will be made regardless of whether the participant consents to receive the payment. Any distribution greater than \$1,000 that is made without the participant's consent is rolled over to an individual retirement plan designated by the Plan administrator. Participants are permitted to take hardship distributions from selected accounts, as defined by the Plan, upon demonstrations of financial hardship.

Forfeited Accounts

As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$3,941 and \$1,137, respectively. Forfeitures may be used to first reduce administrative expenses and then future employer contributions. During the year ended December 31, 2022, \$620 was used to reduce administrative expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

GUY M. TURNER, INC. 401K RETIREMENT PLAN
Notes to Financial Statements

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. A loan becomes immediately due and payable upon a participant's termination of employment or death. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain investment related expenses are paid using the Plan's assets and are either included in net appreciation or depreciation of fair value of investments or are allocated among participants in the Plan. Certain expenses relating to specific transactions, such as loan set up, loan maintenance and express mail services, are paid directly by the participant and are included in administrative expenses.

Subsequent Events

The Plan has evaluated events and transactions for potential recognition or disclosure through August 30, 2023, which is the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY VOYA RETIREMENT INSURANCE AND ANNUITY COMPANY (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments and interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Voya Retirement Insurance and Annuity Company ("Voya").

GUY M. TURNER, INC. 401K RETIREMENT PLAN
Notes to Financial Statements

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The Plan has no investments subject to measurement within the fair value hierarchy as of December 31, 2022 and 2021. See Note 5 for Investments Measured Using the Net Asset Value per Share as a Practical Expedient.

NOTE 5 - INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE AS A PRACTICAL EXPEDIENT

The following table summarizes investments for which fair value is measured using the net asset value per share as a practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for investment exchanges or for participant withdrawals; the redemption notice period is applicable only to the Plan.

	December 31, 2022			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice
Pooled separate accounts	<u>\$5,620,664</u>	None	Daily	None

	December 31, 2021			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice
Pooled separate accounts	<u>\$7,018,527</u>	None	Daily	None

NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan holds two separate investment contracts that meet the fully benefit-responsive investment contract criteria, and are therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The contract value of the fully benefit-responsive investment contracts as of December 31, 2022 and 2021 are \$2,949,770 and \$2,815,776, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following:

- (1) The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code.
- (2) Premature termination of the contracts.
- (3) Plan termination or merger.
- (4) Changes to the Plan's prohibition on competing investment options.
- (5) Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that significantly affect the Plan's normal operations.

GUY M. TURNER, INC. 401K RETIREMENT PLAN
Notes to Financial Statements

NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (Continued)

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value.

Those events may be different under each contract. Examples of such events include the following:

- (1) An uncured violation of the Plan's investment guidelines.
- (2) A breach of material obligation under the contract.
- (3) A material misrepresentation.
- (4) A material amendment to the agreements without the consent of the issuer.

There are no participant redemption restrictions for the investment with respect to exchanges in investment options.

NOTE 7 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments include pooled separate accounts as well as fixed general accounts managed by Voya, related subsidiaries and/or affiliated companies. Therefore, fee transactions within these accounts qualify as party-in-interest transactions. Certain Plan expenses are absorbed into the valuation of the investment options as an offset to Plan and participant earnings. The Plan receives revenue sharing payments from the mutual fund service providers, which offsets fees paid by the Plan. Fees in excess of the revenue sharing are allocated to participant accounts and expensed.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9 - TAX STATUS

The Plan is a prototype plan sponsored by Voya Retirement Insurance and Annuity. The Internal Revenue Service issued an opinion letter to Voya Retirement Insurance and Annuity dated June 30, 2020, that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since adopting the prototype plan, the Plan's administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

GUY M. TURNER, INC. 401K RETIREMENT PLAN
Notes to Financial Statements

NOTE 9 - TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
