Independent Auditor's Report

To the Board of Trustees of
Alliance Automation 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Alliance Automation 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Alliance Automation 401(k) Retirement Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by the state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Alliance Automation 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 10 to the financial statements, certain administrative errors exist in the Plan and Plan provisions are not correctly followed. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Alliance Automation 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Alliance Automation 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Alliance Automation 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedules titled Schedule H, Line 4i-Schedule of Assets (Held At End of Year), and Schedule H, Line 4a-Schedule of Delinquent Participant Contributions as of the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2020 Financial Statement

Plan management is responsible for the accompanying financial statement of Alliance Automation 401(k) Retirement Plan, which comprises the statement of net assets available for benefits for the year ended December 31, 2020. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the statement nor were we required to perform any procedure to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the financial statement.

Alliance Automation 401(k) Retirement Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 - Description of Plan

The following description of the Alliance Automation 401(k) Retirement Plan (“the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution 401(k) retirement plan covering all full-time employees of Alliance Automation, LLC who have completed one hour of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - The Plan provides for employee salary reduction contributions subject to maximum tax-deferred limitations established by the Internal Revenue Code. These contributions may be made as regular deferrals (pre-tax) or Roth deferrals (after-tax) and can be reduced to 0% at any time on employee’s discretion. If a salary reduction agreement is not completed, 4% will automatically be withheld pre-tax with annual increases of 1% up to a maximum of 11%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for the participants. Participants may change their investment options at any time. Contributions are automatically invested in a default investment until changed by the participant. The Company will make a safe harbor basic matching contribution of 100% of the first 4% of eligible compensation deferred. Matching contributions may be made at the discretion of the Company and are allocated based on the deferral percentage elected by the participant. In addition, the Company may make a discretionary profit sharing contribution. Participants must complete 1,000 hours of service and be employed on the last day of the Plan year to be eligible for the discretionary profit sharing contribution.

Participant Accounts - Each participant’s account is credited with the participant’s contributions and an allocation of the Company’s contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting - All contributions are always 100% vested.

Notes Receivable from Participants - Participants may borrow from their funds accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant’s account and bear interest at rates ranging from 4.25% to 6.50%, which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits - On termination of service due to disability or retirement, a participant may elect to receive a lump-sum distribution equal to the participant’s vested account balance, or annual installments over periods as defined in the Plan. For termination of service due to other reasons, the participant will receive the value of the vested interest in his or her account as a lump-sum distribution. Accounts less than \$5,000 are paid in a single lump sum.

Note 1 - Description of Plan (Continued)

Distribution Prior to Termination - In-service withdrawals are subject to varying rules depending on the source of the funds in the participant's account. Participants may withdraw all or part of their deferral contributions account, matching contributions, and qualified non-elective contributions account, and rollover contributions provided they have attained age 59½. Participants may also take hardship distributions from their vested account balances. These distributions would be subject to potential penalties and taxation. Participants are advised to consult a tax advisor for the most recent tax laws.

Death Benefits - Upon the death of a participant, the account becomes available for distribution to the participant's beneficiaries. If the death benefit payable to a beneficiary does not exceed \$5,000, then the benefit may only be paid as a lump sum. If the death benefit exceeds \$5,000, beneficiary may elect to have the death benefit paid in a single lump-sum payment in cash or annual installments at least equal to the required minimum distribution amount.

Forfeitures - All contributions are always 100% vested, thus there are no forfeitures.

Note 2 - Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Accounting - The Plan prepared its financial statements on the accrual basis. Unrealized gains and losses on the Plan's assets are reported even though no sales of such assets actually took place.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Contributions - Contributions to the Plan are accrued, if necessary, to the year to which they apply.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Net appreciation in fair value of investments is reflected in the Statements of Changes in Net Assets Available for Benefits and includes realized gains and losses on investments bought and sold and the change in appreciation from one period to the next. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Note 2 - Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants - Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participants account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the balance is reduced, and the delinquent participant notes receivable are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits - Benefits are recorded when paid.

Information Certified by Custodian - The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certifications from Alerus Financial, N.A. ("Alerus") that all information relating to the Plan's investments and related investment income is complete and accurate. Information as to the value of the investments in the trust fund managed by the custodian, investment income (loss), and all information in the supplemental schedule is presented in reliance solely upon those certifications.

Note 3 - Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions set forth in ERISA.

Note 4 - Investments (Unaudited)

At December 31, 2021 and 2020, all investments listed on the supplemental schedule of assets held for investment purposes were certified and held by Alerus. Investments included in the Plan's net assets available for plan benefits at December 31, 2021 and 2020, are as follows:

	<u>2021</u>	<u>2020</u>
- Registered Investment Companies	\$ 5,865,624	\$ 4,246,863
- Collective Investment Trust Accounts	<u>23,754</u>	<u>15,954</u>
Total Investments	<u>\$ 5,889,378</u>	<u>\$ 4,262,817</u>
- Notes Receivable From Participants	<u>\$ 54,450</u>	<u>\$ 34,963</u>

Alliance Automation 401(k) Retirement Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 4 - Investments (Unaudited) (Continued)

During 2021, the Plan recorded gains and losses on investments bought and sold plus appreciation in value of investments held totaling \$485,356. Dividends and interest on all investments and notes receivable from participants totaled \$293,144 for the year ended December 31, 2021.

Note 5 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial Accounting Standards Board ASC 820, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. At December 31, 2021 and 2020, no Level 2 or 3 inputs were available to the Plan.

Further ASC 820 provides for investments to be valued using net asset value (NAV) as a practical expedient. The NAV is not a publicly quoted price in an active market and is computed in accordance with investment company measurement principles.

The Plan utilizes collective investment trusts (CIT) accounts. As of December 31, 2021 and 2020 the Plan values these investments at net asset value as the practical expedient. Currently all redemptions for CIT's are at that day's computed NAV. ASC does not require these investments to be included in the fair value hierarchy provided below, however the value of these investments have been included to reconcile to the investments provided at fair value in the Statement of Net Assets Available for Benefits

Level 1 Fair Value Measurements - The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Note 5 - Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Unadjusted Quoted Prices (Level 1)	Investments Measured at Net Asset Value	Total
December 31, 2021			
Registered Investment Companies	\$ 5,865,624	\$ -	\$ 5,865,624
Common/Collective Trust Accounts	-	23,754	23,754
Total	<u>\$ 5,865,624</u>	<u>\$ 23,754</u>	<u>\$ 5,889,378</u>
 December 31, 2020			
Registered Investment Companies	\$ 4,246,863	\$ -	\$ 4,246,863
Common/Collective Trust Accounts	-	15,954	15,954
Total	<u>\$ 4,246,863</u>	<u>\$ 15,954</u>	<u>\$ 4,262,817</u>

Note 6 - Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits for the financial statements at December 31, 2020, to Form 5500.

Net Assets Available for Benefits Per the Financial Statements	\$ 4,322,929
Participant Contributions Receivable at December 31, 2020	(15,926)
Employer Contributions Receivable at December 31, 2020	(9,223)
Net Assets Available for Benefits Per the Form 5500	<u>\$ 4,297,780</u>

Note 7 - Party-in-Interest

All Plan assets are managed by Alerus. Alerus is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Participant loans also qualify as party-in-interest transactions. Participant loans totaled \$54,450 and \$34,963 as of December 31, 2021 and 2020, respectively. Interest received on participant loans totaled \$1,402 for the year ended December 31, 2021. Certain expenses of maintaining the Plan are paid by the Company and therefore excluded from these financial statements. The Plan pays for the record keeping services.

Notes to Financial Statements

December 31, 2021 and 2020

Note 8 - Income Tax Status

The Plan is designed based on a prototype plan. The Internal Revenue Service has provided a determination letter June 30, 2020, in which the Internal Revenue Service stated that the prototype 401(k) plan was designed in accordance with the applicable requirements of the Internal Revenue Code. Although the Plan has not requested a letter of determination from the Internal Revenue Service, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 10 - Contingencies

The Plan has been made aware that certain administrative errors exist. Management is in the process of correcting these administrative errors and ensuring the Plan documents are being followed correctly. Additional receivables may be due to the Plan by the Company. Because of these various administrative errors, the Department of Labor could disqualify the Plan's exempt status and subject the Company to various penalties.

Note 11 - Subsequent Events

Management has evaluated subsequent events through August 17, 2023, the date on which the financial statements were available to be issued. There are no subsequent events to be disclosed.
